DEPARTMENT OF PUBLIC WORKS**

*ENGINEERING*

**MEMORANDUM**

**TO: Mayor Laurel L. Prussing and Members of the City Council**

**FROM: William R. Gray, Public Works Director  
Craig E. Shonkwiler, Assistant City Engineer**

**DATE: December 4, 2014**

**RE: Airport Road – Willow Road to Cunningham Avenue (US Route 45)**

- **Economic Development/TARP Agreement**
- **80,000 Pound Truck Access Resolution**
- **Budget Amendment Ordinance**

**INTRODUCTION**

At its June 2, 2014 meeting, the City Council approved an Economic Development Program (EDP) Agreement with the Illinois Department of Transportation (IDOT) to receive up to \$1,305,902 for eligible roadway engineering, contingencies and construction costs for improvements to Airport Road from Willow Road to Cunningham Avenue (US Route 45) including improvements to the Cunningham Avenue (US Route 45)/Airport Road intersection. The local share of the project was suggested to come from Tax Increment Financing (TIF) revenues.

The City received the EDP funds as a result of the planned facility expansion of Frasca International, Inc. (Frasca) corporate manufacturing facility located on Airport Road west of US Route 45 in north Urbana.

**Truck Access Route Program Funds**

On October 7, 2014, the City was notified that IDOT approved the addition of \$83,021 in Truck Access Route Program (TARP) funding for 1.36 lane miles of Airport Road and one intersection (Cunningham Avenue/Airport Road). In order to receive the TARP funds the City will need to designate a portion of Airport Road from Willow Road to Cunningham Avenue as a Class III Truck Route and design the pavement to accommodate 80,000 pound trucks which is currently the minimum design loading for local streets. A Class III truck route limits vehicle overall length to sixty-five (65) feet and the trailer length to fifty-three (53) feet on local roads and streets which is a longer vehicle than otherwise allowed on a local street but not as long as allowed on major state highways and interstates.

### **FISCAL IMPACTS**

Attached is a budget amendment ordinance in the amount of \$83,021 for receipt of the TARP funds and the increase of the previously approved EDP expense fund amount from \$1,305,902 to \$1,388,923 which will allow the City to pay and receive reimbursement from IDOT using TARP funds.

### **RECOMMENDATION**

It is recommended the following be approved:

- A RESOLUTION APPROVING AND AUTHORIZING THE EXECUTION OF A LOCAL AGENCY AGREEMENT WITH THE ILLINOIS DEPARTMENT OF TRANSPORTATION (Airport Road – Willow Road to Cunningham Avenue (US Route 45))

This resolution authorizes the Mayor and City Clerk to execute and deliver the agreement (attached) on behalf of the City of Urbana.

- A RESOLUTION ESTABLISHING A CLASS II OR CLASS III DESIGNATED TRUCK ROUTE (Airport Road – Willow Road to Cunningham Avenue (US Route 45))

This resolution authorizes the Mayor and City Clerk to designate portions of Airport Road beginning four hundred feet east of the intersection of Willow Road and extending to and including the intersection of Cunningham Avenue (U.S. Route 45) for 0.51 miles as a Class III Truck Route.

- An Ordinance Revising the Annual Budget Ordinance FY2014-15 (Airport Road – Willow Road to Cunningham Avenue (US Route 45))
