CONTRACT FOR SALE OF REAL ESTATE

This Contract made and entered into this 12th day of February, 2003, by and between the City of Urbana, Illinois, a municipal corporation of the State of Illinois (hereinafter referred to as the City as Seller), and Habitat for Humanity of Champaign and Piatt Counties, an Illinois not-for-profit corporation (hereinafter referred to as Habitat as Buyer).

WITNESSETH:

IT IS MUTUALLY UNDERSTOOD AND AGREED BETWEEN THE PARTIES HERETO as follows:

1. Sale. The City agrees to sell and convey, and Habitat agrees to buy, the following described parcel of real estate:

Lot 5 in Block 26 of Seminary Addition, situated in Champaign County, Illinois;

PIN: 91-21-07-406-001;

more commonly known as 808 North Romine Street, Urbana, Illinois
(hereinafter referred to as Subject Property).
2. Purchase Price. City agrees to convey title to Subject Property for One Dollar (\$1.00) and other consideration as described herein.
3. Evidence of Title. Within a reasonable time, the City shall select and deliver one of the following to Habitat as evidence of title:
 - a. A copy of a title insurance policy issued to the City by Allied Title Services, Inc., Champaign, Illinois, in connection with acquisition of Subject Property by the City; the City warrants that it has done nothing to encumber Subject Property since its acquisition of Subject Property; or
 - b. A commitment of title insurance issued by a title insurance company regularly doing business in Champaign County, committing the company to issue a policy in the usual form insuring title to Subject Property in Habitat for the amount of the City's purchase price or the minimum amount of title insurance, whichever is greater.

Permissible exceptions to title shall include only the lien of general taxes; zoning laws and building ordinances; easements, apparent or of record, which do not underlie the improvements, if any; and covenants and restrictions of record which are not violated by the existing improvements or the present use of the property and which do not restrict reasonable use of the property.

Habitat shall point out in writing to City within a reasonable time after receipt of the evidence of title any objections that Habitat may have thereto and unless so pointed out the evidence of title shall be conclusively presumed to be accepted by Habitat.

The City shall have a reasonable time to cure any objections actually interfering with or impairing the merchantability of the title to Subject Property. If the City is unable to cure such objections and is unable to procure a title policy insuring over such objections, then Habitat shall have the option to terminate the Contract.

The evidence of title and title insurance shall be at the sole expense of the City.

4. Conveyance. The City agrees to convey Subject Property to Habitat by good and sufficient Warranty Deed, subject to current general taxes, covenants, conditions, restrictions, easements apparent or of record, and to all applicable zoning laws and ordinances.

At the time of closing of this transaction, a Warranty Deed from the City in favor of Habitat shall be placed in escrow with the City of Urbana Department of Community Development Services (hereinafter referred to as "Escrow Agent"). At the same time, a Quit Claim Deed from Habitat in favor of the City shall be placed in escrow with the Escrow Agent.

In the event that Habitat constructs a single-family residence on Subject Property and Habitat is issued a certificate of occupancy for said residence by the Urbana Building Safety Division on or before June 30, 2004, or on or before the date established in any modification to this Contract, the Escrow Agent shall deliver said Warranty Deed to Habitat and shall destroy said Quit Claim Deed.

In the event that Habitat has not started construction of a single-family residence on Subject Property as of June 30, 2004, or as of the date established in any modification to this Contract, the Escrow Agent shall destroy said Warranty Deed and shall release said Quit Claim Deed to City.

In the event that Habitat has begun construction of a single-family residence on Subject Property as of June 30, 2004, or as of the date established in any modification to this Contract, but has not received a Certificate of Occupancy for said residence as of that date, City retains the right to pay Habitat, in care of the Escrow Agent, an amount equivalent to the value of improvements in place on Subject Property as of June 30, 2004, or as of the date established in any modification to this Contract, taking credit against said amount for any outstanding liens or encumbrances against Subject Property, said liens including real estate taxes prorated up to the date the City assumes possession under this paragraph. Said value shall be certified to both Habitat and the City by an architect licensed by the State of Illinois, doing business in Champaign County, Illinois and

mutually acceptable to Habitat and the City. The Escrow Agent shall deliver said payment to Habitat, destroy said Warranty Deed, and release said Quit Claim Deed to the City.

No legal right, title, or interest, except as Contract Purchaser, in the Subject Property or any improvements thereon, shall vest in Habitat until delivery of said Warranty Deed by Escrow Agent to Habitat in the manner and under the conditions prescribed herein.

Any and all escrow charges shall be paid by Habitat.

5. Taxes and Assessments. City shall pay all special assessments confirmed prior to the date of this Contract and real estate taxes assessed against Subject Property for 2002 payable in 2003 up to the date of possession. Habitat shall pay all special assessments and real estate taxes assessed against Subject Property after the date of possession

Habitat shall promptly pay all bills for utilities and taxes associated with Habitat's possession and use of Subject Property, including but not limited to water, gas, electric, cable television, sewage treatment, and sewer benefit taxes.

6. Condition of Subject Property. Habitat agrees to accept Subject Property in its "as-is" condition, and the City disclaims all warranties express or implied as to the condition of Subject Property.

7. Compliance with Development Codes. Any residence constructed pursuant to this Contract shall be constructed in accordance with all applicable land development, zoning, and building codes of the City of Urbana, Illinois, and with any and all covenants recorded for the subdivision in which Subject Property is located. Habitat shall be responsible for obtaining and paying for all permits required under said codes.

8. House Design. Any residence constructed pursuant to this Contract shall be compatible in design and quality of construction with houses constructed by Habitat at 1204 West Beslin Street and 1305 West Dublin Street, Urbana, Illinois. Prior to issuance of any building permit by the Building Safety Division of the City of Urbana, Illinois, the Grants Management Division Manager of the Department of Community Development Services of the City of Urbana, Illinois, acting on behalf of the City, may request alterations to the proposed house design so as to comply with this Section.

9. Use of Subject Property. The primary purpose of Habitat activities undertaken pursuant to this Contract shall be construction of a single-family residence for sale to a low-income household through Habitat's Homeownership Program.

10. Limitation on Subsequent Sale of Subject Property. Any residence constructed by Habitat on Subject Property pursuant to this Contract may subsequently be sold by Habitat only to a family having income at or below 80 percent of median family income for Champaign County based on household size. Applicable income limits are those certified by the

Grants Management Division Manager of the Department of Community Development Services of the City of Urbana, Illinois, acting on behalf of the City, to be in effect at the time Habitat accepts a household into its Homeownership Program. Habitat shall keep record of compliance with this Section on file for inspection by representatives of the City and the U.S. Department of Housing and Urban Development.

11. Property Maintenance. Habitat agrees to keep Subject Property properly mowed and free of excess vegetation and debris at all times from the date of this contract. Habitat shall neither suffer nor commit any waste on or to Subject Property. Habitat agrees to promptly respond to any notices received from the City of Urbana, Illinois, with regard to violation of the City's nuisance codes and to promptly correct any violation cited by said City. Habitat shall promptly pay all bills or charges incurred for materials, services, labor, or other like items that may create encumbrances against Subject Property. Habitat will become responsible for all property maintenance as of the date of this Contract.
12. Construction Schedule. Habitat agrees to construct a single-family residence on Subject Property such that a Certificate of Occupancy is issued for the newly constructed residence by the Urbana Building Safety Division on or before June 30, 2004, or, on or before a date established in any modification to this Contract.
13. Storage of Building Materials. Building materials needed to construct any residence pursuant to this Contract shall be stored within property lines and shall not be placed in the public right-of-way.
14. City Held Harmless. Habitat agrees to indemnify and hold the City, its officers, agents, and employees, harmless for any liability or damages of any nature or kind concerning undertaking of any activity pursuant to this Contract, including reasonable attorneys' fees incurred in defending against any such claim.
15. Assignment. Habitat shall not assign this Contract without prior written consent of the City to such assignment; provided, however, that the City shall not unreasonably withhold such consent and further provided that no such assignment shall act as a discharge or release of Habitat's liability under this Contract.
16. Possession. City shall deliver possession of Subject Property to Habitat concurrently with closing of this transaction to be held on or before February 28, 2003.
17. Default. If Habitat fails to perform any obligation imposed upon it by this Contract, the City may serve written notice of default upon Habitat and if such default is not corrected within ten (10) days thereafter, this Contract shall terminate. In the event of failure of the City to perform obligations imposed upon it by this Contract, Habitat may terminate this Contract upon similar notice served upon the City and similar expiration of time period. The foregoing remedies in the event of default are not intended to be exclusive, and the parties shall have the right to all other lawful remedies, including specific performance. Default by the City or Habitat shall entitle the non-defaulting party to claim as damages

all reasonable costs, attorneys' fees, and expenses in connection with enforcement of this Contract.

18. Notices. Any notice required under this Contract to be served upon the City or Habitat shall be personally delivered, or shall be mailed by certified mail to such parties at the address shown herein following their signatures, or at such other place as the parties may from time to time designate in writing.
19. Modification. No modification or extension of this Contract shall be effective unless in writing and executed by the parties hereto.
20. Terms Binding. All terms of this Contract shall be binding upon the heirs, legatees, devisees, representatives, and assignees of the parties.

IN WITNESS WHEREOF, the parties have executed this Contract as of the day and year first above written.
