SUBJECT: **Community Development Block Grant (CDBG) Subrecipient Agreements for FY2005-2006**

Description

Included in this packet are copies of the Community Development Block Grant (CDBG) Subrecipient Agreements for FY2005-2006. Staff requests the Community Development Commission review the agreements and provide a recommendation to the Urbana City Council.

Issues

The Community Development Commission is requested to review and provide a recommendation on the CDBG Subrecipient Agreements. These agreements will then be forwarded to the Urbana City Council for consideration.

Background

On April 18, 2005, the Urbana City Council passed Resolution No. 2005-04-007R approving the City of Urbana and Urbana HOME Consortium Annual Action Plan FY 2005-2006.

The projects and activities noted in the Agreements are included in the Annual Action Plan.

Note that Attachment C of the Agreements contains project specific information.

The Agreement with the Champaign County Regional Planning Commission provides \$3,000 towards the annual licensing cost for the Homeless Management Information System (HMIS), and the balance to help develop a web-based database of homeless assistance services.

The Agreement with the Community Health Improvement Center provides \$20,000 for the development of a new facility for the Frances Nelson Health Center.

The Agreement with the Partnership Accounts for Individual Development, nfp provides \$8,000 for support to Individual Development Accounts as it relates to the down payment assistance for the purchase of a home to persons participating in the PAID program. This service shall be a fund-matched program in relation to funds distributed by the City of Urbana.

Options

The Community Development Commission can pursue the following options:

1. Recommend that the Agreements be forwarded to City Council for approval.
2. Recommend that Agreements, with amendments, be forwarded to City Council for approval.
3. Recommend that the Agreements not be forwarded to City Council for approval.

Fiscal Impacts

The City's major investments in the CDBG Program for FY2005-2006 are identified in the Annual Action Plan.

Failure to forward agreements to City Council within a reasonable period of time can delay projects and impact the timely expenditure of CDBG funds.

Recommendations

Staff requests that CDC members review the Agreements for content, indicate any suggestions for improvements in defining program descriptions, required actions on the part of the subgrantees, reporting requirements, safeguards for the city, etc.

Staff recommends that CDC approve the grant agreements and forward a favorable recommendation to the Urbana City Council.

Background

On April 18, 2005, the Urbana City Council passed Resolution No. 20054-04-007R approving the City of Urbana and Urbana HOME Consortium Annual Action Plan FY 2005-2006.

This Agreement contains the standard NOG Agreement terms and conditions that reflect the requirements of the CDBG Program.

Note that Attachment C of the Agreements contains the scope of work associated with the project.

Options

The Community Development Commission can pursue the following options:

1. Recommend that the Agreement be forwarded to City Council for approval.

2. Recommend that the Agreement, with amendments, be forwarded to City Council for approval.
3. Recommend that the Agreement not be forwarded to City Council for approval.

Fiscal Impacts

Funding for the Neighborhood Organization Grant Programs is identified in the FY2005-2006 Annual Action Plan.

Failure to forward agreements to City Council within a reasonable period of time can delay projects and impact the timely expenditure of funds.

Recommendations

Staff recommends that CDC approve the Agreement and forward a favorable recommendation to the Urbana City Council.
