**RE:** **Release of Easement in the Lincoln Centre Subdivision**

**INTRODUCTION**

Andrae's Harley-Davidson, Inc., is planning to build a new retail and repair store at the southeast corner of Killarney Street and Lincoln Avenue. The City has been asked to release an existing utility easement. The reason to have the easement released is to allow for the construction of the new store to be built over an existing easement and thereby free the site from any existing encumbrances that are not necessary. All utility companies have given approval to allow the release of this easement.

Attached is a draft ordinance releasing an easement in the Lincoln Centre Subdivision, along with a map showing the proposed easement vacation.

**FISCAL IMPACTS**

There are no fiscal impacts to the City.

**RECOMMENDATION**

It is recommended that the attached ordinance "Releasing an Easement in the Lincoln Centre Subdivision" be approved.
