**TO:** Mayor Diane Marlin and City Council Members  
**FROM:** Carol Mitten, City Administrator  
**DATE:** January 13, 2022  
**SUBJECT: A RESOLUTION ADOPTING MAYOR/CITY COUNCIL STRATEGIC GOALS FOR 2022-2023**

---

The Mayor, City Council Members, and senior City staff have met in four public sessions (December 2, 3, and 15, 2021 and January 6, 2022) to develop Strategic Areas and Strategies as outlined below.

#### **Strategic Area #1: Public Safety and Well-Being**

- Strategy: Pursue methods to mitigate community violence
- Strategy: Enhance and expand public safety resources

#### **Strategic Area #2: Housing**

- Strategy: Support housing security and equity
- Strategy: Improve housing quality

#### **Strategic Area #3: Infrastructure**

- Strategy: Improve quality of current infrastructure assets
- Strategy: Increase investment in infrastructure equity
- Strategy: Expand “Green” infrastructure within the community

#### **Strategic Area #4: Economic Recovery and Development**

- Strategy: Support current local businesses
- Strategy: Promote workforce development
- Strategy: Recruit new businesses and industries

The Mayor, Council, and staff also developed a working set of Action Steps for each of these strategies, as outlined on the attached spreadsheet. This is intended to be a working document that will be adapted as circumstances change and Action Steps are accomplished.

The attached draft Resolution is being presented for Council consideration to adopt the Strategic Areas and Strategies for the next two calendar years, and to acknowledge that the Action Steps will be a collaborative work in progress.

**RESOLUTION NO. \_\_\_\_\_**

**A RESOLUTION ADOPTING MAYOR / CITY COUNCIL STRATEGIC GOALS FOR  
2022-2023**

**WHEREAS**, the Mayor and City Council of Urbana participated in strategic goal-setting sessions on December 2, 2021, December 3, 2021, December 15, 2021, and January 6, 2022 ; and

**WHEREAS**, at these goal-setting sessions, the Mayor and Council discussed strategic areas, individual strategies, and specific actions steps; and

**WHEREAS**, the Mayor and Council desire to achieve meaningful progress in the four strategic areas by utilizing the identified strategies.

**NOW, THEREFORE, BE IT RESOLVED** by the City Council, of the City of Urbana, Illinois, as follows:

**Section 1.** The City hereby adopts the following strategic areas and strategies as key priorities and initiatives to focus existing and additional resources for the next two calendar years:

**Strategic Area #1: Public Safety and Well-Being**

Strategy: Pursue methods to mitigate community violence

Strategy: Enhance and expand public safety resources

**Strategic Area #2: Housing**

Strategy: Support housing security and equity

Strategy: Improve housing quality

**Strategic Area #3: Infrastructure**

Strategy: Improve quality of current infrastructure assets

Strategy: Increase investment in infrastructure equity

Strategy: Expand “Green” infrastructure within the community

**Strategic Area #4: Economic Recovery and Development**

Strategy: Support current local businesses

Strategy: Promote workforce development

Strategy: Recruit new businesses and industries

**Section 2.** The Council recognizes that the action steps are an organic guide to achieving the strategies. The City will work to fulfill the strategies by exploring the action steps in the order established in the overall plan (a working copy of which is attached hereto) within the specified time frames. It is understood that these timeframes may expand or contract as new information is obtained, as well as the availability of relevant resources. As the City works to achieve the strategies, the Mayor and/or staff will periodically update City Council on: timeline updates, feasibility issues, funding gaps and sources, and alternative action steps that may be more effective or efficient in achieving the stated Strategies.

# Mayor/ City Council Strategic Goals 2022-23

## Strategic Area #2: Infrastructure

**Strategies:**
**1. Improve quality of current infrastructure assets.**
**Action Steps**

- a) Develop asset management plan of existing infrastructure (lighting, traffic signals, sanitary system, and bridges)
- b) Develop plan for funding, level of service, and to replace/repair/build infrastructure (based on assessment)
- c) Update city infrastructure codes (subdivision/land development)

**2. Increase investment in infrastructure equity.**
**Action Steps**

- a) Solicit community input for use of EQL funding
- b) Implement EQL selected projects
- c) Develop budget and strategy to take advantage of infrastructure grant funding for under-served areas (prepare for select grants that have "shovel-ready" projects)
- d) Incorporate an "equity lens" into priorities evaluation (begin with street lights, traffic, sanitary).

**3. Expand Green infrastructure within the community.**
**Action Steps**

- a) Explore possible locations and funding for EV infrastructure
- b) Evaluate options to enhance sustainability and climate resiliency on city-owned property and facilities
- c) Explore "green" fee revenue (ex: plastic bags) and green revolving funds

Action Steps are listed in priority order and intended to be done in sequence.
