\$1,972,550

The City of Urbana, Illinois, a municipality of the State of Illinois, created and existing under the Constitution and laws of the State of Illinois (the "Issuer"), for value received promises to pay solely and only from the source and as hereinafter provided, to the order of the Springfield Marine Bank, an Illinois banking corporation, Springfield, Illinois (the "Purchaser"), or its assigns, the principal sum of:

ONE MILLION NINE HUNDRED SEVENTY TWO THOUSAND FIVE HUNDRED FIFTY DOLLARS (\$1,972,550) payable as herein provided and bearing interest on the unpaid principal at the rate of interest per annum equal to seventy percent (70%) of the prime interest rate as defined and established from day to day by the Springfield Marine Bank, Springfield, Illinois, which rate may be adjusted from day to day (the "Interest Rate"). However, from and after any Effective Date of Taxability as defined in the hereinafter described Loan Agreement, this Bond shall bear interest at the same rate as the "Overdue Rate" as hereinafter defined. Interest shall be computed on a daily

basis from the date hereof until maturity on the principal amount from day to day remaining unpaid. This Bond shall bear interest on any overdue principal and interest (the "Overdue Rate") at the rate per annum equal to the prime interest rate as defined and established from day to day by the Springfield Marine Bank, Springfield, Illinois, plus one percent (1%), or to the maximum extent permitted by law, if less, which rate may be adjusted from day to day, until paid. Both principal hereof and interest hereon are payable to the Purchaser in immediately available funds at the principal office of The American National Bank of Champaign, Champaign, Illinois (the "Depository Bank"). The principal hereof, as may be outstanding and unpaid from day to day, shall be amortized with respect to the Interest Rate, or the Overdue Rate, as the case may be, applicable to such principal and with respect to the days remaining until all remaining principal hereof is due and payable, on or before July 1, 2002 with respect to \$1,252,550 of the principal hereof and on or before July 1, 1989 with respect to \$720,000 of the principal hereof. The principal amount shall be paid off and amortized, as herein provided, in seven (7) years as to \$720,000 thereof and in twenty (20) years as to \$1,252,550 thereof. Payments when made in connection herewith shall be applied first to interest due and unpaid and then to principal; such payments shall be applied pro rata with respect to the total aggregate principal amount outstanding and unpaid at the time, with no preference given to the principal amount to be paid off and amortized in seven (7) years or in twenty (20) years, as the case may be. Monthly payments of principal, premium, if any, and interest shall be

made in connection herewith, such monthly payments being due and payable beginning July 1, 1982 and on or before the first day of each month thereafter until the entire amounts of principal hereof, premium, if any, and interest hereon are fully paid. The monthly payments, principal and interest aggregated, shall be substantially as level as the calculation and determination on each July 1 hereafter permits. In connection with such monthly payments, the prime interest rate (as hereinabove described) shall be determined as of (or immediately prior to, as the case may be, in the event no determination can be made on such day) each July 1 hereafter, to be effective until the next July 1 until the entire amounts of principal, premium, if any, and interest hereon are fully paid. In the event the monthly payments to be made pursuant to the preceding two sentences do not total a sufficient amount to pay the sum of the principal, premium, if any, and interest hereon, as of any July 1, (such amount hereinafter referred to as the "insufficiency") an amount shall be paid on or before the banking day immediately prior to such July 1 necessary to pay such insufficiency; and in the event there shall be any excess, such excess shall be applied to and shall reduce the principal amount then remaining. The provisions of this paragraph are intended to effect uniform monthly payments for each such July 1 - June 30 period during the term hereof, and are not intended to increase or decrease the amounts required to be paid to the holder or holders hereof as set forth in the immediately preceding paragraph. All interest accruing

hereon between the date hereof and June 30, 1982, shall be paid on or before July 1, 1982.

Payments of principal and interest, including prepayments, if any, of principal installments, shall be annually noted on the Payment Record - Schedule "A" made a part of this Bond as provided in the Bond Ordinance hereinafter identified pursuant to which the Bond is issued.

This Bond is issued in the principal sum of \$1,972,550 pursuant to the provisions of Ordinance No. 7475-3, passed May 20, 1974 and approved May 21, 1974, and Ordinance No. 8081-37, passed October 6, 1980 and approved October 14, 1980, as from time to time supplemented and amended (collectively the "Enabling Ordinance"), and to an Ordinance passed by the City Council of the City of Urbana, Illinois on December \_\_\_\_, 1981 (the "Bond Ordinance") duly adopted by the City Council of the Issuer for the purpose of providing funds to finance the cost of the acquisition and equipping of a commercial retail facility constituting a 29,600 square-foot food store and supermarket, together with parking area, and related facilities, including necessary land, buildings and equipment (hereinafter called the "Project") and paying expenses incidental thereto, to the end that the Issuer may increase employment opportunities, retain employment opportunities, and encourage and increase commerce within the City of Urbana, Illinois. The proceeds of this Bond will be used by the Issuer to pay or reimburse Quincy Foods, Inc., an Illinois corporation, (hereinafter called the "Borrower") for the costs of the Project under the terms of a Loan Agreement dated as of De-

ember 1, 1981 between the Issuer and the Borrower (which agreement, as from time to time supplemented and amended, is hereinafter referred to as the "Loan Agreement").

All principal installments of this Bond or portion thereof duly designated for prepayment will cease to bear interest on the specified prepayment date, provided funds for their prepayment are on deposit at the place of payment at that time.

This Bond is issued pursuant to and in full compliance with the Constitution of the State of Illinois, the Enabling Ordinance, and the Bond Ordinance. This Bond and the

obligation to pay interest hereon are limited obligations of the Issuer, secured by the lien of the Mortgage and payable solely out of the receipts derived by the Issuer from the Loan Agreement, and otherwise as provided in the Bond Ordinance and the Loan Agreement. This Bond and the obligation to pay interest hereon shall not be deemed to constitute an indebtedness or a loan of credit of the Issuer, the State of Illinois or any political subdivision thereof, or a charge against their general taxing powers, within the meaning of any constitutional or statutory provision of the State of Illinois. Without limiting the foregoing, the Issuer makes no representation that interest on the Bond is or will continue to be exempt from federal income taxation, and expressly disclaims any liability for absence or loss of any such exemption for any reason whatsoever. Pursuant to the provisions of the Loan Agreement, payments sufficient for the prompt payment when due of the principal installments of and interest on this Bond are to be paid by the Borrower to the Purchaser, through the Depository Bank, for the account of the Issuer and deposited in a special account created by the Issuer with the Depository Bank and designated "City of Urbana, Illinois Bond Fund (Quincy Foods, Inc. Project)," and all receipts under the Loan Agreement have been duly pledged and assigned to the Purchaser for that purpose under the Bond Ordinance to secure payment of such principal installments and interest.

In certain events, on the conditions, in the manner and with the effect set forth in the Bond Ordinance, the principal installments of this Bond may become or may be declared

due and payable before the stated maturity thereof, together with interest accrued thereon.

No delay or omission to exercise any right, power or remedy accruing upon any event of default shall impair any such right, power or remedy or shall be construed to be a waiver of any such event of default or acquiescence therein; and every such right, power or remedy may be exercised from time to time as often as may be deemed expedient.

All moneys received pursuant to any right given or action taken under the provisions of this Section or under the provisions of Article VII of the Loan Agreement (after payments of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Issuer, the Purchaser, the Depository Bank, or the owners of the Bond) and all moneys in the Acquisition and Construction Fund at the time of the occurrence of an event of default shall be deposited in the Bond Fund and all such moneys in the Bond Fund shall be applied to the payment of the principal installments and interest then due and unpaid upon the Bond to the person entitled thereto.
