

AN ORDINANCE AMENDING CHAPTER TWENTY-TWO OF THE CODE OF
ORDINANCES, CITY OF URBANA, ILLINOIS ESTABLISHING A RECYCLING TAX
(Dormitories)

WHEREAS, the General Assembly determined in the passing of the Illinois Solid Waste Management Act (415 ILCS 20/2, et. seq.) that it is the purpose of said Act to reduce reliance on land disposal of solid waste, to encourage and promote alternative means of managing solid waste, and to assist local governments with solid waste planning and management. In furtherance of those aims, while recognizing that landfills will continue to be necessary, this Act establishes the following waste management hierarchy, in descending order of preference, as State policy:

- (1) volume reduction at the source;
- (2) recycling and reuse;
- (3) combustion with energy recovery;
- (4) combustion for volume reduction;
- (5) disposal in landfill facilities; and

WHEREAS, the Illinois General Assembly has determined in the passing of the Solid Waste Planning and Recycling Act (415 ILCS 15/2 et. seq.) that it is the purpose of said Act to provide incentives for decreased generation of municipal waste, to require certain counties to develop comprehensive waste management plans that place substantial emphasis on recycling and other alternatives to landfills, to encourage municipal recycling and source reduction, and to promote composting of yard waste.

WHEREAS, the City of Urbana, in response to the desires of its citizens, has made a commitment to recycling; and

WHEREAS, the City of Urbana started its residential recycling program over twelve years ago beginning first with collection being made available in those structures containing four or fewer dwelling units, then expanding the program in 1995 to encompass six or fewer dwelling units and establishing the recycling tax for such service; and

WHEREAS, the City Council in recognition of the fact that various housing segments of the community will require different methods of collection of recyclables to most efficiently accommodate the different circumstances involved in the recyclables generated and collection effort required, has attempted to allocate the means of raising the revenues needed to support the differing collection efforts; and

WHEREAS, the number of persons that may legally occupy a dormitory is greater than that permitted in a multi-family dwelling due to the different zoning regulations that apply; and

WHEREAS, the quantity of waste generated from persons residing in dormitories and hence the potential recovery of recyclable materials is normally less than that of a multi-family dwelling due to the nature of the communal accommodations; and

WHEREAS, the City Council has established a system to provide, by contract, for the collection of recyclable materials as defined herein from all dormitories in the City; and

WHEREAS, the City desires to meet the costs of the contract by imposing service charges as provided in Section 11-19-4 of the Illinois Municipal Code and pursuant to the City's authority as a home rule unit under Section 6(a), Article VII of the Constitution of the State of Illinois of 1970.

NOW THEREFORE, BE IT ORDAINED BY THE URBANA CITY COUNCIL as follows:

1. Definitions As used in this article, the following terms shall have the meaning ascribed to each such term as set forth below:

Dormitory as used herein shall mean a dormitory or rooming house as defined in the Urbana Zoning Ordinance. Residence halls owned by the University of Illinois are not included in the definition of dormitory.

Owner means the record owner of the real estate parcel containing a dormitory.

Recyclable Materials to be collected under the Agreement are:

Paper fibers:

ONP - Newspaper and inserts; and
OCC - Corrugated cardboard, paperboard (such as cereal boxes, frozen food boxes,
12/24 can beverage cartons); and
OMG - Magazines, catalogs; and
RMP - Residential mixed paper (paper that is written upon, read from or used for
packaging; such as junk mail, stationery, computer paper, kraft paper, etc.);
and

Containers:

Steel [tin], bi-metal, aluminum cans, trays and foils, and empty aerosol cans; and
Glass containers and jars (clear, brown and green/blue); and
PETE, SPI code #1 - Polyethylene terephthalate containers, natural and pigmented; and
HDPE, SPI code #2 - High-density polyethylene containers, natural and pigmented; and
LDPE, SPI code #4 - Low density polyethylene six and twelve pack ring carriers; and
#3 through #7 SPI coded "narrow necked" plastic containers; and
Aseptic boxes and "gable topped" cartons (such as dairy, fabric softener, and juice)

Containers that have contained paint, lubricating oils, agricultural chemicals or other toxic materials are unacceptable. The number and type of recyclable materials may be amended as approved by the Director of Public Works.

Residential Capacity means the maximum number of persons that could legally be housed in the dormitory.

2. A dormitory recycling fee is hereby imposed on the owner of dormitory in the City. The fee shall be based on the residential capacity of the dormitory and shall be calculated by multiplying the residential capacity of the dormitory by \$1.45 per month.

3. (a) Collection of the Tax. The owner shall file a tax return and remit the tax due on a quarterly basis. The initial quarter shall end on the 31st day of October, 1999. The tax return and payment of taxes due shall be made on or before the last day of the month following the end of the quarter.

(b) If for any reason any tax is not remitted to the City when due, a penalty at the rate of 2% per month or part thereof, from the day of delinquency shall be added and shall be paid by the owner.

4. Enforcement. Any taxpayer found guilty of violating, disobeying, omitting, neglecting or refusing to comply with any of the provisions of this ordinance shall, upon conviction thereof, be fined not less than One Hundred Dollars (\$100.00) nor more than Five Hundred Dollars (\$500.00) for each violation.

5. Proceeds of taxes. The Comptroller of the City shall receive all revenues set forth in this ordinance and shall deposit such revenues in the proper fund of the City. The revenues shall be used solely for the cost associated with the City's collection and processing of recyclable materials from dormitories located within the City, and the cost to administer this ordinance.

6. The City Clerk is directed to publish this Ordinance in pamphlet form by authority of the corporate authorities, and this Ordinance shall be in full force and effect from and after its passage and publication in accordance with Section 1-2-4 of the Illinois Municipal Code.

This Ordinance is hereby passed by the affirmative vote, the "ayes" and "nays" being called, of a majority of the members of the Council of the City of Urbana, Illinois, at a regular meeting of said Council.

PASSED by the City Council this 17th day of May, 1999.

AYES: Hayes, Huth, Kearns, ~~Patt~~, Taylor, Wyman
