D. PERFORMANCE MEASUREMENT

D1. Federal regulations require all CDBG grantees to report annually on specific outcome indicators as mandated by the United States Dept. of Housing and Urban Development (HUD). HUD has developed a Community Planning and Development (CPD) Performance Measurement System to measure the impact of their federally funded programs.

- a. Based on the intent of the activity, the applicant must determine which of the three objectives listed below best describes the purpose of the activity. **(Please select only one):**

 Suitable Living Environment – In general, this objective relates to activities that are designed to benefit communities, families, or individuals by addressing issues in their living environment.

 X **Decent Housing** – This objective focuses on housing programs where the purpose of the program is to meet individual family or community needs.

 Creating Economic Opportunities – This objective applies to the types of activities related to economic development, commercial revitalization, or job creation.

- b. Which of the following outcome categories describes your program/project/activity's purpose? Outcomes are defined as observable changes in people, places, or things as a result of a project's outputs. **(Please select only one):**

 X **Availability/Accessibility** - This outcome applies to making basic services, infrastructure, housing, shelter, or other basic needs accessible or available to low or moderate income people (to make where they live more suitable).

 Affordability - This outcome applies to activities which provide affordability in a variety of ways in the lives of low and moderate income people.

 Sustainability: To Promote Livable or Viable Communities - This outcome applies to projects where the activity or activities are aimed at improving a neighborhood by helping to make it livable or viable for principally low and moderate income people through multiple activities, or by providing services that sustain communities or sections of communities.

D2. Which local funding priority does this project meet, as identified in the Five-Year Strategic Plan of the City of Urbana Consolidated Plan for Program Years 2010-2014? (See Page 2 for local funding priorities.)

- Provide decent housing
- Improving the safety and livability of neighborhoods
- _____
- _____
- _____

D3. Explain how the proposed project addresses the local funding priority listed above:

The project provides a safe environment by the facility being adequately protected from fire. All decent housing should be a safe housing.

E. LEVERAGE / MATCH

E1. The applicant leveraging/match may be provided in the form of materials and/or labor, cash and/or other non-federal funding and must offer a minimum of 25% of the estimated project cost. The minimum percent of leveraging which is pledged for the project must be maintained, regardless of the amount of CDBG/HOME funds awarded.

E2. Source of applicant's leveraging: Illinois Department of Human Services \$ 6,077.25
 _____ \$ _____
 _____ \$ _____
 _____ \$ _____

TOTAL \$ 6,077.25

E3. Calculate leveraging ratio as leverage offered divided by total project cost.

a. \$6,077.25 Divided by \$24,309.00 Equals 25% Match.
 (Leverage Offered) (Total Project Cost) (Minimum of 25%)

b. \$24,309.00 Minus \$6,077.25 Equals \$18,231.75
 (Total Project Cost) (Match amount) (Amount Requested)*

- Notes: 1. -CDBG funds, including previously awarded CDBG monies cannot be counted as leverage.
 2. Applicant's leverage funds must be spent prior to drawing on CDBG funds,
 3. Documentation is to be submitted with request for reimbursement.
 3. *Amount requested should be same amount as listed on Page 5.

F. PAST LEVERAGING / MATCH PERFORMANCE

F1. All applicants are required to state the amount of funds or in-kind contributions provided by the applicant toward implementation of the last CDBG project funded and/or completed under the City of Urbana's program. Explain at the bottom of this page how your funds were expended (i.e. staff administration, engineering, construction, etc.)

This project has yet to be completed.

F2. Provide your agency budget for the last project that received funding through the City of Urbana CDBG Public Facilities grant program:

Your funds:	\$ <u>0.00</u>	
Total of Other funds	\$ <u>10,615.33</u>	(list sources below)

G2. Please describe the effect on the proposed project if the City of Urbana grant is not awarded (i.e. unable to complete due to lack of funding; construction delayed; other resources utilized, etc.)

The area will not be adequately sprinkled, our insurance premiums will be higher due to increased risk, money is diverted away from services to pay these premiums. The lack of sprinklers has now been identified as a

significant risk and lack of funding will only continue to maintain that risk and as such lives could be put in danger.

H. ASSURANCES AUTHORIZATION, AND SIGNATURE SHEET

H1. ASSURANCES

As the Applicant, the undersigned assures the commitment to compliance with the following Regulations, as required by the Dept. of Housing and Urban Development (HUD):

- A. **NATIONAL ENVIRONMENTAL POLICY ACT COMPLIANCE**: Where necessary, in order to comply with the National Environmental Policy Act (NEPA) directives, applicants shall provide complete and accurate information about environmental issues relating to their proposed activity or project. Such information must be analyzed and demonstrate a thorough investigation of possible or actual implications as a result of the proposed project. Those agencies involved in housing production, rehabilitation and/or development shall document their files demonstrating compliance with NEPA and other environmental laws. Such files shall be complete and in accord with environmental regulations.
- B. **LEAD-BASED PAINT / ASBESTOS**: HUD requires proper removal and disposal of lead-based paint as a part of CDBG-assisted renovation/rehabilitation of public facilities built prior to 1978, as well as the proper removal and disposal of certain materials, including asbestos. If the proposed project is seeking CDBG Public Facilities funds from the City of Urbana for renovation of an existing building or other public facility - please provide photographs, aerial photographs, design specifications, plans/blueprints, elevation drawings, and/or site surveys to detail information about the proposed renovation.
- C. **DAVIS BACON AND RELATED ACTS (DBRA)**: Whenever the contract/project involves construction work that is valued in excess of \$2,000, Davis-Bacon (including Federal Prevailing Wages) will be applicable. Even if CDBG funds finance only a portion of a construction work, DBRA is still applicable to the entire construction work. City staff will work with the applicant to ensure that DBRA is adhered to.
- D. **SECTION 3**: Section 3 is a provision of the Housing and Urban Development (HUD) Act of 1968 that helps foster local economic development, neighborhood economic improvement, and individual self-sufficiency. The Section 3 program requires that recipients of certain HUD financial assistance, to the greatest extent feasible, provide job training, employment, and contracting opportunities for low- or very-low income residents in connection with projects and activities in their neighborhoods. City staff will review this application to determine if Section 3 applies to this project, and will notify the agency of such.
- E. **FEDERAL LABOR STANDARDS**: To ensure Federal Labor Standards are being met, all bid documents will be reviewed by City staff: (1) The agency will submit to City staff a bid packet/request for proposal to ensure compliance with Davis-Bacon and/or Section 3; (2) Prior to signing a contract, each selected Contractor's eligibility to work on Federal projects must be determined by City staff to make sure they are not on the "debarred contractors' list" – (see www.epls.gov); and (3) The selected general contractor and agency must meet with City staff for a Pre-Construction Conference to review required documentation needed, i.e. certified payroll, pay request, and employee interviews.
- A. **UNIFORM RELOCATION ACT**: Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (URA) 49 CFR Part 24, protects all persons who are displaced by a federally-assisted project regardless of their income. URA requires relocation assistance be provided to any family, individual, or business that must move as a direct result of rehabilitation, demolition, or acquisition for a project in which federal funds are used. Where possible, projects must be designed to prevent or minimize displacement of tenants. Because federal funds administered by the City are made available through this application, any temporary or permanent displacement of tenants must be handled in accordance with all applicable provisions that cover relocation and acquisition of HUD programs.

H2. If a grant is awarded on the basis of this application, all project information detailed in this application will be implemented accordingly, becoming a part of the Agreement, and the project shall commence within ninety (90) days of the new grant period, which will begin on July 1, 2011.
