RE: Civilian Police Review Board  
Second Quarterly Report

Section 19-28(l) of the Ordinance Establishing a Civilian Police Review Board requires the Board provide a “quarterly report of all open or pending internal investigations”.

Currently, there are six (6) open or pending internal investigations. The complaint associated with that investigation was received by the Human Relations Office on July 17, 2009.

For your convenience I have attached a spreadsheet showing all cases filed since April 2008. The shaded section comprises the most recent quarter. The information provided in this report is consistent with reporting requirements as set forth in Section 19-27(a)(2) of the Ordinance.

Respectfully submitted,

Todd Rent  
Human Relations Officer
