ARTICLE III

CONDITIONS PRECEDENT TO THE UNDERTAKINGS ON THE PART OF THE DEVELOPER AND THE CITY

Section 3.1. Conditions Precedent. The undertakings on the part of the City as set forth in this Agreement are expressly contingent upon each of the following:

(1) The Developer shall obtain a conditional use permit for the use of the Property for the Project in accordance with the applicable Zoning Ordinance of the City.

(2) The Developer shall obtain approval of the final development plans for the Initial Phase of the Project in accordance with the codes, rules, regulations and ordinances of the City, it being understood that the City in its capacity as a municipal corporation has discretion to approve any such final development plans for any phase of the Project.

(3) The Developer shall have delivered to the City an itemized list of any and all estimated costs to complete the Initial Phase of the Project in a total amount of not less than \$1,500,000 (the “**Project Budget**”), in accordance with the final development plans approved by the City.

(4) The Developer shall have provided evidence, in a commercially reasonable form satisfactory to the City, of its ability to pay for the costs of the Initial Phase of the Project, as itemized in the Project Budget, with such evidence to include (i) an equity investment from the Developer of not less than \$-0-, together with (ii) loan proceeds provided to the Developer of not less than \$1,500,000, to pay such itemized costs in the Project Budget.

(5) The Developer shall have completed the Initial Phase of the Project on or before the Completion Date, subject only to delays caused by “force majeure,” such term being defined as causes which are outside the reasonable control of the parties as more fully described in Section 9.5 of this Agreement.

Section 3.2. Reasonable Efforts and Notice of Termination. The Developer shall use due diligence to timely satisfy the conditions set forth in Section 3.1 above within 12/1/17 (~~60~~) days of the Effective Date of this Agreement, but if such conditions are not so satisfied or waived by the City, then the City may terminate this Agreement by giving written notice thereof to the Developer. In the event of such termination, this Agreement shall be deemed null and void and of no force or effect and neither the City nor the Developer shall have any obligation or liability with respect thereto.

ARTICLE IV **CITY’S COVENANTS AND AGREEMENTS**

Section 4.1. City’s TIF Funded Financial Obligations. The City shall have the obligations set forth in this Section 4.1 relative to financing Eligible Redevelopment Project Costs in connection with the Project. Upon the submission to the City by the Developer of a Requisition for Eligible Redevelopment Project Costs incurred and paid and the approval thereof by the City in accordance with Article VI of this Agreement, the City, subject to the terms, conditions and limitation set forth in this Section 4.1 immediately below, agrees to reimburse the Developer, or to pay as directed by the Developer from the Fund such annual amounts (the “**Annual Reimbursement Amounts**”) related to Project upon the Property as follows:

(a) **Annual Amount.** Such Annual Reimbursement Amounts in connection with the Project in any one calendar year shall be equal to seventy percent (70%) of the Incremental Property Taxes actually received by the City in each such calendar year subject to the terms and limitations of this Section immediately below;

(b) **Calculation of Annual Amount.** For the purpose of calculating the total amount of Incremental Property Taxes for such calendar year which are directly attributable to the Project upon the Property, the total equalized assessed value (the “**EAV**”) of the Property for such calendar year shall be reduced by the initial EAV of the Property in the agreed amount of \$41,920, and the result shall be multiplied by the total tax rate of all applicable taxing districts levying taxes upon the Property for any such applicable calendar year;

(c) **Period of Annual Reimbursements.** The obligations of the City to reimburse the Developer for any Annual Reimbursement Amounts under this Section 4.1 shall be for a maximum period of ten (10) calendar years, commencing with the calendar year following the calendar year in which a certificate of occupancy is issued for the Initial Phase of the Project, and shall terminate upon reimbursement by the City in accordance with Article VI of this Agreement not later than December 31 of the eleventh (11th) calendar year in which any such Annual Reimbursement Amounts in connection with the Project become due and payable pursuant to this Section 4.1 and Article VI hereof ; and

(d) **Dollar Limitation of Annual Reimbursements.** The total amount of all such annual payments of Annual Reimbursement Amounts pursuant to this Section 4.1(a) shall not exceed the total amount of all Eligible Redevelopment Project Costs which are directly attributable and allocable to the Project upon the Property or \$1,400,000, whichever is less.

Section 4.2. Willow Road Project. The Developer and the City mutually acknowledge and agree that the City intends to apply to the Illinois Department of Transportation for a grant of economic development funds (the “Grant”) to enable the City to reconstruct 425 feet of Willow Road pavement adjacent to the Property from approximately 160 feet to 585 feet north of the centerline of Anthony Drive (the “Willow Road Project”). In order to be eligible for the Grant, the Developer agrees (or agrees to cause the tenant of the Initial Phase of the Project) to cooperate with the City in applying for the Grant, including, but not limited to, supplying any such commitments or certifications as may be required by the terms of the Grant to evidence the creation of jobs in connection with the anticipated Completion Date of the Initial Phase of the Project. Provided the City is awarded the Grant, the City agrees to undertake (or cause to be undertaken), the Willow Road Project with such Grant and other City funds as soon as practical after the Completion Date.

In the event the City is not awarded the Grant, the City agrees to undertake (or cause to be undertaken), customary resurfacing of Willow Road along the length of the Property as part of the City’s annual Capital Improvement Plan at its sole cost and expense no later than December 31, 2014.

Section 4.3. Defense of Redevelopment Project Area. In the event that any court or governmental agency having jurisdiction over enforcement of the TIF Act and the subject matter contemplated by this Agreement shall determine that this Agreement, including any payments of any Reimbursement Amounts to be made by the City, is contrary to law, or in the event that the legitimacy of the Redevelopment Project Area is otherwise challenged before a court or governmental agency having jurisdiction thereof, the City will defend the integrity of the Redevelopment Project Area and this Agreement. Anything herein to the contrary notwithstanding, the Developer agrees that the City may, to the extent permitted by law, use any Incremental Property Taxes, including any unpaid Reimbursement Amounts, if available, to be redirected to reimburse the City for its defense costs, including without limitation attorneys’ fees and expenses.

ARTICLE V
DEVELOPER'S COVENANTS

Section 5.1. Compliance with Agreement and Laws During Development. The Developer shall at all times acquire, construct and install the Project, including any related required improvements, in conformance with this Agreement and all applicable laws, rules and regulations, including without limitation all applicable subdivision, zoning, environmental, building code or any other land use ordinances of the City, and, to the extent applicable, the Prevailing Wage Act (820 ILCS 130/0.01 et seq.) of the State of Illinois. Whenever possible, the Developer shall cause the Project to be designed, constructed and installed utilizing innovative and effective techniques in energy conservation. Any agreement of the Developer related to the design, construction or installation of the Project with any contractor, subcontractor or supplier shall, to the extent applicable, contain provisions substantially similar to those required of the Developer under this Agreement.

Section 5.2. City's Right to Audit Developer's Books and Records. The Developer agrees that the City or its agents shall have the right and authority to review and audit, from time to time (at the Developer's principal office during normal business hours) the Developer's books and records relating to the total amount of all costs paid or incurred by the Developer for the Project and the total amount of related Eligible Redevelopment Project Costs, in order to confirm that any such Eligible Redevelopment Project Costs claimed to have been paid and incurred by the Developer were directly related and allocable to the costs of the Project or to any financing of the construction of the Project and were in fact paid and incurred by the Developer.

Section 5.3. Continuing Compliance with Laws. The Developer agrees that in the continued use, occupation, operation and maintenance of the Project, the Developer will comply with all applicable federal and state laws, rules, regulations and all applicable City ordinances and codes.

Section 5.4. Real Estate Tax Obligations. The Developer agrees to pay and discharge, promptly and when the same shall become due, all general real estate taxes, and all applicable interest and penalties thereon, that at any time shall become due and payable upon or with respect to, or which shall become liens upon, any part of the Property. The Developer, including any others claiming by or through it, hereby covenants and agrees not to file any application for property tax exemption for any part of the Property under any applicable provisions of the Property Tax Code of the State of Illinois (35 ILCS 200/1-1 et seq.), as supplemented and amended, unless the City and the Developer shall otherwise have first entered into a mutually acceptable agreement under and by which the Developer shall have agreed to make a payment in lieu of taxes to the City, it being mutually acknowledged and understood by both the City and the Developer that any such payment of taxes (or payment in lieu thereof) by the Developer is a material part of the consideration under and by which the City has entered into this Agreement. This covenant of the Developer shall be a covenant that runs with the land being the Property upon which the Project is undertaken and shall be in full force and effect until December 31, 2035, upon which date this covenant shall terminate and be of no further force or effect (and shall cease as a covenant binding upon or running with the land) immediately, and without the necessity of any further action by City or Developer or any other party; provided, however, upon request of any party in title to the Property, the City shall execute and deliver to such party an instrument, in recordable form, confirming for the record that this covenant has terminated and is no longer in effect. Nothing contained within this Section 5.4 shall

be construed, however, to prohibit the Developer from initiating and prosecuting at its own cost and expense any proceedings permitted by law for the purpose of contesting the validity or amount of real property taxes assessed and levied upon the Property or any part thereof.

ARTICLE VI
PAYMENT PROCEDURES FOR ELIGIBLE REDEVELOPMENT PROJECT COSTS

Section 6.1. Payment Procedures. The City and the Developer agree that the Eligible Redevelopment Project Costs constituting the Annual Reimbursement Amounts shall be paid solely, and to the extent available, from Incremental Property Taxes that are deposited in the Fund and not otherwise. The City and the Developer intend and agree that any Annual Reimbursement Amounts shall be disbursed by the City Comptroller for payment to the Developer in accordance with the procedures set forth in this Section 6.1 of this Agreement.

The City hereby designates the City Comptroller as its representative to coordinate the authorization of disbursement of any Annual Reimbursement Amounts for the Eligible Redevelopment Project Costs. Payments to the Developer of any Annual Reimbursement Amounts for Eligible Redevelopment Project Costs shall be made upon request therefor, in form reasonably acceptable to the City (each being a “**Requisition**”) submitted by the Developer with respect to Eligible Redevelopment Project Costs incurred and paid but not previously submitted. Each such Requisition shall be accompanied by appropriately supporting documentation, including, as applicable: (i) receipts for paid bills or statements of suppliers, contractors or professionals, together with required contractors’ affidavits or lien waivers; (ii) documentation from any financial institution which verifies the annual amount of interest costs incurred by the Developer for constructing the Project; or (iii) an affidavit by an Independent accountant which verifies that any such Eligible Project Redevelopment Costs have been paid and incurred by the Developer.

Section 6.2. Approval and Resubmission of Requisitions. The City Comptroller shall give the Developer written notice disapproving any of the Requisitions within ten (10) days after receipt thereof. No such approval shall be denied except on the basis that (i) all or some part of the Requisition does not constitute Eligible Redevelopment Project Costs or has not otherwise been sufficiently documented as specified herein; or (ii) the Developer is in “Default” under this Agreement as described in Section 7.1 hereof. If a Requisition is disapproved by such City Comptroller, the reasons for disallowance will be set forth in writing and the Developer may resubmit any such Requisition with such additional documentation or verification as may be required. The same procedures set forth herein applicable to disapproval shall apply to such resubmittals.

Section 6.3. Carryover. Upon the approval of any applicable Requisition as set forth in Section 6.2 above, any excess amount of Eligible Redevelopment Project Costs approved therein, which are over and above the amount of any Annual Reimbursement Amounts then payable as specified in Section 4.1 of this Agreement, shall carry over into any remaining future years that any such Annual Reimbursement Amounts are due and payable under this Agreement.

Section 6.4. Time of Payment. The City shall pay each of the applicable Annual Reimbursement Amounts which are approved by any one or more Requisitions under this Article to the Developer within thirty (30) calendar days after (i) the approval of such applicable

Requisition(s); or (ii) the receipt by the City of the last installment of the Incremental Property Taxes in any such applicable calendar year, whichever in (i) or (ii) is later.

ARTICLE VII **DEFAULTS AND REMEDIES**

Section 7.1. Events of Default. The occurrence of any one or more of the events specified in this Section 7.1 shall constitute a “**Default**” under this Agreement.

(1) The furnishing or making by or on behalf of the Developer of any statement or representation in connection with or under this Agreement or any of the Related Agreements that is false or misleading in any material respect;

(2) The failure by the Developer to timely perform any term, obligation, covenant or condition contained in this Agreement or any of the Related Agreements;

(3) The failure by the City to pay any Reimbursement Amounts which become due and payable in accordance with the provisions of this Agreement; and

(4) The failure by the City to timely perform any other term, obligation, covenant or condition contained in this Agreement.

Section 7.2. Rights to Cure. The party claiming a Default under Section 7.1 of this Agreement (the “**Non-Defaulting Party**”) shall give written notice of the alleged Default to the other party (the “**Defaulting Party**”) specifying the Default complained of. Except as required to protect against immediate, irreparable harm, the Non-Defaulting Party may not institute proceedings or otherwise exercise any right or remedy against the Defaulting Party until thirty (30) days after having given such notice, provided that in the event a Default is of such nature that it will take more than thirty (30) days to cure or remedy, such Defaulting Party shall have an additional period of time reasonably necessary to cure or remedy such Default provided that such Defaulting Party promptly commences and diligently pursues such cure or remedy. During any such period following the giving of notice, the Non-Defaulting party may suspend performance under this Agreement until the Non-Defaulting Party receives written assurances from the Defaulting Party, deemed reasonably adequate by the Non-Defaulting Party, that the Defaulting Party will cure or remedy the Default and remain in compliance with its obligations under this Agreement. A Default not cured or remedied or otherwise commenced and diligently pursued within thirty (30) days as provided above shall constitute an “**Event of Default**” under this Agreement. Except as otherwise expressly provided in this Agreement, any failure or delay by either party in asserting any of its rights or remedies as to any Default or any Event of Default shall not operate as a waiver of any such Default, Event of Default or of any other rights or remedies it may have as a result of such Default or Event of Default.

Section 7.3. Remedies. Upon the occurrence of an Event of Default under this Agreement by the Developer, the City shall have the right to terminate this Agreement by giving written notice to the Developer of such termination and the date such termination is effective. Except for such right of termination by the City, the only other remedy available to either party upon the occurrence of an Event of Default under this Agreement by the Defaulting Party shall be to institute such proceedings as may be necessary or desirable in its opinion to cure or remedy such Event of

Default, including but not limited to proceedings to compel any legal action for specific performance or other appropriate equitable relief. Notwithstanding anything herein to the contrary, the sole remedy of the Developer upon the occurrence of an Event of Default by the City under any of the terms and provisions of this Agreement shall be to institute legal action against the City for specific performance or other appropriate equitable relief and, under no circumstances, shall the City be subject to any monetary liability or be liable for damages (compensatory or punitive) under any of the provisions, terms and conditions of this Agreement. In the event that any failure of the City to pay any annual Reimbursement Amounts which become due and payable in accordance with the provisions hereof is due to insufficient Incremental Property Taxes being available to the City, any such failure shall not be deemed to be a Default or an Event of Default on the part of the City.

Section 7.4. Costs, Expenses and Fees. Upon the occurrence of a Default or an Event of Default which requires either party to undertake any action to enforce any provision of this Agreement, the Defaulting Party shall pay upon demand all of the Non-Defaulting Party's charges, costs and expenses, including the reasonable fees of attorneys, agents and others, as may be paid or incurred by such Non-Defaulting Party in enforcing any of the Defaulting Party's obligations under this Agreement or in any litigation, negotiation or transaction in connection with this Agreement in which the Defaulting Party causes the Non-Defaulting Party, without the Non-Defaulting Party's fault, to become involved or concerned.

ARTICLE IX

MISCELLANEOUS PROVISIONS

Section 9.1 Entire Agreement and Amendments. This Agreement (together with Exhibit A attached hereto) is the entire agreement between the City and the Developer relating to the subject matter hereof. This Agreement supersedes all prior and contemporaneous negotiations, understandings and agreements, written or oral, and may not be modified or amended except by a written instrument executed by both of the parties.

Section 9.2. Third Parties. Nothing in this Agreement, whether expressed or implied, is intended to confer any rights or remedies under or by reason of this Agreement on any other persons other than the City and the Developer and their respective successors and assigns, nor is anything in this Agreement intended to relieve or discharge any obligation or liability of any third persons to either the City or the Developer, nor shall any provision give any third parties any rights of subrogation or action over or against either the City or the Developer. This Agreement is not intended to and does not create any third party beneficiary rights whatsoever.

Section 9.3. Counterparts. Any number of counterparts of this Agreement may be executed and delivered and each shall be considered an original and together they shall constitute one agreement.

Section 9.4. Special and Limited Obligation. This Agreement shall constitute a special and limited obligation of the City according to the terms hereof. This Agreement shall never constitute a general obligation of the City to which its credit, resources or general taxing power are pledged. The City pledges to the payment of its obligations under Sections 4.1 hereof only such

amount of the Incremental Property Taxes as is set forth in Section 4.1 hereof, if, as and when received, and not otherwise.

Section 9.5. Time and Force Majeure. Time is of the essence of this Agreement; provided, however, neither the Developer nor the City shall be deemed in Default with respect to any performance obligations under this Agreement on their respective parts to be performed if any such failure to timely perform is due in whole or in part to the following (which also constitute “unavoidable delays”): any strike, lock-out or other labor disturbance (whether legal or illegal, with respect to which the Developer, the City and others shall have no obligations hereunder to settle other than in their sole discretion and business judgment), civil disorder, inability to procure materials, weather conditions, wet soil conditions, failure or interruption of power, restrictive governmental laws and regulations, condemnation, riots, insurrections, acts of terrorism, war, fuel shortages, accidents, casualties, acts of God or third parties, or any other cause beyond the reasonable control of the Developer or the City.

Section 9.6. Waiver. Any party to this Agreement may elect to waive any right or remedy it may enjoy hereunder, provided that no such waiver shall be deemed to exist unless such waiver is in writing. No such waiver shall obligate the waiver of any other right or remedy hereunder, or shall be deemed to constitute a waiver of other rights and remedies provided pursuant to this Agreement.

Section 9.7. Cooperation and Further Assurances. The City and the Developer covenant and agree that each will do, execute, acknowledge and deliver or cause to be done, executed and delivered, such agreements, instruments and documents supplemental hereto and such further acts, instruments, pledges and transfers as may be reasonably required for the better assuring, mortgaging, conveying, transferring, pledging, assigning and confirming unto the City or the Developer or other appropriate persons all and singular the rights, property and revenues covenanted, agreed, conveyed, assigned, transferred and pledged under or in respect of this Agreement.

Section 9.9. Assignment. The Developer agrees that it shall not sell, assign or otherwise transfer any of its rights and obligations under this Agreement to any party other than to an entity having common ownership with the Developer without the prior written consent of the City. Except as authorized in this Section above, any assignment in whole or in part shall be void and shall, at the option of the City, terminate this Agreement. No such sale, assignment or transfer as authorized in this Section, including any with the City's prior written consent, shall be effective or binding on the City, however, unless and until the Developer delivers to the City a duly authorized, executed and delivered instrument which contains any such sale, assignment or transfer and the assumption of all the applicable covenants, agreements, terms and provisions of this Agreement by the applicable party thereto.

Section 9.10. Successors in Interest. Subject to Section 9.9 above, this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respectively authorized successors, assigns and legal representatives (including successor Corporate Authorities).

Section 9.13. Term. Unless earlier terminated pursuant to the terms hereof, this Agreement shall be and remain in full force and effect until the last of the reimbursement or payment obligations of the City have been made by the City in accordance with Section 4.1 hereof; provided, however, that anything to the contrary notwithstanding, the Developer's obligations under Section 5.5 and Article VIII of this Agreement shall be and remain in full force and effect in accordance with the express provisions thereof.

Section 9.14. Recordation of Agreement. Either party may record this Agreement or a Memorandum of this Agreement in the office of the Champaign County Recorder at any time following its execution and delivery by both parties.

Section 9.15. Construction of Agreement. This Agreement has been jointly negotiated by the parties and shall not be construed against a party because that party may have primarily assumed responsibility for preparation of this Agreement.
