**TO:** Bruce K. Walden, Chief Administrative Officer

**FROM:** Elizabeth H. Tyler, Community Development Director

**DATE:** March 19, 2003

**SUBJECT:** **Addition of Territory to the Urbana Enterprise Zone  
Snyder Commercial Site/2210 North Willow Road**

---

**Introduction**

City staff has submitted on behalf of Jack O. Snyder, owner of the territory in question, the attached draft application to amend the Enterprise Zone boundary to add his property located at 2210 N. Willow Road. The site is 1.0 +/- acres in size and is currently zoned for B-3 General Business use. A map is attached showing the location of the site.

**Background**

In 2001, Mr. Snyder petitioned for annexation into the City of Urbana with the provision that his property be rezoned for B-3 General Business use, making it more compatible with the zoning and use of surrounding properties, and upon annexation, that the city submit an application to add the tract to the Urbana Enterprise Zone. The property was annexed with said zoning designation on February 8, 2002. The property was previously zoned for agricultural use under County zoning prior to annexation. The property has been vacant for several years, but is in an area that has recently and will soon be receiving substantial investment, in part based on the economic incentives that would be available for projects in the Enterprise Zone. Had the property been part of the City, it is reasonable to expect that it would have been included as part of the original Enterprise Zone. Because the project site is not in the Enterprise Zone, but is adjacent, staff is recommending the property be added to the Zone.

A public hearing to review the company's proposal was conducted on Tuesday, March 18, 2003 at 3:30 p.m. in the Urbana Civic Center. Minutes from that public hearing are attached.

**Economic Impact**

It is hoped that the pending development of a major auto dealership and the recently completed 117,000 sq. ft. store will serve as catalysts for renewed private investment in the surrounding area. It is the intent of the City that adding territory in the area to the Enterprise Zone will further enhance the appeal of these properties and ultimately the viability of North Cunningham Avenue as a

commercial area.

**Staff Recommendation**

Staff recommends the Council approve the attached ordinance to add territory to the Urbana Enterprise Zone at its regular meeting scheduled for Monday, April 7, 2003. If the ordinance is approved, staff will complete the application for amendment to the Enterprise Zone for signature of the Mayor and will forward it to the State of Illinois Department of Commerce and Economic Opportunity for certification.

**PART C. PURPOSE OF AMENDMENT**

Explain why the amendment is being requested.

*On February 8, 2002 the City of Urbana entered into an annexation agreement with Mr. Jack Snyder, owner of the property located at 2210 N. Willow Rd. A key part of the agreement included an obligation by the City to submit an application to request that the tract be added to the Urbana Enterprise Zone upon annexation of the said tract . The agreement involved the rezoning of the tract to B-3 General Business from its previous designation as AG-2 under County zoning. It was recognized that there was an overall lack of properties zoned for general business use in this general location. Now that the real estate transactions are completed and the territory annexed, the City can reasonably demonstrate the fact that this territory is eligible to be included within the Enterprise Zone.*

## **PART D. ELIGIBILITY CRITERION**

1. Describe and document the specific development commitment(s) that will occur within the two year period following the proposed boundary change. Such information must include: project scope; estimated cost of the project; timeline for completing project milestones; project start and completion dates; construction plans or schematics; construction permit data; and, evidence of financial commitment from financial institutions and/or local, state or federal government. Indicate the name of the business, the product or service provided and current employment. Project documentation is to be provided or certified by the business(es) involved.

*While there are no development plans slated for the property at this time, we are speculating that inclusion into the Enterprise Zone might make this property a more desirable investment for businesses looking to locate in this area.*

2. Describe how, and the extent to which, the above described project impacts at least one of the following:
  - a. job creation or retention;
  - b. removal or correction of an impediment to economic development that exists in the established zone (describe the obstacle to economic activity and indicate the cause, nature, extent and how the obstacle is impacting economic development); or,
  - c. stimulation of neighborhood residential or commercial revitalization.

### **Correction of Impediment to Economic Development & Commercial Revitalization**

*Although the area is close to the intersection of a major interstate this older commercial area has experienced decline including the closure of several highway oriented businesses such as restaurants and gas stations. Most of this commercial area north of Interstate 74 was not in the city limits until the 1990s. Vacant land and older underutilized buildings with undesirable land uses dominated much of this interchange, including a garbage hauling enterprise on what could be considered the most prominent and visible commercial parcel. It is hoped that economic growth in the area will be stimulated with the pending development of a major auto dealership and the existence of a relocated and expanded 117,000 sq. ft. big-box general retailer that has recently been completed. It is hoped that the addition of property zoned for general business and industrial uses in combination with the incentive of being part of an enterprise zone will create an opportunity for the area to prosper.*

## **PART E. DEVELOPMENT GOALS AND OBJECTIVES**

Describe how the proposed boundary change meets specific objectives of the local enterprise zone program and plan.

*The proposed Enterprise Zone boundary expansion would assist the City in meeting the following development goals as identified in the Urbana Enterprise Zone Plan submitted to the Illinois Department of Commerce and Community Affairs in December 1984:*

- 1. To attract and retain private sector investment in the Urbana Enterprise Zone that directly benefits the residents therein in a manner which will increase and diversify the economic base of the City of Urbana.*
- 2. To create employment opportunities and develop ways and means to retain jobs within the Urbana Enterprise Zone.*
- 3. To achieve a pro-active stance towards economic development within the Enterprise Zone that will be viewed in a positive manner by investment decision makers.*

*By approving this application to add territory to the Urbana Enterprise Zone, DCEO would enable the City to meet the three above stated objectives. These objectives when achieved, create the necessary economic opportunities that its citizens desire and, in turn, makes Urbana a more viable and livable city.*

*It is important to note here that this land was not in the city limits in 1985 when the Zone was established, but very likely would have been included under original application eligibility criteria.*

## **PART F. COMMUNITY SUPPORT**

Describe the input, assistance, resources and commitments which public and private sector entities provided in the development of this application or will provide in the implementation of the plan. Letters from individuals, business, labor, community or other groups in support of this application may be attached. However, letters of commitment in support of activities (e.g., technical assistance, financial assistance, business management information, jobs, job training and other appropriate types of assistance or actions) which will help to accomplish the objectives of the proposed addition are of greater significance.

*The City of Urbana is dedicated to helping the area in which the subject is located improve through continued actions that the City believes will make the area more desirable for businesses and investors. The Cunningham Area Corridor Redevelopment Plan outlines many of the actions the city has taken and will take in achieving this goal. The City has established a TIF district in the area, has extended the Enterprise Zone, has invested over \$3 million in capital improvements to improve access and improve safety, and has made numerous real estate transactions to attract more desirable uses to the North Cunningham area. The City annexed the property at 2210 N. Willow Road to fill a need for more commercial property north of Interstate 74 in order to attract serious investment in what is a highly visible property.*

WHEREAS, the Owner desires to have the aforementioned real estate annexed to the City of Urbana upon certain terms and conditions hereinafter set forth in this Agreement.

**NOW, THEREFORE, FOR AND IN CONSIDERATION OF THE MUTUAL**

**PROMISES SET FORTH HEREIN, THE PARTIES AGREE AS FOLLOWS:**

**ARTICLE I. REPRESENTATIONS AND OBLIGATIONS OF THE OWNER**

The Owner agrees to the following provisions:

**Section 1. Annexation:** The Owner represents that he is the sole record Owner of the tract described in Exhibit A and the Owner acknowledges that immediately after the City Council's approval of this Agreement, the City shall act on the signed annexation petition, labeled Exhibit C, to cause said tract to be annexed to the City of Urbana.

The Owner further agrees that this Annexation Agreement shall be included in any sales contract for the sale of any portion of the subject tract. If the subject tract is to be platted for subdivision, the Owner agrees that the substance of these provisions regarding annexation shall be included in the subdivision covenants and such will constitute a covenant running with the land.

The Owner further agrees to abide by all applicable development regulations existing at the time of annexation.

**ARTICLE II. REPRESENTATIONS AND OBLIGATIONS OF THE CORPORATE AUTHORITIES**

The Corporate Authorities agree to the following provisions:

**Section 1. Annexation:** The Corporate Authorities agree to act immediately to annex said tract subject to the terms and conditions outlined in this Agreement by enacting such ordinances as may be necessary and sufficient to legally and validly annex said tract to the City.

The Corporate Authorities agree that all applicable development regulations will apply to said tract, except as otherwise provided herein.

**Section 3. Tax Increment Financing District:** Upon annexation, the City agrees to include the tract within the proposed tax increment financing district number 4 (a.k.a. North Urbana

Redevelopment Plan) if it qualifies as a part of said district and said district is approved by the City of Urbana and the State of Illinois.

**Section 4. Enterprise Zone.** The City will submit application to the State of Illinois to request the subject tract to be added to Urbana Enterprise Zone pursuant to the Illinois Enterprise Zone Act (20 ILCS 655/1 et seq.) no later than 30 days after the effective date of this agreement, or the date all property is located within the City of Urbana, whichever is later.

Term of this Agreement:** This Agreement shall be binding upon the parties hereto, and their respective successors and assigns, for a full term of twenty (20) years commencing as of the effective date of this Agreement as provided by the Illinois State Statutes, unless other provisions of this Agreement specifically apply a different term. To the extent permitted thereby, it is agreed that, in the event the annexation of subject tract under the terms and conditions of this Agreement is challenged in any court proceeding, the period of time during which such litigation is pending shall not be included in calculating said twenty-year term.

If this Agreement imposes any obligation, restraint, or burden (hereinafter called collectively "obligation") on the Owner, his successors or assigns, which obligation extends beyond the termination date of this Agreement, such obligation may be released by the Urbana City Council enacting an Ordinance releasing such obligation by a majority vote of all Alderpersons then holding office and the recording of such Ordinance in the Champaign County Recorder's Office, Champaign County, Illinois.

**Section 2. **Section 3. Binding Agreement upon parties:** The Corporate Authorities and Owner agree that neither party will take no action or omit to take action during the term of this Agreement which act or omission as applied to the tract would be a breach of this Agreement without first procuring a written amendment to this Agreement duly executed by both the Owner and the city.

**Section 4. Enforcement:** The Owner and Corporate Authorities agree and hereby stipulate that any party to this Agreement may, by civil action, mandamus, action for writ of injunction or other proceeding, enforce and compel performance of this Agreement or the non-defaulting party may declare this Agreement null and void in addition to other remedies available. Upon breach by the Owner, the City may refuse the issuance of any permits or other approvals or authorizations relating to development of the tract.

**Section 5. Severability:** If any provision of this Agreement is rendered invalid for any reason, such invalidation shall not render invalid other provisions of this Agreement which can be given effect even without the invalid provision.
