

RESOLUTION REGARDING WINDSOR ROAD
AND CURTIS ROAD

WHEREAS, the Urbana Plan Commission, on July 19, 1973, after study of the matters respecting Curtis Road and Windsor Road, recommended to the Urbana City Council the following:

that the Commission has no objection to a study of the location of a major street in the vicinity of Curtis Road; that the Commission has strong reservations about the need for such a facility in the foreseeable planning period; and that the Commission places first priority for right-of-way acquisition East of Lincoln for Windsor Road rather than for Curtis Road.

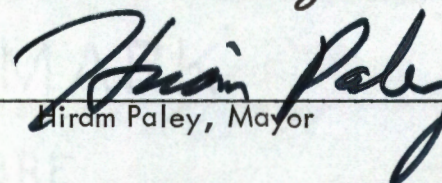

BE IT RESOLVED that the recommendation of the Urbana Plan Commission, as set forth above, is approved and that any City Official, when representing the City of Urbana on a matter in which this position is relevant, convey to others the contents of this Resolution.

PASSED by the City Council this 6th day of August, 1973.
