PUBLIC WORKS DEPARTMENT**

ENGINEERING DIVISION

MEMORANDUM

TO: Mayor Diane Wolfe Marlin and Members of the City Council
FROM: William R. Gray, Public Works Director
Bradley M. Bennett, Assistant City Engineer
Justin Swinford, Civil Engineer II
DATE: January 11, 2018
RE: Ordinance No. 2018-01-001

Introduction

The Sanitary Sewer Lateral Pavement Reimbursement Program was created in 2008 to assist property owners with the financial burden of removing and replacing street and sidewalk pavement when repairing or reconstructing a sanitary sewer lateral. This program was later revised from a 50% reimbursement with a \$3,000 maximum to a 100% reimbursement with a \$5,000 maximum.

Ordinance No. 2018-01-001, An Ordinance Amending Urbana City Code Chapter Twenty-Four, Section 24-49, was presented at the January 8, 2018 Committee of the Whole meeting. This included a shift to a unit price based reimbursement schedule and the elimination of the maximum reimbursement. The following changes were requested by the Committee of the Whole:

1. Spell out the acronyms for pavement materials in the unit price schedule
2. Add language to specify that pavement costs are included under item (2)
3. Change "City Administrator" to "Mayor or Mayor's Designee" under item (5)

The attached ordinance includes the suggested changes.

Recommendation

It is recommended that Ordinance No. 2018-01-001, An Ordinance Amending Urbana City Code Chapter Twenty-Four, Section 24-49 (Reimbursement for Sanitary Sewer Repairs / 2018), be approved.
