

AN ORDINANCE VACATING AN ALLEY

WHEREAS, three-fourths of all the Aldermen of the City of Urbana, Illinois, authorized by law to be elected have determined that the public interest will be subserved by vacating the following described alley.

NOW, THEREFORE BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF URBANA, ILLINOIS:

The City Council of the City of Urbana, Illinois, hereby vacates the alley described and bounded as follows, to-wit:

Commencing at the northwest corner of lot 1 of block 4 of George G. Webber's Second Addition to the City of Urbana, Illinois, thence Southerly along the west boundary lines of lots numbers 1,4, and 5 of said block of said addition, to the southwest corner of said lot 5, thence westerly along the north right-of-way line of Illinois Street to the southeast corner of lot number 6 of said block, thence northerly along the east boundaries of lots numbers 6,3,and 2 of said block, to the northeast corner of said lot 2 of said block, thence easterly along the south right-of-way line of High Street to the point of beginning, at the northwest corner of said lot number 1, situated in the City of Urbana, County of Champaign, and State of Illinois.

And the title of the land included within said alley so vacated shall herewith vest in the then owners of the property abutting on said alley.

And, the City Council and corporate authorities of said City herewith determine that the relief to the public from further burden and responsibility and maintenance of said alley, and payments made by the owners, heretofore, for the payments of fees to record this ordinance, constitute a public interest to authorize this vacation of this alley, and constitutes adequate compensation for the same, and, however;

The City of Urbana, Illinois, hereby reserves the easements upon and under said alley for the maintenance and repair of all sewers and drains and all public service facilities which are located on or under the surface of any part of said alley, and such vacation and use of the vacated alley shall create an obligation on the part of the abutting owners to

re-imburse the City of Urbana for any damages caused to the said sewers and drains, resulting from their conduct or use of said alley, and, however;

Vesting of title in the alley sovacated in the abutting property owners, shall be subject to an easement to all public utilities, their successors, and assigns to operate, maintain, and renew and reconstruct, their facilities affected by this vacation as now operated and maintained in, over, or under the alley vacated, unless the said abutting property owners should compensate the said public utilities for such reasonable expense as shall be incurred by said public utilities in connection with the re-arrangement, removal, or relocation of said utilities, the corporate authorities having determined that it is both necessary and desirable for the public interest that the public service of all said public utilities be continued by means of said facilities.

ADOPTED by an affirmative vote of three-fourths of the elected Aldermen of the City Council of the City of Urbana, Illinois, this 18th day of April, A.D. 1960.
