conclusions or other terms and provisions of any projections of Incremental Property Taxes, and the Developer assumes all risks in connection with the practical realization of any such projections of Incremental Property Taxes.

ARTICLE III
CITY'S COVENANTS AND AGREEMENTS

Section 3.1. City's Financial Obligations. The City shall have the obligations set forth in this Section 3.1 relative to financing Eligible Redevelopment Project Costs in connection with the Private Development Project. Upon the submission to the City by the Developer of a Requisition for Eligible Redevelopment Project Costs incurred and paid in accordance with Article V of this Agreement, the City, subject to the terms, conditions and limitation set forth in this Section 3.1 immediately below, agrees to reimburse the Developer from the Fund such Reimbursement Amounts as are directly related to the Private Development Project at the Development Project Site as follows:

(a) such Reimbursement Amounts in connection with the Private Development Project in any one calendar year shall be equal to the amount of the Incremental Property Taxes actually received by the City in any such calendar year which are directly attributable to the Private Development Project at the Development Project Site;

(b) for the purpose of determining the total amount of Incremental Property Taxes which are directly attributable to the Private Development Project at the Development Project Site, the total equalized assessed value (the "EAV") of the Development Project Site for such calendar year shall be reduced by the initial EAV of the Development Project Site in the agreed amount of \$1,796,190, and the result shall be multiplied by the total tax rate of all taxing districts having taxable property within the Redevelopment Project Area for any such applicable calendar year;

(c) the total amount of all such annual payments of the Reimbursement Amounts pursuant to this Section 3.1(a) above shall not exceed the total amount of all Eligible Redevelopment Project Costs which are directly attributable and allocable to the Private Development Project at the Development Project Site or \$1,100,000.00, whichever is less; and

(d) the obligations of the City to reimburse the Developer for any Reimbursement Amounts under this Section 3.1 shall terminate no later than December 31, 2022, or such earlier date upon which the total amount of the reimbursement obligation of the City under this Section 3.1 is paid to the Developer in accordance with Article V of this Agreement.

Section 3.2. City's Obligations to Provide Parking. The City hereby covenants and agrees to provide parking for the benefit of the Development Project Site subject to and in accordance with the provisions of An Agreement to Provide Parking Facilities, to be effective as of the first day of the term as specified therein, a copy of which is attached hereto as Exhibit B (the "Parking Agreement").

Section 3.3. TIF Redevelopment Incentive Program. The City will provide financial incentives in the form of an interest subsidy and, if qualified, a grant under the TIF Redevelopment Program of the City for up to three (3) tenants of the Developer who each meet established criteria for such financial incentives in order to facilitate the construction or rehabilitation of any such tenant's leased premises at the Development Project Site.

Section 3.4. Liquor License. During the term of this Agreement, upon the written request of the Developer, the City agrees to provide and allow for the issuance of one additional Class "A" license for a restaurant/entertainment facility which shall permit the sale and/or dispensing, as the case may be, of alcoholic beverages in a restaurant/entertainment facility to be located within the Development Project Site. Upon application, the City will cause the creation of and the Mayor, as local liquor control commissioner, will issue such license provided that the applicant shall meet each and every provision of Chapter 3, entitled "Alcoholic Liquors", of the Urbana City Code (the "**Liquor Ordinance**") and the Liquor Control Act of 1934 (235 ILCS 5/1-1, et seq.) relating to applications, qualifications, regulations and restrictions for operators of establishments serving, dispensing or selling alcoholic beverages. It is expressly understood by the parties that, notwithstanding any other provision of this Agreement, any changes in, modifications of or amendments to the Liquor Control Ordinance that shall impose more restrictive requirements and regulations on establishments serving, dispensing or selling alcoholic beverages or operators or

licensees thereof shall be applicable to any establishment situated within the Development Project Site. The Liquor Control Ordinance, as it may be supplemented and amended from time to time, shall operate uniformly and without exception on all persons and establishments within the class to which it relates. No license that may be issued hereunder shall be effective for a period in excess of the term applicable to the respective classification as provided in the Liquor Control Ordinance.

Section 3.5. Wall Signage. The City agrees to facilitate the use of exterior wall signage upon the existing structure on the Development Project Site in order to maximize signage visibility for existing and potential future tenants in accordance with zoning ordinance interpretations existing at the time of the Prior Redevelopment Agreement by allowing up to ten percent (10%) of each face of such existing structure for wall signs or wall mounted signs.

Section 3.6. Defense of Redevelopment Project Area. In the event that any court or governmental agency having jurisdiction over enforcement of the TIF Act and the subject matter contemplated by this Agreement shall determine that this Agreement, including any payments of any Reimbursement Amounts to be made by the City, is contrary to law, or in the event that the legitimacy of the Redevelopment Project Area is otherwise challenged before a court or governmental agency having jurisdiction thereof, the City will defend the integrity of the Redevelopment Project Area and this Agreement. Anything herein to the contrary notwithstanding, the Developer agrees that the City may, to the extent permitted by law, use any Incremental Property Taxes, including any unpaid Reimbursement Amounts, if available, to be redirected to reimburse the City for its defense costs, including without limitation attorneys' fees and expenses.

ARTICLE IV DEVELOPER'S COVENANTS

Section 4.1. Commitment to Undertake Required Improvements. The Developer covenants and agrees to commence and complete certain improvements to the Private Development Project, including replacing and/or repairing the HVAC system and the roof of the building and correcting all other violations of the building codes and ordinances of the City on or before December 31, 2007.

Section 4.2. Compliance with Agreement and Laws During Development. The Developer shall at all times acquire, construct and install the Private Development Project, including any related required improvement in conformance with this Agreement and all applicable laws, rules and regulations, including without limitation all applicable subdivision, zoning, environmental, building code or any other land use ordinances of the City, and, to the extent applicable, the Prevailing Wage Act (820 ILCS 130/0.01 et seq.) of the State of Illinois. Whenever possible, the Developer shall cause the Private Development Project to be designed, constructed and installed utilizing innovative and effective techniques in energy conservation. Any agreement of the Developer related to the acquisition, construction, installation and development of the Private Development Project with any contractor, subcontractor or supplier shall, to the extent applicable, contain provisions substantially similar to those required of the Developer under this Agreement.

Section 4.3. City's Right to Audit Developer's Books and Records. The Developer agrees that the City or its agents shall have the right and authority to review and audit, from time to time (at the Developer's principal office during normal business hours) the Developer's books and records relating to the total amount of all costs paid or incurred by the Developer for the Private Development Project and the total amount of related Eligible Redevelopment Project Costs, including, if any, loan agreements, notes or other obligations in connection with any indebtedness of the Developer directly related to such costs paid or incurred by the Developer for the Private Development Project in order to confirm that any such Eligible Redevelopment Project Costs claimed to have been paid and incurred by the Developer were directly related and allocable to the costs of the Private Development Project that was financed by the Developer and in fact paid and incurred by the Developer.

Section 4.4. Indemnity. The Developer covenants and agrees to pay, at its expense, any and all claims, damages, demands, expenses, liabilities and losses resulting from the acquisition, construction and installation of the Private Development Project, any development activities in connection with the Private Development Project or any use, operation, maintenance or occupancy of the Private Development Project by the Developer or any of its agents, contractors,

subcontractors, lessees or invitees with respect to the Private Development Project and this Agreement, and to indemnify and hold and save the City and its officers, agents, employees, engineers and attorneys (the “**Indemnitees**”) harmless of, from and against such claims, damages, demands, expenses, liabilities and losses, except to the extent such claims, damages, demands, expenses, liabilities and losses arise by reason of the sole negligence or willful misconduct of the City or other Indemnitees.

Section 4.5. Continuing Compliance with Laws. The Developer agrees that in the continued use, occupation, operation and maintenance of the Private Development Project , the Developer will comply with all applicable federal and state laws, rules, regulations and all applicable City ordinances and codes.

Section 4.6. Real Estate Tax Obligations. The Developer agrees to pay and discharge, promptly and when the same shall become due, all general real estate taxes, and all applicable interest and penalties thereon, that at any time shall become due and payable upon or with respect to, or which shall become liens upon, any part of the Development Project Site. The Developer, including any others claiming by or through it, hereby covenants and agrees not to file any application for property tax exemption for any part of the Development Project Site under any applicable provisions of the Property Tax Code of the State of Illinois (35 ILCS 200/1-1 et seq.), as supplemented and amended, unless the City and the Developer shall otherwise have first entered into a mutually acceptable agreement under and by which the Developer shall have agreed to make a payment in lieu of taxes to the City, it being mutually acknowledged and understood by both the City and the Developer that any such payment of taxes (or payment in lieu thereof) by the Developer is a material part of the consideration under and by which the City has entered into this Agreement. This covenant of the Developer shall be a covenant that runs with the land being the Development Project Site upon which the Private Development Project is located and shall be in full force and effect until December 31, 2034, upon which date this covenant shall terminate and be of no further force or effect (and shall cease as a covenant binding upon or running with the land) immediately, and without the necessity of any further action by City or Developer or any other

party; provided, however, upon request of any party in title to the Development Project Site the City shall execute and deliver to such party an instrument, in recordable form, confirming for the record that this covenant has terminated and is no longer in effect. Nothing contained within this Section 4.6 shall be construed, however, to prohibit the Developer from initiating and prosecuting at its own cost and expense any proceedings permitted by law for the purpose of contesting the validity or amount of real property taxes assessed and levied upon the Development Project Site or any part thereof.

ARTICLE V
PAYMENT FOR ELIGIBLE REDEVELOPMENT PROJECT COSTS

Section 5.1. Payment Procedures. The City and the Developer agree that the Eligible Redevelopment Project Costs constituting the Reimbursement Amounts shall be paid solely, and to the extent available, from Incremental Property Taxes attributable to the Private Development Project at the Development Project Site that are deposited in the Fund and not otherwise. The City and the Developer intend and agree that any Reimbursement Amounts shall be disbursed by the City Comptroller for payment to the Developer in accordance with the procedures set forth in this Section 5.1 of this Agreement.

The City hereby designates the City Comptroller as its representative to coordinate the authorization of disbursement of any annual Reimbursement Amounts for the Eligible Redevelopment Project Costs. Payments to the Developer of any Reimbursement Amounts for Eligible Redevelopment Project Costs shall be made upon request therefor, in form reasonably acceptable to the City (each being a “**Requisition**”) submitted by the Developer with respect to Eligible Redevelopment Project Costs incurred and paid but not previously submitted. Each such Requisition shall be accompanied by appropriately supporting documentation, including, as applicable: (i) receipts for paid bills or statements of suppliers, contractors or professionals, together with required contractors’ affidavits or lien waivers; (ii) an affidavit by any financial institution which verifies the annual amount of interest costs constituting Eligible Project Redevelopment Costs, if any, that were paid; or (iii) an affidavit by an Independent accountant

which verifies that any such Eligible Project Redevelopment Costs have been paid and incurred by the Developer.

Section 5.2. Approval and Resubmission of Requisitions. The City Comptroller shall give the Developer written notice disapproving any of the Requisitions within ten (10) days after receipt thereof. No such approval shall be denied except on the basis that all or some part of the Requisition does not constitute Eligible Redevelopment Project Costs or has not otherwise been sufficiently documented as specified herein. If a Requisition is disapproved by such City Comptroller, the reasons for disallowance will be set forth in writing and the Developer may resubmit any such Requisition with such additional documentation or verification as may be required. The same procedures set forth herein applicable to disapproval shall apply to such resubmittals.

Section 5.3. Time of Payment. Upon the approval of any of the applicable Requisitions as set forth in Section 5.2 above, the City shall pay each of the applicable annual Reimbursement Amounts to the Developer within thirty (30) days after the receipt by the City of the last installment of the Incremental Property Taxes during that calendar year.

Section 5.4. Shortfalls. If any Requisition is not paid in full in any calendar year due to any of the limitations specified for Reimbursement Amounts in Section 3.1(a) hereof, the entire amount of any Requisition remaining to be paid shall accrue and, subject to and in accordance with the payment procedures set forth in this Article V, shall be paid as a part of any applicable annual Reimbursement Amount in the next or any succeeding calendar year or years at the time specified in Section 5.3 hereof.

ARTICLE VI **DEFAULTS AND REMEDIES**

Section 6.1. Events of Default. The occurrence of any one or more of the events specified in this Section 6.1 shall constitute a “Default” under this Agreement.

(a) The furnishing or making by or on behalf of the Developer of any statement or representation in connection with or under this Agreement or any of the Related Agreements that is false or misleading in any material respect;

(b) The failure by the Developer to timely perform any term, obligation, covenant or condition contained in this Agreement or any of the Related Agreements;

(c) The failure by the City to pay any Reimbursement Amounts which become due and payable in accordance with the provisions of Article V of this Agreement; and

(d) The failure by the City to timely perform any other term, obligation, covenant or condition contained in this Agreement.

Section 6.2. Rights to Cure. The party claiming a Default under Section 6.1 of this Agreement (the “**Non-Defaulting Party**”) shall give written notice of the alleged Default to the other party (the “**Defaulting Party**”) specifying the Default complained of. Except as required to protect against immediate, irreparable harm, the Non-Defaulting Party may not institute proceedings or otherwise exercise any right or remedy against the Defaulting Party until thirty (30) days after having given such notice, but may suspend performance under this Agreement until the Non-Defaulting Party receives written assurances, deemed reasonably adequate by the Non-Defaulting Party, from the Defaulting Party that the Defaulting Party will cure the Default and remain in compliance with its obligations under this Agreement. A Default not cured within thirty (30) days as provided above shall constitute an “**Event of Default**” under this Agreement. Except as otherwise expressly provided in this Agreement, any failure or delay by either party in asserting any of its rights or remedies as to any Default or any Event of Default shall not operate as a waiver of any such Default, Event of Default or of any other rights or remedies it may have as a result of such Default or Event of Default.

Section 6.3. Remedies. Upon the occurrence of an Event of Default under this Agreement by the Developer, the City shall have the right to terminate this Agreement by giving written notice to the Developer of such termination and the date such termination is effective. Except for such right of termination by the City, the only other remedy available to either party upon the occurrence

of an Event of Default under this Agreement by the Defaulting Party shall be to institute legal action against the Defaulting Party for specific performance or other appropriate equitable relief. Except for the payment of any Reimbursement Amounts which become due and payable in accordance with the provisions of Article V hereof, under no circumstances shall the City be subject to any monetary liability or be liable for damages (compensatory or punitive) under any of the other provisions, terms and conditions of this Agreement. In the event that any failure of the City to pay any Reimbursement Amounts which become due and payable in accordance with the provisions of Article V hereof is due to insufficient Incremental Property taxes which are directly attributable to the Development Project at the Development Project Site being actually received by the City, any such failure shall not be deemed to be a Default on the part of the City.

Section 6.4. Costs, Expenses and Fees. Upon the occurrence of a Default which requires either party to undertake any action to enforce any provision of this Agreement, the Defaulting Party shall pay upon demand all of the Non-Defaulting Party's charges, costs and expenses, including the reasonable fees of attorneys, agents and others, as may be paid or incurred by such Non-Defaulting Party in enforcing any of the Defaulting Party's obligations under this Agreement or in any litigation, negotiation or transaction in connection with this Agreement in which the Defaulting Party causes the Non-Defaulting Party, without the Non-Defaulting Party's fault, to become involved or concerned.

ARTICLE VII

MISCELLANEOUS PROVISIONS

Section 7.1 Entire Agreement and Amendments. This Agreement (together with the Exhibits A and B attached hereto) is the entire agreement between the City and the Developer relating to the subject matter hereof. This Agreement supersedes all prior and contemporaneous negotiations, understandings and agreements, written or oral, including in particular the Prior Redevelopment Agreement, and may not be modified or amended except by a written instrument executed by both of the parties. Upon the execution and delivery of this Agreement, all rights and

obligations of both the Developer and the City under the Prior Redevelopment Agreement shall be terminated, discharged and no longer of any force and effect.

Section 7.2. Third Parties. Nothing in this Agreement, whether expressed or implied, is intended to confer any rights or remedies under or by reason of this Agreement on any other persons other than the City and the Developer and their respective successors and assigns, nor is anything in this Agreement intended to relieve or discharge the obligation or liability of any third persons to either the City or the Developer, nor shall any provision give any third parties any rights of subrogation or action over or against either the City or the Developer. This Agreement is not intended to and does not create any third party beneficiary rights whatsoever.

Section 7.3. Counterparts. Any number of counterparts of this Agreement may be executed and delivered and each shall be considered an original and together they shall constitute one agreement.

Section 7.4. Special and Limited Obligation. This Agreement shall constitute a special and limited obligation of the City according to the terms hereof. This Agreement shall never constitute a general obligation of the City to which its credit, resources or general taxing power are pledged. The City pledges to the payment of its obligations under Section 3.1 hereof only such amount of the Incremental Property Taxes attributable to the Private Development Project at the Development Project Site as is set forth in Section 3.1 hereof, if, as and when received, and not otherwise.

Section 7.5. Time and Force Majeure. Time is of the essence of this Agreement; provided, however, neither the Developer nor the City shall be deemed in Default with respect to any performance obligations under this Agreement on their respective parts to be performed if any such failure to timely perform is due in whole or in part to the following (which also constitute "unavoidable delays"): any strike, lock-out or other labor disturbance (whether legal or illegal, with respect to which the Developer, the City and others shall have no obligations hereunder to settle other than in their sole discretion and business judgment), civil disorder, inability to procure materials, weather conditions, wet soil conditions, failure or interruption of power, restrictive

governmental laws and regulations, condemnation, riots, insurrections, acts of terrorism, war, fuel shortages, accidents, casualties, acts of God or third parties, or any other cause beyond the reasonable control of the Developer or the City.

Section 7.6. Waiver. Any party to this Agreement may elect to waive any right or remedy it may enjoy hereunder, provided that no such waiver shall be deemed to exist unless such waiver is in writing. No such waiver shall obligate the waiver of any other right or remedy hereunder, or shall be deemed to constitute a waiver of other rights and remedies provided pursuant to this Agreement.

Section 7.7. Cooperation and Further Assurances. The City and the Developer covenant and agree that each will do, execute, acknowledge and deliver or cause to be done, executed and delivered, such agreements, instruments and documents supplemental hereto and such further acts, instruments, pledges and transfers as may be reasonably required for the better assuring, mortgaging, conveying, transferring, pledging, assigning and confirming unto the City or the Developer or other appropriate persons all and singular the rights, property and revenues covenanted, agreed, conveyed, assigned, transferred and pledged under or in respect of this Agreement.

Section 7.8. Notices and Communications. All notices, demands, requests or other communications under or in respect of this Agreement shall be in writing and shall be deemed to have been given when the same are (a) deposited in the United States mail and sent by registered or certified mail, postage prepaid, return receipt requested, (b) personally delivered, (c) sent by a nationally recognized overnight courier, delivery charge prepaid or (d) transmitted by telephone facsimile, telephonically confirmed as actually received, in each case, to the City and the Developer at their respective addresses (or at such other address as each may designate by notice to the other), as follows:

Whenever any party hereto is required to deliver notices, certificates, opinions, statements or other information hereunder, such party shall do so in such number of copies as shall be reasonably specified.

Section 7.9. Assignment. The Developer shall have the right to sell, assign or otherwise transfer its rights and obligations under this Agreement to any assignee in whole without the prior written consent of the City, but shall not have the right to sell, assign or otherwise transfer its rights and obligations under this Agreement to any assignee in part. Any assignment in part shall be void and shall, at the option of the City, terminate this Agreement. No such sale, assignment or transfer authorized in this Section, including any without the City's consent, shall be effective or binding on the City, however, unless and until the Developer delivers to the City a duly authorized, executed and delivered instrument which contains any such sale, assignment or transfer and the assumption of all the applicable covenants, agreements, terms and provisions of this Agreement by the party thereto.

Section 7.10. Successors in Interest. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respectively authorized successors, assigns and legal representatives (including successor Corporate Authorities).

Section 7.11. No Joint Venture, Agency, or Partnership Created. Nothing in this Agreement nor any actions of either of the City or the Developer shall be construed by either of the City, the Developer or any third party to create the relationship of a partnership, agency, or joint venture between or among the City and any party being the Developer.

Section 7.12. Illinois Law; Venue. This Agreement shall be construed and interpreted under the laws of the State of Illinois. If any action or proceeding is commenced by any party to enforce any of the provisions of this Agreement, the venue for any such action or proceeding shall be in Champaign County, Illinois.

Section 7.13. No Personal Liability of Officials of City. No covenant or agreement contained in this Agreement shall be deemed to be the covenant or agreement of any official, officer, agent, employee or attorney of the City, in his or her individual capacity, and neither the members of the Corporate Authorities nor any official of the City shall be liable personally under this Agreement or be subject to any personal liability or accountability by reason of the execution, delivery and performance of this Agreement.

Section 7.14. Repealer. To the extent that any ordinance, resolution, rule, order or provision of the City's Code of Ordinances or any part thereof is in conflict with the provisions of this Agreement, the provisions of this Agreement shall be controlling, to the extent lawful.

Section 7.15. Term. Unless earlier terminated pursuant to the terms hereof, this Agreement shall be and remain in full force and effect until December 31 of the calendar year in which the last of the reimbursement obligations of the City become due and payable under Section 3.1 hereof; provided, however, that anything to the contrary notwithstanding, the Developer's obligations under Sections 4.4 and 4.6 of this Agreement shall be and remain in full force and effect in accordance with the express provisions of each such Section.

Section 7.16. Recordation of Agreement. Either party may record this Agreement or a Memorandum of this Agreement in the office of the Champaign County Recorder at any time following its execution and delivery by both parties.

Section 7.17. Construction of Agreement. This Agreement has been jointly negotiated by the parties and shall not be construed against a party because that party may have primarily assumed responsibility for preparation of this Agreement.

IN WITNESS WHEREOF, the City and the Developer have caused this Agreement to be executed by their duly authorized officers or manager(s) as of the date set forth below.

AGREEMENT TO PROVIDE PARKING FACILITIES

THIS AGREEMENT TO PROVIDE PARKING FACILITIES, including any Exhibit attached hereto (collectively, this "**Agreement**"), is made and entered into as of May 1, 2005, but actually executed by each of the parties on the dates set forth beneath the signatures of each of their duly authorized officers below, by and between the CITY OF URBANA, CHAMPAIGN COUNTY, ILLINOIS, an Illinois municipal corporation (the "**City**") and THE NEW LINCOLN SQUARE, LLC, an Illinois limited liability company (the "**Square**").

WITNESSETH:

WHEREAS, the City is the owner of certain improved municipal parking facilities (the "**Parking Facilities**") located upon the lots shown as Lot 10-A North, Lot 10-A South, Lot 10-E, Lot 10-F, Lot 10-X and Lot 24 (collectively, the "**Parking Area**") on Exhibit A, a copy of which is attached hereto and hereby made a part hereof; and

WHEREAS, the Square is the owner of Lot 1 and Lot 10 in the Central Business Addition, Urbana, Illinois, commonly known as "Lincoln Square" (the "**Lincoln Square Site**"); and

WHEREAS, the City and Lincoln Square Realty Partners Limited Partnership, a Delaware limited partnership (the "**Partnership**"), the former owner of the Lincoln Square Site, entered into "An Agreement Relative to Parking for Lincoln Square Shopping Center, Urbana, Illinois", dated as of March 1, 1990 (the "**1990 Agreement**"), under and by which, among other matters, the City agreed to provide, operate and maintain, and the Partnership agreed to pay for, the public parking of motor vehicles upon that part of the Parking Area exclusive of Lot 24 under the terms, provisions and conditions therein contained; and

WHEREAS, the Square has succeeded to the interests of the Partnership under the 1990 Agreement; and

WHEREAS, the City and the Square have entered into a Redevelopment Agreement dated as of October 1, 2004 (the "**Redevelopment Agreement**") under and by which the Square has proposed to rehabilitate, reconstruct, repair or remodel the existing structure upon the Lincoln Square Site conditioned upon the City providing certain tax increment finance and other incentives in connection therewith, including the rights and obligations of the City and the Square with respect to the Parking Area and the Square's use of the Parking Facilities under this Agreement.

NOW, THEREFORE, in consideration of the mutual agreements, covenants, representations and undertakings herein contained, the City and the Square hereby mutually agree, covenant, represent and undertake as follows:

ARTICLE I

TERM; EFFECT OF 1990 AGREEMENT

Section 1.1. Term. The term of this Agreement shall commence on the first day of the calendar month in which any newly improved office space undertaken as part of the Private

Development Project (as defined in the Redevelopment Agreement) is to be first occupied for use, such date currently anticipated to be May 1, 2005, and shall continue until December 31, 2034, unless sooner terminated in accordance with this Agreement (the "Term").

Section 1.2. Effect of 1990 Agreement. Beginning on the first day of the Term of this Agreement, all provisions of the 1990 Agreement shall be and remain suspended and the provisions of this Agreement shall control and be in full force and effect. In the event that this Agreement is terminated for any reason under Section 5.2 hereof before June 30, 2018, the provisions of the 1990 Agreement shall no longer be and remain suspended but shall thereafter be and remain in full force and effect from and after the date of any such termination.

ARTICLE II

PARKING FACILITIES; OBLIGATIONS OF CITY

Section 2.1. Provision of Parking Facilities. For and during the Term of this Agreement, the City shall provide, operate and maintain the Parking Facilities for the benefit of the Lincoln Square Site in connection with the parking of motor vehicles and vehicular and pedestrian ingress and egress related thereto, subject to, and in accordance with, the terms, provisions and conditions of this Article, including as follows:

a. Lot 10-A North, Lot 10-A South and Lot 10-F shall each be operated as a free parking lot having a 2-hour time limit for the customers of any commercial tenants of the Square at the Lincoln Square Site, subject, however, to the reserved rights of the City as follows: (i) to operate Lot 10-A North as a metered parking lot; (ii) to request the use of Lot 10-F for any City-sponsored event on any Saturday and Sunday during the months of April to November, inclusive, in each year during the Term of this Agreement (which such request shall not be unreasonably denied, withheld, delayed or conditioned by the Square); (iii) to permit the use of Lot 10-F for permit parking by any person serving as a juror during any jury term in the Circuit Court of the Sixth Judicial District, Champaign County, Illinois, under circumstances where the City has first made reasonable accommodation to provide such permit parking elsewhere; and (iv) to continue to provide reserved or other permit parking in Lot 10-A South to other entities but only to the extent currently in effect under any existing agreement.

b. Lot 10-E (in part) and Lot 10-X shall each be operated as a reserved lot for permit parking by the commercial tenants, including their employees, and the residential tenants of the Square at the Lincoln Square Site (collectively, the "Permittees"), subject, however, to the reserved rights of the City as follows: (i) to permit the use of Lot 10-X for an open-air market on any Saturday during the months of April to November, inclusive, in each year during the Term of this Agreement; and (ii) to continue to provide reserved or other permit parking in Lot 10-E to other entities but only to the extent currently in effect under any existing agreement.

c. Lot 24 shall be operated as a reserved lot and made available for 100 parking spaces for permit parking by the Permittees of the Square at the Lincoln Square Site subject, however, to the reserved right of the City to relocate the availability of any such parking to any other parking lot owned or controlled by the City within a one-block radius of the area bounded by Elm Street to the north, Vine Street to the east, Illinois Street to the south and Race Street to the west (the "Adjacent Parking Lots").

Section 2.2. No Charge. Except for any parking meter revenues derived in connection with any parking meters on Lot 10-A North and the payments provided to be made by the Square under Article IV of this Agreement, the City agrees that it will not impose upon the Square or any of its Permittees any other direct fee, charge, tax, assessment or other payment for the parking of motor vehicles upon the Parking Area, or for any repair, maintenance, improvement or restoration of the Parking Facilities or for any other reason relating to the Parking Area or Parking Facilities.

Section 2.3. Repair and Maintenance of the Parking Facilities. The City shall maintain the Parking Facilities at its own expense, subject to the provisions of this Agreement, in good condition and repair, and in a condition at least equal to the condition of parking lots serving or situated in or around multi-use facilities similar in size and quality to the facilities of the Lincoln Square Site, and agrees specifically:

- (i) to maintain the Parking Facilities in a clean, presentable and safe condition and promptly remove snow, ice, debris and other obstructions;
- (ii) to supply and maintain all pavement markings and such directional, informational and traffic control signs as may be reasonably necessary for public safety and the enforcement of applicable laws and ordinances on or within the Parking Area;
- (iii) to make all necessary repairs and replacements to lighting fixtures upon the Parking Area;
- (iv) to supply and maintain trees, shrubs and other plant materials for landscaping of the Parking Area; and
- (v) to repair, restore and replace the surface of the Parking Facilities from time to time as shall be reasonably required to maintain the Parking Facilities in the aforesaid condition.

The City agrees that it will diligently perform any repairs, maintenance, restoration, replacement and other work so as to minimize the interference with parking and vehicular and pedestrian traffic resulting therefrom and that it will provide to the Developer such written notice as may be reasonable under the circumstances whenever any such work will require the closure of any material part of the Parking Facilities.

Section 2.4. Alteration of Parking Spaces. The City shall not materially alter the location, size or shape of any parking spaces located in the Parking Area or the location, direction, size or shape of any aisles, driveways or other means of access, ingress or egress on or about the Parking Area or otherwise materially alter, change or modify the configuration of the Parking Facilities in any way without the prior written consent of the Square, which consent shall not be unreasonably denied, withheld, delayed or conditioned.

Section 2.5. Policing and Patrolling of the Parking Area. Throughout the Term of this Agreement, the City shall police and patrol the Parking Areas (but not solely or exclusively) for the purpose of enforcing the parking meter, time limit and permit parking restrictions described in Section 2.1 of this Agreement (collectively, the "Parking Restrictions"). The City further agrees that it will place signs on or about the Parking Area for the purpose of informing users of the Parking Area of the Parking Restrictions and that it will enforce the Parking Restrictions. In the event that the City shall elect to enforce the Parking Restrictions by the imposition of fines or other penalties upon violators thereof, the imposition of such fines and penalties shall not be deemed to violate the provisions of Section 2.2 hereof.

Section 2.6. Permits. The City agrees to cooperate with the Square to establish policies and procedures for the issuance of permits for the motor vehicle of any Permittees of the Square at the Lincoln Square Site, which policies and procedures may include the means to affix and locate any identification stickers upon the vehicles of such Permittees and any relevant identification or other information in connection therewith. The Parking Restrictions shall not apply and shall not be enforced against any such Permittees who park a motor vehicle in Lot 10-E and Lot 10-X of the Parking Area in accordance with any such agreed upon policies and procedures, but any other applicable parking restrictions or regulations shall be and remain applicable and may be enforced.

ARTICLE III **LINCOLN SQUARE SITE; OBLIGATIONS OF THE SQUARE**

Section 3.1. Use of Lincoln Square Site. The Square agrees that it shall use the Lincoln Square Site solely as a multi-use residential, office and retail facility substantially in accordance with the Design Proposal for the Private Development Project as most recently approved by the City in accordance with the Redevelopment Agreement. In no event shall the Square provide any leasable space devoted to office use within the Lincoln Square Site that will exceed 60% of the total leasable space within the Lincoln Square Site when measured on a square footage basis; provided, however, that this limitation shall not apply to any additionally constructed leasable space that is not a part of the Design Proposal for the Private Development Project as most recently approved by the City in accordance with the Redevelopment Agreement. The Square agrees that it shall continuously operate the Lincoln Square Site for the purposes as stated above and will not use or permit the use of Lincoln Square for any other purpose inconsistent herewith. Without in any way qualifying, broadening or otherwise affecting the aforesaid provisions hereof, the Square specifically agrees that no portion of the Lincoln Square Site will be used or be permitted to be used for an Adult Entertainment Use, as such or any similar term is now or hereafter defined in the Zoning Ordinance of the City of Urbana.

Section 3.2. Operation of the Lincoln Square Site. The Square agrees that it shall generally operate its business in a substantially efficient and reputable manner and shall, except during reasonable periods of repairing, cleaning and decorating, keep the Lincoln Square Site open to the public for business during the regular and customary days and hours that such businesses are usually open for business. The Square further agrees that it shall keep the Lincoln Square Site in substantially good repair and operating condition and that it shall make from time to time all reasonably necessary repairs thereto and reasonable renewals and replacements thereof.

ARTICLE IV **PAYMENT OBLIGATIONS OF THE SQUARE**

Section 4.1. Payments. For and during the Term of this Agreement, the Square shall pay to the City an annual payment for the parking benefits attributable to Lot 10-A South, Lot 10-F, Lot 10-E and Lot 10-X (the "Annual Base Payment") and an annual payment for the parking benefits attributable to Lot 24 and the Adjacent Parking Lots (the "Annual Permit Payment").

Section 4.2. Annual Base Payment. The Annual Base Payment shall be payable in equal monthly installments on the first day of each month during the Term of this Agreement, commencing on May 1, 2005, and shall be in the initial amount of \$85,280 per year. Such Annual

Base Payment shall be adjusted on May 1, 2006 and on each May 1 thereafter during the Term of this Agreement by the increase in the cost of living, as measured by the line captioned "all items" in the table and title "D-1 Consumer Price Index--All City Average," "all items groups, subgroups and special groups," published monthly in the Monthly Labor Review of the Bureau of Labor Statistics of the United States Department of Labor (the "CPI"). Such adjustment shall be determined by the following formula:

Annual Base Payment as last so increased under this Agreement

multiplied by:

$$1 + \frac{\text{Current Index} - \text{Base Index}}{\text{Base Index}}$$

Where, "Current Index" shall be the CPI for the month immediately prior to each applicable May 1 and "Base Index" shall be the CPI for the month immediately prior to the May 1 in the most recent calendar year. In no event, however, shall the Annual Base Payment for any period be less than the Annual Base Payment as last so increased under this Section. In the event that such CPI is no longer published or otherwise available, the adjustment provided for herein shall be by the successor (or the most nearly comparable successor) index thereto, adjusted as appropriate to the applicable dates.

Section 4.3. Annual Permit Payment. The Annual Permit Payment shall be payable in equal monthly installments on the first day of each month during the Term of the Agreement, commencing on May 1, 2005, and shall be in an amount of \$8,400.00 per year until April 30, 2015. Thereafter the Annual Permit Payment shall be at such rate or rates per permit as may then be in effect by the City for any such similar permit parking.

ARTICLE V **DEFAULT AND REMEDIES**

Section 5.1. Events of Default. The occurrence of any of the following events (an "Event of Default") shall constitute a default of this Agreement:

a. Any failure by the Square to make any payment or any installment thereof as provided in Article IV of this Agreement as and when due, where such failure shall continue for a period of ten (10) days after written notice thereof from the City to the Square.

b. Any failure by either party to observe and perform any other provision of this Agreement to be observed and performed by such party where such failure shall continue for a period of thirty (30) days after written notice thereof to such party from the other party not so in default, provided, that if the nature of such party's default is such that more than thirty (30) days are reasonably required for its cure, then such party shall not be deemed to be in default if such party commences such cure within such thirty (30) day period and thereafter diligently prosecutes such cure to completion.

c. Any breach by the Square under the Redevelopment Agreement.

Section 5.2. Remedies.

a. Upon the occurrence of any Event of Default by the Square under subsection a. of Section 5.1 above, the City shall have the right and option, in addition to and without limiting the City in the exercise of any other right or remedy to recover the amount of any payment or installment then due and owing the City by reason of such Event of Default, to terminate this Agreement. Upon the occurrence of an Event of Default under subsections b. or c. of Section 5.1 above, the City shall only have the right and option to terminate this Agreement.

b. Upon the occurrence of an Event of Default by the City under subsection b. of Section 5.1 above, the Square shall have the right and option, in addition to and without limiting the Square in the exercise of any other right or remedy the Square may have by reason of such Event of Default, to withhold all or any part of any payment or installment due and payable by the Square under Article IV hereof, as such payment or installment may be adjusted from time to time, until the fifteenth (15th) day next following the curing of such Event of Default. The Square shall further have the right and option to specifically enforce any of the provisions of this Agreement or to pursue any legal remedy to recover for the Event of Default; provided, however, that any remedy seeking damages shall be limited to actual loss and under no circumstances shall the Square have the right to seek or recover consequential damages such as lost profits.

Section 5.3. Cost and Expenses of Enforcement. Upon the occurrence of an Event of Default which requires either party to undertake any action to enforce any provision of this Agreement, the defaulting party shall pay upon demand all of the nondefaulting party's charges, costs and expenses, including the reasonable fees of attorneys, agents and others, as may be paid or incurred by such nondefaulting party in enforcing any of the defaulting party's obligations under this Agreement or in any litigation, negotiation or transaction in connection with this Agreement in which the defaulting party causes the nondefaulting party; without the nondefaulting party's fault, to become involved or concerned.

Section 5.4. Accord and Satisfaction. No payment received by the City of a lesser amount than the amount of any payment or installment then due and payable shall be deemed to be other than on account of the earliest stipulated payment or installment then due and payable nor shall any statement on a check or any letter accompanying a payment of any such payment or installment then due and payable be deemed an accord and satisfaction. The City may accept payment without prejudice to the City's right to recover the balance of any such payment or installment then due and payable or to pursue any remedy in this Agreement or provided by law.

Section 5.5. Waiver. The waiver by either party of any default of any term, covenant, or condition herein shall not be deemed or implied to affect, and no express waiver shall affect, any default other than the default specified in such waiver and then only for the time and to the extent stated therein. The acceptance of any payment by the City shall not be deemed a waiver of any preceding default by the Square of any covenant herein, other than the failure of the Square to pay the amount so accepted. No covenant, term or condition of this Agreement shall be waived by either party unless such waiver is in writing and any failure to insist upon strict performance of any of the provisions contained in this Agreement shall not be deemed a waiver of any subsequent default in any of such provisions.

Section 5.6. Rights and Remedies Cumulative. Except as otherwise specifically provided in this Article, the rights and remedies of the parties under this Agreement are cumulative, and the use of one or more thereof shall not exclude or waive the right to the use of any other remedy conferred by law, including specific performance or any other equitable action.

ARTICLE VI MISCELLANEOUS

Section 6.1. Savings Clause. The invalidity or unenforceability of any provision of this Agreement shall not affect or impair any other provision thereof.

Section 6.2. Illinois Law; Venue. This Agreement shall be deemed to be a contract and an agreement made under and shall be construed in accordance with and governed by the laws of the State of Illinois. If any action or proceeding is commenced by either party to enforce any of the provisions of this Agreement, the venue for any such action or proceeding shall be in Champaign County, Illinois.
