The conveyance shall also be subject to any existing leases, which shall be assigned to Buyer.
2. Seller agrees to furnish to Buyer, within ten days from the date hereof, without expense to Buyer, such abstract, certificates, or other evidence of title as Seller may have affecting the premises herein described.
3. Payment of purchase price shall be made within ten days after title has been examined and found merchantable, provided a good and sufficient Warranty Deed conveying to Buyer good title to said premises (subject to aforesaid) shall then be ready for delivery. Possession shall be delivered to Buyer sixty days after date of delivery of deed, unless otherwise mutually agreed upon.
4. In the event possession shall not be delivered to Buyer within the above 60-day period, Seller, if occupying the property, shall become a tenant from month to month at a rental of \$ none per month, payable in advance, beginning on the first day of the second month from the date of closing, exclusive of the current month. During the period of such tenance, Buyer shall not be responsible for repairs or the furnishing of utilities. Seller may vacate said premises by giving at least three days' notice and rent will be prorated to date of delivery of possession.
5. Any loss or damage to the property, including but not limited to fire or casualty, shall be at the risk of Seller, until title has been conveyed to Buyer, and in the event of any loss or damage, the purchase price herein provided for shall be reduced to none ----- Dollars (\$ none ), being the appraised value of the land without any improvements thereon, and the sale shall be consummated on the same basis as if the purchase price set forth in Paragraph 1 above were the amount set forth in this paragraph.

7. In the event that the property or any portion thereof is now vacant, or is later vacated by Seller or by a tenant, Seller agrees to notify Buyer immediately in writing of such vacation and to permit Buyer to enter upon the property for the purpose of removing all salvable items and materials which are to be included as part of the property to be conveyed to Buyer. Seller further agrees to hold Buyer harmless from claims or damages which may arise in the event someone other than Seller has a superior claim of ownership to such property. All income realized from the sale of such salvage shall belong to Buyer.
8. Buyer, in lieu of completing purchase of said property, may, at any time prior to the date of delivery of the deed, proceed to acquire the property through eminent domain proceedings, in the event Buyer considers it necessary or advantageous to its interests. Seller agrees, as an independent stipulation which shall survive the expiration or cancellation of this Contract, that the price stated herein, which he declares to be the fair cash market value of the real estate inclusive of every interest therein, shall be full and just compensation payable by Buyer for the taking of the property, and that any and all awards of just compensation to any and all other parties shall be payable and deductible from said sum.
9. In accepting this Contract, Buyer shall endorse its acceptance thereon and shall mail notice thereof to Seller at the address specified below. Seller agrees that this Contract shall not be revocable and that he will not sell, mortgage, encumber, or otherwise dispose of such property or any part thereof, including improvements, prior to the date of delivery of the deed, except to Buyer.
