DATE: August 17, 2011

**RE: Resolution for Improvement by Municipality Under the Illinois
Highway Code (Supplemental - FY 2010-11 MFT Resurfacing
Project / Lincoln Avenue, Springfield Avenue, Park Street)**

Introduction

Attached is the proposed supplement resolution for the 2011 MFT Resurfacing Project to be considered at the Monday August 22, 2011 Committee of the Whole meeting.

Background

On March 7, 2011 the City Council approved a resolution appropriating Motor Fuel Tax funds in the amount \$650,000 for the resurfacing, including material testing services, of the following city streets:

Lincoln Avenue - Wascher Drive to Fairview Avenue
Springfield Avenue - Grainger Engineering Library to West of Goodwin Ave.
Springfield Avenue - East of Goodwin Avenue to East of Gregory Street
Park Street - McCullough Street to Broadway Avenue

Bids were received on April 25, 2011 and the low bidder was Cross Construction, Inc. in the amount of \$734,338.24. The amount of the low bid was higher than originally anticipated. The original resolution was required by the Illinois Department of Transportation prior to bidding the project.

Fiscal Impact

The total cost of the project, including material testing services, is now estimated at approximately \$750,000. The project costs will be paid with Motor Fuel Tax funds. The attached supplemental resolution requests the use of additional Motor Fuel Tax monies in the amount of \$100,000 to cover the costs of the project.

Council Action

The City Council is asked to approve the attached Supplemental Resolution for Improvement by Municipality Under the Illinois Highway Code in the amount of \$100,000.
