NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF URBANA, ILLINOIS:

The City Council of the City of Urbana, Illinois, hereby vacates a portion of South Lincoln Avenue, described as follows, to-wit:

Situated in the State of Illinois, the County of Champaign, and being a part of the NE $\frac{1}{4}$ NE $\frac{1}{4}$ of Section 19 and the NW $\frac{1}{4}$ NW $\frac{1}{4}$ of Section 20, all in Township 19 North, Range 9 East of the Third Principal Meridian and being further known as a strip of land 66.0 feet in width, the center line of which is described as follows:

and the title of the land included in said portion of a street, so vacated, shall vest in the owners of the property abutting on said street.

The City Council of said City herewith determines that the relief to the public from further responsibility and maintenance in regard to said portion of a street constitutes a public interest in regard to this ordinance.

The City of Urbana, Illinois, hereby reserves the power to maintain sewers and drains, and all public service facilities which are located on or under the surface of any part of said street, and such vacation and use of the vacated street shall create an obligation on the part of the abutting owners to reimburse the City of Urbana for any damages caused to the said sewers or drains, resulting from their conduct or use of said street.

Vesting of title in said portion of a street so vacated in the abutting property owners, shall be subject to an easement to all public utilities, their successors and assigns, to operate, maintain and renew and reconstruct their facilities affected by this vacation as now operated and maintained in, over or under the street vacated, unless the said abutting property owners should compensate the said public utilities for

such reasonable expenses as shall be incurred by said public utilities in connection with the rearrangement, removal or relocation of said utilities, these corporate authorities having determined that it is both necessary and desirable for the public interests, that the public service of all said public utilities be continued, by means of said facilities.
