

ORDINANCE NO. 2011-07-099

AN ORDINANCE AMENDING URBANA CITY CODE CHAPTER FIFTEEN

(Addition of Section 15-68, Regulating Aggressive Solicitation)

WHEREAS, the City Council of the City of Urbana, Illinois ("City") finds that aggressive solicitation degrades the quality of life within the City by contributing to an enhanced sense of fear or by creating a threatening environment for the general population; and

WHEREAS, the City Council finds that aggressive solicitation jeopardizes the City's legitimate interests in fostering a safe and harassment-free climate for its citizens and in preserving its public places as areas where citizens may be free of intimidation or coercion; and

WHEREAS, the City is a home rule unit of local government pursuant to Article VII, Section 6, of the Illinois Constitution, 1970, and may exercise any power and perform any function pertaining to its government and affairs, including the power to regulate for the protection of the public health, safety, and welfare; and

WHEREAS, the City Council finds that amending Chapter 15 of the Urbana City Code to regulate aggressive solicitation as hereinafter defined will protect the health, safety, and welfare of the citizens of the City; and

WHEREAS, in promulgating this Ordinance, the City Council's intent is not to impermissibly limit an individual's exercise of free speech but to impose narrowly tailored restrictions on aggressive solicitation to protect citizens from the fear and intimidation accompanying certain kinds of solicitations, while leaving open ample alternative channels of communication.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF URBANA, ILLINOIS, as follows:

Section 1. Urbana City Code Chapter 15, "Miscellaneous Offenses and Provisions," Article IV, "Offenses Affecting Public Health, Safety and Decency," Division 1, "Generally," is hereby amended by adding the following section thereto:

Sec. 15-68 Aggressive solicitation.

- (a) **Definitions.** For the purposes of this section, the following definitions shall apply:

Aggressive solicitation means solicitation in a group of two or more persons or solicitation accompanied by any of the following actions:

- (1) Touching another person without that person's consent;
- (2) Blocking the path of the person solicited or blocking the entrance to any building or

vehicle;

- (3) Continuing to solicit or to request a donation from a person after that person has refused an earlier request;
- (4) Following or remaining alongside a person who walks away from the solicitor after being solicited;
- (5) Making any statement, gesture, or other communication that would cause a reasonable person to feel threatened into making a donation; or
- (6) Using profane or abusive language during the solicitation or following a refusal to make a donation.

Automated teller machine means any automated teller machine as defined by the Automated Teller Machine Security Act, 205 ILCS 695/1 *et seq.*, as amended.

Bank means any bank or financial institution as defined by the Illinois Banking Act, 205 ILCS 5/1 *et seq.*, as amended.

Solicitation means a verbal request made in person upon any street, public place, or park in the city for an immediate donation of money or other thing of value, including a request to purchase an item or service of little or no monetary value in circumstances where a reasonable person would understand that the purchase is in substance a donation. Solicitation does not include the act of passively standing, sitting, or engaging in a musical performance or other street performance with a sign or other indication that donations are being sought, without any verbal request for a donation other than in response to an inquiry by another person. Nothing in this section shall be construed to permit any loud and raucous noise currently prohibited by chapter 16 of this Code.

(b) **Prohibitions.** No person shall engage in aggressive solicitation. No person shall engage in solicitation when the person solicited is located:

- (1) Within twenty feet (20') of an automated teller machine (ATM) or entrance to a bank, other financial institution, or check cashing business; or
- (2) On private property, if the owner, tenant, or occupant has asked the person not to solicit on the property or has posted a sign prohibiting soliciting.

- (c) **Penalty.** Any person who commits an act prohibited by this section shall be subject to a fine as provided in the minimum fine schedule for certain violations adopted by the city council by ordinance. Provided, however, that remunerated community or public service will be made available by the city as an alternative to payment of a fine. The circuit court may enjoin the person from committing further violations of this section. Each violation of this section shall constitute a separate offense.
- (d) **Review.** The police department of the city shall conduct a thorough review of this section eighteen (18) months after its effective date. The purposes of the review are to evaluate the effectiveness of the present section and to determine what changes, if any, are appropriate. The police department shall report the results of the review to the city council in a timely manner but not later than three (3) months after commencement of the review process.
