RE: Ordinance from Traffic Commission

Attached is an ordinance for your approval from action taken by the Traffic Commission.

The ordinance (Schedule J) is for the establishment of a “No Parking This Side of Street” zone on both sides of Lincoln Avenue from Interstate 74 to Somer Drive, Anthony Drive from Oak Street to 410 West Anthony, and Kenyon Road from Oak Street to Gregory Street. This is necessary due to problems of semi-trucks parking on these streets and blocking traffic. These three streets do not have adequate width to accommodate moving traffic and parking. The trucks are waiting to unload in the early morning hours at the SuperValu warehouse. Trucks previously parked on the east side of Lincoln Avenue in a gravel lot which has now been fenced in by the owners. In addition SuperValu is expanding their building and parking spaces were temporarily lost as a result. Once construction is complete the parking shortage will be improved.

The Traffic Commission has considered these locations at its Sept. and Oct., 2002 meetings and recommends that the ordinance be approved.
