Lt. Anthony Cobb, chairing the meeting in Chief Bily's absence, called the meeting to order at 5:37 p.m. and introduced himself.

Mayor Prussing asked if Carle representatives had contacted UCAP Committee members Samuel Johnson and Faye Christmon, who had volunteered to provide input regarding Carle's 15 year plan for expansion. They reported they had not been contacted.

Alderman Lewis reported that the Harvey Street (800 block) project has been scheduled for fiscal year 2007-2008 at a cost of \$235,000. The funding for the street and sidewalk project will come from a City budget revision of \$110,000 and CDBG funds. Alderman Lewis will seek Urbana City Council support for the necessary budget amendment. Mr. Lewis also reported on Urbana's sewer infrastructure problems and the current sewer ordinance.

Lt. Cobb reported that efforts by Provena Security and Urbana Police have helped alleviate recent problems at the Provena warehouse parking lot. He also reported that special details by UPD have helped to reduce speeding and loud car music in the neighborhood. Lt. Cobb then addressed questions and concerns of committee members. Discussion followed.

The meeting was adjourned at 6:29 p.m.

Respectfully submitted:
