THIS AGREEMENT, entered into this _____ day of _____, 1980, between the City of Urbana, Illinois, (hereinafter referred to as the "City") and Local #1147 of the International Association of Fire Fighters, AFL-CIO, Urbana, Illinois (hereinafter referred to as the "Union").

W I T N E S S E T H:

WHEREAS, the City has voluntarily endorsed the practices and procedures of collective bargaining as a fair and orderly way of conducting its relations with its full-time employees insofar as such practices and procedures are appropriate to the functions and obligations of the City to retain the right to operate the City effectively in a responsible and efficient manner.

WHEREAS, it is the intent and purpose of the parties to set forth herein their entire agreement covering rates of pay, wages, hours of employment and other conditions of employment; to increase the efficiency and productivity of employees in the Fire Department and to provide for the prompt and fair settlement of grievances without any interruption of or other interference with the operation of the Fire Department.

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein contained, the parties do mutually covenant and agree as follows:

ARTICLE I RECOGNITION AND REPRESENTATION

Section 1.1 Recognition and Appropriate Bargaining Unit.

The City recognizes the Union as the sole and exclusive bargaining agent for the appropriate bargaining unit consisting of all full-time uniformed Fire Department personnel, including Fire Fighters and Lieutenants, but excluding the Fire Chief, Assistant Fire Chiefs, Captains, and clerical employees, for the

purpose of negotiating in accordance with the provisions of this Agreement, a written Agreement covering wages, hours of labor, and conditions of employment.

Section 1.2 Non-Discrimination.

a) There shall be no discrimination, restraint, or coercion by the City or the Union for or against any employee because of membership or nonmembership in the Union.

b) In accordance with applicable federal, state, and city laws, neither the City nor the Union shall unlawfully discriminate against any employee covered by this Agreement.

ARTICLE II DEDUCTION OF UNION DUES

Section 2.1 Checkoff.

Upon receipt of a signed authorization from an employee in the form set forth in Appendix "A", the City agrees to deduct from such employee's pay uniform Union dues. The Union will notify the City in writing of the amount of the uniform dues to be deducted annually. Deduction shall be made on each payday and shall be remitted, together with an itemized statement, to the Treasurer of the Union or his/her designee by the 15th day of the month following the month in which any such deductions are made.

Section 2.2 Indemnification.

The Union shall indemnify the City and hold it harmless against any and all claims, demands, suits or other forms of liability that may arise out of, or by reason of, any action taken by the City for the purpose of complying with the provisions of this Article.

ARTICLE III MANAGEMENT RIGHTS

Section 3.1 Management Rights.

It is recognized that the City has and will continue to retain the rights and responsibilities to direct the affairs of the Fire Department in all of its various aspects. Among the rights retained by the City are the City's right to direct the working forces; to plan, direct and control all the operations and services of the Fire Department; to schedule and

assign work; to establish normal work hours; to assign overtime; to determine the methods, means, organization and number of personnel by which such operations and services are to be conducted; to determine whether goods or services shall be made or purchased; to make and enforce reasonable rules and regulations; to change or eliminate existing methods, equipment or facilities; provided, however, that the exercise of any of the above rights shall not conflict with any of the express written provisions of this Agreement.

Section 3.2 Right to Grieve.

Any dispute with respect to management rights shall not be in any way subject to arbitration, but any grievance with respect to the City's rules and regulations may be subject to grievance procedures as provided in Section 16.2; provided, however, that nothing contained herein shall supplant the lawful authority of the Urbana Civil Service Commission. Nothing in this Article shall be deemed to deny the right of any employee to submit a grievance claiming or charging violation of any subsequent provision hereof.

ARTICLE IV NO STRIKE AND NO LOCKOUT

Section 4.1 No Strike.

During the terms of this Agreement, neither the Union, its officers or agents or any employee will instigate, promote, sponsor, engage in, or condone any strikes, sympathy strike, slowdown, concerted stoppage of work or any other intentional interruption of the operations of the City, regardless of the reason for doing so. Any or all employees who violate any of the provisions of this Article may be discharged or otherwise disciplined by the City.

Section 4.2 No Lockout.

The City will not lock out any employees during the terms of this Agreement as a result of a labor dispute with the Union.

ARTICLE V
GRIEVANCE PROCEDURE

Section 5.1 Definition.

A grievance is a dispute or difference of opinion raised by an employee covered by this Agreement against the City involving as to him/her the meaning, interpretation or application of the express provisions of this Agreement.

Section 5.2 Procedure.

Step 1: Any employee covered by this Agreement who has a grievance shall submit it to the supervisor who is designated for this purpose by the City; provided that said grievance shall be in writing on the standard grievance form and signed by both the aggrieved employee and the appropriate Union Representative. The supervisor shall give his/her written answer within five (5) business days after such presentation.

Step 2: If the grievance is not settled in Step 1 and the employee wishes to appeal the grievance to Step 2 of the Grievance Procedure, it shall be referred in writing on the same standard grievance form submitted at Step 1 to the Fire Chief within five (5) business days after the designated supervisor's answer in Step 1 and shall be signed by both the Employee and Union Representative. The Fire Chief, or his/her representative, shall discuss the grievance within five (5) business days with the Union Representative at a time mutually agreeable to both parties. The Fire Chief, or his/her representative, shall respond in writing to the Union within five (5) business days following their meeting.

Step 3: If the grievance is not settled in Step 2 and the Union desires to appeal, it shall be referred by the Union in writing to the Administrative Officer or his/her designated representative in writing on the same standard grievance form submitted in

Step 1 within five (5) business days after the City's answer in Step 2. A meeting between the Administrative Officer, or his/her representative and the Chief Union Representative shall be held at a time mutually agreeable to the parties.

The Administrative Officer or his/her representative shall give the City's written answer to the Union within ten (10) business days following the meeting.

Section 5.3 Arbitration.

If the grievance is not settled in accordance with the foregoing procedure, the Union may refer the grievance to arbitration within seven (7) business days after receipt of the City's answer in Step 3. The parties by mutual agreement in writing may submit more than one (1) grievance to the same arbitrator. The parties shall attempt to agree upon an arbitrator within five (5) business days after receipt of notice of referral and in the event the parties are unable to agree upon an arbitrator within said five (5) day period, the parties shall immediately jointly request the American Arbitration Association to submit a panel of five (5) arbitrators. Both the City and the Union shall have the right to strike two (2) names from the panel. The party requesting arbitration shall strike the first two (2) names. The other party shall then strike two (2) names. The remaining person shall be the arbitrator. The arbitrator shall be notified of his/her selection by a joint letter from the City and the Union requesting that he/she set a date and time for the hearing, subject to the availability of the City and Union representatives. All arbitration hearings shall be held in Urbana, Illinois.

Section 5.4 Authority of Arbitrator.

The arbitrator shall have no right to amend, modify, nullify, ignore, add to or subtract from the provisions of this Agreement. He/she shall only consider and make a finding with respect to the specific issue submitted to him/her in writing by the City and the Union, and shall have no authority to make a finding on any other issue not so submitted to him/her.

The arbitrator shall be without power to make a finding contrary to or inconsistent with or modifying or varying in any way the application of laws and rules and regulations having the force and effect of law. The arbitrator shall submit in writing his/her finding within thirty (30) days following close of the hearing or the submission of briefs by the parties, whichever is later, unless the parties agree to an extension thereof. The finding shall be based solely upon his/her interpretation of the meaning or application of the express terms of this Agreement to the facts of the grievance presented. The decision of the arbitrator shall be binding.

Section 5.5 Expenses of Arbitration.

For all grievances arising after the date of signing this Agreement, expenses for the arbitrator's services, if any, shall be borne by the City if the arbitrator fully sustains the Union's grievance; by the Union if the arbitrator fully denies the Union's grievance; and divided equally if the Arbitrator sustains in part and denies in part.

Each party shall be responsible for compensating its own representatives and witnesses.

Section 5.6 Time Limit for Filing.

No grievance shall be entertained or processed unless it is submitted within five (5) business days after the occurrence of the event giving rise to the grievance or within five (5) business days after the employee through the use of reasonable diligence should have obtained knowledge of the occurrence of the event giving rise to the grievance.

If a grievance is not presented within the time limits set forth above, it shall be considered "waived." If a grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the City's last answer. If the City does not answer a grievance or an appeal thereof within the specified time limits, the Union may elect to treat the grievance as denied at that Step and immediately appeal the grievance to the

next Step. The time limit in each Step may be extended by mutual written agreement of the City and Union representatives involved in each Step. The term "business days" as used in this Article shall mean the days Mondays through Fridays inclusively and excludes Saturdays, Sundays, and holidays on which the City Building is closed.

Section 5.7 Jurisdiction of Civil Service Commission.

Disciplinary suspensions of more than five (5) days and terminations shall be subject to the exclusive jurisdiction of the Civil Service Commission and shall not be subject to the grievance and arbitration provisions of this Agreement. Other disciplinary actions may be grieved in accordance with the grievance and arbitration provisions of this Agreement. Grievances involving disciplinary suspensions of five (5) days or less may be filed in Step 2.

ARTICLE VI
HOURS OF WORK

Section 6.1 Application.

This article is intended to define the normal hours of work per day or per week and provides the basis for the calculation of, and payment of overtime pay.

Section 6.2 Workday and Workweek.

For personnel in the Fire Department assigned to a schedule of twenty-four (24) hours on duty immediately followed by forty-eight (48) hours off duty, the normal workday shall consist of twenty-four (24) consecutive hours; the normal workweek shall consist of fifty-six (56) hours when averaged over a three (3) week period. For personnel in the Fire Department assigned to a schedule of five (5) consecutive workdays, the normal workday shall consist of eight (8) consecutive hours of work which may be interrupted by a lunch period; the normal workweek shall consist of forty (40) hours per week.

Section 6.3 Paid Overtime.

Whenever an off-duty employee is ordered to work on a holiday he/she was not scheduled to work or to remain on duty after his/her normal tour of duty for any departmental function, he/she shall be paid overtime at a rate of one and one-half (1 ½) times the employee's regular hourly rate of pay with a minimum of thirty (30) minutes. Any time in excess of thirty (30) minutes shall be computed and paid in multiples of thirty (30) minutes.

Section 6.4 Call Back.

For each instance of a call-back to duty (including holidays) a minimum of two (2) hours of overtime pay shall be paid to each said employee called back. Any time in excess of two (2) hours shall be paid and computed in multiples of one hour. Provided that any employee so called back for an emergency arrives at the appropriate Urbana fire station within one-half (½) hour of the time so called, any employee so called shall be paid from the time that he/she is called.

Section 6.5 Compensatory Option.

Employees covered by this Agreement shall have the option of receiving overtime pay or compensatory time off. Compensatory time shall be accrued at the same rate as overtime pay and shall accumulate to a maximum of ninety-six (96) hours. Provided, it is expressly understood that the right to schedule compensatory time off is reserved by the Chief of the Fire Department or his/her designee in order to provide for the effective operation of the Department.

Section 6.6 Exchanging Tours of Duty.

The Fire Chief or his/her designee may grant the request of any two (2) members of the Fire Department to exchange tours of duty or days off.

ARTICLE VII
SENIORITY

Section 7.1 Definition.

The seniority of employees covered by this Agreement shall be based on their length of continuous service since their last date of hire with the Urbana Fire Department.

Section 7.2 Probationary Period.

Each employee shall be considered a probationary employee for the first twelve (12) months of continuous service, after which his/her seniority shall date back to his/her date of hire with the Fire Department. There shall be no seniority among probationary employees, and they may be laid off, discharged, or otherwise terminated without recourse at the sole discretion of the City.

Section 7.3 Layoffs and Recalls.

In the event the City determines that a reduction in force is necessary, employees with the least seniority in the affected classification shall be laid off first. Employees laid off from the affected classification may replace the least senior employee in the next lower rated classification covered by this Agreement. Employees removed from any classification in accordance with these provisions may exercise their seniority in the next lower classification based on their length of continuous service since their last date of hire with the Fire Department. Employees in the classification in which employees of the initially affected classification have exercised their right to a position will be laid off based on their length of continuous service since their last date of hire with the Fire Department. Employees shall be recalled in the inverse order of layoffs, provided they are able to perform the work available. No new employees shall be hired

until the employees who have been laid off have been given an opportunity to return to work or as otherwise provided by law.

Section 7.4 Determination of Seniority for Same Day Hires.

In determining an employee's seniority, the applicable State law shall govern; provided, however, that if more than one (1) person is hired on the same day persons shall receive seniority preference based upon their order of hire which shall be designated by the City at the time of hire.

Section 7.5 Termination of Seniority.

Seniority and the employment relationship shall be terminated when an employee:

- a) quits or
- b) is discharged; or
- c) retires or is retired
- d) is absent for three (3) consecutive days without notifying the City. Services broken under this section may be reestablished if the employee can show that extraordinary circumstances prevented his/her timely return; or
- e) is laid off and fails to report to work within three (3) days after having been recalled; however, in the event the employee appears before the expiration of the three (3) days, the City may grant an extension of time to report if the employee has a justifiable reason for delay; or
- f) does not report for work at his/her scheduled time for his/her second scheduled duty day after the termination of an authorized leave of absence. Service broken under this section may be reestablished if the employee can show that extraordinary circumstances prevent his/her timely return.

Section 7.6 Seniority List.

The Fire Chief shall establish a seniority list of employees covered by this Agreement and it shall be brought up to date on

July 1 of each year and posted immediately thereafter at all fire stations for a period of not less than thirty (30) days. A copy of the seniority list as posted shall be given to the Secretary of the Union. Any employee alleging an error in respect to the seniority list, as posted, shall notify the City in writing within ten (10) days of the posting of the list.

ARTICLE VIII
WAGES AND BENEFITS

Section 8.1 Salaries. Salaries shall be paid according to Appendix "B" attached hereto and made a part of this Agreement.

Section 8.2 Longevity Pay. Longevity pay shall be paid according to Appendix "C" attached hereto and made a part of this Agreement.

Section 8.3 Equal Compensation. Any employee assigned to a schedule of five (5) consecutive workdays shall receive compensation equal in wages and other monetary payments to that of any other employee assigned to a schedule of twenty-four (24) hours on duty immediately followed by forty-eight (48) hours off duty in accordance with the appropriate classification and seniority of that employee.

Section 8.4 Temporary Upgrading.

To assure the orderly performance and continuity of municipal services, the City may temporarily upgrade employees on an acting basis to positions of a higher rank. No employee shall be temporarily upgraded more than one (1) rank.

Fire Fighters shall have the option to refuse temporary upgrading without prejudice. Lieutenants who are given upgrade assignments to Captain shall not have the right to refuse the assignment.

Temporary upgrade pay shall be paid when an employee is assigned to work at a higher rank, commencing with the time his assignment to the higher rank is to begin and continuing until such assignment is terminated. When a Fire Fighter is upgraded to Lieutenant, he/she shall be paid the difference between his/her hourly rate, (including longevity pay), and the hourly rate for Lieutenant, including the same longevity pay. When a Lieutenant is upgraded to Acting Captain, he/she will be paid one-half the difference between the Lieutenant's rate of pay, including longevity and the base hourly rate for the Captain, excluding any longevity pay.

Should the upgrading take place on a holiday covered by the Agreement, the upgraded Lieutenant will receive holiday pay computed at his/her normal rate.

ARTICLE IX
HOLIDAYS

Section 9.1 Pay for Holidays. In Fiscal Year 1980-1981 employees shall be paid for the following seven holidays:

In Fiscal Year 1980-1982 employees shall be paid for the holidays listed in Fiscal Year 1980-1981 plus Spring Day (Good Friday) and President's Day.

Section 9.2 Holiday Pay. Whether or not an employee assigned to a schedule of twenty-four (24) hours on duty immediately followed by forty-eight (48) hours off-duty is scheduled to work on the above named holidays, said employee shall receive an additional 11.2 hours of straight time pay per holiday (including longevity) based on the employee's regular hourly rate.

ARTICLE X
VACATION

Section 10.1 Paid Vacations.

(a) Employees who have been employed by the City for a period of at least one (1) year shall receive vacations during each year, calculated as follows:

Category of Continuous Service	Amount of Vacation

E. After the completion of nineteen (19) years of continuous service to termination of continuous service	13 Duty Days	26 Duty Days

(b) Employees who have been employed by the City for a period of less than one (1) year shall accrue one-half (1/2) duty day for each month of employment to a maximum of five (5) duty days. The accrual shall start with the first day of full-time employment and that shall be the starting anniversary date of full-time employment.

Section 10.2 Vacation Scheduling.

Vacations shall be scheduled from the individual's anniversary date of employment of each vacation year, and insofar as practicable, be granted at times selected by each employee in accordance with their seniority. The City shall authorize the absence of at least two (2) employees per shift concurrently for the purpose of vacation (or compensatory time) provided no chief officer of the same shift is on vacation or otherwise unavailable at the same time.

Section 10.3 Vacation Accumulation.

Vacation shall not accumulate unless:

- (a) It has been determined by the City that it would interfere with City operations to permit an employee to take his/her vacation within the normal twelve (12) month period; or
- (b) A written request has been submitted to the Fire Chief citing circumstances and a desire by the employee to accumulate vacation time for a special purpose. Such reasonable requests shall be granted, if possible. The final determination, however, is exclusively reserved to the City. In no instance shall an employee accumulate in excess of two hundred and eighty-eight (288) hours of vacation.
- (c) Accumulated vacation shall be paid at the rate of pay in effect when the employee takes such vacation, unless such vacation is accumulated or deferred pursuant to subsection (b), in which event said

vacation shall be paid at the rate of pay in effect when the employee became eligible for the vacation being accumulated or deferred.

Section 10.4 Minimum Vacation Period. For employees assigned to a schedule of twenty-four (24) hours on duty immediately followed by forty-eight (48) hours off-duty, a twenty-four (24) hour period shall be the minimum allowable period of vacation.

Section 10.5 Vacation Rights in Case of Separation. Any employee who is separated from employment with the City for any reason other than for just cause shall be paid for any unused vacation at the time of separation.

ARTICLE XI LEAVES OF ABSENCE

Section 11.1 General Leave. Employees covered by this Agreement may request a leave of absence without pay in accordance with the applicable rules of the Civil Service Commission. Leave of absence shall not be granted to employees to accept remunerative employment elsewhere.

Section 11.2 Sick Leave. (a) Persons covered by this Agreement whose normal workday consists of twenty-four (24) consecutive hours and whose normal workweek consists of fifty-six (56) hours when averaged over a three (3) week period on a schedule of twenty four (24) hours on duty immediately followed by forty-eight (48) hours off duty shall be credited with ninety-six (96) hours of sick leave on the starting anniversary date. After completion of one (1) calendar year of full-time employment, an employee shall accumulate 11.2 hours of sick leave per month.

(b) Employees covered by this Agreement whose normal workday shall consist of eight (8) consecutive hours of work, which may be interrupted by a lunch period, and whose normal workweek shall consist of forty (40) hours per week, shall be credited with 68.6 hours of sick leave on their starting anniversary date. After completion of one (1) calendar year of full-time employment, an employee shall accumulate eight (8) hours of sick leave per month.

Sick leave may be accumulated with no maximum. Sick leave

shall not be charged for any absence due to job related injuries.

For employees cited in (a) above, in order to be eligible to receive sick leave benefits as above specified, an employee returning to work must present to the Department Head or his/her designee a certificate from a reputable physician, stating that he/she personally treated said employee for the sickness which kept him/her from work. The provisions of this paragraph shall not apply to an employee who is absent from work two (2) scheduled work days or less. In all such cases the Department Head or other person designated by the Department Head may investigate said absence on the first day thereof and submit a report as to whether the employee is sick and thus unable to perform the duties of his/her employment. If the report is approved by either the Fire Chief or his/her designee, then the employee shall be entitled to sick leave in accordance with the paragraph immediately above on the hours or days when he/she would have otherwise been scheduled to work but for his/her sickness or injury. No employee who has been absent on account of sickness or injury for more than two (2) scheduled workdays shall return to work without first submitting to the designated officer a certificate signed by a reputable physician stating that the employee is able to perform the duties of his/her employment.

For employees cited in (b) above, in order to be eligible to receive sick leave benefits as above specified, an employee returning to work shall, upon request, present to the Department Head or his/her designee, a certificate from a reputable physician stating that he/she personally treated said employee for the sickness which kept him/her from work. The provisions of this paragraph shall not apply to an employee who is absent from work four (4) scheduled workdays or less. In all such cases where the employee is absent for (4) scheduled workdays or less, the Department Head or other person designated by

the Department may investigate said absence on the first day thereof and submit a report as to whether the employee is sick and thus unable to perform the duties of his/her employment. If the report is approved by either the Department Head or his/her designee, then the employee shall be entitled to sick leave pay in accordance with paragraph (a) above on the day or days when he/she would have otherwise been scheduled to work but for his/her sickness. Sick leave shall be charged only for the hours the employee otherwise would have been scheduled to work but for his/her sickness or injury.

In addition to the above, the City may require an employee to undertake a physical examination by a reputable physician at the City's expense to determine whether he/she is fit to return to or continue work. If the reputable physician determines that the employee cannot perform the work required, the employee may not continue or resume work but must, if eligible, take sick leave or injury leave. If the reputable physician certifies the employee is able to perform the duties of his/her employment, said certification shall constitute termination of any leave of absence for sickness or injury.

Any employee assigned to a schedule of five (5) consecutive workdays from a schedule of twenty-four (24) hours on duty immediately followed by forty-eight (48) hours off duty will be credited with .714 times his/her accumulated sick leave as of that date. Any employee assigned to a schedule of twenty-four (24) hours on duty immediately followed by forty-eight (48) hours off duty from a schedule of five (5) consecutive workdays shall be credited with 1.4 times his/her accumulated sick leave as of that date.

Any employee covered by this Agreement, who has completed twenty (20) years of service with the Urbana Fire Department, or who has been retired as a result of a disability, shall upon retirement or resignation from the department receive payment for accumulated sick leave in an amount equal to ten percent (10%) of the accrual, such payment to be made on the basis

of the employee's hourly rate of pay at the time of such honorable separation. Sick leave may be exercised by an employee in the event of an illness or accident in his/her immediate household (spouse and/or children) that requires his/her presence.

Section 11.3 Funeral Leave.

When a death occurs in an employee's immediate family (i.e., employee's or spouse's mother, father, brother, sister, child, grandparents, or spouse of employee), an employee covered by this Agreement, upon request, will be excused for up to three (3) consecutive days for the purpose of attending the funeral. Provided, however, that should the death of a member of the employee's immediate family occur while an employee is on active duty status, said employee will be excused from duty, and no charge against funeral leave time will be made for that duty day. An eligible employee shall be paid his/her normal daily rate of pay for any day or days on which he/she is excused and but for such excuse would have been scheduled for work. An otherwise eligible employee will not receive funeral pay when it duplicates pay received for time not worked for any other reason.

Section 11.4 Bereavement Leave.

Additional bereavement time beyond the three (3) consecutive days granted for funeral leave may be charged to sick leave at employee's discretion. All policies included in Article XI, Section 3 of this Agreement regarding use of sick leave will apply to sick leave used for bereavement.

Section 11.5 Union Leave.

Leaves of absence without pay shall be granted, to the extent there is no interference with City operation, to employees who are selected, delegated, or appointed to attend conventions or educational conferences of the Union, for a maximum of one hundred twenty (120) hours for the department per fiscal year. Any request for such leave shall be submitted in writing by the Union to the employee's immediate supervisor and shall be answered in writing, no later than ten (10) days following the request.

ARTICLE XII
INSURANCE

Section 12.1 Group Insurance. The City shall pay the full cost of the premium for the standard health insurance plan currently in effect for each employee covered by this agreement. The "standard health insurance plan" shall be defined as that insurance plan provided to employees as of June 30, 1980 or its successors and does not refer to any prepaid health care plan that the City may offer its employees as an alternative to the standard plan. If an employee chooses an alternative health care plan provided by the City, the City shall contribute the amount of the cost of the standard health insurance plan toward such alternative plan, and the employee shall pay the difference.

Section 12.2 Denture Insurance. The City shall provide for insurance coverage for the loss or damage of dentures incurred by employees covered by this Agreement while engaged in:

- (a) the control or suppression of a fire; or
- (b) emergency rescue operations; or
- (c) active training exercises simulating the activities described above in subparagraphs (a) or (b).

Section 12.3 Right to Select Carriers.

(a) The benefits provided for herein shall be provided through a self-insured plan or under group insurance policy or policies issued by an insurance company or insurance companies selected by the City. "Insurance companies" include regular line insurance companies and non-profit organizations providing hospital, surgical or medical benefits. If these benefits are insured by an insurance company, all benefits are subject to the provisions of the policies between the City and the insurance companies.

(b) The City shall notify and consult with the Union before changing insurance carriers or self-insuring. Notwithstanding any such changes, the level of benefits shall remain substantially the same.

ARTICLE XIII
CLOTHING ALLOWANCE

Section 13.1 Initial Issues and Replacement.

The City shall require and provide the following initial issue of clothing at no expense to the employee. Serviceable uniform and uniform equipment shall not be used for any purpose while in an off-duty status, without the express permission of the Chief of the Fire Department. The following shall be authorized articles of clothing and uniform equipment:

- (a) Uniform trousers - 3 each
- (b) Uniform shirts - 4 each - long and short sleeve
- (c) Uniform necktie - 2 each

- (k) Black gloves - 1 pair
- (l) Socks - 4 pair
- (m) T-shirts - 4 each
- (n) Insulated vest - 1 each
- (o) Badges and insignias - all required

In the event an employee fails to complete his/her probationary period, all articles of uniforms and uniform equipment provided for in Section 13.1 shall be returned to the City.

After an employee has satisfactorily completed his/her probationary period, a uniform allowance account will be established on or before July 1 by the Chief of the Fire Department in the amount of one hundred twenty-five dollars (\$125) per employee for FY 1980-81 and sixty-five dollars (\$65) per employee for FY 1981-82.

Items legitimately damaged or lost during duty activities will not be charged against this account, but will be replaced

in kind by the City. The normal maintenance of the uniform and uniform equipment in a satisfactory manner shall be the responsibility of the employee. If, from time to time, uniform requirements should be changed by the City, all required additional items will be issued by the City at no expense to the employee, and shall be subject to all aforementioned terms and conditions.
