## **Introduction**

This memorandum provides funding recommendations to the Urbana City Council for social services agencies who have applied to the Youth Services Grant program. This program utilizes funding from City of Urbana general funds and Community Development Block Grant (CDBG) funds. Staff will award grants based on a fair application and review process, and approval from the Community Development Commission and City Council.

Through this grant opportunity, the City of Urbana seeks to fund programs that support the health, wellness, and opportunity for Urbana youth from early childhood (Kindergarten, Pre-K) through 22 years of age. Each program that staff recommends for funding has demonstrated the commitment and ability to target Urbana youth from low-income families with the goal of having a lasting impact in the community. Youth Services funding can be used to support programming costs and staff support.

## **Background**

In September 1996, the City of Urbana and Cunningham Township established a Consolidated Social Service Fund (CSSF) to provide grants to non-profit organizations that sponsor social services for Urbana residents. The consolidated fund combined City of Urbana general funds, Cunningham Township general funds, and City of Urbana CDBG funds. In May 2021, Cunningham Township restructured their social service spending, therefore, the CSSF program was suspended for FY 2021-2022.

In order to replace the CSSF in FY 2021-2022 and direct social service spending to a priority need in the community, City staff requested direction from City Council, the Community Development Commission, and the public. In February 2021, the Community Development Commission identified youth programming as the priority for allocation of these funds. On November 8, 2021, staff presented the program to City Council and received additional direction on Council priorities. Youth programming is also consistent with the community needs identified in the 2020-2024 Consolidated Plan. During the consolidated planning process, City staff actively sought public input, and incorporated this input into the final version. Staff attended over 25 events to gather citizen feedback on community needs, disseminated a survey of 20 open-ended questions as well as gathered demographic information on the participants. City staff received over 132 surveys from residents.

## **Methodology**

Staff solicited applications by engaging with previous CSSF grantees, and by sharing information on the application process through social service groups such as the Champaign County Continuum of Service Providers to the Homeless and the Human Services Council. Applications opened on November 15, 2021 and closed on December 17, 2021. Staff held a technical assistance session on November 19, 2021 to provide additional information to potential applicants and to answer questions about the program. The presentation materials as well as a FAQ document were available to grantees on the City's website.

City staff received applications from eight agencies to fund 10 programs. On January 19, 2022, staff convened a committee to review and score applications. The Committee consisted of Councilmember Maryalice Wu, Community Engagement Coordinator Lemond Peppers, Sheila Dodd, and Breaden Belcher.

The Committee utilized a scoring tool to evaluate applications and determine funding allocations. This tool was provided to applicants beforehand. The narrative section of the application guided the Committee in determining an agency's fitness to use the funds and serve an unmet need for extremely low to very-low income Urbana residents.

The Committee based funding recommendations on how closely the applicant's proposal met at least one of the applicable Council Goals and Priorities and/or key service areas as expressed in the Youth Services Grant Guiding Principles. The Committee also prioritized a program's ability to fill existing gaps in services to extremely low and low-income persons when determining funding allocations.

Due to funding availability, not every program can be funded at 100% of the original request. The Committee determined recommended funding amounts based on the scoring tool, which prioritizes the number of residents served by the program and anticipated long-term impact of the program. The Committee does not recommend funding two programs at this time. The decision not to recommend funding for these programs was made because the programs do not fill existing gaps or increase services, do not adequately target Urbana residents, or are not cost effective in their program design.

The capacity of an agency to execute the grant project also informed funding allocation decisions. Agencies were not considered for full funding if the Youth Services Grant was the sole source of funding, because the Committee wanted to see longevity of a program beyond this coming fiscal year. Organizations with poor performance in the past using funds or limited experience managing grants were also not considered for full funding.

Because the overall objective of the Youth Services Grant is to provide long-term support to extremely low- and low-income residents, the Committee analyzed an agency's capacity by considering the following:

- Sound financial health as determined through agency audit/financial statements;
- Ability to support the program with other resources and revenues outside of City of Urbana funding; and
- Capability to increase service to Urbana residents with additional funding.

The next round of funding for the Youth Services Grant program will open in March 2022. Staff will announce funding decisions in May 2022, and funding made available on July 1, 2022. All current applicants have been encouraged to apply for the next round of funding, regardless of recommendation status.

## **Options**

1. Forward the proposed funding allocations for eight (8) programs to the Consent Agenda with a recommendation for approval
2. Forward the proposed funding allocations, with changes, to the Consent Agenda with a recommendation for approval.
3. Do not recommend approval of the proposed funding allocations.

## **Fiscal Impacts**

Funds for this program have previously been set aside and approved by Council. A total of \$100,000

from two funding sources will support this year's program. General funds will provide \$75,000, and CDBG funds will provide \$25,000. There will be no additional fiscal impacts on the City.

### **Recommendation**

The Youth Services Grant Committee and the Urbana Community Development Commission recommend the Urbana City Council approve the proposed Youth Services Grant funding allocations to support six (6) agencies and eight (8) programs in the amounts provided in the attached Recommendations Table.

### **Program Descriptions**

#### STEAM Genius – Hip Hop Xpress

The Hip Hop Xpress program will be conducted from April 2022 through June 2022. The program will consist of 4-5 stops in collaboration with other Urbana-focused organizations such as the Urbana School District and the Urbana Park District. The program will serve limited-resourced youth between the ages of 6-21. Participants will be exposed to applied learning workshops around RC Cars, Drones, Music Production, Computer Technology, and Entrepreneurship.

#### HV Neighborhood Transformation Center – Teen Summit

The Teen Summit program will center on teens and their perspectives on rising gun violence, community building, and recognition of community resources to assist in prohibition of retribution violence. The goal of this program will be based in Restorative Justice Practices. Students will acknowledge the impact of gun violence in their personal lives in a group therapy setting, brainstorming causes of and solutions to gun violence, and identify resources within the Urbana Community to assist with mediation, mental health support, and financial opportunities. Students will also be mentored and trained in partnership with the Urbana Free Library and the UPTV, and will identify two agencies to shadow to learn how to obtain meaningful skills that may lead to employment.

#### Urbana Neighborhood Connection Center – Community Study Center

This program serves 75-90 students. The after-school homework and tutorial sessions are offered Monday through Friday from 3:00 – 6:00 pm for children in grades K-12 where staff assist children with academic enrichment activities assigned by their classroom teacher or by UNCC's Activity Leaders. Upon completion of academics, youth may participate in recreational activities, arts and crafts, dance groups, social responsibility groups, movies, or digital learning activities. School Out Days (for example district staff development, teacher institutes, and parent-teacher conference days) are held from 7:30 am to 6:00 pm. During the summer break, UNCC conducts an eight-week Summer Enrichment Camp (7:30 am – 6:00 pm Monday through Friday) during which times youth are provided small group academic enrichment sessions focused on reading, writing and math along with social/emotional developments and digital literacy, as well as afternoon recreational and leisure activities designed for youth in grades K-12.

#### Urbana Neighborhood Connection Center – Urbana Youth Development Program

Urbana Youth Development Program (UYDP) operates as a comprehensive college and career readiness initiative mainly targeting in-school youth who are currently pursuing a high school diploma and need assistance in seeking entry into college and/or the workforce. Designed as a seamless one-stop youth development and transition program, UYDP continues to target youth in need of academic, social-emotional, and financial assistance preparation for success beyond high school.

#### The Well Experience – Family Care Program

The Urbana Youth Services Grant will enhance year-round education and systems of care for families with children aged birth to 22 years. The programming is focused on four main areas: educational support and enrichment for school-age children, which includes case management for Well Teen Moms; parent and youth mentoring and family engagement; counseling, wraparound Support and case management for families in a crisis or in need of support; and economic support and workforce development skills for youth and young adults. Programs serve families who have been historically marginalized by traditional systems of support. The program includes after-school

and extended school programming with full-day programming during the summer months. The Well Kids Learning Hub also serves the children of parenting teens and pre-K children who participate in learning programs through home visiting and on-site programs.

#### Don Moyer Boys and Girls Club – Transportation for Urbana Youth

Lack of access to safe, reliable transportation to and from Don Moyer Boys and Girls Club (DMBGC) has become a barrier to Urbana-based youth who rely upon programming at DMBGC as an alternative to participation in unsafe activities. Currently, the Park Street location is serving 45 youth (unduplicated) monthly from the City of Urbana. With these funds, DMBGC is looking to provide transportation directly after school for elementary youth in Urbana. DMBGC is partnering with Urbana School District #116 to provide transportation to DMBGC from Urbana Middle and High Schools via busing to provide safe and supervised opportunities for evening programming to keep youth involved in positive activities during unsupervised times. This will increase their impact and allow for a reduction of youth unsupervised during the prime times of 3:00-7:30pm, which is when most youth are unsupervised and at-risk in the community.

#### Don Moyer Boys and Girls Club – CU Together Support Program

This program provides social, emotional and behavioral support as well as strength-based management services for children and families promoting success within the Urbana School District, DMBGC, and the community. Through evaluation, DMBGC will develop individual service plans in coordination with Urbana School District #116, and leverages relevant community resources. DMBGC Staff will integrate a social, emotional, and trauma-informed lens to the practice providing impactful individual, family, and group services; case management; evaluation; consultation; crisis intervention; and grief support.

#### Champaign County Regional Planning Commission – Youth Assessment Center

The Youth Assessment Center (YAC) serves as the primary center for intake, screening, and service connection for Champaign County youth and families. Case managers screen at-risk juveniles and link them and their families with the community's support and restorative services. Law enforcement personnel typically make referrals to the YAC as an alternative to prosecution and to prevent further delinquent activities. The YAC considers station-adjustment charges, police officer or school official recommendations, family input, and restorative justice methods. These include court diversion services to restore the relationship between the juvenile offender, their victim(s), and the community; mediation; and peer court. Restorative justice is a theory of justice that emphasizes repairing the harm caused by criminal behavior. It is best accomplished through cooperative processes that include all stakeholders. This can lead to transformation of people, relationships, and communities. The goal of the YAC is to connect youth with resources that help them to be resilient, resourceful, responsible, and restored to positive community involvement through prompt assessment, treatment/service recommendations, and follow-up.

# CITY OF URBANA COMMUNITY DEVELOPMENT BLOCK GRANT AGREEMENT

Subrecipient Name	<u>Urbana Neighborhood Connections Center</u>
Project Name:	<u>Community Study Center</u>
Project No.	<u>2122-Youth-02</u>
Project Address:	<u>1401 E. Main St. Urbana, IL 61802</u>
CFDA No.	<u>14.218</u>

This Community Development Block Grant (“CDBG”) agreement is made between the City of Urbana, an Illinois municipal corporation (the “City”), and the above-named subrecipient, an Illinois not-for-profit agency (the “Subrecipient”), each a “party” and together the “parties,” and is effective on the last date signed by a party hereto.

## Background

The purpose of this agreement is to pledge FY 2021-2022 CDBG Program grant funds to the following project (the “Project”): Community Study Center.

The City has been designated as an entitlement community by the U. S. Department of Housing and Urban Development (“HUD”) under the Housing and Community Development Act of 1974, as amended (the “Housing Act”). As an entitlement community, the City will receive CDBG Program grant funds for the period beginning July 1, 2021 and ending June 30, 2022. The Urbana City Council has adopted an annual action plan for the same period. The Annual Action Plan allocates a CDBG budget and authorizes establishment of public service/public facilities and improvement activities to be sponsored by non-profit agencies in the general Urbana area. The City has the right and authority under the CDBG Program to allocate a portion of its grant funds to the Subrecipient for purposes of administering such activities. As a condition of its assistance to the Subrecipient, the City requires the Subrecipient to file with the City Attachment A (Equal Employment Opportunity Certification), Attachment B (Assurances), and Attachment C (Statement of Special Conditions), all of which are incorporated by this reference. Therefore, the parties agree as follows:

- Grant award.** Subject to the terms of this agreement, the City hereby grants to the Subrecipient and the Subrecipient hereby accepts up to \$15,000 in CDBG Program grant funds for use in carrying out the Project. This agreement neither obligates nor precludes the City from accepting or distributing other funds over which it may have control, nor does this agreement restrict or limit the powers of the City to use such funds pursuant to the provisions of the Housing Act. This agreement neither obligates nor precludes the Subrecipient from further accepting funds or assistance from any other source pursuant to the Housing Act. To the greatest extent feasible, the Subrecipient shall make all expenditures for the Project to Champaign County based firms and individuals.
- Disbursement.** The funding year will commence on July 1, 2021 and end on June 30, 2022. If and to the extent the City receives CDBG Program grant funds, the City shall reimburse the Subrecipient for eligible costs related to the Project. Funding in the full amount of this agreement

is contingent upon the City receiving sufficient CDBG Program grant funds. If the grant funds are discontinued or reduced for any reason, the City's payments to the Subrecipient may cease or be reduced without advance notice to the Subrecipient, and the City will not be liable for any damages as a result of such discontinuance or reduction of grant funds. The Subrecipient shall not request disbursement of grant funds pursuant to this agreement until it requires such grant funds to pay eligible costs that it has expended for the Project.

3. **Recordkeeping; inspection.** The Subrecipient shall maintain detailed financial records that show the eligible costs of administering the Project. All financial records and payments under this agreement must comply with federal regulations.

- A. The City and HUD may conduct on-site reviews, examine the Subrecipient's personnel records, and conduct any other procedures and practices to audit and assure compliance with this agreement and applicable HUD regulations. The Subrecipient shall allow all audits of its records as may be required and permit inspection of Project records by representatives of the City and HUD during the Subrecipient's normal business hours.
- B. The Subrecipient shall retain all records pertinent to expenditures incurred under this agreement for five years after termination of all activities funded under this agreement.
- C. The Subrecipient shall maintain client data demonstrating client eligibility for services provided. Such data must include, without limitation, client name, address, income level or other basis for determining eligibility, and description of service provided. The Subrecipient shall maintain all client information collected pursuant to this agreement in a secure and confidential manner. The use or disclosure of such information, when not directly connected with administration of the Project, is prohibited unless prior written consent is obtained from the person receiving service, or in the case of a minor, the responsible parent or guardian.

4. **Reporting.** The Subrecipient shall submit a Youth Grant Reporting Form and supporting expenditure documentation along with each request for reimbursement. The reporting form is included in Attachment C. Nothing herein will be deemed, construed, or interpreted as prohibiting the City from requesting and the Subrecipient from providing the Reporting Form on a more frequent basis than as specified on Attachment C or when requested.

5. **Conflicts of interest.** The following conflict of interest provisions apply to the Subrecipient's use of CDBG Program grant funds for the procurement of supplies, equipment, or construction or other services:

- A. No individual who exercises or has exercised any functions or responsibilities with respect to activities under this agreement, or who is in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a financial interest in or benefit from a CDBG-assisted activity, either for himself or herself or anyone with whom he or she may have business or family ties, during their tenure or for one year thereafter.

- B. This conflict of interest provision will apply to any individual who is an employee, agent, consultant, officer, or elected or appointed official of the Subrecipient or the City.
  - C. Upon written request, exceptions to this conflict of interest provision may be granted jointly by the City and HUD on a case-by-case basis, but only after the Subrecipient has disclosed the full nature of the conflict, submitted proof that the disclosure has been made public, and provided a legal opinion that there would be no violation of state or local law if the exception were granted. The City's determination regarding a conflict of interest is not binding upon HUD.
6. **Term.** This agreement will remain in effect until June 30, 2022, inclusive, unless the parties terminate it sooner as provided in this agreement. The Subrecipient's obligation to make full and final payment of all amounts due under this agreement will survive the termination of this agreement until fulfilled.
7. **Representations.** The Subrecipient makes the following representations to the City:
- A. The Project will begin on July 1, 2021 and terminate no later than June 30, 2022, unless the parties otherwise agree in writing.
  - B. The Subrecipient is qualified and has the requisite expertise and experience to administer the Project and is willing to use the grant funds for such purpose.
  - C. The Subrecipient will administer the Project in a competent, professional, and satisfactory manner.
8. **Default.**
- A. Any breach of a representation or other provision of this agreement will constitute a default. A default by the Subrecipient also will consist of the use of grant funds for a purpose other than as authorized in this agreement or a failure to maintain detailed financial records concerning the use of grant funds.
  - B. A party claiming a default shall give written notice of such default to the defaulting party, which notice will describe the nature of the default and the section of this agreement that the non-defaulting party believes was breached. The defaulting party will have 14 calendar days commencing on the date notice was given to cure or remedy the default. If the Subrecipient is the defaulting party, it will have 14 calendar days commencing on the date notice was given to (i) fully cure the default; (ii) submit a plan of correction that specifically describes the means and reasonable timeframe by which the default will be corrected; or (iii) provide evidence as to why the Subrecipient believes it is not in default. If the Subrecipient presents a plan for correcting the default, the City, within its reasonable discretion, may accept, reject, or provide an alternative plan of correction. The City's decision will be final. If the Subrecipient

fails to correct the default as provided in this section, the Subrecipient will be deemed in breach of the agreement.

- C. If the City is the defaulting party and fails to cure or remedy the default as provided in this section, the Subrecipient may exercise any right, power, or remedy granted to it pursuant to this agreement or applicable law.
- D. If the Subrecipient is the defaulting party and fails to cure or remedy the default as provided in this section, the City may take one or more of the following actions:
  - (1) Direct the Subrecipient to submit progress schedules for completing approved activities;
  - (2) Direct the Subrecipient to establish and maintain a management plan that assigns responsibilities for carrying out remedial actions;
  - (3) Direct the Subrecipient to suspend, discontinue, or not incur costs for the affected activity;
  - (4) Reduce or recapture the grant authorized in this agreement;
  - (5) Direct the Subrecipient to reimburse the City for costs inappropriately charged to the City; or
  - (6) Other appropriate action including, but not limited to, any remedial action legally available.

9. **Indemnification.** The Subrecipient shall indemnify and defend the City, its officers, employees, and agents against all claims, liability, or damage, including without limitation reasonable attorney's fees and costs, arising from or in any way related to the Subrecipient's activities under this agreement, except to the extent caused by the gross negligence or willful misconduct of the City, its officers, employees, or agents. This section will survive the termination of this agreement.

10. **Independent contractors.** The parties are independent contractors with respect to each other, and nothing in this agreement creates any association, partnership, joint venture, or agency relationship between them.

11. **Third party beneficiaries.** This agreement does not and is not intended to confer any enforceable rights or remedies upon any person other than the parties.

12. **Assignment.** The Subrecipient shall not assign, convey, or otherwise transfer any of its rights, duties, or obligations under this agreement to another person or entity without the express written consent of the City and authorization of HUD. In the event the Subrecipient seeks to assign, convey, or otherwise transfer any of its rights, duties, or obligations under this agreement,

the Subrecipient shall demonstrate that it will use an open, impartial, and competitive selection process in making any such assignment, conveyance, or transfer of its rights, duties, or obligations.

13. **Entire agreement; amendments in writing.** This agreement constitutes the entire agreement between the parties, supersedes all other agreements or understandings between them pertaining to the matter of this agreement, and may not be amended except by a writing signed by both parties.

14. **Dispute resolution; governing law.** In the event of a dispute between the parties, the parties, before filing any court action, jointly shall select a mediator and shall make a good faith effort in such mediation to resolve their differences. The parties shall share equally in the cost of such mediation service. In the event mediation fails to resolve the dispute between the parties, either party may file and maintain an action in the Circuit Court for the Sixth Judicial Circuit, Champaign, Illinois. Illinois law will govern all actions to enforce, construe, or interpret this agreement.

15. **Notices.** The parties shall give all notices required or permitted by this agreement in writing. All notices will be deemed given when personally delivered; deposited in the U.S. mail, postage prepaid, first class; or delivered to a commercial courier service (e.g., FedEx or UPS). A notice delivered by email will be deemed given when the recipient acknowledges having received the email by an email sent to the sender's email address, as stated in this section, or by a notice delivered by another method in accordance with this section. An automatic "read receipt" will not constitute acknowledgment of an email for purposes of this section. Each party's address is stated below and may be changed to such other address as the party may hereafter designate by notice.

**EQUAL EMPLOYMENT OPPORTUNITY CERTIFICATION**

The undersigned understands and agrees that it is a Subrecipient of the Urbana CDBG Program and agrees that there shall be no discrimination against any employee who is employed in carrying out work receiving assistance from the City and HUD, or against any applicant for such employment, because of race, color, creed, class, national origin, religion, sex, age, marital status, physical and mental disability, personal appearance, sexual orientation, family responsibilities, matriculation, political affiliation, prior arrest or conviction record or source of income, or any other discrimination based upon categorizing or classifying a person rather than evaluating a person's unique qualifications relevant to opportunities in employment, upgrading, demotion or transfer; recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.

The Subrecipient further agrees to the following:

- (1) It will be bound by said equal opportunity clause with respect to its own employment practices during the duration of its participation with the City and HUD;

# CITY OF URBANA COMMUNITY DEVELOPMENT BLOCK GRANT AGREEMENT

Subrecipient Name	<u>Urbana Neighborhood Connections Center</u>
Project Name:	<u>Urbana Youth Development Program</u>
Project No.	<u>2122-Youth-01</u>
Project Address:	<u>1401 E. Main St. Urbana, IL 61802</u>
CFDA No.	<u>14.218</u>

This Community Development Block Grant (“CDBG”) agreement is made between the City of Urbana, an Illinois municipal corporation (the “City”), and the above-named subrecipient, an Illinois not-for-profit agency (the “Subrecipient”), each a “party” and together the “parties,” and is effective on the last date signed by a party hereto.

## Background

The purpose of this agreement is to pledge FY 2021-2022 CDBG Program grant funds to the following project (the “Project”): Urbana Youth Development.

The City has been designated as an entitlement community by the U. S. Department of Housing and Urban Development (“HUD”) under the Housing and Community Development Act of 1974, as amended (the “Housing Act”). As an entitlement community, the City will receive CDBG Program grant funds for the period beginning July 1, 2021 and ending June 30, 2022. The Urbana City Council has adopted an annual action plan for the same period. The Annual Action Plan allocates a CDBG budget and authorizes establishment of public service/public facilities and improvement activities to be sponsored by non-profit agencies in the general Urbana area. The City has the right and authority under the CDBG Program to allocate a portion of its grant funds to the Subrecipient for purposes of administering such activities. As a condition of its assistance to the Subrecipient, the City requires the Subrecipient to file with the City Attachment A (Equal Employment Opportunity Certification), Attachment B (Assurances), and Attachment C (Statement of Special Conditions), all of which are incorporated by this reference. Therefore, the parties agree as follows:

- 1. Grant award.** Subject to the terms of this agreement, the City hereby grants to the Subrecipient and the Subrecipient hereby accepts up to \$10,000 in CDBG Program grant funds for use in carrying out the Project. This agreement neither obligates nor precludes the City from accepting or distributing other funds over which it may have control, nor does this agreement restrict or limit the powers of the City to use such funds pursuant to the provisions of the Housing Act. This agreement neither obligates nor precludes the Subrecipient from further accepting funds or assistance from any other source pursuant to the Housing Act. To the greatest extent feasible, the Subrecipient shall make all expenditures for the Project to Champaign County based firms and individuals.
- 2. Disbursement.** The funding year will commence on July 1, 2021 and end on June 30, 2022. If and to the extent the City receives CDBG Program grant funds, the City shall reimburse the Subrecipient for eligible costs related to the Project. Funding in the full amount of this agreement

is contingent upon the City receiving sufficient CDBG Program grant funds. If the grant funds are discontinued or reduced for any reason, the City's payments to the Subrecipient may cease or be reduced without advance notice to the Subrecipient, and the City will not be liable for any damages as a result of such discontinuance or reduction of grant funds. The Subrecipient shall not request disbursement of grant funds pursuant to this agreement until it requires such grant funds to pay eligible costs that it has expended for the Project.

3. **Recordkeeping; inspection.** The Subrecipient shall maintain detailed financial records that show the eligible costs of administering the Project. All financial records and payments under this agreement must comply with federal regulations.

- A. The City and HUD may conduct on-site reviews, examine the Subrecipient's personnel records, and conduct any other procedures and practices to audit and assure compliance with this agreement and applicable HUD regulations. The Subrecipient shall allow all audits of its records as may be required and permit inspection of Project records by representatives of the City and HUD during the Subrecipient's normal business hours.
- B. The Subrecipient shall retain all records pertinent to expenditures incurred under this agreement for five years after termination of all activities funded under this agreement.
- C. The Subrecipient shall maintain client data demonstrating client eligibility for services provided. Such data must include, without limitation, client name, address, income level or other basis for determining eligibility, and description of service provided. The Subrecipient shall maintain all client information collected pursuant to this agreement in a secure and confidential manner. The use or disclosure of such information, when not directly connected with administration of the Project, is prohibited unless prior written consent is obtained from the person receiving service, or in the case of a minor, the responsible parent or guardian.

4. **Reporting.** The Subrecipient shall submit a Youth Grant Reporting Form and supporting expenditure documentation along with each request for reimbursement. The reporting form is included in Attachment C. Nothing herein will be deemed, construed, or interpreted as prohibiting the City from requesting and the Subrecipient from providing the Reporting Form on a more frequent basis than as specified on Attachment C or when requested.

5. **Conflicts of interest.** The following conflict of interest provisions apply to the Subrecipient's use of CDBG Program grant funds for the procurement of supplies, equipment, or construction or other services:

- A. No individual who exercises or has exercised any functions or responsibilities with respect to activities under this agreement, or who is in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a financial interest in or benefit from a CDBG-assisted activity, either for himself or herself or anyone with whom he or she may have business or family ties, during their tenure or for one year thereafter.

- B. This conflict of interest provision will apply to any individual who is an employee, agent, consultant, officer, or elected or appointed official of the Subrecipient or the City.
  - C. Upon written request, exceptions to this conflict of interest provision may be granted jointly by the City and HUD on a case-by-case basis, but only after the Subrecipient has disclosed the full nature of the conflict, submitted proof that the disclosure has been made public, and provided a legal opinion that there would be no violation of state or local law if the exception were granted. The City's determination regarding a conflict of interest is not binding upon HUD.
6. **Term.** This agreement will remain in effect until June 30, 2022, inclusive, unless the parties terminate it sooner as provided in this agreement. The Subrecipient's obligation to make full and final payment of all amounts due under this agreement will survive the termination of this agreement until fulfilled.
7. **Representations.** The Subrecipient makes the following representations to the City:
- A. The Project will begin on July 1, 2021 and terminate no later than June 30, 2022, unless the parties otherwise agree in writing.
  - B. The Subrecipient is qualified and has the requisite expertise and experience to administer the Project and is willing to use the grant funds for such purpose.
  - C. The Subrecipient will administer the Project in a competent, professional, and satisfactory manner.
8. **Default.**
- A. Any breach of a representation or other provision of this agreement will constitute a default. A default by the Subrecipient also will consist of the use of grant funds for a purpose other than as authorized in this agreement or a failure to maintain detailed financial records concerning the use of grant funds.
  - B. A party claiming a default shall give written notice of such default to the defaulting party, which notice will describe the nature of the default and the section of this agreement that the non-defaulting party believes was breached. The defaulting party will have 14 calendar days commencing on the date notice was given to cure or remedy the default. If the Subrecipient is the defaulting party, it will have 14 calendar days commencing on the date notice was given to (i) fully cure the default; (ii) submit a plan of correction that specifically describes the means and reasonable timeframe by which the default will be corrected; or (iii) provide evidence as to why the Subrecipient believes it is not in default. If the Subrecipient presents a plan for correcting the default, the City, within its reasonable discretion, may accept, reject, or provide an alternative plan of correction. The City's decision will be final. If the Subrecipient

fails to correct the default as provided in this section, the Subrecipient will be deemed in breach of the agreement.
