

**AN AMENDMENT TO A PART OF THE ZONING ORDINANCE  
OF THE CITY OF URBANA, ILLINOIS  
AND THE ZONING MAP OF THE CITY OF URBANA**

(Five lots on Green and Elm)

WHEREAS, the City of Urbana, Illinois is a home rule municipal corporation pursuant to Article VII, Section 6(a) of the Illinois Constitution and has all governmental, corporate and proprietary powers necessary to conduct municipal government, perform municipal functions and render municipal services, including the authority to adopt and enforce land use plans, zoning and subdivision regulations and other land use controls to protect and promote the public health, safety and general welfare of its citizens; and

WHEREAS, the City Council of the City of Urbana, Illinois adopted Ordinance #7980-68 on December 17, 1979 which adopted the 1979 Comprehensive Amendment to the 1950 Zoning Ordinance of the City of Urbana which included changes to the Official Zoning Map and Zoning Ordinance of the City of Urbana; and

WHEREAS, the Urbana City Council adopted Ordinance #8283-17 on September 7, 1982 which adopted the 1982 Comprehensive Plan that established immediate and long-range goals, objectives and policies to guide the future preservation and development of the city; and

WHEREAS, following nearly two years of study and numerous public meetings, the Urbana City Council adopted Ordinance #8990-132 on June 4, 1990 which adopted the Downtown to Campus Plan and amended the City's 1982 Comprehensive Plan; and

WHEREAS, the Downtown to Campus Plan adopted new goals and objectives for the Downtown to Campus area as well as a new Proposed Land Use Map to replace the Official Comprehensive Plan Map that was included in the 1982 Comprehensive Plan; and

WHEREAS, the Downtown to Campus Plan recommended a variety of actions to achieve the goals and objectives established in said Plan including a recommendation to change the zoning of many properties in the neighborhood to conform with the Proposed Land Use Map in said Plan; and

WHEREAS, the Urbana City Council approved Resolution #9091-R19 on December 17, 1990 which directed the Zoning Administrator to submit rezoning petitions for many properties located in the Downtown to Campus area; and

WHEREAS, the Zoning Administrator submitted a petition to amend the Official Zoning Map by rezoning the properties described in Section 1 herein from B-4 (Central Business) to MOR (Mixed Office Residential) as recommended in the Downtown to Campus Plan; and

WHEREAS, said petition was presented to the Urbana Plan Commission as Plan Case #1412-M-91; and

WHEREAS, after due publication in accordance with Section XI-7 of the Urbana Zoning Ordinance and with Chapter 24, Section 11-13-14 of the Illinois Revised Statutes, the Urbana Plan Commission held a public hearing on the proposed zoning changes on January 10 and 24, February 7 and 21, and March 7, 1991; and

WHEREAS, the Urbana Plan Commission voted on March 7, 1991 to forward Plan Case #1412-M-91 to the Urbana City Council with a recommendation for approval of a change from B-4 zoning to MOR for all of the properties described in Section 1 herein; and

WHEREAS, the Urbana City Council finds that the MOR zoning district was designed to encourage the adaptive re-use of older residential structures for limited new office, commercial and residential uses as a desirable method of preserving their character and appearance; that the MOR district was designed to allow the compatible development of new residential, office and commercial uses in a residential setting; that the properties in this case are suitable for MOR zoning because they have already been converted from residential to non-residential uses; that the proposed MOR zoning will protect the historic character and appearance of the neighborhood; that the density permitted in the B-4 district could allow developments that are out of scale with the character of the adjacent neighborhood; and that the lack of parking requirements in the B-4 district could result in additional parking congestion in the neighborhood if new development occurs on these properties without adequate parking; and

WHEREAS, after due and proper consideration, the Urbana City Council has determined that the zoning changes described in Section 1 herein conform to the goals, objectives and policies of the City's 1982 Comprehensive Plan as amended by the Downtown to Campus Plan; and

WHEREAS, after due and proper consideration, the Urbana City Council has deemed it to be in the best interests of the City of Urbana to agree with the recommendation of the Urbana Plan Commission and to amend the Official Zoning Map as described in Section 1 herein for the reasons contained herein as well as for the reasons spread upon the records of both this Plan Case and the Downtown to Campus Plan.
