SUBJECT: **Redevelopment Agreement with Central Illinois Soccer Enterprises, LLC
(2400 North Willow Road – Soccer Planet Expansion)**

Introduction and Background

The City of Urbana has been approached by Graham Berry with Central Illinois Soccer Enterprises, LLC regarding interest in a new construction project. The attached draft ordinance and agreement (**Exhibit A: Draft Ordinance with Attached Agreement**) would provide incentives for an additional indoor soccer facility at 2400 North Willow Road (**Exhibit B: Location Map**). Site plans for the project have been submitted and are under review (**Exhibit C: Site Plan**). The property is located within Tax Increment Finance District 4 (TIF 4), and a redevelopment agreement is needed by the developer to facilitate this redevelopment.

In 2011, the City entered into a Redevelopment Agreement with Central Illinois Soccer Enterprises, LLC to construct an indoor soccer facility with a construction cost of approximately \$1,500,000. The project resulted in a 24,000 square foot building, which included an indoor soccer field, café, and small retail shop. The facility added new employment opportunities, and provides annual revenues to the City through property tax, food and beverage tax from the cafe, and retail taxes from the store. Under the previous agreement, the City has financial obligations to compensate Central Illinois Soccer Enterprises, LLC 70% of the incremental property tax accrued due to the project for 10 years with a maximum of \$300,000. The City has made three payments to date, and will continue to make payments through the end of FY 2021-2022.

The current facility has seen high levels of success with soccer tournaments, as well as recent growth in use for dog training. Central Illinois Soccer Enterprises, LLC has proposed an additional 26,000 square foot building to meet the increased demand. The project would include an additional indoor soccer facility, and possible expansion to volleyball courts and batting cages. As shown in **Exhibit C**, the proposed 26,000 square foot building would be added to the rear of the existing building. Although not the subject of this proposed agreement, additional parking would be added to the North and South of the existing building, and the dry detention basin would be relocated to the South of the expanded soccer facility. The plan also maintains space to the North of the proposed soccer facility for use of an outdoor soccer field.

Discussion

The attached ordinance would approve a redevelopment agreement with Central Illinois Soccer Enterprises, LLC for property located at 2400 North Willow Road. This agreement would provide for City assistance through TIF 4 to help facilitate the redevelopment of an underutilized vacant site. The project is expected to be completed in November or December of 2016 at a total estimated cost of \$1,300,000.

The agreement would rebate 70% of incremental property taxes generated by the project through the expiration of the TIF in 2025. The FY 2015 EAV of \$674,170 will be used as the base value. Section 4.1 of the agreement establishes the terms of the rebate, including a total rebate cap of \$300,000 over eight years. The terms remain consistent with City guidelines, as such the developer must maintain the proposed construction schedule, generate increment, and pay annual property taxes before obtaining rebates. Initial projections estimate the City to see return on investment in eleven years.

Aside from the direct property tax impact of the project, it is anticipated that the project will generate sales tax and food and beverage tax revenues through additional sales at the on-site café and retail shop. Central Illinois Soccer Enterprises, LLC plans to utilize the expanded soccer facilities to hold regional soccer tournaments. The added users of the facility will generate economic activity through hotel stays, restaurants, and other goods and services.

Fiscal Impact

Both the costs and revenues associated with this redevelopment agreement will be realized by TIF 4. The maximum TIF rebate to the developer is \$300,000 over eight years. Based on the previous building performance, projections estimate Central Illinois Soccer Enterprises, LLC to realize the full \$300,000 in incentives over the eight year period. It is estimated that the City and other TIF partners would regain the \$300,000 investment in approximately eleven years. After annual reimbursement to Central Illinois Soccer Enterprises, LLC, amount of taxes to be paid are estimated to result in an annual benefit to the TIF of around \$17,400 through Year 8, and \$57,700 thereafter.

Aside from the direct fiscal impact, the indirect economic activity generated by this project will have a positive impact on the local economy. In addition to the property tax revenues, the City will gain sales tax revenue generated from concessions from the café and retail shop.

Options

1. Approve the redevelopment agreement ordinance as presented
2. Approve the redevelopment agreement ordinance with changes. It should be noted that any changes will need to be agreed upon by the developer.
3. Deny the redevelopment agreement ordinance.

Recommendation

The positive fiscal impact, the prospect of generating additional economic activity, facilitating the growth of a thriving local business, and past success of the developer indicates that this agreement is a benefit to the City and TIF 4.

Staff recommends that the City Council approve the attached redevelopment agreement ordinance.

ARTICLE III
CONDITIONS PRECEDENT TO THE UNDERTAKINGS
ON THE PART OF THE DEVELOPER AND THE CITY

Section 3.1. Conditions Precedent. The undertakings on the part of the City as set forth in this Agreement are expressly contingent upon each of the following:

(1) The Developer shall have approval for the construction of the Project upon the Property in accordance with the applicable provisions of the Zoning Ordinance of the City.

(2) The Developer shall obtain approval of the final development plans for the Project in accordance with the codes, rules, regulations and ordinances of the City, it being understood that the City in its capacity as a municipal corporation has discretion to approve any such final development plans for the Project.

(3) The Developer shall have delivered to the City an itemized list of any and all estimated costs to complete the Project in a total amount of not less than \$1,300,000 (the “**Project Budget**”), in accordance with the final development plans approved by the City.

(4) The Developer shall have provided evidence, in a commercially reasonable form satisfactory to the City, of its ability to pay for the costs of the Project, as itemized in the Project Budget, with such evidence to include loan proceeds provided to the Developer of not less than \$1,300,000, to pay such itemized costs in the Project Budget.

Section 3.2. Reasonable Efforts and Notice of Termination. The Developer shall use due diligence to timely satisfy the conditions set forth in Section 3.1 above within one-hundred and twenty (120) days of the Effective Date of this Agreement, but if such conditions are not so satisfied or waived by the City, then the City may terminate this Agreement by giving written notice thereof to the Developer. In the event of such termination, this Agreement shall be deemed null and void and of no force or effect and neither the City nor the Developer shall have any obligation or liability with respect thereto.

ARTICLE IV **CITY’S COVENANTS AND AGREEMENTS**

Section 4.1. City’s TIF Funded Financial Obligations. The City shall have the obligations set forth in this Section 4.1 relative to financing Eligible Redevelopment Project Costs in connection with the Project. Upon the submission to the City by the Developer of a Requisition for Eligible Redevelopment Project Costs incurred and paid by the Developer and the approval thereof by the City in accordance with Article VI of this Agreement, the City, subject to the terms, conditions and limitation set forth in this Section 4.1 immediately below, agrees to reimburse the Developer, or to pay as directed by the Developer, from the Fund such annual amounts (the “**Annual Reimbursement Amounts**”) related to Project upon the Property as follows:

(a) **Annual Reimbursement Amounts.** Such Annual Reimbursement Amounts in connection with the Project in any one calendar year shall be equal to seventy percent (70%) of the Incremental Property Taxes actually received by the City in each such calendar year subject to the terms and limitations of this Section immediately below;

(b) **Calculation of Annual Amount.** For the purpose of calculating the total amount of Incremental Property Taxes for such calendar year which are directly attributable to the Project upon the Property in those calendar years in which the ad valorem real estate taxes for the most previous tax year are paid in full, the total equalized assessed value (the “**EAV**”) of the Property for the most previous tax year shall be reduced by the EAV of the Property as assigned by the Champaign County Clerk for tax year 2015, and the result shall be multiplied by the total tax rate of all applicable taxing districts levying taxes upon the Property for any such applicable tax year;

(c) **Period of Annual Reimbursements.** The obligations of the City to reimburse the Developer for any Annual Reimbursement Amounts under this Section 4.1 shall commence with the calendar year following the calendar year in which a certificate of occupancy is issued for the Project, and shall terminate: (i) upon reimbursement by the City in accordance with Article VI of this Agreement not later than December 31, 2025, the date upon which the Redevelopment Project Area terminates in accordance with the TIF Act and the TIF Ordinances; or (ii) at any time the

Project or the existing facility upon the Property ceases continuous commercial operation or “goes dark”; and

(d) **Dollar Limitation of Annual Reimbursement Amounts.** The total amount of all such payments of Annual Reimbursement Amounts pursuant to this Section 4.1(a) shall not exceed the total amount of all Eligible Redevelopment Project Costs which are directly attributable and allocable to the Project upon the Property or \$300,000.00, whichever is less.

Section 4.2. Defense of Redevelopment Project Area. In the event that any court or governmental agency having jurisdiction over enforcement of the TIF Act and the subject matter contemplated by this Agreement shall determine that this Agreement, including the payments of any Annual Reimbursement Amounts to be paid or reimbursed by the City is contrary to law, or in the event that the legitimacy of the Redevelopment Project Area is otherwise challenged before a court or governmental agency having jurisdiction thereof, the City will defend the integrity of the Redevelopment Project Area and this Agreement. Anything herein to the contrary notwithstanding, the Developer agrees that the City may, to the extent permitted by law, use any Incremental Property Taxes, including any unpaid Annual Reimbursement Amounts, if available, to be redirected to reimburse the City for its defense costs, including without limitation attorneys’ fees and expenses.

ARTICLE V

DEVELOPER’S COVENANTS

Section 5.1. Commitment to Undertake and Complete Project. The Developer covenants and agrees to commence the Project, and to have the Project ready for occupancy, utilization and continuous commercial operation on or before the Completion Date. The Developer recognizes and agrees that the City has sole discretion with regard to all approvals and permits relating to the Project, including but not limited to approval of the final development plans, any required permits and any certificate of occupancy, and any failure on the part of the City to grant or issue any such required permit or certificates of occupancy shall not give rise to any claim against or liability of the City pursuant to this Agreement. The City agrees, however, that any such approvals shall not be unreasonably denied, withheld, conditioned or delayed.

Section 5.2. Compliance with Agreement and Laws During Development. The Developer shall at all times acquire, construct and install the Project, including any related required improvements, in conformance with this Agreement and all applicable laws, rules and regulations, including without limitation all applicable subdivision, zoning, environmental, building code or any other land use ordinances of the City, and, to the extent applicable, the PW Act. Whenever possible, the Developer shall cause the Project to be designed, constructed and installed utilizing innovative and effective techniques in energy conservation. Any agreement of the Developer related to the design, construction or installation of the Project with any contractor, subcontractor or supplier shall, to the extent applicable, contain provisions substantially similar to those required of the Developer under this Agreement.

Section 5.3. Prevailing Wages. The Developer acknowledges that the Illinois Department of Labor currently takes the position as a matter of its enforcement policy that the TIF Financing of the Project under this Agreement does not subject the Project to the Prevailing Wage Act unless the Project also receives funding from another public source, but that some uncertainty still exists as a

matter of law with respect to the application of the Prevailing Wage Act to the Project. The City makes no representation as to any such application, and any failure by the Developer to comply with the Prevailing Wage Act, if and to the extent applicable, shall not be deemed a "Default" under this Agreement. Notwithstanding the foregoing sentence, the Developer agrees to assume all responsibility for any such compliance (or noncompliance) with the Prevailing Wage Act in connection with the Project under this Agreement in the event of any action by any party to enforce its provisions.

Section 5.4. City's Right to Audit Developer's Books and Records. The Developer agrees that the City or its agents shall have the right and authority to review and audit, from time to time (at the Developer's principal office during normal business hours) the Developer's books and records relating to the total amount of all costs paid or incurred by the Developer for the Project and the total amount of related Eligible Redevelopment Project Costs, in order to confirm that any such Eligible Redevelopment Project Costs claimed to have been paid and incurred by the Developer were directly related and allocable to the costs of the Project or to any financing of the construction of the Project and were in fact paid and incurred by the Developer.

Section 5.5. Continuing Compliance with Laws. The Developer agrees that in the continued use, occupation, operation and maintenance of the Project, the Developer will comply with all applicable federal and state laws, rules, regulations and all applicable City ordinances and codes.

Section 5.6. Tax and Related Payment Obligations. The Developer agrees to pay and discharge, promptly and when the same shall become due, all general ad valorem real estate taxes and assessments, all applicable interest and penalties thereon, and all other charges and impositions of every kind and nature which may be levied, assessed, charged or imposed upon the Property or any part thereof that at any time shall become due and payable upon or with respect to, or which shall become liens upon, any part of the Property. The Developer, including any others claiming by or through it, also hereby covenants and agrees not to file any application for property tax exemption for any part of the Property under any applicable provisions of the Property Tax Code of the State of Illinois (35 ILCS 200/1-1 et seq.), as supplemented and amended, unless the City and the Developer shall otherwise have first entered into a mutually acceptable agreement under and by which the Developer shall have agreed to make a payment in lieu of taxes to the City, it being mutually acknowledged and understood by both the City and the Developer that any such payment of taxes (or payment in lieu thereof) by the Developer is a material part of the consideration under and by which the City has entered into this Agreement. This covenant of the Developer shall be a covenant that runs with the land being the Property upon which the Project is undertaken and shall be in full force and effect until December 31, 2040, upon which date this covenant shall terminate and be of no further force or effect (and shall cease as a covenant binding upon or running with the land) immediately, and without the necessity of any further action by City or Developer or any other party; provided, however, upon request of any party in title to the Property, the City shall execute and deliver to such party an instrument, in recordable form, confirming for the record that this covenant has terminated and is no longer in effect. Nothing contained within this Section 5.6 shall be construed, however, to prohibit the Developer from initiating and prosecuting at its own cost and expense any proceedings permitted by law for the purpose of contesting the validity or amount of taxes, assessments, charges or other impositions levied or imposed upon the Property or any part thereof.

ARTICLE VI
PAYMENT PROCEDURES FOR ELIGIBLE REDEVELOPMENT PROJECT COSTS

Section 6.1. Payment Procedures. The City and the Developer agree that the Eligible Redevelopment Project Costs constituting the Annual Reimbursement Amounts shall be paid solely, and to the extent available, from Incremental Property Taxes that are deposited in the Fund and not otherwise. The City and the Developer intend and agree that any Annual Reimbursement Amounts shall be disbursed by the Finance Director for payment to the Developer in accordance with the procedures set forth in this Section 6.1 of this Agreement.

The City hereby designates the Finance Director as its representative to coordinate the authorization of disbursement of any Annual Reimbursement Amounts for the Eligible Redevelopment Project Costs. Payments to the Developer of any Annual Reimbursement Amounts for Eligible Redevelopment Project Costs shall be made upon request therefor, in form reasonably acceptable to the City (each being a “**Requisition**”) submitted by the Developer at any time with respect to Eligible Redevelopment Project Costs incurred and paid but not previously submitted. Each such Requisition shall be accompanied by appropriately supporting documentation, including, as applicable: (i) receipts for paid bills or statements of suppliers, contractors or professionals, together with required contractors’ affidavits or lien waivers; (ii) documentation from any financial institution which verifies the annual amount of interest costs incurred by the Developer for constructing the Project; or (iii) an affidavit by an Independent accountant which verifies that any such Eligible Project Redevelopment Costs have been paid and incurred by the Developer, together with required contractors’ affidavits and lien waivers.

Section 6.2. Approval and Resubmission of Requisitions. The Finance Director shall give the Developer written notice disapproving any of the Requisitions within ten (10) days after receipt thereof. No such approval shall be denied except on the basis that (i) all or some part of the Requisition does not constitute Eligible Redevelopment Project Costs or has not otherwise been sufficiently documented as specified herein; or (ii) any subsequent amendment of the TIF Act or any subsequent decision of a court of competent jurisdiction makes any such payment to not be authorized. If a Requisition is disapproved by such Finance Director, the reasons for disallowance will be set forth in writing and the Developer may resubmit any such Requisition with such additional documentation or verification as may be required, if that is the basis for denial. The same procedures set forth herein applicable to disapproval shall apply to such resubmittals.

Section 6.3. Carryover. Upon the approval of any applicable Requisition as set forth in Section 6.2 above, any excess amount of Eligible Redevelopment Project Costs approved therein, which are over and above the amount of any Annual Reimbursement Amounts then payable as specified in Section 4.1 of this Agreement, shall carry over into any remaining future years that any such Annual Reimbursement Amounts become due and payable under this Agreement.

Section 6.4. Time of Payment. Provided that performance of this Agreement has not been suspended or terminated by the City under Article VII hereof, the City shall pay each of the applicable Annual Reimbursement Amounts which are approved by any one or more Requisitions under this Article to the Developer within thirty (30) calendar days after the receipt by the City of the last installment of the Incremental Property Taxes then paid by the County Treasurer for any such applicable calendar year.

ARTICLE VII
DEFAULTS AND REMEDIES

Section 7.1. Events of Default. The occurrence of any one or more of the events specified in this Section 7.1 shall constitute a “**Default**” under this Agreement.

By the Developer:

(1) The furnishing or making by or on behalf of the Developer of any statement or representation in connection with or under this Agreement or any of the Related Agreements that is false or misleading in any material respect;

(2) The failure by the Developer to timely perform any term, obligation, covenant or condition contained in this Agreement or any of the Related Agreements;

By the City:

(1) The failure by the City to pay any Annual Reimbursement Amounts which become due and payable in accordance with the provisions of this Agreement; and

(2) The failure by the City to timely perform any other term, obligation, covenant or condition contained in this Agreement.

Section 7.2. Rights to Cure. The party claiming a Default under Section 7.1 of this Agreement (the “**Non-Defaulting Party**”) shall give written notice of the alleged Default to the other party (the “**Defaulting Party**”) specifying the Default complained of. Except as required to protect against immediate, irreparable harm, the Non-Defaulting Party may not institute proceedings or otherwise exercise any right or remedy against the Defaulting Party until thirty (30) days after having given such notice, provided that in the event a Default is of such nature that it will take more than thirty (30) days to cure or remedy, such Defaulting Party shall have an additional period of time reasonably necessary to cure or remedy such Default provided that such Defaulting Party promptly commences and diligently pursues such cure or remedy. During any such period following the giving of notice, the Non-Defaulting party may suspend performance under this Agreement until the Non-Defaulting Party receives written assurances from the Defaulting Party, deemed reasonably adequate by the Non-Defaulting Party, that the Defaulting Party will cure or remedy the Default and remain in compliance with its obligations under this Agreement. A Default not cured or remedied or otherwise commenced and diligently pursued within thirty (30) days as provided above shall constitute a “**Breach**” under this Agreement. Except as otherwise expressly provided in this Agreement, any failure or delay by either party in asserting any of its rights or remedies as to any Default or any Breach shall not operate as a waiver of any such Default, Breach or of any other rights or remedies it may have as a result of such Default or Breach.

Section 7.3. Remedies. Upon the occurrence of an Breach under this Agreement by the Developer, the City shall have the right to terminate this Agreement by giving written notice to the Developer of such termination and the date such termination is effective. Except for such right of termination by the City, the only other remedy available to either party upon the occurrence of an Breach under this Agreement by the Defaulting Party shall be to institute such proceedings as may be necessary or desirable in its opinion to cure or remedy such Breach, including but not limited to proceedings to compel any legal action for specific performance or other appropriate equitable relief. Notwithstanding anything herein to the contrary, the sole remedy of the Developer upon the

occurrence of an Breach by the City under any of the terms and provisions of this Agreement shall be to institute legal action against the City for specific performance or other appropriate equitable relief and under no circumstances shall the City be liable to the Developer for any indirect, special, consequential or punitive damages, including without limitation, loss of profits or revenues, loss of business opportunity or production, cost of capital, claims by customers, fines or penalties, whether liability is based upon contract, warranty, negligence, strict liability or otherwise, under any of the provisions, terms and conditions of this Agreement. In the event that any failure of the City to pay any Annual Reimbursement Amounts which become due and payable in accordance with the provisions hereof is due to insufficient Incremental Property Taxes being available to the City, any such failure shall not be deemed to be a Default or a Breach on the part of the City.

Section 7.4. Costs, Expenses and Fees. Upon the occurrence of a Default or an Breach which requires either party to undertake any action to enforce any provision of this Agreement, the Defaulting Party shall pay upon demand all of the Non-Defaulting Party's charges, costs and expenses, including the reasonable fees of attorneys, agents and others, as may be paid or incurred by such Non-Defaulting Party in enforcing any of the Defaulting Party's obligations under this Agreement or in any litigation, negotiation or transaction in connection with this Agreement in which the Defaulting Party causes the Non-Defaulting Party, without the Non-Defaulting Party's fault, to become involved or concerned.

ARTICLE VIII **RELEASE, DEFENSE AND INDEMNIFICATION OF CITY**

Section 8.1. Declaration of Invalidity. Notwithstanding anything herein to the contrary, the City, its Corporate Authorities, officials, agents, employees and independent contractors shall not be liable to the Developer for damages of any kind or nature whatsoever or otherwise in the event that all or any part of the TIF Act, or any of the TIF Ordinances or other ordinances of the City adopted in connection with either the TIF Act, this Agreement or the Redevelopment Plan, shall be declared invalid or unconstitutional in whole or in part by the final (as to which all rights of appeal have expired or have been exhausted) judgment of any court of competent jurisdiction, and by reason thereof either the City is prevented from performing any of the covenants and agreements herein or the Developer is prevented from enjoying the rights and privileges hereof; provided that nothing in this Section 8.1 shall limit otherwise permissible claims by the Developer against the Fund or actions by the Developer seeking specific performance of this Agreement or other relevant contracts, if any, in the event of a Breach of this Agreement by the City.

Section 8.2. Damage, Injury or Death Resulting from Project. The Developer releases from and covenants and agrees that the City and its Corporate Authorities, officials, agents, employees and independent contractors shall not be liable for, and agrees to indemnify and hold harmless the City, its Corporate Authorities, officials, agents, employees and independent contractors thereof against any loss or damage to property or any injury to or death of any person occurring at or about or resulting from any defect in the construction or installation of the Project, except as such may be caused by the intentional conduct, gross negligence, negligence or other acts or omissions of the City, its Corporate Authorities, officials, agents, employees or independent contractors that are contrary to the provisions of this Agreement.

Section 8.3. Damage or Injury to Developer and Others. The City and its Corporate Authorities, officials, agents, employees and independent contractors shall not be liable for any damage or injury to the persons or property of the Developer or any of its officers, agents, independent contractors or employees or of any other person who may be about the Property or the Project due to any act of negligence of any person, except as such may be caused by the intentional misconduct, gross negligence, or acts or omissions of the City, its Corporate Authorities, officials, agents, employees, or independent contractors that are contrary to the provisions of this Agreement.

Section 8.4. No Personal Liability. All covenants, stipulations, promises, agreements and obligations of the City contained herein shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the City and not of any of its Corporate Authorities, officials, agents, employees or independent contractors in their individual capacities. No member of the Corporate Authorities, officials, agents, employees or independent contractors of the City shall be personally liable to the Developer (i) in the event of a Default or Breach by any party under this Agreement, or (ii) for the payment of any Annual Reimbursement Amounts which may become due and payable under the terms of this Agreement.

Section 8.5. City Not Liable for Developer Obligations. Notwithstanding anything herein to the contrary, the City shall not be liable to the Developer for damages of any kind or nature whatsoever arising in any way from this Agreement, from any other obligation or agreement made in connection therewith or from any Default or Breach under this Agreement; provided that nothing in this Section 8.5 shall limit otherwise permissible claims by the Developer against the Fund or actions by the Developer seeking specific performance of this Agreement or other relevant contracts in the event of a Breach of this Agreement by the City.

Section 8.6. Actions or Obligations of Developer. The Developer agrees to indemnify, defend and hold harmless the City, its Corporate Authorities, officials, agents, employees and independent contractors, from and against any and all suits, claims and cost of attorneys' fees, resulting from, arising out of, or in any way connected with (i) any of the Developer's obligations under or in connection with this Agreement, (ii) the construction or installation of the Project, and (iii) the negligence or willful misconduct of the Developer, its officials, agents, employees or independent contractors in connection with the management, development, redevelopment, construction or installation of the Project, except as such may be caused by the intentional conduct, gross negligence, negligence or breach of this Agreement by the City, its Corporate Authorities, officials, agents, employees or independent contractors.

Section 8.7. Environmental Covenants. To the extent permitted by law, the Developer agrees to indemnify, defend, and hold harmless the City, its Corporate Authorities, officials, agents, employees and independent contractors, from and against any and all claims, demands, costs, liabilities, damages or expenses, including attorneys' and consultants' fees, investigation and laboratory fees, court costs and litigation expenses, arising from: (i) any release or threat of a release, actual or alleged, of any hazardous substances, upon or about the Property or respecting any products or materials previously, now or thereafter located upon, delivered to or in transit to or from the Property regardless of whether such release or threat of release or alleged release or threat of release has occurred prior to the date hereof or hereafter occurs and regardless of whether such release occurs as a result of any act, omission, negligence or misconduct of the City or any third party or otherwise; (ii) (A) any violation now existing (actual or alleged) of, or any other liability under or in connection with, any environmental laws relating to or affecting the Property, or (B) any

now existing or hereafter arising violation, actual or alleged, or any other liability, under or in connection with, any environmental laws relating to any products or materials previously, now or hereafter located upon, delivered to or in transit to or from the Property, regardless of whether such violation or alleged violation or other liability is asserted or has occurred or arisen prior to the date hereof or hereafter is asserted or occurs or arises and regardless of whether such violation or alleged violation or other liability occurs or arises, as the result of any act, omission, negligence or misconduct of the City or any third party or otherwise; (iii) any assertion by any third party of any claims or demands for any loss or injury arising out of, relating to or in connection with any hazardous substances on or about or allegedly on or about the Property; or (iv) any breach, falsity or failure of any of the representations, warranties, covenants and agreements of the like. For purposes of this paragraph, "hazardous materials" includes, without limit, any flammable explosives, radioactive materials, hazardous materials, hazardous wastes, hazardous or toxic substances, or related materials defined in the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (42 U.S.C. §§ 9601 et seq.), the Hazardous Materials Transportation Act, as amended (49 U.S.C. §§ 1801 et seq.), the Resource Conservation and Recovery Act, as amended (42 U.S.C. §§ 9601 et seq.), and in the regulations adopted and publications promulgated pursuant thereto, or any other federal, state or local environmental law, ordinance, rule, or regulation.

Section 8.8. Notification of Claims. Not later than thirty (30) days after the Developer becomes aware, by written or other overt communication, of any pending or threatened litigation, claim or assessment, the Developer will, if a claim in respect thereof is to be made against the Developer which affects any of the Developer's rights or obligations under this Agreement, notify the City of such pending or threatened litigation, claim or assessment, but any omission so to notify the City will not relieve the Developer from any liability which it may have to the City under this Agreement.

ARTICLE IX **MISCELLANEOUS PROVISIONS**

Section 9.1 Entire Agreement and Amendments. This Agreement (together with Exhibit A attached hereto) is the entire agreement between the City and the Developer relating to the subject matter hereof. This Agreement supersedes all prior and contemporaneous negotiations, understandings and agreements, written or oral, and may not be modified or amended except by a written instrument executed by both of the parties.

Section 9.2. Third Parties. Nothing in this Agreement, whether expressed or implied, is intended to confer any rights or remedies under or by reason of this Agreement on any other persons other than the City and the Developer and their respective successors and assigns, nor is anything in this Agreement intended to relieve or discharge any obligation or liability of any third persons to either the City or the Developer, nor shall any provision give any third parties any rights of subrogation or action over or against either the City or the Developer. This Agreement is not intended to and does not create any third party beneficiary rights whatsoever.

Section 9.3. Counterparts. Any number of counterparts of this Agreement may be executed and delivered and each shall be considered an original and together they shall constitute one agreement.

Section 9.4. Special and Limited Obligation. This Agreement shall constitute a special and limited obligation of the City according to the terms hereof. This Agreement shall never constitute a general obligation of the City to which its credit, resources or general taxing power are pledged. The City pledges to the payment of its obligations under Section 4.1 hereof only such amount of the Incremental Property Taxes as is set forth in Section 4.1 hereof, if, as and when received, and not otherwise.

Section 9.5. Time and Force Majeure. Time is of the essence of this Agreement; provided, however, neither the Developer nor the City shall be deemed in Default with respect to any performance obligations under this Agreement on their respective parts to be performed if any such failure to timely perform is due in whole or in part to the following (which also constitute "unavoidable delays"): any strike, lock-out or other labor disturbance (whether legal or illegal, with respect to which the Developer, the City and others shall have no obligations hereunder to settle other than in their sole discretion and business judgment), civil disorder, inability to procure materials, weather conditions, wet soil conditions, failure or interruption of power, restrictive governmental laws and regulations, condemnation, riots, insurrections, acts of terrorism, war, fuel shortages, accidents, casualties, acts of God or third parties, or any other cause beyond the reasonable control of the Developer or the City.

Section 9.6. Waiver. Any party to this Agreement may elect to waive any right or remedy it may enjoy hereunder, provided that no such waiver shall be deemed to exist unless such waiver is in writing. No such waiver shall obligate the waiver of any other right or remedy hereunder, or shall be deemed to constitute a waiver of other rights and remedies provided pursuant to this Agreement.

Section 9.7. Cooperation and Further Assurances. The City and the Developer covenant and agree that each will do, execute, acknowledge and deliver or cause to be done, executed and delivered, such agreements, instruments and documents supplemental hereto and such further acts, instruments, pledges and transfers as may be reasonably required for the better assuring, mortgaging, conveying, transferring, pledging, assigning and confirming unto the City or the Developer or other appropriate persons all and singular the rights, property and revenues covenanted, agreed, conveyed, assigned, transferred and pledged under or in respect of this Agreement.

Section 9.8. Notices and Communications. All notices, demands, requests or other communications under or in respect of this Agreement shall be in writing and shall be deemed to have been given when the same are (a) deposited in the United States mail and sent by registered or certified mail, postage prepaid, return receipt requested, (b) personally delivered, (c) sent by a nationally recognized overnight courier, delivery charge prepaid or (d) transmitted by telephone facsimile, telephonically confirmed as actually received, in each case, to the City and the Developer at their respective addresses (or at such other address as each may designate by notice to the other), as follows:

Whenever any party hereto is required to deliver notices, certificates, opinions, statements or other information hereunder, such party shall do so in such number of copies as shall be reasonably specified.

Section 9.9. Assignment. The Developer agrees that it shall not sell, assign or otherwise transfer any of its rights and obligations under this Agreement without the prior written consent of the City, except that: (i) any assignment of this Agreement as collateral, or (ii) any related sale, assignment or transfer of this Agreement in whole to a legal entity having common ownership with the Developer, may be made without the prior written consent of the City. Except as authorized in this Section above, any assignment in whole or in part shall be void and shall, at the option of the City, terminate this Agreement. No such sale, assignment or transfer as authorized in this Section, including any with or without the City's prior written consent, shall be effective or binding on the City, however, unless and until the Developer delivers to the City a duly authorized, executed and delivered instrument which contains any such sale, assignment or transfer and the assumption of all the applicable covenants, agreements, terms and provisions of this Agreement by the applicable parties thereto.

Section 9.10. Successors in Interest. Subject to Section 9.9 above, this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respectively authorized successors, assigns and legal representatives (including successor Corporate Authorities).

Section 9.11. No Joint Venture, Agency, or Partnership Created. Nothing in this Agreement nor any actions of either of the City or the Developer shall be construed by either of the City, the Developer or any third party to create the relationship of a partnership, agency, or joint venture between or among the City and any party being the Developer.

Section 9.12. Illinois Law; Venue. This Agreement shall be construed and interpreted under the laws of the State of Illinois. If any action or proceeding is commenced by any party to enforce any of the provisions of this Agreement, the venue for any such action or proceeding shall be in Champaign County, Illinois.

Section 9.13. Term. Unless earlier terminated pursuant to the terms hereof, this Agreement shall be and remain in full force and effect from and after the Effective Date and shall terminate on December 31, 2025; provided, however, that anything to the contrary notwithstanding, the

Developer's obligations under Section 5.5 and Article VIII of this Agreement shall be and remain in full force and effect in accordance with the express provisions thereof.

Section 9.14. Recordation of Agreement. Either party may record this Agreement or a Memorandum of this Agreement in the office of the Champaign County Recorder at any time following its execution and delivery by both parties.

Section 9.15. Construction of Agreement. This Agreement has been jointly negotiated by the parties and shall not be construed against a party because that party may have primarily assumed responsibility for preparation of this Agreement.

IN WITNESS WHEREOF, the City and the Developer have caused this Agreement to be executed by their duly authorized officers or manager(s) as of the date set forth below.
