SUBJECT: Annexation Case No. 2005-A-10: Annexation agreement for an approximately 0.97-acre tract of property at 1714 E. Airport Road / Gregory and Denise Reynolds

Plan Case No. 1903-M-04: Request to rezone an approximately 0.97-acre tract of property at 1714 E. Airport Road from Champaign County AG-2, Agriculture Zoning District to City, R-2, Single-Family Residential Zoning District upon annexation.

This case is the same as was first heard by the Urbana Plan Commission and Urbana City Council in 2006. Due to an error in the legal descriptions for that case, the case was returned to the Plan Commission and City Council in 2007.

On May 24, 2007, the Urbana Plan Commission conducted a new public hearing to re-consider the annexation agreement and voted 4-2 to forward the case to the Urbana City Council with a recommendation of approval.

At the June 11, 2007 Committee of the Whole meeting the City Council discussed the case and voted to approve it. As the official meeting agenda did not specify that there was a Public Hearing and because a hearing was not announced at the meeting and opened for public comment the statutory requirements were not met.

Staff requests the City Council to hold a Public Hearing for the proposed annexation agreement (including a proposed rezoning upon annexation) for the 0.97-acre portion of the petitioners property located outside the City limits at 1714 E. Airport Road.

None of the pertinent background information in the case has changed and the petitioner's positions and City recommendations are unchanged.

The original memo, agreement, and ordinance are attached.

SUBJECT: Annexation Case No. 2005-A-10: Annexation agreement for an approximately 0.97-acre tract of property at 1714 E. Airport Road / Gregory and Denise Reynolds

Plan Case No. 1903-M-04: Request to rezone an approximately 0.97-acre tract of property at 1714 E. Airport Road from Champaign County AG-2, Agriculture Zoning District to City, R-2, Single-Family Residential Zoning District upon annexation.

Preface

This case is the same as was first heard by the Urbana Plan Commission and Urbana City Council in 2006. At their July 6, 2006 meeting, the Plan Commission voted 7 ayes to 0 nays to forward the case to City Council with a recommendation of approval of the annexation agreement. The annexation agreement with rezoning was approved by City Council on July 17, 2006 as Ordinance No. 2006-07-098.

Due to an error in the legal descriptions for that case, we are asking the City Council to re-hear and re-consider the proposed annexation agreement (including a proposed rezoning upon annexation) for the 0.97-acre portion of the petitioners property located outside the City limits at 1714 E. Airport Road.

None of the pertinent background information in the case has changed and the petitioner's positions and City recommendations are unchanged.

On May 24, 2007, the Urbana Plan Commission conducted a new public hearing to re-consider the annexation agreement and voted 4-2 to forward the case to the Urbana City Council with a recommendation of approval.

Introduction

The petitioners, Gregory and Denise Reynolds, are the owners of the property at 1714 E. Airport Road which is located partially in unincorporated Champaign County. The property is developed as

a single-family residence. The proposed annexation agreement is the result of the petitioners' home being constructed across two individual lots, one of which is in the County, and the other in the City.

The petitioners have agreed to work with the City to bring the property into compliance with City regulations which will include obtaining a Major Variance and a Zoning Map Amendment for the portion of the property in the City, and a subdivision to combine the two lots of the petitioner's property.

It should be noted that two related cases are also being considered concurrently: one to rezone that portion of the property currently in the City from IN, Industrial Zoning District to R-2, Single-Family Residential Zoning District, and the other case being a variance request to allow an existing accessory structure approximately 3,500 square feet in area which is larger than the 1,000 square foot limit. The City Council previously considered and approved an annexation agreement for this property on July 17, 2006 (Ordinance No. 2006-07-098), however the agreement has been resubmitted for approval based on a corrected legal description. The intent of these three related cases is to bring the property into compliance and under one jurisdiction.

Background

A brief history of pertinent events leading to this case is provided below:

1991 - GKC Theaters Annexation Agreement: The former drive-in movie theater property was annexed into the City and zoned IN, Industrial. The property is adjacent to 1714 E. Airport Road.

1994 - Matthews Annexation Agreement: An annexation agreement for 1714 E. Airport Road was approved by the Urbana City Council (Ord. No. 9495-09), which stipulated that the current or future property owner would annex into the City of Urbana once the property became contiguous (the property was contiguous at the time the agreement was approved). The agreement also contained a condition that the City would not annex the property until it could be adequately served by all public services. At the time, staff determined that fire protection could not be adequately provided to the property, thus it was not immediately annexed.

1999 – Accessory Structure Constructed: The previous owner applied for and received a County building permit for an approximately 3,500 square foot accessory structure. The accessory structure was constructed across property lines and in both Champaign County and the City of Urbana but did not have a City permit.

2001 – Petitioners Purchase Property: The petitioners purchased the property from James Matthews and were unaware of the previous annexation agreement.

Spring 2003 - Petitioners Expand Home: The petitioners conducted preliminary engineering work to expand their home and discovered that the existing home and accessory structure encroached 65 feet into the eastern neighboring property which was part of the GKC annexation property. The petitioners contacted the adjacent owner and both parties agreed to a purchase of land to mitigate the encroachment. This tract is now the eastern portion of the Reynolds property and is in the City limits.

Fall 2003 – Petitioners Construct New Home: The petitioners purchased a manufactured home for the property to replace the previously existing home. The home was placed in approximately the same location as the previously existing structure, and the accessory structure remains in the same place.

The property issues came to the attention of the Urbana Building Safety Division, which issued a stop work order on the property although the home was already installed. A number of problems were cited including:

- a structure crossing jurisdictional lines
- the need to replat the property as one lot
- a lack of City building permits
- a lack of County use permits
- zoning inconsistent with actual uses
- need for an accessory structure variance

The proposed annexation agreement and other actions are the result of a joint effort between the petitioner and the City to resolve all outstanding concerns with the property.

Summer 2006 - Reynolds Annexation Agreement: An annexation agreement for the subject property was approved by the Urbana Plan Commission and City Council in 2006 but is being returned to Plan Commission and City Council in May and June 2007 for re-approval due to the legal description error. The facts of the case and the substance of the agreement reached remain unchanged.

The annexation agreement was necessitated by location of the structures crossing the lot line and the petitioners' wish to preserve their right to reconstruct the accessory structure should it ever need to be replaced.

The property is currently zoned Champaign County AG-2, Agriculture, and the annexation agreement stipulates that the property will be rezoned to City R-2, Single-Family Residential zoning upon annexation. The property is currently surrounded by a mixture of industrial (north of Airport Road) and residential (south of Airport Road) land uses. The 2005 Urbana Comprehensive Plan indicates the future land use for the area as Residential, with Regional Business along US Route 45.

Issues and Discussion

Annexation Agreement

The proposed annexation agreement only pertains to the portion of the petitioners' property that is located outside of the City (see Exhibit A). Separate cases for the rezoning and accessory structure variance are being brought forward concurrently for the portion of the petitioners' property located inside the City. The agreement contains several provisions regarding the subject property:

- *Zoning:* The property will be rezoned from County AG-2, Agriculture to City R-2, Single-Family Residential upon annexation. This designation is consistent with the 2005 Urbana Comprehensive Plan which denotes the future land use for this area as Residential.
- *Adjacent Territory Rezoning:* The annexation agreement requires that within 90 days of the approval of the proposed annexation agreement, the petitioners will submit an application to rezone the portion of their property located in the City. On Thursday May 24, 2007 the Urbana Plan Commission repeated the hearing of Plan Case 2039-M-07 which proposes rezoning of the portion of the subject property in the City (the eastern half) from IN, Industrial to R-2, Single-Family Residential. This will ensure consistency with the R-2 Single Family Residential zoning recommended by the annexation agreement for the area currently outside the City limits.
- *Accessory Structure Variance:* A 3,500 square foot accessory garage, which was constructed by a previous owner, is located immediately north of the house. Section V-2 of the Urbana Zoning Ordinance states that homes larger than 1,500 square feet may have an accessory structure up to 50 percent of the home's floor area, or 1,000 square feet, whichever is less. The petitioners' garage is used for personal and recreational vehicle storage, as well as personal workspace.

The annexation agreement has an "Article II: Representations and Obligations of the Corporate Authorities," which contains a "Section 5: Accessory Structure Variance." In that Section 5 the City specifically grants a Variance to allow the portion of the 3,500 square foot accessory structure located outside the corporate limits, to be in excess of the 1,000 square feet permitted by the Zoning Ordinance. The agreement states that the City's Corporate Authorities further agree that the granting of this variance is consistent with the established criteria identified in Section XI-3 of the Urbana Zoning Ordinance.

Also in the annexation agreement Article II is Section 6: "Adjacent Territory Accessory Structure Variance" in which the City specifies implicit support for approval of a Major Variance to allow that portion of the accessory structure located within the corporate limits, to be in excess of the 1,000 square feet permitted by the Zoning Ordinance.

The combined variances - one granted by the Annexation Agreement and one by the separate Zoning Board of Appeals case would allow the owners to maintain the accessory structure at its current size.

- *Minor Subdivision Plat:* The petitioners will be required to replat the separate parcel in the County with the portion of land they own in the City. The plat must be consistent with the Urbana Subdivision and Land Development Code. As a Minor Plat, this subdivision will be reviewed by the City's Administrative Review Committee.
- *Contingent Approval:* The annexation agreement is contingent on approval of the major variance for the portion of the structure within the City limits (ZBA Case 07-MAJ-02) as well as the requested rezoning of the property in the City from IN, Industrial to R-2, Single Family Residential (Plan Case 2039-M-07.)

Rezoning Criteria

In the case of *La Salle National Bank v. County of Cook* (the “La Salle” case), the Illinois Supreme Court developed a list of factors for evaluating the legal validity of a zoning classification for a particular property. Each of these factors will be discussed as they pertain to a comparison of the existing zoning with that proposed by the Petitioner.

1. *The existing land uses and zoning of the nearby property.*

The property is currently surrounded by a mixture of industrial (north of Airport Road) and residential (south of Airport Road) land uses. The industrial parcel immediately east of the property is undeveloped, and the 2005 Urbana Comprehensive Plan indicates a future land use for the area of “Residential”, with “Regional Business” along US Route 45.

2. *The extent to which property values are diminished by the restrictions of the ordinance.*

The property is already developed in a manner consistent with the proposed zoning, so there would be minimal impact on property values. County AG-2, Agriculture severely restricts residential uses and could negatively impact property value based on the current land use.

It should be noted that the Urbana City Planning Division staff are not qualified as professional appraisers and that a professional appraiser has not been consulted regarding the impact on the value of the property. Therefore, any discussion pertaining to property values must be considered speculative and inconclusive.

3. *The extent to which the ordinance promotes the health, safety, morals or general welfare of the public.*

The area has already developed in a manner inconsistent with the existing zoning district. The intent of the proposed zoning district is to ensure that the property is maintained by a standard that reflects the existing land use.

4. *The relative gain to the public as compared to the hardship imposed on the individual property owner.*

The property is located in an area that consists of single-family residences. Further, the 2005 Urbana Comprehensive Plan designates the future land use of this area as Residential. The proposed zoning would ensure that the appropriate regulations are applied to the property.

5. *The suitability of the subject property for the zoned purposes.*

The property is already developed in an “urban” manner, as are surrounding properties, which is consistent with the proposed zoning district. The proposed annexation agreement includes provisions that will ensure any future development will meet all the applicable development standards of the Urbana Zoning Ordinance.

6. *The length of time the property has been vacant as zoned, considered in the context of land development, in the area, in the vicinity of the subject property.*

The property is not currently vacant.

Summary of Findings

On May 24, 2007 the Urbana Plan Commission voted 4-2 to adopt the following findings and recommended approval of the annexation agreement to the Urbana City Council:

1. The petitioners own property located at 1714 E. Airport Road on two lots, one located in unincorporated Champaign County and the other in the City of Urbana. The subject of the annexation agreement is the western lot which is zoned AG-2, Agriculture in the County.
2. The proposed annexation agreement stipulates that the portion of the property currently located in unincorporated Champaign County will be rezoned from County AG-2, Agriculture to City R-2, Single-Family Residential upon annexation.
3. The proposed R-2, Single-Family Residential Zoning District would be consistent with the current land use of the property and surrounding area.
4. The proposed R-2, Single-Family Residential Zoning District would be consistent with the future land use designation of the 2005 Urbana Comprehensive Plan.
5. The proposed rezoning would not be detrimental to the public health, safety or general welfare.
6. The proposed rezoning appears to generally meet the LaSalle Case criteria.
7. The proposed annexation agreement grants a Major Variance for the portion of the 1,680 square foot accessory structure currently located in unincorporated Champaign County. The petitioners have requested the variance because they wish to retain the right to rebuild the accessory structure should it ever be destroyed.
8. The proposed annexation agreement requires that the petitioners submit an application for a Major Variance for the portion of the accessory structure currently in the City. The proposed annexation agreement is contingent upon granting the Major Variance.
9. The proposed annexation agreement requires the petitioners' to submit an application for a Zoning Map Amendment for the portion of the property currently in the City from IN, Industrial to R-2, Single-Family Residential.
10. The proposed annexation agreement requires the petitioners to prepare and record a Minor Subdivision Plat to combine the parcel in the County with the portion of land they own in the City. The plat must comply with the Urbana Subdivision and Land Development Code.

11. The property is subject to a previous annexation agreement for the portion of the property in Champaign County. The previous agreement did not contain any conditions except that the property would be annexed when it could be adequately served by City public services. The new annexation agreement will supersede the previous agreement.

Options

The City Council has the following options in Plan Case 2005-A-10/1903-M-04:

- a. City Council may approve the proposed annexation agreement, including a zoning designation of R-2, Single-Family Residential for the site; or
- b. City Council may approve the proposed annexation agreement, including a zoning designation of R-2, Single-Family Residential for the site, subject to recommended changes. (Note that the property owner would have to agree to any recommend changes); or
- c. City Council may deny the proposed annexation agreement.

Recommendation

Based on the criteria outlined herein, at their May 24, 2007 hearing the Plan Commission voted 4-2 to forward the annexation agreement in Plan Case 2005-A-10/1903-M-04 to the Urbana City Council with a recommendation for **APPROVAL**.

Annexation Agreement

(1714 East Airport Road / Gregory and Denise Reynolds)

THIS Agreement is made and entered into by and between the **City of Urbana**, Illinois, (hereinafter sometimes referred to as the "Corporate Authorities" or the "City") and **Gregory and Denise Reynolds** (hereinafter referred to as the "Owners"). The effective date of this Agreement shall be as provided in Article III, Section 6.

WITNESSETH:

WHEREAS, this Agreement is made pursuant to and in accordance with the provisions of Section 11-15.1-1 et seq., of the Illinois Municipal Code (65 ILCS 5/11-15.1-1); and

WHEREAS, Gregory and Denise Reynolds are the Owners of record of a certain parcel of real estate located at 1714 East Airport Road totaling approximately 1.80 acres, the legal description of which real estate is set forth in Exhibit "A" attached hereto and referenced herein as "the tract"; and

WHEREAS, the attached map, labeled Exhibit B, is a true and accurate representation of the tract to be annexed to the City of Urbana under the provisions of this agreement; and

WHEREAS, the tract is located within the Champaign County AG-2, Agricultural Zoning District; and

WHEREAS, the Corporate Authorities and the Owners find it necessary and desirable that the tract be annexed to the City with a zoning classification of R-2, Single-Family Residential, under the terms and provisions of the Urbana Zoning Ordinance in effect upon the date of annexation, as amended, and subject to the terms and conditions set forth in this Agreement; and

WHEREAS, the Corporate Authorities find annexation of the tract as described herein reflects the goals, objectives and policies set forth in the City's 2005 Urbana Comprehensive Plan, as amended from time to time; and

WHEREAS, the Owners desire to have the aforementioned real estate annexed to the City of Urbana upon certain terms and conditions hereinafter set forth in this Agreement.

NOW, THEREFORE, FOR AND IN CONSIDERATION OF THE MUTUAL COVENANTS AND AGREEMENTS SET FORTH HEREIN, THE PARTIES AGREE AS FOLLOWS:

ARTICLE I. REPRESENTATIONS AND OBLIGATIONS OF THE OWNERS

The Owners agree to the following provisions:

Section 1. Ownership and Annexation:

- (a) The Owners represent that the Owners are the sole record Owners of the tract described in Exhibit A and that the Owners shall, within thirty (30) days of the approval of this agreement cause the tract to be annexed to the City of Urbana by filing a legally sufficient annexation petition with all required signatures thereon, all in accordance with Illinois Statutes. Until annexation of the subject tract occurs, the Owners shall require that any persons intending to reside thereon, whether as tenants or owners, shall, prior to residing thereon, irrevocably agree in writing to sign, join in, and consent to any petition for annexation of the subject tract. The Owners shall file such written agreement with the City Clerk within thirty (30) days of the signing of such. The Owners shall not file a petition for the disconnection of the tract from the City.
- (b) The Owners further agree that the substance of this Section of the Annexation Agreement shall be included in any sales contract for the sale of any portion of the subject tract. If the subject tract is to be platted for subdivision, the Owners agree that the substance of this provision regarding annexation shall be included in the subdivision covenants and such will constitute a covenant running with the land.
- (c) The Owners agree that if the Owners fail to include the substance of Section 1(a) of this Agreement in sales contracts or subdivision covenants, as provided herein, and if said annexation is delayed or contested by subsequent owner(s) as a result, the Owners shall be liable to the City for all real estate taxes and other taxes that would have been due to the City had annexation been able to proceed as outlined herein. The Owners agree for themselves, successor and assigns, and all other persons intended herein to be obligated to consent to annexation, to cooperate in signing or joining in any petition for annexation for the subject tract and that mandamus would be an appropriate remedy in the event of refusal so to do, and, if the City has to resort to Court proceedings to enforce this obligation, the City shall be entitled to recover reasonable attorney's fees. The parties agree that nothing in this section shall preclude the voluntary annexation of the subject tract or any portion thereof earlier than would otherwise be required.

Section 2. Zoning: The Owners acknowledge that upon annexation, the tract will be rezoned from County AG-2, Agricultural to City R-2, Single-Family Residential. The Owners agree that, unless changed upon the initiative of the Owners, the said City zoning classification for said tract shall remain in effect for the term of this Agreement, subject to the right of the Corporate Authorities to amend the Zoning Ordinance text even if such amendment affects the tract. Furthermore, the Owners agree to abide by all applicable development regulations existing at the time of annexation.

Section 3. Adjacent Territory Rezoning: The Owners agree to submit an application to rezone the portion of the Owners' property currently located within the corporate limits (see Exhibit C) from City IN, Industrial to City R-2, Single-Family Residential within 90 days of the approval of this agreement.

Section 4. Subdivision: The Owners agree to prepare and record a minor subdivision plat per the Urbana Subdivision and Land Development Code within 90 days of the approval of this Agreement. The minor subdivision plat shall combine the portion of the Owners' land in unincorporated Champaign County (west half) with the portion within the corporate limits (east half) to create a single lot (see Exhibit C). The Owners further agree to dedicate 40 feet of right-of-way along Airport Road as part of the minor subdivision plat and include a deferral for sidewalk construction on the minor subdivision plat.

Section 5. Accessory Structure Variance: The Owners agree to submit an application for a Major Variance to permit an increase in the maximum size of an accessory structure up to 3,500 square feet per the Urbana Zoning Ordinance within 90 days of the approval of this Agreement. The Major Variance application shall pertain to the portion of the accessory structure located within the corporate limits (see Exhibit C).

ARTICLE II. REPRESENTATIONS AND OBLIGATIONS OF THE CORPORATE AUTHORITIES

The Corporate Authorities agree to the following provisions:

Section 1. Agreement to Annex: The Corporate Authorities agree to annex said tract subject to the terms and conditions outlined in this Agreement, when properly and effectively requested to do so, by submission of a legally sufficient petition from the Owners, by enacting such ordinances as may be necessary and sufficient to legally and validly annex said tract to the City.

Section 2. Zoning: The Corporate Authorities agree that the tract will be zoned City R-2, Single-Family Residential upon annexation and as defined in the City of Urbana Zoning Ordinance as such exists at the time of annexation of the tract. The Corporate Authorities agree that all applicable development regulations existing at the time of annexation will apply to said tract. Furthermore, although the Corporate Authorities agree not to rezone the property during the term of this Agreement without a rezoning petition executed by the property Owners requesting said change, the Corporate Authorities reserve the right to amend the Zoning Ordinance text even if such amendment affects the property. The

Corporate Authorities further agree that the granting of the Zoning Map Amendment would be consistent with the LaSalle Criteria established by the Illinois Supreme Court in *LaSalle National Bank v. The County of Cook*:

- a. The existing land uses and zoning of the nearby property.
- b. The extent to which property values are diminished by the restrictions of the ordinance.
- c. The extent to which the ordinance promotes the health, safety, morals or general welfare of the public.
- d. The relative gain to the public as compared to the hardship imposed on the individual property owner.
- e. The suitability of the subject property for the zoned purposes.
- f. The length of time the property has been vacant as zoned, considered in the context of land development, in the area, in the vicinity of the subject property.

Section 3. Adjacent Territory Rezoning: The Corporate Authorities agree to consider approval of a Zoning Map Amendment for the portion of the Owners' property in the corporate limits from IN, Industrial to R-2, Single-Family Residential, as shown in Exhibit C, in order to provide for consistent zoning of the Owners' property.

Section 4. Subdivision: The Corporate Authorities agree to approve a minor subdivision plat per the Urbana Subdivision and Land Development Code to combine the portion of the Owners' land in unincorporated Champaign County (west half) with the portion within the corporate limits (east half) to create a single lot (see Exhibit C), including a deferral for sidewalk construction along the north side of Airport Road adjacent to the Owners' property. The City Engineer shall not require sidewalk construction until such time as a sidewalk exists on adjacent properties on either side of the tract.

Section 5. Accessory Structure Variance: The Corporate Authorities hereby grant a Variance to allow the portion of the 3,500 square foot accessory structure located outside the corporate limits, in excess of the 1,000 square feet permitted by the Zoning Ordinance, as illustrated in Exhibit B. This additional size will permit the Owners to maintain the accessory structure, which was constructed prior to any of the Owners' land incorporating into the City of Urbana. Until the Major Variance is approved, the accessory structure shall be considered legally non-conforming. The Corporate Authorities further agree that the granting of this variance is consistent with the established criteria identified in Section XI-3 of the Urbana Zoning Ordinance, in that the variance:

- a. will not serve as a special privilege because the variance requested is due to special conditions and circumstances relating to the land or structure involved or

to be used for occupancy thereof which is not generally applicable to other lands or structures in the same district;

- b. was not the result of a situation or condition having been knowingly or deliberately created by the Owner or Developer;
- c. will not alter the essential character of the neighborhood;
- d. will not cause a nuisance to adjacent property;
- e. represents, generally, the minimum deviation from requirements of the Zoning Ordinance necessary to accommodate the request.
- f. is the result of practical difficulties or particular hardship in the way of carrying out the strict letter of the Zoning Ordinance relating to the use, construction, or alteration of buildings or structures or the use of land.

Section 6. Adjacent Territory Accessory Structure Variance: The Corporate Authorities agree to consider approval of a Major Variance to allow the portion of the 3,500 square foot accessory structure located within the corporate limits, in excess of the 1,000 square feet permitted by the Zoning Ordinance, as illustrated in Exhibit C. This additional size will permit the Owners to maintain the accessory structure, which was constructed prior to any of the Owners' land incorporating into the City of Urbana.

ARTICLE III: GENERAL PROVISIONS

Section 1. Term of this Agreement: This Agreement shall be binding upon the parties hereto, and their respective successors and assigns, for a full term of twenty (20) years commencing as of the effective date of this Agreement as provided by the Illinois State Statutes, unless other provisions of this Agreement specifically apply a different term. To the extent permitted thereby, it is agreed that, in the event the annexation of subject tract under the terms and conditions of this Agreement is challenged in any court proceeding, the period of time during which such litigation is pending shall not be included in calculating said twenty-year term.

If this Agreement imposes any obligation, restraint, or burden (hereinafter called collectively "obligation") on the Owners, their successors or assigns, which obligation extends beyond the termination date of this Agreement, such obligation may be released by the Urbana City Council enacting an Ordinance releasing such obligation by a majority vote of all Alderpersons then holding office and the recording of such Ordinance in the Champaign County Recorder's Office, Champaign County, Illinois.

Section 2. Covenant running with the land: The terms of this Agreement constitute a covenant running with the land for the term of this Agreement unless specific terms are expressly made binding beyond the term of this Agreement. Furthermore, the terms herein are hereby expressly made binding upon all heirs, grantees, lessee, executors, assigns and successors in interest of the Owners as to all or any part of the tract, and are further

expressly made binding upon said City and the duly elected or appointed successors in office of its Corporate Authorities.

Section 3. Binding Agreement upon parties: The Corporate Authorities and Owners agree that neither party will take no action or omit to take action during the term of this Agreement which act or omission as applied to the tract would be a breach of this Agreement without first procuring a written amendment to this Agreement duly executed by both the Owners and the City.

Section 4. Enforcement: The Owners and Corporate Authorities agree and hereby stipulate that either party to this Agreement may, by civil action, mandamus, action for writ of injunction or other proceeding, enforce and compel performance of this Agreement or declare this Agreement null and void in addition to other remedies available. Upon breach by the Owners, the City may refuse the issuance of any permits or other approvals or authorizations relating to development of the tract.

Section 5. Severability: If any provision of this Agreement is rendered invalid for any reason, such invalidation shall not render invalid other provisions of this Agreement which can be given effect even without the invalid provision.

Section 6. Contingent Agreement. This Agreement shall be contingent upon the successful execution (a.) of the obligations set forth in Articles I and II, and (b.) of all necessary Agreements and approvals. If any of these contingencies are not fulfilled, then this Annexation Agreement shall be null and void. In all cases requiring the approval of the Corporate Authorities, such Corporate Authorities shall not unreasonably withhold such approval.

Section 7. Effective Date: The Corporate Authorities and Owners intend that this Agreement shall be recorded in the Office of the Champaign County Recorder with any expenses for said recording to be paid by the Corporate Authorities. The effective date of this Agreement shall be the date it is recorded; or if not recorded for any reason, the effective date shall be the date the Mayor signs the agreement on behalf of the City.

IN WITNESS WHEREOF, the Corporate Authorities and Owner have hereunto set their hands and seals, and have caused this instrument to be signed by their duly authorized officials and the corporate seal affixed hereto, all on the day and year written below.
