ARTICLE III

CITY'S COVENANTS AND AGREEMENTS

Section 3.1. City's Financial Obligations. The City shall have the obligations set forth in this Section 3.1 relative to financing Eligible Redevelopment Project Costs in connection with the Private Development Project. Upon the submission to the City by the Developer of a Requisition for Eligible Redevelopment Project Costs incurred and paid, the City, subject to the terms, conditions and limitation set forth in this Section 3.1 immediately below, agrees to reimburse the Developer from the Fund such Reimbursement Amounts as are paid and incurred by the Developer and are directly related to the Development Project at the Development Project Site as follows:

(a) such Reimbursement Amounts in connection with the Private Development Project shall initially be payable in the amount of \$200,000.00 upon the execution and delivery of this Agreement;

(b) such Reimbursement Amounts in connection with the Private Development Project shall annually be payable in amounts as follows (the “**Annual Reimbursement Amounts**”):

(i) eighty percent (80%) of the Incremental Property Taxes actually received by the City in each such applicable calendar year which are attributable to a Retail Use within the Development Project Site;

plus

(ii) fifty percent (50%) of the Incremental Property Taxes actually received by the City in each such applicable calendar year which are attributable to any use other than a Retail Use within the Development Project Site;

(c) for the purpose of calculating the total amount of Incremental Property Taxes for any such calendar year which are directly attributable to each lot having a separate permanent parcel number within the Private Development Project, the total equalized assessed value (the “**EAV**”) of each lot having a separate permanent parcel number at the Development Project Site for such calendar year shall be reduced by the initial EAV of the Development Project Site as assigned to each lot within the Development Project Site by the Champaign County Clerk and the result for each such lot shall be multiplied by the total tax rate of all taxing districts having taxable property within the Redevelopment Project Area for any such applicable calendar year;

(d) the obligations of the City to reimburse the Developer for any Annual Reimbursement Amounts under this Section 3.1 shall commence with the calendar year immediately following the calendar year in which a certificate of occupancy is issued for the applicable project to be completed upon Lot 100 as a part of the Private Development Project, and shall continue until the termination of TIF for the Redevelopment Project Area in calendar year 2022.

Section 3.2. Conditions Precedent. The obligations of the City to make any payments of the Annual Reimbursement Amounts as set forth in Section 3.1(b)-(d) of this Agreement are

expressly contingent upon the Developer having completed the Private Development Project no later than December 31, 2012. If the Developer shall fail to demonstrate that it has in fact fulfilled its obligation to complete the Private Development Project on or before December 31, 2012, the City shall have the right and option to immediately terminate this Agreement by providing written notice of such termination upon the Developer, in which event the City shall have no further obligations under this Agreement and this Agreement shall thereupon automatically terminate and be of no further force or effect.

Section 3.3. Defense of Redevelopment Project Area. In the event that any court or governmental agency having jurisdiction over enforcement of the TIF Act and the subject matter contemplated by this Agreement shall determine that this Agreement, including any payments of any Reimbursement Amounts to be made by the City are contrary to law, or in the event that the legitimacy of the Redevelopment Project Area are otherwise challenged before a court or governmental agency having jurisdiction thereof, the City will defend the integrity of the Redevelopment Project Area and this Agreement. Anything herein to the contrary notwithstanding, the Developer agrees that the City may, to the extent permitted by law, use any Incremental Property Taxes, including any unpaid Reimbursement Amounts, if available, to be redirected to reimburse the City for its defense costs, including without limitation attorneys' fees and expenses.

ARTICLE IV

DEVELOPER'S COVENANTS

Section 4.1. Preparation of Design Proposal. The Developer covenants and agrees to cause the Design Proposal to be prepared by an architect or firm of architects substantially in conformity with the requirements of the Downtown Strategic Plan of the City, the Redevelopment Plan and all subdivision, zoning, environmental or other applicable regulations of the City and State of Illinois and to submit such Design Proposal to the City for review and approval if not otherwise in compliance with the special use permit for the Development Project Site as approved pursuant to Ordinance No. 2006-07-105. Any such further review and approval by the City under this Section shall be limited to confirming whether such Design Proposal qualifies as one of the alternative

projects specified for Lot 100 of the Development Project Site within the meaning of the Private Development Project.

Section 4.2. Commitment to Undertake the Private Development Project. The Developer covenants and agrees to commence and complete the Private Development Project at a total cost of not less than \$3,500,000.00 in accordance with the Design Proposal on or before December 31, 2012. During the progress of the Private Development Project, the Developer and the Community Development Director of the City (the “**Director**”) may authorize such changes to the Design Proposal or any aspect thereof as may be in furtherance of the general objectives of the Redevelopment Plan and this Agreement and as site conditions or other issues of feasibility may dictate or as may be required to meet the reasonable requests of prospective tenants or as may be necessary or desirable in the sole discretion of the Developer and the Director to enhance the economic viability of the Private Development Project; provided, however, that the Developer shall not make any material change to the Design Proposal, whether individually with respect to any phase or in the aggregate, without the advance written consent of the Corporate Authorities of the City.

Section 4.3. Compliance with Agreement and Laws During Development. The Developer shall at all times acquire, construct and install the Private Development Project in conformance with this Agreement, the Design Proposal and all applicable laws, rules and regulations, including without limitation all applicable subdivision, zoning, environmental, building code or any other land use ordinances of the City, and, to the extent applicable, the Prevailing Wage Act (820 ILCS 130/0.01 et seq.) of the State of Illinois. Any agreement of the Developer related to the acquisition, construction, installation and development of the Private Development Project with any contractor, subcontractor or supplier shall, to the extent applicable, contain provisions substantially similar to those required of the Developer under this Agreement.

Section 4.4. City’s Right to Audit Developer’s Books and Records. The Developer agrees that the City or its agents shall have the right and authority to review and audit, from time to time (at the Developer’s principal office during normal business hours) the Developer’s books and

records relating to the total amount of all costs paid or incurred by the Developer for the Private Development Project and the total amount of related Eligible Redevelopment Project Costs in order to confirm that any such Eligible Redevelopment Project Costs claimed to have been paid and incurred by the Developer were directly related and allocable to the costs of the Private Development Project that was in fact paid and incurred by the Developer.

Section 4.5. Indemnity. The Developer covenants and agrees to indemnify and hold and save the City and its officers, agents, employees, engineers and attorneys (the “**Indemnitees**”) harmless of, from and against all claims, damages, demands, expenses, liabilities and losses, resulting from the acquisition, construction and installation of the Private Development Project, any development activities in connection with the Private Development Project or any use, operation, maintenance or occupancy of the Private Development Project by the Developer or any of its agents, contractors, subcontractors, successors or assigns, except to the extent such claims, damages, demands, expenses, liabilities and losses arise by reason of the negligence or willful misconduct of the City or other Indemnitees.

Section 4.6. Continued Compliance With All Laws. The Developer agrees that in the continued use, occupation, operation and maintenance of the Private Development Project following its completion, the Developer will comply with all applicable federal and state laws, rules and regulations and all applicable City ordinances, codes and regulations.

Section 4.7. Real Estate Tax Obligations. The Developer agrees to pay and discharge, promptly and when the same shall become due, all general real estate taxes, and all applicable interest and penalties thereon, that at any time shall become due and payable upon or with respect to, or which shall become liens upon, any part of the Development Project Site. The Developer, including any others claiming by or through it, hereby covenants and agrees not to file any application for property tax exemption for any part of the Development Project Site under any applicable provisions of the Property Tax Code of the State of Illinois (35 ILCS 200/1-1 et seq.), as supplemented and amended, unless the City and the Developer shall otherwise have first entered into a mutually acceptable agreement under and by which the Developer shall have agreed to make

a payment in lieu of taxes to the City, it being mutually acknowledged and understood by both the City and the Developer that any such payment of taxes (or payment in lieu thereof) by the Developer is a material part of the consideration under and by which the City has entered into this Agreement. This covenant of the Developer shall be a covenant that runs with the land being the Development Project Site upon which the Private Development Project is located and shall be in full force and effect until December 31, 2030, upon which date this covenant shall terminate and be of no further force or effect (and shall cease as a covenant binding upon or running with the land) immediately, and without the necessity of any further action by City or Developer or any other party; provided, however, upon request of any party in title to any lot upon the Development Project Site the City shall execute and deliver to such party an instrument, in recordable form, confirming for the record that this covenant has terminated and is no longer in effect. Nothing contained within this Section 4.7 shall be construed, however, to prohibit the Developer from initiating and prosecuting at its own cost and expense any proceedings permitted by law for the purpose of contesting the validity or amount of real estate taxes assessed and levied upon the Development Project Site or any part thereof.

ARTICLE V

PAYMENT FOR ELIGIBLE REDEVELOPMENT PROJECT COSTS

Section 5.1. Payment Procedures. The City and the Developer agree that the Eligible Redevelopment Project Costs constituting the Reimbursement Amounts shall be paid solely, and to the extent available, from Incremental Property Taxes attributable to the Private Development Project at the Development Project Site that are actually received and deposited in the Fund and not otherwise. The City and the Developer intend and agree that any Reimbursement Amounts shall be disbursed by the City Comptroller of the City (the “**City Comptroller**”) for payment to the Developer in accordance with the procedures set forth in this Section 6.1 of this Agreement.

The City hereby designates the City Comptroller as its representative to coordinate the authorization of disbursement of any Reimbursement Amounts for the Eligible Redevelopment Project Costs. Payments to the Developer of any Reimbursement Amounts for Eligible

Redevelopment Project Costs shall be made upon request therefor, in form reasonably acceptable to the City (each being a “**Requisition**”) submitted by the Developer with respect to any Eligible Redevelopment Project Costs incurred but not previously submitted. Each such Requisition shall be accompanied by such documentation or by the statement or report of an Independent accountant which shows and verifies that any such Eligible Project Redevelopment Costs have in fact been paid and incurred by the Developer.

Section 5.2. Approval and Resubmission of Requisitions. The City Comptroller shall give the Developer written notice disapproving any Requisition within ten (10) days after receipt thereof. No such approval shall be denied except on the basis that either of the following have not been sufficiently documented or specified: (i) the amount of the total Eligible Redevelopment Project Costs paid and incurred by the Developer, or (ii) such Eligible Redevelopment Project Costs being directly related to the costs paid or incurred by the Developer for the Private Development Project at the Development Project Site. If a Requisition is disapproved by such Comptroller, the reasons for disallowance will be set forth in writing and the Developer may resubmit any such Requisition with such additional documentation or verification as may be required. The same procedures set forth herein applicable to disapproval shall apply to such resubmittals.

Section 5.3. Time of Payment. Upon the approval of an applicable Requisition as set forth in Section 5.2 above, the City shall pay each of the applicable Annual Reimbursement Amounts to the Developer within thirty (30) days after the receipt by the City of the last installment of the Incremental Property Taxes in any applicable calendar year.

Section 5.4. Shortfalls. If any Requisition is not paid in full in any calendar year due to any of the limitations specified for Annual Reimbursement Amounts in Section 3.2(b)-(d) hereof, the entire amount of any Requisition remaining to be paid shall accrue and, subject to and in accordance with the payment procedures set forth in this Article V, shall be paid as a part of any applicable Annual Reimbursement Amounts in the next or any succeeding calendar year at the time of payment.

ARTICLE VI

DEFAULTS AND REMEDIES

Section 6.1. Events of Default. The occurrence of any one or more of the events specified in this Section 6.1 shall constitute **“Default”** under this Agreement.

(a) The furnishing or making by or on behalf of the Developer of any statement or representation in connection with or under this Agreement or any of the Related Agreements that is false or misleading in any material respect;

(b) The failure by the Developer to timely perform any term, obligation, covenant or condition contained in this Agreement or any of the Related Agreements;

(c) The failure by the City to pay any Reimbursement Amounts, including any Annual Reimbursement Amounts, which become due and payable in accordance with the provisions of Article V of this Agreement; and

(d) The failure by the City to timely perform any other term, obligation, covenant or condition contained in this Agreement.

Section 6.2. Rights to Cure. The party claiming a Default under Section 6.1 of this Agreement (the **“Non-Defaulting Party”**) shall give written notice of the alleged Default to the other party (the **“Defaulting Party”**) specifying the Default complained of. Except as required to protect against immediate, irreparable harm, the Non-Defaulting Party may not institute proceedings or otherwise exercise any right or remedy against the Defaulting Party until thirty (30) days after having given such written notice, but may suspend performance under this Agreement until the Non-Defaulting Party receives written assurances, deemed reasonably adequate by the Non-Defaulting Party, from the Defaulting Party that the Defaulting Party will cure the Default and remain in compliance with its obligations under this Agreement. A Default not cured within thirty (30) days as provided above shall constitute an **“Event of Default”** under this Agreement. Except as otherwise expressly provided in this Agreement, any failure or delay by either party in asserting any of its rights or remedies as to any Default or any Event of Default shall not operate as a waiver

of any such Default, Event of Default or of any other rights or remedies it may have as a result of such Default or Event of Default.

Section 6.3. Remedies. Upon the occurrence of an Event of Default under this Agreement by the Developer, the City shall have the right to terminate this Agreement by giving written notice to the Developer of such termination and the date such termination is effective. Except for such right of termination by the City, the only other remedy available to either party upon the occurrence of an Event of Default under this Agreement by the Defaulting Party shall be to institute legal action against the Defaulting Party for specific performance or other appropriate equitable relief. Except for the payment of any Reimbursement Amounts, including any Annual Reimbursement Amounts, which become due and payable in accordance with the provisions of Article V hereof, under no circumstances shall the City be subject to any monetary liability or be liable for damages (compensatory or punitive) under any of the other provisions, terms and conditions of this Agreement. In the event that any failure of the City to pay any Reimbursement Amounts, including any Annual Reimbursement Amounts, which become due and payable in accordance with the provisions of Article V hereof is due to insufficient Incremental Property taxes which are directly attributable to the Development Project at the Development Project Site being actually received by the City, any such failure shall not be deemed to be a Default on the part of the City.

Section 6.4. Costs, Expenses and Fees. Upon the occurrence of a Default which requires either party to undertake any action to enforce any provision of this Agreement, the Defaulting Party shall pay upon demand all of the Non-Defaulting Party's charges, costs and expenses, including the reasonable fees of attorneys, agents and others, as may be paid or incurred by such Non-Defaulting Party in enforcing any of the Defaulting Party's obligations under this Agreement or in any litigation, negotiation or transaction in connection with this Agreement in which the Defaulting Party causes the Non-Defaulting Party, without the Non-Defaulting Party's fault, to become involved or concerned.

ARTICLE VII

MISCELLANEOUS PROVISIONS

Section 7.1 Entire Contract and Amendments. This Agreement (together with Exhibit A attached hereto) is the entire agreement between the City and the Developer relating to the subject matter hereof. This Agreement supersedes all prior and contemporaneous negotiations, understandings and agreements, written or oral, including in particular the Prior Redevelopment Agreement, and may not be modified or amended except by a written instrument executed by both of the parties.

Section 7.2. Third Parties. Nothing in this Agreement, whether expressed or implied, is intended to confer any rights or remedies under or by reason of this Agreement on any other persons other than the City and the Developer and their respective successors and assigns, nor is anything in this Agreement intended to relieve or discharge the obligation or liability of any third persons to either the City or the Developer, nor shall any provision give any third parties any rights of subrogation or action over or against either the City or the Developer. This Agreement is not intended to and does not create any third party beneficiary rights whatsoever.

Section 7.3. Counterparts. Any number of counterparts of this Agreement may be executed and delivered and each shall be considered an original and together they shall constitute one agreement.

Section 7.4. Special and Limited Obligation. This Agreement shall constitute a special and limited obligation of the City according to the terms hereof. This Agreement shall never constitute a general obligation of the City to which its credit, resources or general taxing power are pledged. The City pledges to the payment of its obligations hereunder only such amount of the Incremental Property Taxes attributable to the Private Development Project at the Development Project Site as is set forth in Section 3.1 hereof, if, as and when received, and not otherwise.

Section 7.5. Time and Force Majeure. Time is of the essence of this Agreement; provided, however, neither the Developer nor the City shall be deemed in Default with respect to any performance obligations under this Agreement on their respective parts to be performed if any

such failure to timely perform is due in whole or in part to the following (which also constitute "unavoidable delays"): any strike, lock-out or other labor disturbance (whether legal or illegal, with respect to which the Developer, the City and others shall have no obligations hereunder to settle other than in their sole discretion and business judgment), civil disorder, inability to procure materials, weather conditions, wet soil conditions, failure or interruption of power, restrictive governmental laws and regulations, condemnation, riots, insurrections, acts of terrorism, war, fuel shortages, accidents, casualties, acts of God or third parties, or any other cause beyond the reasonable control of the Developer or the City.

Section 7.6. Waiver. Any party to this Agreement may elect to waive any right or remedy it may enjoy hereunder, provided that no such waiver shall be deemed to exist unless such waiver is in writing. No such waiver shall obligate the waiver of any other right or remedy hereunder, or shall be deemed to constitute a waiver of other rights and remedies provided pursuant to this Agreement.

Section 7.7. Cooperation and Further Assurances. The City and the Developer covenant and agree that each will do, execute, acknowledge and deliver or cause to be done, executed and delivered, such agreements, instruments and documents supplemental hereto and such further acts, instruments, pledges and transfers as may be reasonably required for the better assuring, mortgaging, conveying, transferring, pledging, assigning and confirming unto the City or the Developer or other appropriate persons all and singular the rights, property and revenues covenanted, agreed, conveyed, assigned, transferred and pledged under or in respect of this Agreement.

Section 7.9. Assignment. The Developer shall have the right to sell, convey, transfer or lease any of the lots within the Development Project Site but shall not sell, assign or otherwise transfer its rights and obligations under this Agreement, in whole or in part, without the prior written consent of the City, other than in whole to: (i) an entity resulting from a merger or consolidation of the Developer or any affiliate, parent or subsidiary of the Developer or (ii) a lender as collateral for the Private Development Project or (iii) a bona fide purchaser in connection with a sale, conveyance and transfer, or a lessee in connection with a ground lease, of all of Lot 100 of the Private Development Project. Except as provided in the preceding sentence, any assignment in whole or in part without the City's consent shall be void and shall, at the option of the City, terminate this Agreement. No such sale, assignment or transfer of this Agreement in whole or in part, including any without the City's consent, shall be effective or binding on the City, however, unless and until the Developer delivers to the City a duly authorized, executed and delivered

instrument which contains any such sale, assignment or transfer and the assumption of all the applicable covenants, agreements, terms and provisions of this Agreement by the assignee thereof.

Section 7.11. No Joint Venture, Agency, or Partnership Created. Nothing in this Agreement nor any actions of either of the City or the Developer shall be construed by either of the City, the Developer or any third party to create the relationship of a partnership, agency, or joint venture between or among the City and any party being the Developer.

Section 7.14. Repealer. To the extent that any ordinance, resolution, rule, order or provision of the Urbana City Code or any part thereof is in conflict with the provisions of this Agreement, the provisions of this Agreement shall be controlling, to the extent lawful.

Section 7.15. Term. Unless earlier terminated pursuant to the terms hereof, this Agreement shall be and remain in full force and effect until reimbursement of all Reimbursement Amounts under Section 3.1 hereof on or before December 31, 2022; provided, however, that anything to the contrary notwithstanding, the Developer's obligations under Section 4.7 of this Agreement shall be and remain in full force and effect in accordance with the express provisions of such Section.
