RE: 2010 Boneyard Creek Community Day

This purpose of this report is to inform the Mayor and members of the City Council of the fifth annual Boneyard Creek Community Day activities that occurred on Saturday April 10, 2010. Close to two hundred and fifty volunteers from Urbana, Champaign, and the University of Illinois clad in orange tee-shirts were deployed from Scott Park to aid in the restoration and clean-up of the Boneyard Creek. Volunteer groups helped remove invasive, non-native plants from sections of the stream's corridor and picked up trash. Other groups cleaned up trash at various locations across Urbana and Champaign.

Sponsors for the 2010 Boneyard Creek Community Day included the City of Urbana, City of Champaign, the University of Illinois, Urbana-Champaign area Rotary clubs, Urbana Park District, Champaign Park District, and the Prairie Rivers Network. Urbana contributed trash pick-up kits for the event.

Thank your for your support of this activity.
