(E) BUILDINGS AND STRUCTURES

1. Building permit: Building permit fees for all new construction except single- and two-family detached dwellings shall be based on Table 1, entitled "Square Foot Construction Costs," as such Table 1 may be revised and published from time to time by the Building Officials and Code Administrators, International, Incorporated in its publication entitled "Building Officials and Code Administrators Magazine." The fee for a building permit for the construction of a new building or structure, including additions, shall be at the rate of one dollar and fifty cents (\$1.50) per thousand dollars (\$1,000.00) of the construction costs, calculated by multiplying the gross square footage of the new building, structure or addition by the square foot construction cost found in Table 1 of this section as amended. Such fees are nonrefundable.
2. Single-family detached dwellings: A permit for a single-family detached dwelling shall cost two hundred twenty-five dollars (\$225.00) for a building up to 2,500 square feet and three hundred dollars (\$300.00) for a building above 2,500 square feet.
3. Two-family detached dwellings: A permit for a two-family detached dwelling shall cost two hundred fifty dollars (\$250.00) for a building up to 2,500 square feet and three hundred twenty-five dollars (\$325.00) for a building above 2,500 square feet.
4. Tent permit: A permit for the erection of a tent having a gross area of four hundred (400) square feet or more shall cost fifteen dollars (\$15.00)
5. Temporary occupancies: A permit for the erection of building or structure housing a temporary (T) occupancy other than a tent including garages shall cost a fee computed at the rate of four dollars (\$4.00) per thousand dollars (\$1,000.00) of estimated cost, but not less than less than twenty-five (\$25.00), except for sheds, decks and fences, for which a fee of ten dollars (\$10.00) is required. No fee shall be required for sheds which are less than one hundred (100) square feet and which do not have permanent foundations or decks of less than one hundred (100) square feet.

6. Alteration/renovation: The fee for a permit for the alteration, renovation and/or remodeling of a building or structure shall be computed at the rate of four dollars (\$4.00) per thousand (\$1,000.00) of the estimated cost not including electrical, plumbing, and heating ventilating and air-conditioning, but not less than twenty-five dollars (\$25.00), except the fee for a permit to replace a roof, which such fee shall be computed at the rate of one dollar and fifty cents (\$1.50) per thousand dollars (\$1,000.00) of the estimated cost.
7. Demolition: The fee for a permit for the demolition of a building or structure other than an accessory building including detached garages shall be at the rate of six dollars (\$6.00) per thousand dollars (\$1,000.00) of the estimated cost of demolition, but not less than seventy-five dollars (\$75.00). The permit fee for the demolition of an accessory or temporary structure under eight hundred (800) square feet shall be fifteen dollars (\$15.00), except that the building official may waive the permit fee where there is no foundation or floor to be removed, where there is no significant grading to be done or where the work shall be insignificant.
8. Vacant structures registration (every 6 months). . . \$ 120.00
9. Moving permit/building permit: A moving permit shall be issued by the building official in conjunction with the required building permit for all buildings or structures which are moved and do not cross or occupy any street, alley or public right-of-way. The fee for the moving permit/building permit shall be computed at the rate of four dollars (\$4.00) per thousand dollars (\$1,000.00) of the estimated cost. The estimated cost shall include the cost of the moving along with the costs for excavation, footings and foundations, site work and a structural or nonstructural remodeling as described in item (6) above. The minimum permit fee shall be twenty-five dollars (\$25.00).
10. Estimated cost: The term "estimated cost" as used in this subsection (E) includes the cost of all services, labor, materials, use of scaffolding and any other appliances or devices entering into and necessary to the prosecution and completion of the work ready for occupancy; provided, that the cost of excavation or grading, and of painting, decorating or other work that is merely for embellishment or not necessary for the safe and lawful use of the building or structure is not deemed a part of such work.
11. Work without a permit: For all work commenced without a permit for which a building permit is required, a one hundred dollars (\$100.00) penalty fee will be charged in addition to the regular prescribed fee. Such work must comply with all other requirements of the building code.

12. Plan review fee schedule: The plan review fee applies to all plans for new construction, including additions. Such plan reviews include a review of all applicable city regulations including but not limited to zoning, building, electrical, plumbing and HVAC regulations. Plan review fees shall be nonrefundable and shall be computed as follows:

Volume (cubic feet)	Plan Review Fee
0- 10,000	\$ 75.00
10,001- 20,000	\$110.00
20,001- 40,000	\$140.00
40,001- 60,000	\$180.00
60,001- 80,000	\$220.00
80,001-100,000	\$255.00
100,001-150,000	\$290.00
150,001-200,000	\$330.00
Over 200,000	\$330.00 plus \$3.00 for each 10,000 cubic feet over 200,000

Plan reviews for assembly (A) and institutional (I) uses and mercantile covered malls over five thousand (5,000) square feet shall be one and one-half (1 1/2) times the fees as computed from the table above.

In addition to the plan review fees indicated above, the building official may charge an additional fee for outside professional plan review services. Such outside plan review services may be contracted where the building official determines it is in the best interest of the city to do so. Additional fee(s) for outside services shall be based upon the actual costs for such services.

Remodeling and/or renovation plan review fees shall be charged on remodeling or renovation projects exceeding twenty-five thousand dollars (\$25,000.00) at the rate of 0.002 times the cost of the project.

Plan review fees shall accompany the application and are nonrefundable. Single- and two-family detached dwellings and temporary (T) occupancies, including residential garages, shall be exempt from plan review fees. The building official may waive the plan review fee for structures under five thousand (5,000) cubic feet in cases involving minor structural repairs or the remodeling of existing buildings.

13. Special flood hazard area development permit: The fee for a development permit pursuant to section 5-500 of this Code shall be twenty-five dollars (\$25.00).

14. Special permits for elevators, dumbwaiters and conveyance equipment:

- (a) Installation permit: For each conveyance device, an installation permit shall be obtained, as required in the 1987 BOCA National Building Code. The fee for such permit shall be sixty dollars (\$60.00) and shall include all necessary electrical, plumbing and H.V.A.C. work directly involved with the installation. The building official may reduce this fee by twenty-five (25) percent for multiple installations of the same nature and location. The installation permit fee includes the annual operating permit fee for the first year.
- (b) Annual operating permit: For each conveyance device, as referenced in the 1987 BOCA National Building Code, an annual operating permit shall be required for which the fee shall be thirty dollars (\$30.00) annually. Such fee shall become due on July 1 of each year.

(F) ELECTRICAL

Section 2. That Section 4-18, of Article II, "Dogs", of Chapter 4, "Animals and Fowl", of the Code of Ordinances, City of Urbana, Illinois, is hereby amended to read as follows:

Sec. 4-18. Subject to impoundment for running at large, etc.

(A) The running at large of any dog within the corporate limits of the city is hereby declared a nuisance and is prohibited. Any dog is subject to impoundment when the owner, possessor or keeper of any dog does not keep such dog under restraint at all times and such dog is found to be at large off the premises or property of such owner, possessor or keeper. Any dog shall be deemed at large when it is off the property of its owner, possessor or keeper, and not under control of the owner, possessor or keeper either by leash, cord, chain or otherwise. A dog is under restraint within the meaning of this section if it is controlled by a leash, or at heel beside owner, possessor or keeper or is obedient to that person's commands, or within a vehicle driven or parked on the streets, or within the property limits of its owner, possessor or keeper.

(B) Any person who is the owner, possessor or keeper of a dog subject to impounding under this section shall be fined in accordance with Section 14-7 of this Code.

(C) The city council may provide a pound for the impounding of dogs in accordance with the laws of the state, or may direct any city dog control officer appointed by the mayor, to cause such dogs and stray dogs to be impounded in other facilities for the impounding of dogs within the county.

Section 3. That Section 4-19, of Article II, "Dogs", of Chapter 4, "Animals and Fowl", of the Code of Ordinances, City of Urbana, Illinois, is hereby amended to read as follows:

Sec. 4-19. Disposition of impounded dogs.

Any dog impounded as provided in this article may be redeemed by the owner or keeper of such dog upon payment of the impoundment fee as prescribed in Section 14-7 of this Code to the city collector for the care and feeding of such dog for each day or part of a day that it has been impounded. In case of any dog so impounded which has not been vaccinated against rabies, the impounder shall notify the county rabies control; giving the name and address of the owner. Any dog impounded as provided in this article not redeemed within seven (7) days after being impounded shall be disposed of in a manner consistent with the laws of the state.

Section 4. That Section 4-36, of Article III, "Cats", of Chapter 4, "Animals and Fowl", of the Code of Ordinances, City of Urbana, Illinois, is hereby amended to read as follows:

Sec. 4-36. Disposition of impounded cats.

Any cat impounded as provided in section 4-35 may, to the extent permitted by the laws or regulations of this state and of the local public health district, be redeemed by the owner or keeper of such cat upon payment of the impoundment fee as prescribed in Section 14-7 of this Code to the city collector for the care and feeding of such cat for each day or part of a day that it has been impounded. Any cat impounded as provided in this section 4-35 not redeemed within seven (7) days after being impounded may be disposed of in a manner consistent with the laws of the state.

Section 5. That Section 24-16(b), "Taxable unit charge", of Article II, "Sewers", of Chapter 24, "Utilities", of the Code of Ordinances, City of Urbana, Illinois, is hereby amended to read as follows:

(b) *Taxable unit charge.* Each taxable unit shall pay an amount based upon the billed water usage of such taxable unit and determined through the formula prescribed in Section 14-7 of this Code. The amount may be amended annually on January 1st. An actual or estimated water meter usage may be adjusted by the comptroller to exclude water furnished to the taxable unit which was evaporated or bottled for shipment in a commercial or industrial operation; or, to an amount which more properly represents an average annual actual figure, upon presentation of factual evidence by the property owner. Responsibility for initiating this review and presentation of this factual evidence rests entirely with the property owner. This evidence must be presented to the comptroller prior to April 15th of each year to be included in the billing formula for that year.

Section 6. That Section 16-1(b)(ii) of Article XVI, entitled "Parking Violations and Penalties", of the Urbana Local Traffic Ordinance, as amended, is hereby further amended to read as follows:

ii. Payment shall be made according to the schedule prescribed in Section 14-7 of the Code of Ordinances, City of Urbana, Illinois.

Section 7. Sections 1, 2, 3, 4, 5 and 6 of this Ordinance shall be effective on June 1, 1993.

Section 8. The City Clerk is directed to publish this Ordinance in pamphlet form by authority of the corporate authorities, and this Ordinance shall be in full force and effect from and after its passage and publication in accordance with Section 1-2-4 of the Illinois Municipal Code.

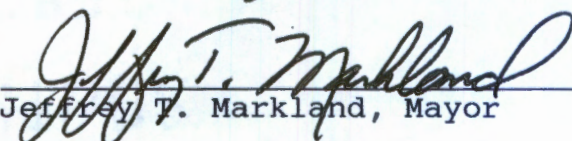

This Ordinance is hereby passed by the affirmative vote of the "ayes" and "nays" being called, of a majority of the members of the Council of the City of Urbana, Illinois, at a regular meeting of said Council.
