ARTICLE III
CITY'S COVENANTS AND AGREEMENTS

Section 3.1. City's Financial Obligations. The City shall have the obligations set forth in this Section 3.1 relative to financing Eligible Redevelopment Project Costs in connection with the Private Development Project. Subject to the terms, conditions and limitation set forth in this Section 3.1 immediately below, the City agrees to provide to or for the benefit of the Developer the Program Loan and the Program Grant as follows:

(a) The Program Loan shall be in the principal amount of up to \$60,000.00, shall be payable with interest at the rate of 0% per annum in sixty (60) substantially equal monthly installments of \$1,000.00 per month, and shall be evidenced by such documentation as may be determined by the applicable participating lending institution;

(b) The Program Grant shall be in the amount of up to \$6,000.00;

(c) The total amount of the proceeds from the Program Loan and the Program Grant shall not exceed the total amount of all Eligible Redevelopment Project Costs which are directly attributable and allocable to the Private Development Project at the Development Project Site; and

(d) Any Advance Amounts from the Program Loan or the Program Grant shall only be made upon the submission to the City of a Requisition for Eligible Redevelopment Project Costs in accordance with the procedures set forth in Article V of this Agreement.

Section 3.2. City's Redevelopment Obligations. The City hereby covenants and agrees to undertake each of the following redevelopment obligations at the time and in the manner specified as follows:

(a) to provide improvements such as landscaping, streetscape, walkway or other beautification projects in the public right-of-way adjacent to the Development Project Site as may be determined by the City, such improvements to be completed as required upon completion of the Private Development Project at the sole cost and expense of the City;

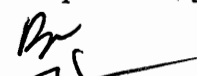

(b) to vacate by ordinance, with compensation to the City therefore to be valued in the amount of \$2.50 per square foot, the payment of which by the Developer shall be waived by the City as a part of the incentives provided by the City under this Agreement, that part of Courtesy

Road in the Development Project Site as shown on the vacation plat attached hereto as Exhibit C, provided, however, that any such ordinance shall either not be adopted or not become effective, as the case may be, unless and until the Developer shall have fulfilled all conditions precedent as set forth in Section 7.1 of this Agreement in connection with the Developer's obligations related to the Private Development Project. It is further expressly understood and agreed by and between the parties hereto that any ordinance vacating any such part of Courtesy Road by the Corporate Authorities shall contain provisions that the vesting of title in such part of Courtesy Road so vacated shall be subject to reserved easements for all public utilities (including any of the City with respect to sewer lines and electrical conduit for street lighting, if any), their successors and assigns, to operate, maintain, renew and reconstruct their facilities within that part of such right-of-way so vacated unless the Developer shall compensate such utilities (or the City) for such reasonable expense as shall be incurred by such utilities (or the City) in connection with the rearrangements, removal or relocation of such facilities.

Section 3.3. Defense of Redevelopment Project Area. In the event that any court or governmental agency having jurisdiction over enforcement of the TIF Act and the subject matter contemplated by this Agreement shall determine that this Agreement, including any payments of any Reimbursement Amounts to be made by the City, is contrary to law, or in the event that the legitimacy of the Redevelopment Project Area is otherwise challenged before a court or governmental agency having jurisdiction thereof, the City will defend the integrity of the Redevelopment Project Area and this Agreement. Anything herein to the contrary notwithstanding, the Developer agrees that the City may, to the extent permitted by law, use any Incremental Property Taxes, including any unpaid Reimbursement Amounts, if available, to be redirected to reimburse the City for its defense costs, including without limitation attorneys' fees and expenses.

ARTICLE IV
DEVELOPER'S COVENANTS AND AGREEMENTS

Section 4.1. Agreement to Undertake the Private Development Project and Schedule.

The Developer covenants and agrees to commence and complete the Private Development Project at a total cost of not less than \$200,000.00 on or before 2014, 2007. 

Section 4.2. Compliance with Agreement and Laws During Development. The

Developer shall at all times undertake the Private Development Project in conformance with this Agreement and all applicable federal and state laws, rules and regulations, including all subdivision, zoning, environmental or other ordinances of the City. Any agreement of the Developer related to the rehabilitation, reconstruction, repair or remodeling of the Private Development Project with any contractor, subcontractor or any other party or parties to any such agreements shall, to the extent applicable, contain provisions substantially similar to those required of the Developer under this Agreement.

Section 4.3. City's Right to Audit Developer's Books and Records. The Developer agrees that the City or its agents shall have the right and authority to review and audit, from time to time (at the Developer's principal office during normal business hours) the Developer's books and records relating to the total amount of all costs paid or incurred by the Developer for the Private Redevelopment Project and the total amount of related Eligible Redevelopment Project Costs, including, if any, loan agreements, notes or other obligations in connection with any indebtedness of the Developer directly related to such costs paid or incurred by the Developer for the Private Redevelopment Project in order to confirm that any such Eligible Redevelopment Project Costs claimed to have been paid and incurred by the Developer were directly related and allocable to the costs of the Private Redevelopment Project that was financed by the Developer and in fact paid and incurred by the Developer.

Section 4.4. Indemnity. The Developer agrees to forever indemnify and defend the City from and against any claims, suits, or actions for death or injury to persons or damage to property or breach of contract brought against the City arising from any alleged claims, acts or omissions of

such Developer in connection with this Agreement, including the acquisition, construction or installation of the Private Development Project, whether or not suit is filed.

Section 4.5. Continuing Compliance with Laws. The Developer agrees that upon completion and in the continued use, occupation, operation and maintenance of the Private Development Project or any part thereof thereafter, the Developer will comply with all applicable federal and state laws, rules, regulations and ordinances of the City.

Section 4.6. Real Estate Tax Obligations. The Developer agrees to pay and discharge, promptly and when the same shall become due, all general real estate taxes, and all applicable interest and penalties thereon, that at any time shall become due and payable upon or with respect to, or which shall become liens upon, any part of the Development Project Site. The Developer, including any others claiming by or through it, hereby covenants and agrees not to file any application for property tax exemption for any part of the Development Project Site under any applicable provisions of the Property Tax Code of the State of Illinois (35 ILCS 200/1-1 et seq.), as supplemented and amended, unless the City and the Developer shall otherwise have first entered into a mutually acceptable agreement under and by which the Developer shall have agreed to make a payment in lieu of taxes to the City, it being mutually acknowledged and understood by both the City and the Developer that any such payment of taxes (or payment in lieu thereof) by the Developer is a material part of the consideration under and by which the City has entered into this Agreement. This covenant of the Developer shall be a covenant that runs with the land being the Development Project Site upon which the Private Development Project is located and shall be in full force and effect until December 31, 2030, upon which date this covenant shall terminate and be of no further force or effect (and shall cease as a covenant binding upon or running with the land) immediately, and without the necessity of any further action by City or Developer or any other party; provided, however, upon request of any party in title to the Development Project Site the City shall execute and deliver to such party an instrument, in recordable form, confirming for the record that this covenant has terminated and is no longer in effect. Nothing contained within this Section 4.6 shall be construed, however, to prohibit the Developer from initiating and prosecuting at its own

cost and expense any proceedings permitted by law for the purpose of contesting the validity or amount of real property taxes assessed and levied upon the Development Project Site or any part thereof.

ARTICLE V
PAYMENT FOR ELIGIBLE REDEVELOPMENT PROJECT COSTS

Section 5.1. Payment Procedures. The City and the Developer intend and agree that any Advance Amounts shall be disbursed by the City for payment or reimbursement to or at the direction of the Developer in accordance with the procedures set forth in this Section 5.1 of this Agreement.

The City hereby designates the City's Chief Administrative Officer (the "CAO") as its representative to coordinate the authorization of disbursement of any Advance Amounts for the Eligible Redevelopment Project Costs. Payments or reimbursements to or at the direction of the Developer of any Advance Amounts for Eligible Redevelopment Project Costs shall be made upon request therefor, in form reasonably acceptable to the City (each being a "Requisition") submitted by the Developer from time to time stating:

- (i) that certain Eligible Redevelopment Project Costs have been completed and have either been approved or accepted by the Developer;
- (ii) the dollar amount of the Advance Amount to be advanced or paid in connection with such request; and
- (iii) the dollar amount of the Eligible Redevelopment Project Costs remaining to be paid.

Any such requisition shall be accompanied by such documentation as may reasonably be requested by the City, including contractor's affidavits or lien waivers, as applicable.

Section 5.2. Approval and Resubmission of Requisitions. The CAO shall give the Developer written notice disapproving any of the Requisitions within ten (10) days after receipt thereof. If a Requisition is disapproved by such CAO, the reasons for disallowance will be set forth in writing and the Developer may resubmit any such Requisition with such additional

documentation or verification as may be required. The same procedures set forth herein applicable to disapproval shall apply to such resubmittals.

Section 5.3. Time of Payment. The City shall any Advance Amounts to or at the direction of the Developer within thirty (30) days of the approval of the Requisition as set forth in Section 5.2 above.

ARTICLE VI DEFAULTS AND REMEDIES

Section 6.1. Defaults - Rights to Cure. Failure or delay by either party to timely perform any material term or provision of this Agreement shall constitute a default under this Agreement. The party who so fails or delays must, upon receipt of written notice of the existence of such default, immediately commence to cure, correct or remedy such default and thereafter proceed with diligence to cure such default. The party claiming such default shall give written notice of the alleged default to the party alleged to be in default specifying the default complained of. Except as required to protect against immediate, irreparable harm, the party asserting a default may not institute proceedings against the other party until thirty (30) days after having given such notice. If such default is cured within such thirty (30) day period, the default shall not be deemed to constitute a breach of this Agreement. If the default is one which cannot reasonably be cured within such thirty (30) day period, such thirty (30) day period shall be extended for such time as is reasonably necessary for the curing of such default, so long as there is diligent proceeding to cure such default. If such default is cured within such extended period, the default shall not be deemed to constitute a breach of this Agreement. However, a default not cured as provided above shall constitute a breach of this Agreement. Except as otherwise expressly provided in this Agreement, any failure or delay by either party in asserting any of its rights or remedies as to any default or alleged default or breach shall not operate as a waiver of any such default or breach of any rights or remedies it may have as a result of such default or breach.

Section 6.2. Remedies. In the event of a breach of this Agreement by the Developer under any of the terms and provisions hereof, the City shall have the right to terminate this Agreement by

giving written notice to the Developer of such termination and the date such termination is effective. Except for such right of termination by the City, the only other remedy available to either party in the event of a breach of this Agreement by the other party under any of the terms and provisions hereof shall be to institute legal action against the other party for specific performance or other appropriate equitable relief. Under no circumstances shall the City be subject to any monetary liability or be liable for damages (compensatory or punitive) under any of the other provisions, terms and conditions of this Agreement.

Section 6.3. Costs, Expenses and Fees. If either party defaults in the performance of its obligations hereunder, and is determined in default of this Agreement by a court of competent jurisdiction, each of the parties agree that the defaulting party shall pay the non-defaulting party's costs, expenses and fees of enforcing the defaulting party's obligations under this Agreement, including but not limited to reasonable fees of accountants, attorneys, engineers and other professionals.

ARTICLE VII MISCELLANEOUS PROVISIONS

Section 7.1. Conditions Precedent. The agreements, obligations and undertakings of the City as set forth in this Agreement are expressly contingent upon the Developer having entered into a contract or contracts to undertake the Private Development Project at a total cost of not less than \$200,000.00 on or before Dec 31, ²⁰⁰⁶~~2005~~ and having commenced such rehabilitation, reconstruction, repair or remodeling of the Private Redevelopment Project in a timely manner so as to satisfactorily assure the City that the Private Development Project will be substantially completed on or before July 1, ²⁰⁰⁷~~2006~~ If the Developer shall fail to provide to the City evidence or shall otherwise fail to demonstrate that it has fulfilled its obligations in connection with this Section 7.1 within ten (10) days following written notice of such failure from the City to the Developer, the City shall have no further obligations under this Agreement and this Agreement shall thereupon automatically terminate and be of no force or effect.

Section 7.2 Entire Contract and Amendments. This Agreement (together with Exhibits A, B and C attached hereto) is the entire agreement between the City and the Developer relating to the subject matter hereof. This Agreement supersedes all prior and contemporaneous negotiations, understandings and agreements, written or oral, relating to the subject matter hereof. This Agreement may not be modified or amended except by a written instrument executed by both of the parties.

Section 7.3. Third Parties. Nothing in this Agreement, whether expressed or implied, is intended to confer any rights or remedies under or by reason of this Agreement on any other persons other than the City and the Developer and their respective successors and assigns, nor is anything in this Agreement intended to relieve or discharge the obligation or liability of any third persons to either the City or the Developer, nor shall any provision give any third parties any rights of subrogation or action over or against either the City or the Developer. This Agreement is not intended to and does not create any third party beneficiary rights whatsoever.

Section 7.4. Counterparts. Any number of counterparts of this Agreement may be executed and delivered and each shall be considered an original and together they shall constitute one agreement.

Section 7.5. Special and Limited Obligation; Effect of Failure to Amend. This Agreement shall constitute a special and limited obligation of the City according to the terms hereof. This Agreement shall never constitute a general obligation of the City to which its credit, resources or general taxing power are pledged. The City pledges to the payment of its obligations hereunder only such amount of the Incremental Property Taxes as is set forth in Section 3.1 hereof, if, as and when received, and not otherwise.

Section 7.6. Time and Force Majeure. Time is of the essence of this Agreement; provided, however, neither the Developer nor the City shall be deemed in default with respect to any performance obligations under this Agreement on their respective parts to be performed if any such failure to timely perform is due in whole or in part to the following (which also constitute "unavoidable delays"): any strike, lock-out or other labor disturbance (whether legal or illegal, with

respect to which the Developer, the City and others shall have no obligations hereunder to settle other than in their sole discretion and business judgment), civil disorder, inability to procure materials, weather conditions, wet soil conditions, failure or interruption of power, restrictive governmental laws and regulations, condemnation, riots, insurrections, acts of terrorism, war, fuel shortages, accidents, casualties, acts of God or third parties or for any other reasons not within the Developer's or the City's control.

Section 7.7. Waiver. Any party to this Agreement may elect to waive any right or remedy it may enjoy hereunder, provided that no such waiver shall be deemed to exist unless such waiver is in writing. No such waiver shall obligate the waiver of any other right or remedy hereunder, or shall be deemed to constitute a waiver of other rights and remedies provided pursuant to this Agreement.

Section 7.8. Cooperation and Further Assurances. The City and the Developer covenant and agree that each will do, execute, acknowledge and deliver or cause to be done, executed and delivered, such agreements, instruments and documents supplemental hereto and such further acts, instruments, pledges and transfers as may be reasonably required for the better assuring, mortgaging, conveying, transferring, pledging, assigning and confirming unto the City or the Developer or other appropriate persons all and singular the rights, property and revenues covenanted, agreed, conveyed, assigned, transferred and pledged under or in respect of this Agreement.

Section 7.9. Notices and Communications. All notices, demands, requests or other communications under or in respect of this Agreement shall be in writing and shall be deemed to have been given when the same are (a) deposited in the United States mail and sent by registered or certified mail, postage prepaid, return receipt requested, (b) personally delivered, (c) sent by a nationally recognized overnight courier, delivery charge prepaid or (d) transmitted by telephone facsimile, telephonically confirmed as actually received, in each case, to the City and the Developer at their respective addresses (or at such other address as each may designate by notice to the other), as follows:
