NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF URBANA, CHAMPAIGN COUNTY, ILLINOIS, AS FOLLOWS:

Section 1. The Memorandum of Intent by and between the Municipality and the Lessee, for the Borrower, is hereby found to be in the best interests of the Municipality and is in all respects approved, ratified and confirmed.

Section 2. The acquisition and construction of the Project by the Borrower, the lending of the proceeds of the Bonds to the Borrower, and the leasing by the Borrower of the Project to the Lessee as hereinafter provided is hereby authorized and determined to be in the public interest and for a public purpose, namely, to relieve conditions of unemployment and to encourage the increase and retention of industry and commerce near the Municipality, thereby reducing the evils attendant upon unemployment and to provide for the increased welfare and prosperity of the residents of the Municipality.

Section 3. For the purpose of paying the costs incurred by the Borrower in connection with the acquisition and construction of the Project, including necessary expenses

incidental thereto, there is hereby authorized to be issued the revenue bonds of the Municipality in the aggregate principal amount of \$300,000 which bonds shall be designated "Industrial Project Revenue Bonds, Series A (Twin City Tent and Awning Company Project)" (the "Bonds"), in the denomination of \$5,000 or integral multiples thereof, and shall be payable as to principal and interest in lawful money of the United States of America at the principal office of the Trustee under the provisions of the Indenture. A single Bond in the amount of \$300,000 is hereby authorized to be issued, which single Bond may be exchanged for Bonds in the denomination of \$5,000 (or integral multiples thereof), as set forth in the Indenture.

The Bonds shall be issued as fully registered bonds in the denomination of \$5,000 or integral multiples thereof, or a single \$300,000 Bond as aforesaid, shall be executed on behalf of the Municipality by the Mayor and attested by the City Clerk by their respective manual signatures; shall have the official seal of the Municipality impressed thereon; and shall be authenticated by the Trustee.

The Bonds shall be dated on or after September 1, 1981 and not later than the date of purchase by and delivery to the original purchaser thereof; and shall bear interest on the unpaid principal amount at a rate calculated and determined as follows:

$$\text{Interest Rate} = \text{Base Interest Rate} \times \left[1 + \frac{46\% - \text{Marginal Tax Rate}}{46\%} \right]$$

where "Base Interest Rate" shall mean and is hereby defined as ten and three-fourths percent (10-3/4%) and "Marginal Tax Rate" shall mean and is hereby defined as the maximum marginal rate of Federal income taxation applicable to corporate income under Section 11 of the Internal Revenue Code (the "Marginal Tax Rate") or any successor provision. [As of this date the maximum rate of Federal income taxation applicable to corporate income is forty-six percent (46%)]. In any event, the Marginal Tax Rate for purposes of this definition shall not exceed 60% nor be less than 30% (except with respect to the Overdue Rate as defined in the Loan Agreement) with semiannual payments of interest and annual payments of principal payable as provided or referred to in the Indenture and the Loan Agreement.

Section 4. The Bonds shall be limited obligations of the Municipality payable solely out of the revenues and receipts to be derived from the Loan Agreement, the Mortgage, the Note, the Lease Agreement, and any guaranty in connection therewith. No holder of any Bond shall ever have the right to compel any exercise of the taxing power of the Municipality to pay any Bond or the interest or premium, if any, thereon and such Bonds shall not constitute an indebtedness of the Municipality or a loan of credit thereof within the meaning of any

constitutional or statutory provision. It shall be plainly stated on the face of the Bonds that they have been issued under the provisions of the Enabling Ordinance and that they do not constitute an indebtedness of the Municipality or a loan of credit thereof within the meaning of any constitutional or statutory provisions.

Nothing in this Bond Ordinance, the Loan Agreement, the Note, the Mortgage, the Lease Agreement, the Indenture, or other document executed in connection therewith shall be construed as an obligation or commitment by the Municipality to expend any of its funds other than (i) the proceeds of the sale of the Bonds, (ii) the revenues and receipts to be derived from the Loan Agreement, the Mortgage, the Note, the Lease Agreement, or any guaranty in connection therewith, and (iii) any moneys arising out of the investment or reinvestment of said proceeds, rents, revenues or moneys.

Section 6. The Bonds shall be issued in compliance with and under the authority of the provisions of the Enabling Ordinance, this Bond Ordinance and the Indenture.

Section 7. While the Bonds shall remain outstanding and unpaid, the Municipality hereby covenants and agrees with the holders from time to time of the Bonds that it will not

issue any Additional Bonds or incur any obligations of any sort secured by a lien prior to or on a parity with the lien of the Bonds, except as expressly permitted under the provisions of the Indenture.

Section 8. It is hereby found, determined and declared by the City Council that the amounts payable under the Loan Agreement and the Note are the amounts necessary in each year to pay the principal of and interest on the Bonds and that the payments and other monetary obligations undertaken by the Borrower in the Loan Agreement and the Note are sufficient to satisfy the obligations required by the Act to be undertaken by the Borrower. No reserve funds or depreciation accounts are required to be established by the Municipality in connection with the retirement of the Bonds and the operation and maintenance of the Project. The Loan Agreement provides that the Borrower shall own, operate and maintain the Project.

Section 11. The sale of the Bonds to the original purchaser thereof, at a price of 100% of the principal amount thereof plus any accrued interest from the date thereof to the date of sale and delivery, is hereby approved.
