The Base Year for the Site will be the revenue year prior to the substantial completion of the development as outlined in Section 3.1 of this Agreement. Payment by the City will be made subject to the receipt of a copy of the tax bill and a written statement requesting the rebate submitted to City of Urbana Finance Department, Comptroller.

The Party claiming such default shall give written notice of the alleged default to the other Party. Except as required to protect against immediate, irreparable harm, the Party asserting a default may not institute proceedings against the other Party until thirty (30) days after having given such notice. If such default is cured within such thirty (30)

If the default is one which can not reasonably be cured within such thirty (30) day period, such thirty (30) day period shall be extended for such time as is reasonably necessary for the curing of such default, so long as there is diligent proceeding to cure such default. If such default is cured within such extended period, the default shall not be deemed to constitute a breach of this Agreement. However, a default not cured as provided above shall constitute a breach of this Agreement. Except as otherwise expressly provided in this Agreement, any failure or delay by either Party in asserting any of its rights or remedies as to any default or alleged default or breach shall not operate as a waiver of any such default or breach of any rights or remedies it may have as a result of such default or breach.
