MEMORANDUM

**TO:** Mayor Diane Wolfe Marlin and Members of the City Council  
**FROM:** Shannon Beranek, Civil Engineer II  
**DATE:** March 11, 2021  
**RE:** An Ordinance Amending Schedule J of Section 23-172 of the Urbana Local Traffic Code Establishing Curb Loading Zone on Certain Streets (Clark Street)

**Introduction**

Attached are ordinances and maps for approval from action taken by the Urbana Traffic Commission at its March 3, 2021, meeting.

**Background**

The ordinance amends Schedule J of the Urbana Local Traffic Code by adding a 15-minute loading zone designation on Clark Street in a bump-in along the north side of Clark Street adjacent to the Gather Development's north building. The designation and bump-in will provide a way for any vehicle that is loading/unloading to be removed from the flow of traffic and create a safer environment for all during the process.

The Traffic Commission recommended the establishment of a loading zone designation on Clark Street to be sent to Council for consideration.

**Recommendation**

It is recommended that Council approve an Ordinance Amending Schedule J of Section 23-172 of the Urbana Local Traffic Code Establishing Curb Loading Zones on Certain Streets (Clark Street)
