

MEMORANDUM

TO: Mayor Diane Wolfe Marlin and Members of the City Council

FROM: Tim Cowan, Public Works Director
John Zeman, City Engineer

DATE: December 6, 2021

RE: RESOLUTION FOR IMPROVEMENT UNDER THE ILLINOIS HIGHWAY CODE (STATE MOTOR FUEL TAX FOR PHILO ROAD, COLORADO AVENUE, AND ANDERSON STREET RESURFACING PROJECT)

Introduction

This project will include hot-mix asphalt surface removal and replacement, pavement patching, curb and gutter removal and replacement, ADA compliant curb ramps, driveway approach removal and replacement, and other miscellaneous work generally along the following locations: (1) Philo Road from Windsor Road to Colorado Avenue, (2) Colorado Avenue from Vine Street to Philo Road, and (3) Anderson Street from Colorado Avenue to Florida Avenue. The Public Works Department has budgeted for preliminary engineering, design engineering, construction engineering, and construction via the FY 2021 Capital Improvement Plan (CIP) for this project.

The attached resolution appropriates State Motor Fuel Tax (SMFT) for the costs of preliminary engineering, design engineering, construction engineering, and construction for the Philo/Colorado/Anderson Resurfacing Project.

Financial Impact

Preliminary engineering, design engineering, construction engineering, and construction will be funded with SMFT per the FY 2021 Capital Improvement Plan. The estimate for construction and engineering services is currently \$1,600,000. The original CIP had \$265,000 appropriated from SMFT for FY 2022 and \$1,335,000 appropriated from SMFT for FY 2023.

Recommendation

Staff recommends that the attached Resolution for Improvement Under the Illinois Highway Code be approved for the amount of \$1,600,000.00 for the Philo/Colorado/Anderson Resurfacing Project.
