Dear Township Board,

I am presenting the tentative budget for the fiscal year 2015-2016. The tentative budget must be available for inspection for at least 30 days prior to a public hearing before the Budget and Appropriation Ordinance can be adopted by the Township Board (per *Illinois Compiled Statutes*, Local Government, Illinois Municipal Budget Law, 50 ILCS, 330/3). If the board designates this document as the tentative budget at the May 04, 2015 meeting, a public hearing will be scheduled for June 08, 2015 and the final budget should be adopted at that meeting or at the July 06, 2015 meeting. The Budget and Appropriation Ordinance must be adopted within the first three months of the fiscal year. A notice will be published in the newspaper scheduling the public hearing for June 08, 2015 @ 7:00 pm, and the document will be posted on the City of Urbana web site.

The budget includes a line item in each fund for potential repayment of property taxes to Carle Foundation Hospital and Presence Covenant Medical Center. The amounts budgeted are based on the information I verified with the Champaign County Treasurer, Dan Walsh. The Township has \$594,416 budgeted in case we have to re-pay Carle Foundation Hospital and \$4,188 budgeted in case we have to re-pay Presence Covenant Medical Center.

The Carle and Presence possible repayment expense is budgeted as an expense in Town Administration (1/4), Town Fund Assessor (1/4) and General Assistance (-). Each now having their own expense line item in the budget.

The IMRF employer rate for calendar year 2014 was 14.79%; the rate for 2015 is 15.93%. According to the IMRF website, the estimated rate for calendar year 2016 is 16.03%.

Any increase in health insurance premiums are not known at this time.

Sincerely,

Michelle L. Mayol  
Cunningham Township Supervisor

## **Descriptions of General Town Fund Divisions**

General Town Fund includes three separate divisions: Administration, Social Service Grants, and Assessor.

### Administration Division

The functions carried out in the Administration Division are the township's budget preparation and analysis for all funds, financial management and forecasting, property tax levy, maintenance of the township building and grounds, legal services and accounting services.

The elected Cunningham Township Supervisor oversees this division. Compensation and benefits for the following elected officials are included in the Administration budget: Cunningham Township Supervisor, Cunningham Town Clerk, and the Cunningham Town Board. The full-time employee in this division is the Director of Accounting (1). There are no part-time positions.

### Social Service Grants Division

The purpose of the Grants Division is to provide, help provide or help finance health services, rent assistance and other various human services, especially for low-income individuals. Since the elimination of Federal Revenue Sharing in FY 1986-1987, the Township has levied taxes in the town fund division to compensate for the elimination of that program.

The Township's Grants program is part of a joint program of the City of Urbana and Cunningham Township. The City Council/Township Board members award grants to specific agencies or programs and then divide the financial responsibility among the two units of local government. The Grants Division is administered by the Supervisor's office in partnership with the City of Urbana Community Development Grants Management Division. The Township Supervisor is responsible for this division.

### Assessor Division

The Cunningham Township Assessor determines fair market value of property and sets the assessment at one-third of fair market value.

The elected Cunningham Township Assessor oversees this division. Compensation and benefits for the elected Assessor are included in this division's budget. Full time employees in this division are the Chief Deputy Assessor (1) and Deputy Assessors (2). There are no part-time positions.

## Description of General Assistance Fund

The General Assistance Fund has only one division - General Assistance (GA).

General Assistance is an income maintenance program administered throughout Illinois by Township Supervisors. The Department of Human Services eliminated state-funded General Assistance effective July 01, 2011. Cunningham Township follows regulations written by the Township Supervisors of Illinois. A copy is available for review at the Cunningham Township Supervisor's office.

The purpose of General Assistance is to provide benefits to low-income persons who do not qualify for cash benefits from other ■categorical■ programs administered by the Department of Human Services and the Social Security Administration. Adults who do not have children under the age of 18 and adults who are not considered permanently disabled (by Social Security standards) tend not to be eligible for other types of public assistance, such as Temporary Assistance to Needy Families (TANF) and Supplemental Security Income (SSI) and therefore could be eligible for General Assistance. The eligibility rules and benefit levels vary from township to township. A township can adopt any set of General Assistance standards as long as those standards fall within Illinois statutory requirements.

Cunningham Township provides General Assistance to persons who reside within the Township boundaries (i.e., the City of Urbana city limits). The maximum monthly grant for one adult is currently \$245.00.

General Assistance recipients are required to participate in the Community Work Program unless deemed unable to work by a licensed physician. The goal of the Community Work Program is to encourage personal responsibility and foster independence with an end result of maintaining suitable employment. Recipients can fulfill this requirement by participating at a worksite for a fixed amount of hours every month. General Assistance recipients are eligible for Medicaid under the Affordable Care Act (ACA). The Affordable Care Act is currently 100% federally funded. **This program is guaranteed for the first three years. After 2016, if the funding falls below 90%, the program disappears. This means that the Township would then be responsible for paying General Assistance recipients medical services, like it did in the past.**

The full time employees in this division are the Caseworker/CWP Director (1) and the Support Specialist (1).
