SUBJECT: **A RESOLUTION CERTIFYING A COMMUNITY HOUSING DEVELOPMENT ORGANIZATION FOR THE URBANA HOME CONSORTIUM FOR FY 2013-2014 (February 2014 Habitat)**

A RESOLUTION APPROVING AND AUTHORIZING THE EXECUTION OF AN URBANA HOME CONSORTIUM COMMUNITY HOUSING DEVELOPMENT ORGANIZATION AGREEMENT (Habitat CHDO Developer 1107 W. Hill and 1208 ½ W. Dublin)

Description

Included on the agenda of the February 10, 2014 meeting of the Committee of the Whole is a resolution certifying Habitat for Humanity of Champaign County (Habitat) as a Community Housing Development Organization (CHDO) in order to enter into the proposed amended contract using Fiscal Year (FY) 2013-2014 CHDO project funds as part of the HOME Investment Partnerships Program. Habitat has met all of the Federal HOME Program requirements for certification as a CHDO in the current fiscal year.

The original agreement provided for \$70,000 in CHDO project funds for the construction of two single-family units at 1205 West Beslin Street, Urbana and 1208 ½ West Dublin Street, Urbana. Habitat has requested that the project originally slated for the 1205 W. Beslin Street location be amended to 1107 W. Hill Street in Champaign to reflect a new future occupant's preferences. The project for the single-family unit at 1208 ½ West Dublin will proceed as planned.

Background

Two single-family units were approved for HOME Program construction funding by City Council in September, 2013. A combination of development subsidy and down payment assistance, in the amount of \$35,000 for each project, was approved for a total contract budget of \$70,000. The approved locations for the units were 1205 West Beslin and 1208 ½ West Dublin in Urbana. The City transferred 1208 ½ West Dublin Street to Habitat at that time, which was originally acquired using Community Development Block Grant funds for the purpose of constructing affordable housing. The purchaser of 1205 West Beslin had signed a sales contract with Habitat but later decided to pursue a degree program and could no longer continue the

affordable homeownership program at that time. Because an address is required to commit HOME funds to a construction project, Habitat worked with the next family on the waiting list to successfully identify a location for the second unit.

Based on the timing of the original family's cancellation of the Sales Contract, the Urbana HOME Consortium determined that the best course of action would be to delay contract signing for the \$70,000 developer agreement until a second property was identified. It was also recommended that the City of Urbana maintain ownership of 1205 West Beslin until a viable project for the site could be identified. Habitat sent communication in early January, 2014 that an eligible family had selected a lot in Champaign at 1107 West Hill Street and had signed a Sales Contract.

The amended contract before Council will allow the Consortium to enter into the agreement originally approved in September, 2013 with the same terms previously approved by Council, but with a revised location for one of the units. References in the contract to 1205 West Beslin, Urbana will now refer to the new location at 1107 West Hill Street, Champaign. The project at 1208 ½ West Dublin will proceed as originally proposed by Habitat.

At its regular meeting on January 28, 2014, the Community Development Commission forwarded the resolutions to City Council with a unanimous recommendation for approval. Minutes from the meeting are attached for review.

Options

1. Approve the Resolutions.
2. Approve the Resolutions with changes.
3. Do not approve the Resolutions.

Fiscal Impacts

The Resolution for certification will not impact the City budget in any way and is a procedural requirement. It will allow the Consortium to continue to allocate the required 15 percent set-aside to affordable housing projects undertaken by eligible nonprofits, which includes Habitat.

The funds for the construction of two single-family units were earmarked for certified CHDOs as outlined in the approved FY 2013-2014 Annual Action Plan and will not change the overall amount designated for CHDO administration in the City budget. The City will continue to maintain 1205 West Beslin until it can be developed as affordable housing at a later date.

Recommendations

The Community Development Commission and staff recommend approval of the Resolutions. This will allow the Urbana HOME Consortium to commit the Community Housing Development Organization 15 percent set-aside required by HUD regulations.

The DEVELOPER is not required to re-examine the family's income at the time the HOME assistance is provided, unless more than six (6) months has elapsed since the DEVELOPER determined that the family qualified as income eligible.

For allotted time period following project completion (hereinafter referred to “the Affordability Period”), the following restrictions shall apply. The DEVELOPER agrees to assist the GRANTOR in restricting the use of the property by recording a Mortgage, and Note (hereinafter the “DOCUMENTS”) in form and with the same content as that executed under even date herewith. In the event the housing does not continue to be the principal residence of the family for the duration of the Period of Affordability, the GRANTOR shall recapture a portion of the HOME Program assistance provided to the homebuyers in accordance with the terms and conditions provided in the loan agreement and note. The HOME Program funds provided under this AGREEMENT will be recaptured in accordance with 24 CFR 92.254(a)(5)(ii) and shall be repaid to the GRANTOR, recorded as CONSORTIUM program income in accordance with 24 CFR 92.503, and used in accordance with the requirements of the HOME Program.

The CONSORTIUM shall deposit said funds in the local HOME Trust Account to be utilized for other affordable housing activities at the discretion of the CONSORTIUM.

Section 3: HOME Project Requirements

Project Requirements:

The GRANTOR shall provide HOME funds not to exceed **\$70,000** in accordance with 24 CFR 92.205(b) for eligible costs as described in 24 CFR 92.206 and 92.207. HOME Program funds will be disbursed on behalf of the DEVELOPER under the following terms and conditions;

HOME funds provided by the DEVELOPER to the eligible homebuyer as down payment assistance shall be in the form of a **Forgivable Loan** at 0% interest.

DEVELOPER shall comply with all HOME project requirements in subpart F of 24 CFR Part 92, including 92.250: Maximum per-unit subsidy amount and layering, which stipulates that the

amount of HOME funds that a grantee may invest in affordable housing on a per-unit basis may not exceed the per-unit dollar limits established by HUD under 221.514(b)(1) and (c) of this title for elevator-type projects, involving nonprofit mortgagors, insured under section 221(d)(3) of the National Housing Act that apply to the area in which the housing is located.

The GRANTOR and DEVELOPER agree that the DOCUMENTS will be executed between the GRANTOR and the HOMEBUYER at the initial purchase closing for any housing unit receiving funds under the PROGRAM pursuant to this AGREEMENT. The DOCUMENTS shall include language to ensure that the affordability period will be honored through the duration of this AGREEMENT and include provision for recapture of the HOME Program funds invested in the housing unit. GRANTOR staff will prepare these DOCUMENTS and the GRANTOR will pay recording fees for the DOCUMENTS.

This period of affordability shall commence the date that all necessary project information is provided to HUD via HUD's Integrated Disbursement and Information System (IDIS). GRANTOR agrees to enter all information provided into IDIS within 30 days of receipt. Should the PROJECT be modified after initial commencement date of the affordability period, a new affordability period may be re-structured.

The terms of the recapture provision will be such that they reflect the HUD provisions in the HOME Final Rule 24 CFR 92.254. Details of a recapture provision will be provided in the DOCUMENTS. Failure to ensure that the DOCUMENTS are executed at the initial purchase closing will result in withholding HOME Program funds until said item is addressed. DEVELOPER also agrees to reference these required DOCUMENTS in each of their PROGRAM Agreements with the Homebuyers.

Section 7: Enforcing of Agreement

A default shall consist of any use of HOME Program funds for a purpose other than as authorized by this AGREEMENT, noncompliance with the HOME Program guidelines as outlined in 24 CFR Part 92, any material breach of the AGREEMENT, failure to timely comply with the audit requirements in Article XIII, failure to expend HOME Program funds in a timely manner, or a misrepresentation in the application submission which, if known by GRANTOR and/or HUD, would have resulted in HOME Program funds not being provided. Upon due notice to the DEVELOPER of the occurrence of any such default and the provision of a reasonable opportunity to respond, the GRANTOR may take one or more of the following actions:

- (a) Direct the DEVELOPER to prepare and follow a schedule of actions for carrying out the affected activities, consisting of schedules, timetables and milestones necessary to implement the affected activities;

Notice

The Illinois State Prevailing Wage Act (820 ILCS 130/0.01 et seq.) provides in part as follows: "Not less than the general prevailing rate of hourly wages for work of a similar character on public works in the locality in which the work is performed, and not less than the general prevailing rate of hourly wages for a legal, holiday and overtime work, shall be paid to all laborers, workers and mechanics employed by or on behalf of any public body engaged in the construction of public works." (820 ILCS 130/3, quoted in part).

The Act defines a public body as follows: "'Public body' means the state or any officer, board or commissioner of the state or any political subdivision or department thereof, or any institution supported in whole or part by public funds, authorized by law to construct public works . . ." (820 ILCS 130/2, quoted in part).

The Department of Labor has recently applied this provision to a not-for-profit corporation, indicating that it was the opinion of the Department that the not-for-profit, because of its State funding, was considered a public body for the purposes of the Prevailing Wage Act. You are encouraged to contact the Department of Labor for its guidance with respect to whether or not it considers your organization a "public body" under the Act for the purposes of the Prevailing Wage Act. If the Prevailing Wage Act applies, you are required to compensate all workers on the project, including volunteers, for work done on the project.

Since, by the terms of this agreement you are required to follow all local, State and Federal laws, if the State Prevailing Wage Act is applicable to your organization, then you are required to comply with the Act by the terms of this contract."

MORTGAGE

THIS MORTGAGE ("Mortgage") is given on < **Date**, _____, by < **Borrower Name**> _____ (the "Borrower") to the City of Urbana, Illinois, a unit of local government having its principal offices at 400 South Vine Street, Urbana, Illinois 61801, acting as the lead entity for the Urbana HOME Consortium (the "Grantor"). Borrower conditionally owes the Grantor a maximum amount of _____ **and no /100 [\$ _____]**. This debt is evidenced by Borrower's promissory note (the "Note") dated the same date as this Mortgage, a copy of which is attached hereto as Exhibit "A", which provides for a ten year (10) term, hereinafter referred to as the "Affordability Period," commencing on _____.

This Mortgage secures to the Grantor: (a) all repayment of the debt evidenced by the Note, and all renewals, extensions and modifications of the Note; (b) the payment of all other sums advanced by the Grantor pursuant to paragraph 7 of this Mortgage to protect the security of this Mortgage; and (c) the performance of Borrower's covenants and agreements under this Mortgage and the Note.

For these purposes, Borrower hereby mortgages, grants and conveys to the Grantor, its successors and assigns, the real property described as:

Legal Description: <INSERT FULL LEGAL DESCRIPTION>;
Common address: < INSERT FULL ADDRESS HERE > ;
PIN: < PARCEL IDENTIFICATION NUMBER >;

located in the County of Champaign, State of Illinois, together with (a) all the improvements now or hereafter erected on the property and all easements, rights and appurtenances thereto; (b) all leases and licenses with respect to the property; (c) all rents, royalties and profits thereof; and (d) all fixtures and equipment now or hereafter in or on the property. All replacements and additions shall also be covered by this Mortgage. The real property referenced above and all of the other property subject to this mortgage is hereinafter referred to collectively in this Mortgage as the "Property".

Borrower covenants that Borrower is the lawful owner of the Property conveyed

by this Mortgage and has the full right and power to mortgage, grant and convey the Property and that the Property is unencumbered, except for the encumbrances of record described in Exhibit "B" hereto acceptable to the Grantor (the "Permitted Encumbrances"). Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any Permitted Encumbrances.

Borrower covenants to the Grantor as follows:

1. **Payment Under the Note.** Borrower agrees to promptly pay when due any amounts required to be paid by the Note.

2. **Application of Payments.** Unless applicable law provides otherwise, all payments received by the Grantor under paragraph 1 will be applied to principal due under the Note.

3. **Charges and Liens.** Borrower will pay all taxes, assessments, charges and fines attributable to the Property which may attain priority over this Mortgage. Borrower will pay these obligations on time directly to the person to whom payment is owed.

Borrower will promptly discharge any lien which may attain priority over this Mortgage unless Borrower: (a) agrees in writing to pay the obligation secured by the lien in a manner acceptable to the Grantor; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which, in the Grantor's opinion, operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to the Grantor subordinating the lien to this Mortgage. If the Grantor determines that any part of the Property is subject to a lien which may attain priority over this Mortgage, the Grantor may give Borrower a notice identifying the lien. Borrower will satisfy the lien or take one or more of the actions set forth above within ten (10) days of the Grantor's giving of such notice.

4. **Hazard Insurance.** Borrower will keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage", and any other hazards for which the Grantor requires insurance. All policies of insurance hereunder will be from such companies and in such form and amounts as may be satisfactory to the Grantor, will name the Grantor as a loss payee and will include a provision requiring 30 days advance written notice to the Grantor prior to the termination or modification of such policy.

All insurance policies and renewals must be acceptable to the Grantor and must include a standard mortgage clause. The Grantor may hold the policies and renewals and, if the Grantor requires, Borrower will promptly give to the Grantor all receipts of paid premiums and renewal notices. Upon the occurrence of a loss covered by insurance, Borrower will give prompt notice to the insurance carrier and the Grantor. The Grantor may make proof of loss if not made promptly by Borrower.

Insurance proceeds will be applied to restoration or repair of the Property damaged if the Grantor determines that the restoration or repair is economically feasible and the Grantor's security is not lessened by such restoration or repair. In such event, the Grantor has the right to collect and hold the insurance proceeds and make the proceeds available to Borrower from time

to time for the payment of the cost and expense of repair and restoration upon receipt of satisfactory evidence that such cost or expense has been incurred. If the Grantor determines that the restoration or repair is not economically feasible or the Grantor's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Mortgage, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property or does not answer within 30 days a notice from the Grantor that the insurance carrier has offered to settle a claim, then the Grantor may settle the claim with the insurance carrier and collect the insurance proceeds from the insurance carrier and may use the proceeds to repair or restore the Property or to pay sums secured by this Mortgage, whether or not then due.

If under paragraph 19 the Property is acquired by the Grantor, Borrower's right to any insurance policies and all insurance proceeds resulting from damage to the Property prior to the Grantor's acquisition shall pass to the Grantor to the extent of the sums secured by this Mortgage immediately prior to such acquisition.

5. **Preservation and Maintenance of Property.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate, or commit waste. Borrower shall cause the Property to comply with all local codes, ordinances, zoning ordinances, the Model Energy Code and the United States Department of Housing and Urban Development's ("HUD") Section 8 Housing Quality Standards, as set forth in Section 370.601 of the Rules.

6. **Occupancy and Resale Restrictions.** Borrower covenants that during the Affordability Period, the property shall be occupied and maintained as the principal residence of the Borrower.

Any sale or use of the Property for a purpose other than the principal residence of the Borrower within the Affordability Period, shall be considered a default of this agreement, and shall initiate repayment of the loan as required by the Note.

In the event of a foreclosure or deed in lieu of foreclosure relating to any other loan encumbering the Property, the Grantor shall have the right, but not the obligation, to acquire the Property prior to such foreclosure or deed in lieu of foreclosure to preserve the foregoing affordability provisions as provided in 24 CFR Part 92.254 (a)(4) of the Regulations.

7. **Protection of the Grantor's Rights in the Property: Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Mortgage or there is a legal proceeding that might significantly affect the Grantor's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then the Grantor may do and pay for whatever is necessary to protect the value of the Property and the Grantor's rights in the Property. The Grantor's actions may include paying any sums secured by a lien which has priority over this Mortgage, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although the Grantor may take action under this paragraph 7, the Grantor does not have to do so. Any amount disbursed by the Grantor under this paragraph 7 shall become additional debt of Borrower secured by this Mortgage.

8. **Inspection.** The Grantor or its agents may make reasonable entries upon and inspections of the Property. The Grantor shall give Borrower notice prior to the time of an inspection specifying reasonable cause for the inspection.

9. **Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property or for conveyance in lieu of condemnation are hereby assigned and shall be paid to the Grantor and shall be applied to the sums secured by this Mortgage as if the Note had been prepaid on the date the condemnation award is approved, whether or not then due, with any excess paid to Borrower. If the Property is abandoned by Borrower or if, after notice by the Grantor to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to the Grantor within 30 days after the date the notice is given, the Grantor is authorized to accept such award or settlement and to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Mortgage, whether or not then due.

10. **Borrower Not Released; Forbearance Not a Waiver.** Extension of the time for payment or modification of payment of the sums secured by this Mortgage granted by the Grantor to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. The Grantor shall not be required to commence proceedings against any successor in interest and may refuse to extend time for payment or otherwise modify payment of the sums secured by this Mortgage by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by the Grantor in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

11. **Successors and Assigns Bound.** The covenants and agreements of this Mortgage shall bind and benefit the successors and assigns of the Grantor and Borrower and shall be covenants running with, binding and burdening the Property, subject to the provisions of paragraphs 17 and 21.

12. **Loan Charges.** If the loan secured by this Mortgage is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. The Grantor may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note. Notwithstanding anything to the contrary set forth in this paragraph 12, no interest or prepayment charge is payable under the Note.

13. **Legislation Affecting the Grantor's Rights.** If enactment or expiration of applicable laws has the effect of rendering any provision of the Note or this Mortgage unenforceable according to its terms, the Grantor, at its option, may require immediate payment in full of all sums secured by this Mortgage and may invoke any remedies permitted by

paragraph 19. If the Grantor exercises this option, the Grantor shall take the steps specified in paragraph 19.

14. **Notices.** Any notices, demand, request or other communication that any party may desire or may be required to give to any other party hereunder shall be given in writing at the addresses set forth below by any of the following means: (a) overnight courier; or (b) registered or certified United States mail, postage prepaid, return receipt requested.

Upon the occurrence of either of the foregoing events, the Grantor shall give Borrower notice of acceleration. This notice shall provide a period of not less than 30 days from the date the notice is given within which Borrower must pay all sums required by this paragraph 17. If Borrower fails to pay these sums prior to the expiration of this period, the Grantor may invoke any remedies permitted by this Mortgage without further notice or demand on Borrower.

18. **Borrower's Right to Reinstate.** If Borrower meets certain conditions, Borrower will have the right to have enforcement of this Mortgage discontinued at any time prior to the earlier of: (a) five (5) days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Mortgage; or (b) entry of a judgment enforcing this Mortgage. Those conditions are that Borrower: (w) pays the Grantor all sums which then would be due under this Mortgage and the Note had no acceleration occurred; (x) cures any default of any other covenants or agreements; (y) pays all expenses incurred in enforcing this Mortgage, including, but not limited to, reasonable attorneys' fees; and (z) takes such action as the Grantor may reasonably require to assure that the lien of this Mortgage, the Grantor's rights in the Property and Borrower's obligations to pay the sums secured by this Mortgage shall continue unchanged. Upon reinstatement by Borrower, this Mortgage and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraphs 13 or 17.

19. **Acceleration; Remedies.** Prior to any acceleration of the amounts owed to the Grantor under the Note or this Mortgage (other than an acceleration under paragraphs 13 and 17 unless applicable law provides otherwise) the Grantor shall give notice to Borrower following Borrower's breach of any covenant or agreement in this Mortgage (the "Default"). The notice shall specify: (a) the Default; (b) the action required to cure the Default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the Default must be cured; and (d) that failure to cure the Default on or before the date specified in the notice may result in acceleration of the sums secured by this Mortgage, foreclosure by judicial proceeding and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert, in the foreclosure proceeding, the non-existence of a default or any other defense of Borrower to acceleration and foreclosure. If the Default is not cured on or before the date specified in the notice, the Grantor at its option may require immediate payment in full of all sums secured by this Mortgage without further demand and may foreclose this Mortgage by judicial proceeding. The Grantor shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 19, including, but not limited to, reasonable attorneys' fees and costs of title evidence, and such sums shall be immediately due and payable and shall be secured by this Mortgage. Upon any sale of the Property made by virtue of judicial proceedings or a decree of foreclosure and sale, the Grantor may bid for and acquire the Property and in lieu of paying cash therefore may make settlement for the purchase price by crediting upon Borrower's indebtedness secured by this Mortgage, the sale price, after first deducting from the sale price the expenses of the sale and the cost of the foreclosure. The proceeds of any foreclosure sale of the Property shall be distributed and applied in the following order of priority: first, on account of all costs and expenses of the foreclosure proceedings; second, to repayment of the indebtedness of Borrower secured by this Mortgage; and third, any excess to Borrower, its successors and assigns.

20. **Possession.** Upon acceleration under paragraph 19 or abandonment of the Property and at any time prior to the expiration of any period of redemption following judicial sale, the Grantor (in person, by agent or by judicially appointed receiver) shall be entitled to enter upon, take possession of and manage the Property and to collect the rents of the Property including those past due. Any rents collected by the Grantor or the receiver shall be applied first to payment of the costs of management of the Property and collection of rents, including, but not

limited to, receiver's fees, premiums on receiver's bonds and reasonable attorneys' fees, and then to the sums secured by this Mortgage.

21. **Release.** Upon the expiration of the Affordability Period, the Grantor shall release this Mortgage without charge to Borrower. Borrower shall pay any recordation costs.

22. **Waiver of Homestead.** Borrower waives all right of Homestead Exemption in the Property, as described in 735 ILCS 5/12-901. The Borrower reserves the right, however, to seek a reduced assessment based on Homestead under 30 ILCS 200/16-80.

23. **Filing and Recording Fees.** Borrower shall pay all title insurance premiums, escrow charges, filing, registration or recording fees, and all expenses incident to the execution and acknowledgement of this Mortgage and all federal, state, county and municipal taxes and other taxes, duties, imposts, assessments and charges arising out of or in connection with the execution, delivery and performance of this Mortgage.

By signing below, Borrower accepts and agrees to be bound by the terms and covenants in this Mortgage.

She noted several activities undertaken by staff in the past month. Staff attended the HUD All-Entitlement Grantee Conference and presented on cross-cutting requirements, the City received notice that the Federal Home Loan Bank of Chicago approved applications submitted and grant agreements were sent to for execution, the City also received notice from the IL Dept. of Commerce and Economic Opportunity (DCEO) that the Emergency Solutions Grant (ESG) application was approved and the grant agreement was sent for execution. It was also noted that staff scheduled and attended Public Hearings/Neighborhood Meetings in January (Jan. 6-9) at various sites in Community Development targeted neighborhoods within the City, for upcoming FY 2014-2015 Annual Action Plan; two neighborhood meetings are to be rescheduled due to cancellation because of extreme winter weather.

A Resolution Certifying A Community Housing Development Organization for the Urbana HOME Consortium For FY 2013-2014 (Habitat)

A Resolution Approving and Authorizing the Execution of an Urbana HOME Consortium Community Housing Development Organization Agreement (Habitat CHDO Developer 1107 W. Hill and 1208 ½ W. Dublin)

Ms. Gonzalez explained that the Community Development Commission had reviewed an application to fund two houses last August at 1205 W. Beslin and 1208 ½ W. Dublin. The family that had selected the lot at 1205 W. Beslin dropped out of the program, so Habitat went to the next family on the waiting list to find a project that would be eligible for CHDO funds that had already been recommended for approval by CDC and approved by Council in September. Based on the timing of when this occurred, it did not make sense to execute the agreement without knowing what the second property was, so we are presenting this item as a new agreement with the updated property which is 1107 W. Hill in Champaign. Since this is Community Development Housing Organization funding, non-profits can build anywhere in the Consortium area. As far as the Consortium is concerned, as long as it is in the City of Urbana, Champaign, or unincorporated Champaign County, it is an eligible CHDO project, and are always happy to have commitments in that area. Everything basically has stayed the same, just a matter of swapping out the property so we can move forward with the development.

Chairperson Cobb reviewed the three options available, to forward it with a recommendation for approval to the City Council, forward it with a recommendation for changes to the City Council, or not recommend it, and asked for any questions. Commissioner Searing had a question regarding the amount of funds in August being \$70,000 to \$69,400 and now this one says \$70,000. Ms. Gonzalez stated that in between CDC and Council, we closed out the project at 1107 N. Gregory, one of the CHDO builds that Homestead had been doing. It was originally intended to be a single family build and ended up being converted to a transitional housing unit. It actually came under budget by about \$5,000 - \$6,000, and we realized that we have enough funds to fulfill the original request from Habitat. It was less than \$1,000, so staff made the decision to go ahead and fund Habitat in keeping with our historical allocations for their project. It was explained to Council and apologized for not letting following up with CDC.

Commissioner Moreland commended on the statement in the memo that the purchaser of 1205 West Beslin had signed a contract, but later decided to pursue a degree program and so could no longer continue in the program, and asked what is the criteria, how does that work? Ms. Gonzalez explained basically that the family had gotten accepted into a degree program. A lot of sweat equity has to go into doing the build, so going to school full time and then completing the 250 hours of sweat equity, along with 10 different courses you have to take as part of homebuyer education, may make it difficult for some. Habitat does not want to put a strain on families and jeopardize their education, so it made sense to do what was best for the family.

Chairperson Cobb questioned the Fiscal Impacts section of the memo, in that the resolution will not impact the City budget in any way and it is a procedural requirement. He wondered why the statement that it will not impact the City's budget is here, as opposed to will it impact any other Community Development activity, because CD funds are different than City funds. Ms. Gonzalez stated the City publishes a budget that is approved by Council and it incorporates both the CDBG and HOME Investment Partnership funds, so in terms of what was presented to Council is not going to change, because these funds were already earmarked for Community

Housing Development Organizations. In regard to our grant funding, it is not going to change, because the 15% set-aside is set aside for just these types of activities; it is only the non-profits who have access to this funding. We are not switching money between programs; the funds are only going from one property to another. Staff will include a Programmatic Impact section in future memos to the Community Development Commission.

Commissioner Francis moved that the CD Commission forward the Resolution with a recommendation for approval to the Urbana City Council. The motion was seconded by Commissioner Silvis. The motion carried unanimously.

A Resolution Approving an Emergency Solutions Grant Program Subrecipient Agreement Between the City of Urbana and Community Elements.

A Resolution Approving an Emergency Solutions Grant Program Subrecipient Agreement Between the City of Urbana and Crisis Nursery

A Resolution Approving an Emergency Solutions Grant Program Subrecipient Agreement Between the City of Urbana and Greater Community AIDS Project

A Resolution Approving an Emergency Solutions Grant Program Subrecipient Agreement Between the City of Urbana and The Center for Women in Transition

A Resolution Approving an Emergency Solutions Grant Program Subrecipient Agreement Between the City of Urbana and the Salvation Army

Ms. Hardy stated that the City of Urbana is a member of the Continuum of Care and sits on the Steering Committee. The Emergency Solutions Grant is a grant that has come through our Continuum for many years, and provides funding to local shelters in our Continuum area. This year (FY 2013), the State of Illinois, specifically the Dept. of Commerce and Economic Opportunity (DCEO), receives funds from HUD and is a subgrantee, and then they provide funds to our local shelters. This year, they had a grant minimum of \$25,000, saying they would not issue any individual grants to agencies. Many of the agencies that are receiving those funds have grants less than \$25,000, so the City of Urbana, with our relationship with most of the agencies already through our Consolidated Social Service Fund and other grants we administer, were chosen as a good fit to receive all the money and disburse it to the five agencies.

The Continuum submitted an application to DCEO in April 2013 and the grant actually started on October 1, 2013. We received our grant agreement this month, so this is the process of the City being able to subgrant those funds that were approved by the Continuum to those agencies. The agencies are Community Elements for the TIMES Center, Crisis Nursery for their shelter program for children, the Greater Community AIDS Project for their shelter, The Center for Women in Transition for their shelter, and The Salvation Army. The dollar amounts were listed in the memo as to what the agencies will receive. We will also receive a small amount of administration fee; part of our greater leverage in doing this is to build a relationship with the State, so that the City of Urbana can maintain its administration of funds and possibly open the door to other projects with the State in the future if they arise. Two agencies were present, Sue

Wittman from Community Elements, TIMES Center and Mike Benner, Greater Community AIDS Project, and available for questions.

This is a new grant for the City of Urbana; we have not had the grant before. There are many communities in the State who receive these funds as an entitlement community, such as how we receive our CDBG funds or HOME funds. Some agencies also receive their funds directly from HUD, but the Champaign County Continuum of Care is smaller, so it is not eligible to receive the funds directly, which is why we get it as a pass-through from the State of Illinois.

Chairperson Cobb asked for any questions, and wondered if there were any other options other than these five agencies that made a request for funds. Ms. Hardy answered yes and no; the funds come from HUD through their homeless assistance Special Needs Assistance Programs (SNAPs), there are requirements for agencies to participate. The shelters must be a member of the Continuum of Care; the Continuum is the body, which as a Board selects the agencies and goes through the approval process. Each of the agencies submitted an application to the Continuum to explain what they would do with the funds, why they need the funds, and meet other requirements as set by regulations, such as reporting in the Homeless Management Information System (HMIS). The shelters that are members of the Continuum are those five agencies, there are no other shelters that would be able to meet all the Federal requirements or regulations that are a part of the Continuum to receive the funding.

Commissioner Diane asked who is and makes up the Continuum of Care. Ms. Hardy responded that the Continuum is made up of a group of non-profits, Dept. Of Veteran's Affairs, the City of Urbana and Champaign, U of I, the County, CCMHB and DD Board; some are affiliates and some are members. Some organizations participate in homeless services, some are faith based organization. There are about twenty members and five affiliates; a more detailed list can be provided. Commissioner Diane asked who are voting members, Ms. Hardy responded that the City of Champaign, City of Urbana, the County, and the five agencies listed here; Ms. Hardy agreed to provide more details about the organization and its structure. Discussion then revolved around where the funding comes from, and Ms. Mierkowski stated that it is similar to the Supportive Housing Program that the City already administers, with subrecipient agreements. Ms. Hardy stated that we are asking for approval to enter into agreements with these agencies, it is for procedural and documentation purposes regarding the disbursement of funds.

Chairperson Cobb then asked each agency to explain the significance of these funds to each of their organizations. Mike Benner, Executive Director from GCAP, stated that historically GCAP has received funds directly from DCEO for Emergency Solutions Grant funds, formerly Emergency Shelter Grants, however their agency has always been less than \$10,000. Other agencies also receive less than \$25,000, the minimum an organization could request this year from the State as a pass through, so the Continuum discussed at many meetings how best to handle the funding of the agencies. The best solution that the Continuum came up with was for the City of Urbana to be the subgrantee to HUD, and then administer funding to the agencies, who would then submit reimbursement requests to the City, so all of the agencies and their programs could be funded. GCAP's funding is specifically for Champaign House (Transitional House), which has been in existence for twenty years, as a place for people that live with HIV that are homeless. There has been a big change in the criteria of homelessness over the past few

years, and part of the agreement is that the agencies have to follow the HUD regulations, and he believes that they do so. He stated they are helping people who are literally homeless get back on their feet and become self-sustaining in our community.

Sue Wittman, Director of Adult Recovery Services at Community Elements, stated that the TIMES Center is one of her programs. The significance of this grant to her agency is that they receive \$18,356.17 and are very grateful to the City of Urbana for administering this grant. Previously, it had to be done this way, in the grant had to be written and the criteria had to be met. They have funding from five different governmental bodies and all different types of outcomes and hoops they have to jump through. They have seen a great deal of increase in the need, not just in the residence part with 70 men, but they provide a soup kitchen for children and women. Women can also use their facility during the daytime for showers and eating. It has been a hard year, so Ms. Wittman thanked the City of Urbana for taking this grant on, as it is very valuable to their agency and they are grateful.

Chairman Cobb asked if this grant covers food and shelter, and Ms. Wittman stated that this particular grant helps pay for some of their operating costs. Most of their grants are for personnel costs and program pieces, so they are really pleased that this pays for lighting and electricity, among other things.

Chairperson Cobb reviewed the three options available, to forward it with a recommendation for approval to the City Council, forward it with a recommendation to the City Council with conditions, or to not recommend it, and entertained a motion.

Commissioner Silvis moved to forward the Resolutions with a recommendation for approval to the Urbana City Council. The motion was seconded by Commissioner Francis. The motion carried unanimously.

Adjournment: Seeing no further business, Chairperson Cobb adjourned the meeting at 7:33 p.m.
