RE: *Approval of: Ordinance Approving Lease Agreements with Carle Foundation for a house on North Busey and a house on West Church Street for the City of Urbana Transitional Housing Program.*

*NOTE – In the past, efforts have been made to keep the location of these transitional housing units and the names of the participating families CONFIDENTIAL. It could be advantageous to refrain from referring to these locations except where necessary.

Brief Description of the Issue

Carle Foundation has provided the City of Urbana with a no cost lease for 2 houses for use by families enrolled in the Transitional Housing Program.

The houses are located on North Busey and West Church Street.

A lease for the house on West Church Street has not been executed since Carle Foundation began providing use of this structure. This was a lapse that needs to be remedied in order to document the file and meet HUD requirement that the City has site control. As such, this proposed lease agreement covers a period from June 21, 1999, the start date for the first transitional housing family to occupy the house, through August 31, 2003.

The lease for the house on N. Busey provides for two-year term, identical to the previous lease and covers the period September 1, 2001 through August 31, 2003. (Per the city code, a two-year lease does not need council approval, however by packaging both lease agreements for approval it provides a better context for this matter.)

Identification of the Issue(s) and Any Approvals Required

The issue before City Council is whether to approve the Ordinance. City Council approval is necessary for the City to execute the Carle Foundation lease documents.

Background/Facts

The Transitional Housing Program is administered with CDBG funding from HUD and is designed to assist homeless families with children. The program supports five transitional housing units and a case/program manager.

FY 2001-2002 funding is budgeted at \$44,900.

Fiscal Impact

There would be no effect on the City's General Fund. In fact, the donation of these units by the Carle Foundation serves as leverage to our CDBG program.

Recommendation

Community Development Services staff recommends City Council approve the *Ordinance Authorizing the Execution of Lease Agreements with Carle Foundation for a house North Busey and a house West Street for the City of Urbana Transitional Housing Program.*
