

Secondary Structure Demolition Program (SHEDAWAY)

The Secondary Structure Demolition Program is available to very low-income homeowners to demolish and remove unsafe garages, carports, sheds and fences. For eligible households, the City of Urbana will contract with demolition contractors and provide a grant up to **\$5,000** on behalf of the homeowner.

Eligibility Requirements:

- You must own and have lived in your home for a minimum of one year.
- Your property must be single-family owner-occupied and must be within the CD Target Area.
- The secondary structure must be structurally unsound and classified as "substandard, severely dilapidated."
- Your household income may not exceed 80 percent of the area median family income (*see chart for specific income limits*).

For more information, call 384-2447.

Get The Lead Out (GLO) Program

Emergency Grant Program

The Emergency Grant Program is available to very low-income homeowners for repair of health or safety items. Emergency grant funds are available only if the repair is immediately needed to mitigate a hazardous condition which poses a threat to the health and safety of the occupant. This may include repair or replacement of defective mechanical, electrical or plumbing systems, building components, and surfaces.

Eligibility requirements:

- You must own and have lived in the home to be repaired for a minimum of one year. Trust Deeds and Contract Purchases are allowed,
- Your home must be within Urbana city limits.
- You must have property insurance.
- Your household income may not exceed 50 percent of the area median family income (*see chart on back for specific income limits*).

Maximum funding through the Emergency Grant Program is **\$5,000** per household.

The Urbana Grants Management Division will accept applications throughout the year subject to funding availability.

Access Grant Program

The Access Grant Program helps eliminate physical barriers that keep a person with a disability from using his or her home. Eligible households may receive up to **\$5,000** of home improvements from a non-repayable grant. Typical projects funded through the Access Grant Program include ramp installation, bathroom modifications, and door widening. Access grants may be used to renovate single-family homes and duplex units. Complexes with five or more units are not eligible to participate.

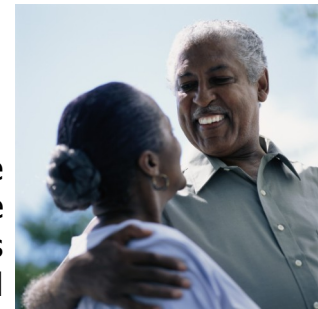

Eligibility requirements:

- You may be a homeowner, renter or trust deed recipient.
- The property must be within Urbana city limits.
- Your household income may not exceed 80 percent of area median family income (*see chart on back for income limits*).

The Urbana Grants Management Division will accept applications throughout the year subject to funding availability.
