SUBJECT: AN ORDINANCE AUTHORIZING THE SALE OF CERTAIN REAL ESTATE (901 North Division Avenue) to Ecological Construction Laboratory for Affordable Housing Development

Description

Included on the agenda of the August 26, 2008 meeting of the Community Development Commission is an ordinance authorizing the sale of the City-owned property located at 901 N. Division Ave. to Ecological Construction Laboratory (e-co lab) for affordable housing development. The contract terms are similar to those used in the past to convey City-owned properties to not-for-profit organizations for the construction of affordable housing. E-co lab intends to construct a new single-family passive solar home that will be sold to a household whose income does not exceed 80% Median Family Income.

Issues

The issue is whether the Community Development Commission should forward the Ordinance to the Urbana City Council with a recommendation for approval.

Background

This property was acquired through the Grants Management Division's Property Acquisition Program, which is supported by Community Development Block Grant Funds. This program allows the City to purchase, clear, improve and maintain lots in order to promote and support the development of affordable housing opportunities. One way to accomplish this goal is to convey such properties to non-profit-housing developers for affordable housing development.

As a Community Housing Development Organization (CHDO), e-co lab receives Urbana HOME Consortium funds to provide affordable housing opportunities. The City of Urbana has supported affordable housing development by e-co lab in the past by providing the lots at 1005 and 1007 West Fairview Avenue on which e-co lab has constructed single-family, owner-occupied homes. The subject property is located in Census Tract 54 adjacent to the new development, Crystal View Townhomes. If this transfer is approved, e-co lab will build another one of its Super Energy Efficient homes on this site.

The proposed contract, ordinance, and legal documents that would convey this property to e-co lab are attached to this memorandum. The contract terms are similar to those previously used to convey City-owned properties to not-for-profit organizations for construction of new single-family residences for sale to low-income households.

The sales contract calls for the City to transfer the property by recording a warranty deed in favor of e-co lab with the Champaign County Recorder of Deeds. In order to ensure that the City is protected in case of default by e-co lab, a Quit Claim deed, executed by e-co lab in favor of the City, shall be placed in escrow with the Department of Community Development Services who will serve as the "Escrow Agent." The deadline to complete construction of the home according to the contract is December 30, 2010. Once construction of the home is completed and a Certificate of Occupancy is issued, the Escrow Agent will destroy the Quit Claim Deed. In the event that e-co lab has not begun construction of a single-family residence on the subject property as of September 30, 2010, the City may file the Quit Claim deed and recover ownership of the property.

The ordinance, contract, and its associated attachments (attached) are similar to those previously used to convey City-owned properties to not-for-profit organizations. The income-qualified homebuyer will execute a land-use restriction agreement with the City to ensure that the home remains affordable to income-qualified families for a period of ten years (affordability period). If the lot is not conveyed to e-co lab, the City would continue to pay for ongoing maintenance.

Options

1. Forward the Ordinance Authorizing the Sale of Certain Real Estate (901 N. Division Ave. to Ecological Construction Laboratory) the Urbana City Council with a recommendation for approval.
2. Forward the Ordinance to the Urbana City Council with a recommendation for approval, with suggested changes.
3. Do not recommend that City Council approve Ordinance.

Fiscal Impacts

Providing this lot to e-co lab would eliminate lot maintenance costs that are incurred by the Community Development Block Grant Program. The home constructed at this site would generate real estate taxes and have a positive effect on surrounding property values. If the lot is not conveyed to e-co lab, the City would continue to pay for ongoing maintenance.

Recommendations

Staff recommends the Community Development Commission forward the Ordinance to the Urbana City Council a recommendation of approval.

This Contract made and entered into this _____ day of _____, 2008, by and between the City of Urbana, Illinois, a municipal corporation of the State of Illinois (hereinafter referred to as Seller), and Ecological Construction Laboratory, an Illinois Non-Profit Community Housing Development Organization (hereinafter referred to as Buyer).

WITNESSETH:

IT IS MUTUALLY UNDERSTOOD AND AGREED BETWEEN THE PARTIES HERETO as follows:

1. Sale. Seller agrees to sell and convey, and Buyer agrees to buy, the following described parcel of real estate:

DESCRIPTION OF REAL ESTATE:

The East 115.5 feet of the South 83 feet of the North 264 feet of Lot 28 of a Subdivision of the NE ¼ of Section 8, Township 19 North, Range 9 East of the Third P. PIN: 91-21-08-257-010;

Commonly known as 901 North Division Avenue, Urbana, Illinois (hereinafter referred to as Subject Property).

2. Purchase Price. Seller agrees to convey title to Subject Property for One Dollar (\$1.00) and other consideration as described herein.
3. Evidence of Title. Within a reasonable time, Seller shall select and deliver one of the following to Buyer as evidence of title:
 - a. A copy of the title insurance policy issued to the City in connection with acquisition of Subject Property by the City; the City warrants that it has done nothing to encumber Subject Property since its acquisition of Subject Property; or
 - b. A commitment of title insurance issued by a title insurance company regularly doing business in Champaign County, committing the company to issue a policy in the usual form insuring title to Subject Property to Buyer for the amount of the Seller's purchase price or the minimum amount of title insurance, whichever is greater.

Permissible exceptions to title shall include only the lien of general taxes; zoning laws and building ordinances; easements, apparent or of record, which do not underlie the improvements, if any; and covenants and restrictions of record which are not violated by the existing improvements or the present use of the property and which do not restrict reasonable use of the property.

Buyer shall point out in writing to Seller within a reasonable time after receipt of the evidence of title any objections that Buyer may have thereto and unless so pointed out the evidence of title shall be conclusively presumed to be accepted by Buyer.

Seller shall have a reasonable time to cure any objections actually interfering with or impairing the merchantability of the title to Subject Property. If Seller is unable to cure such objections and is unable to procure a title policy insuring over such objections, then Buyer shall have the option to terminate the Contract.

The evidence of title and title insurance shall be at the sole expense of the Seller.

4. Conveyance. Seller agrees to convey Subject Property to Buyer by good and sufficient Warranty Deed, subject to current general taxes, covenants, conditions, restrictions, easements apparent or of record, and to all applicable zoning laws and ordinances.

At the time of closing of this transaction, a Warranty Deed from Seller in favor of Buyer shall be recorded with the Champaign County Recorders' Office and delivered to Buyer.

At the same time, a Quit Claim Deed from Buyer in favor of Seller shall be placed in escrow with the City of Urbana Department of Community Development Services (hereinafter referred to as "(Escrow Agent)").

In the event that Buyer constructs a single-family residence on Subject Property and is issued a certificate of occupancy for said residence by the Urbana Building Safety Division on or before December 30, 2010, or on or before the date established in any modification to this Contract, the Escrow Agent shall destroy said Quit Claim Deed.

In the event that Buyer has not started construction of a single-family residence on Subject Property as of September 30, 2010, or as of the date established in any modification to this Contract, the Escrow Agent shall release said Quit Claim Deed to Seller.

In the event that Buyer has begun construction of a single-family residence on Subject Property as of December 30, 2010, or as of the date established in any modification to this Contract, but has not received a Certificate of Occupancy for said residence as of that date, Seller retains the right to pay Buyer, in care of the Escrow Agent, an amount equivalent to the value of improvements in place on Subject Property as of December 30, 2010, or as of the date established in any modification to this Contract, taking credit against said amount for any outstanding liens or encumbrances against Subject Property,

said liens including real estate taxes prorated up to the date Seller assumes possession under this paragraph, and for any fees or professional expenses incurred by the Seller as a result of the assumption of the Subject Property under this paragraph. Said value shall be certified to both Buyer and Seller by an architect licensed by the State of Illinois, doing business in Champaign County, Illinois and mutually acceptable to Buyer and Seller. The Escrow Agent shall deliver said payment to Buyer, and release and record said Quit Claim Deed with the Champaign County Recorders Office and deliver to the Seller.

Any and all escrow charges shall be paid by Buyer.

5. Taxes and Assessments. Seller shall pay all special assessments confirmed prior to the date of this Contract and real estate taxes assessed against Subject Property for 2008 payable in 2009 up to the date of possession. Buyer shall pay all special assessments and real estate taxes assessed against Subject Property after the date of possession

Buyer shall promptly pay all bills for utilities and taxes associated with Buyer's possession and use of Subject Property, including but not limited to water, gas, electric, cable television, sewage treatment, and sewer benefit taxes.

6. Condition of Subject Property. Buyer agrees to accept Subject Property in its "as-is" condition, and Seller disclaims all warranties express or implied as to the condition of Subject Property.
7. Compliance with Development Codes. Any residence constructed pursuant to this Contract shall be constructed in accordance with all applicable land development, zoning, and building codes, and the visitability standards of the City of Urbana, Illinois, and with any and all covenants recorded for the subdivision in which Subject Property is located. Buyer shall be responsible for obtaining and paying for all permits required under said codes.
8. House Design. Any residence constructed pursuant to this Contract shall be substantially compatible in design and quality of construction with drawings previously submitted by Buyer to the City of Urbana. Prior to issuance of any building permit by the Building Safety Division of the City of Urbana, Illinois, the Grants Management Division Manager of the Department of Community Development Services of the City of Urbana, Illinois, acting on behalf of the City, may request alterations to the proposed house design so as to comply with this Section.
9. Use of Subject Property. The primary purpose of Buyer activities undertaken pursuant to this Contract shall be construction of a single-family residence for sale to a low-income household through the Buyer's Homeownership Program. To ensure the residence constructed remains affordable housing occupied by a low-income household, a Land-Use Regulatory Agreement in substantially the form set forth as ATTACHEMENT A to this contract must be signed by all grantees to whom Ecological Construction Laboratory conveys the subject parcel and recorded at the time of closing of such transaction. The

City of Urbana Indirect Homebuyer Assistance Land-Use Regulatory Agreement attached hereto and incorporated herein, is an essential part of this contract.

10. Limitation on Subsequent Sale of Subject Property. Any residence constructed by Buyer on Subject Property pursuant to this Contract may subsequently be sold by Buyer only to a family having income at or below 80 percent of median family income for Champaign County based on household size. Applicable income limits are those certified by the Grants Management Division Manager of the Department of Community Development Services of the City of Urbana, Illinois, acting on behalf of the City, to be in effect at the time Buyer accepts a household into its Homeownership Program. Buyer shall keep record of compliance with this Section on file for inspection by representatives of the City and the U.S. Department of Housing and Urban Development.
11. Property Maintenance. Buyer agrees to keep Subject Property properly mowed and free of excess vegetation and debris at all times from the date of this contract. Buyer shall neither suffer nor commit any waste on or to Subject Property. Buyer agrees to promptly respond to any notices received from the City of Urbana, Illinois, with regard to violation of the City's nuisance codes and to promptly correct any violation cited by said City. Buyer shall promptly pay all bills or charges incurred for materials, services, labor, or other like items that may create encumbrances against Subject Property. Buyer will become responsible for all property maintenance as of the date of this Contract.
12. Construction Schedule. Buyer agrees to construct a single-family residence on Subject Property such that a Certificate of Occupancy is issued for the newly constructed residence by the Urbana Building Safety Division on or before December 30, 2010, or, on or before a date established in any modification to this Contract.
13. Storage of Building Materials. Building materials needed to construct any residence pursuant to this Contract shall be stored within property lines and shall not be placed in the public right-of-way.
14. Seller Held Harmless. Buyer agrees to indemnify and hold Seller, its officers, agents, and employees, harmless for any liability or damages of any nature or kind concerning undertaking of any activity pursuant to this Contract, including reasonable attorneys' fees incurred in defending against any such claim.
15. Assignment. Buyer shall not assign this Contract without prior written consent of Seller to such assignment; provided, however, that Seller shall not unreasonably withhold such consent and further provided that no such assignment shall act as a discharge or release of Buyer's liability under this Contract.
16. Possession. City shall deliver possession of Subject Property to Buyer concurrently with closing of this transaction.
17. Default. If Buyer fails to perform any obligation imposed upon it by this Contract, Seller may serve written notice of default upon Buyer and if such default is not corrected within

ten (10) days thereafter, this Contract shall terminate. In the event of failure of Seller to perform obligations imposed upon it by this Contract, Buyer may terminate this Contract upon similar notice served upon Seller and similar expiration of time period. The foregoing remedies in the event of default are not intended to be exclusive, and the parties shall have the right to all other lawful remedies, including specific performance. Default by Seller or Buyer shall entitle the non-defaulting party to claim as damages all reasonable costs, attorneys' fees, and expenses in connection with enforcement of this Contract.

18. Notices. Any notice required under this Contract to be served upon Seller or Buyer shall be mailed by certified mail to such parties at the address shown herein following their signatures, or at such other place as the parties may from time to time designate in writing.
19. Modification. No modification or extension of this Contract shall be effective unless in writing and executed by the parties hereto.
20. Terms Binding. All terms of this Contract shall be binding upon the heirs, legatees, devisees, representatives, and assignees of the parties.

IN WITNESS WHEREOF, the parties have executed this Contract as of the day and year first above written.

- E. Pursuant to City of Urbana Community Development Department Policy, eligible purchasers such as the Grantee are given the opportunity to purchase the Property through e-co lab below the property's appraised fair market value if the Grantee agrees to convey the property on resale to an income eligible purchaser.

NOW, THEREFORE, in consideration of the foregoing recitals and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto covenant and agree as follows:

1. **RECITALS.** The foregoing recitals are made a part of this Agreement.
2. **GENERAL CONDITIONS.** This Agreement shall be subject to, and Grantee agrees to comply with the terms and conditions of the HOME and CDBG Acts and Regulations, as amended and supplemented from time to time.
