ARTICLE III
CONDITIONS PRECEDENT TO THE UNDERTAKINGS
ON THE PART OF THE DEVELOPER AND THE CITY

Section 3.1. Conditions Precedent. The Developer shall use due diligence to timely satisfy the conditions set forth in Section 3.1 above in accordance with the applicable provisions of the Sale Agreement and the Demolition Contract, but if such conditions are not so satisfied or waived by the City, then the City may terminate this Agreement by giving written notice thereof to the Developer. In the event of such termination, any remaining undertaking of the City under this Agreement shall be deemed null and void and of no force or effect and neither the City nor the Developer shall have any obligation or liability with respect to this Agreement.

ARTICLE IV
CITY'S COVENANTS AND AGREEMENTS

Section 4.1. City's TIF Funded Financial Obligations. The City shall have the obligations set forth in this Section 4.1 relative to financing Eligible Redevelopment Project Costs in connection with the Project. Upon the submission to the City by the Developer of a Requisition for Eligible Redevelopment Project Costs incurred and paid by the Developer and the approval thereof by the City in accordance with Article VI of this Agreement, the City, subject to the terms, conditions and limitation set forth in this Section 4.1 immediately below, agrees to reimburse the Developer, or to pay as directed by the Developer, from the Fund such total amount up to \$300,000 (the "**Reimbursement Amounts**") related to Project upon the Property as follows:

- (i) up to \$10,000 for any Eligible Redevelopment Project Costs incurred during the due diligence period; and
- (ii) the balance for any other Eligible Redevelopment Project Costs,

each payable as provided in Section 6.4(a) of this Agreement.

Section 4.2. Defense of Redevelopment Project Area. In the event that any court or governmental agency having jurisdiction over enforcement of the TIF Act and the subject matter contemplated by this Agreement shall determine that this Agreement, including the payments of any Lump-Sum Reimbursement Amounts or any Annual Reimbursement Amounts to be paid or reimbursed by the City is contrary to law, or in the event that the legitimacy of the Redevelopment Project Area is otherwise challenged before a court or governmental agency having jurisdiction thereof, the City will defend the integrity of the Redevelopment Project Area and this Agreement. Anything herein to the contrary notwithstanding, the Developer agrees that the City may, to the extent permitted by law, use any Incremental Property Taxes, including any unpaid Lump-Sum Reimbursement Amounts or any Annual Reimbursement Amounts, if available, to be redirected to reimburse the City for its defense costs, including without limitation attorneys' fees and expenses.

ARTICLE V DEVELOPER'S COVENANTS

Section 5.1. Commitment to Undertake and Complete Project. The Developer covenants and agrees to commence the Project and to have the Project completed in accordance with the Sale Agreement and the Demolition Contract.

Section 5.2. Continuing Compliance with Laws. For so long as the Developer retains an ownership interest in the Property, the Developer agrees that in the continued use, occupation and maintenance of the Property, the Developer will comply with all applicable federal and state laws, rules, regulations and all applicable City ordinances and codes.

ARTICLE VI PAYMENT PROCEDURES FOR ELIGIBLE REDEVELOPMENT PROJECT COSTS

Section 6.1. Payment Procedures. The City and the Developer agree that the Eligible Redevelopment Project Costs shall be paid solely, and to the extent available, from Incremental Property Taxes that are deposited in the Fund and not otherwise. The City and the Developer intend and agree that the Reimbursement Amounts shall be disbursed by the City Comptroller for payment to the Developer in accordance with the procedures set forth in this Section 6.1 of this Agreement.

The City hereby designates the City Comptroller as its representative to coordinate the authorization for the disbursement of any Reimbursement Amounts for the Eligible Redevelopment Project Costs. Payments to the Developer of any Reimbursement Amounts for Eligible Redevelopment Project Costs shall be made upon request therefor, in form reasonably acceptable to the City (each being a "**Requisition**") submitted by the Developer at any time with respect to Eligible Redevelopment Project Costs incurred and paid but not previously submitted. Each such Requisition shall be accompanied by appropriately supporting documentation, including, as applicable: (i) receipts for paid bills or statements of suppliers, contractors or professionals, together with required contractors' affidavits or lien waivers; or (ii) an affidavit by an Independent accountant which verifies that any such Eligible Project Redevelopment Costs have been paid and incurred by the Developer, together with required contractors' affidavits and lien waivers.

Section 6.2. Approval and Resubmission of Requisitions. The City Comptroller shall give the Developer written notice disapproving any of the Requisitions within ten (10) days after receipt thereof. No such approval shall be denied except on the basis that all or some part of the

Requisition does not constitute Eligible Redevelopment Project Costs or has not otherwise been sufficiently documented as specified herein. If a Requisition is disapproved by such City Comptroller, the reasons for disallowance will be set forth in writing and the Developer may resubmit any such Requisition with such additional documentation or verification as may be required, if that is the basis for denial. The same procedures set forth herein applicable to disapproval shall apply to such resubmittals.

Section 6.3. Carryover. Upon the approval of any applicable Requisition as set forth in Section 6.2 above, any excess amount of Eligible Redevelopment Project Costs approved therein, which are over and above the amount of any Reimbursement Amounts then payable as specified in Section 4.1 or this Article VI of this Agreement, shall carry over into any remaining future years that any such Annual Reimbursement Amounts become due and payable under this Agreement.

Section 6.4. Time of Payment. Provided that the Developer is not in default under the Sales Agreement or the Demolition Contract, the City shall pay to the Developer any Reimbursement Amounts approved by any one or more Requisitions under this Article VI as follows:

- (i) The amount of up to \$10,000 as provided in Section 1.3(a) and (b) of the Sales Agreement shall be payable within thirty (30) days after the approval thereof by the City; and
- (ii) The balance of such Reimbursement Amounts shall be payable within thirty (30) days after substantial completion of the Project.

ARTICLE VII

DEFAULTS AND REMEDIES

Section 7.1. Events of Default. The occurrence of any one or more of the events specified in this Section 7.1 shall constitute a “Default” under this Agreement.

By the Developer:

(1) The furnishing or making by or on behalf of the Developer of any statement or representation in connection with or under this Agreement that is false or misleading in any material respect;

(2) The failure by the Developer to timely perform any term, obligation, covenant or condition contained in this Agreement;

By the City:

(1) The failure by the City to pay either of the Lump-Sum Reimbursement Amounts or any Annual Reimbursement Amounts which become due and payable in accordance with the provisions of this Agreement; and

(2) The failure by the City to timely perform any other term, obligation, covenant or condition contained in this Agreement.

Section 7.2. Rights to Cure. The party claiming a Default under Section 7.1 of this Agreement (the “Non-Defaulting Party”) shall give written notice of the alleged Default to the other party (the “Defaulting Party”) specifying the Default complained of. Except as required to

protect against immediate, irreparable harm, the Non-Defaulting Party may not institute proceedings or otherwise exercise any right or remedy against the Defaulting Party until thirty (30) days after having given such notice, provided that in the event a Default is of such nature that it will take more than thirty (30) days to cure or remedy, such Defaulting Party shall have an additional period of time reasonably necessary to cure or remedy such Default provided that such Defaulting Party promptly commences and diligently pursues such cure or remedy. During any such period following the giving of notice, the Non-Defaulting party may suspend performance under this Agreement until the Non-Defaulting Party receives written assurances from the Defaulting Party, deemed reasonably adequate by the Non-Defaulting Party, that the Defaulting Party will cure or remedy the Default and remain in compliance with its obligations under this Agreement. A Default not cured or remedied or otherwise commenced and diligently pursued within thirty (30) days as provided above shall constitute a “**Breach**” under this Agreement. Except as otherwise expressly provided in this Agreement, any failure or delay by either party in asserting any of its rights or remedies as to any Default or any Breach shall not operate as a waiver of any such Default, Breach or of any other rights or remedies it may have as a result of such Default or Breach.

Section 7.3. Remedies. Upon the occurrence of an Breach under this Agreement by the Developer, the City shall have the right to terminate this Agreement by giving written notice to the Developer of such termination and the date such termination is effective. Except for such right of termination by the City, the only other remedy available to either party upon the occurrence of a Breach under this Agreement by the Defaulting Party shall be to institute such proceedings as may be necessary or desirable in its opinion to cure or remedy such Breach, including but not limited to proceedings to compel any legal action for specific performance or other appropriate equitable relief. Notwithstanding anything herein to the contrary, the sole remedy of the Developer upon the occurrence of a Breach by the City under any of the terms and provisions of this Agreement shall be to institute legal action against the City for specific performance or other appropriate equitable relief but under no circumstances shall the City be liable to the Developer for any indirect, special, consequential or punitive damages, including without limitation, loss of profits or revenues, loss of business opportunity or production, cost of capital, claims by customers, fines or penalties, whether liability is based upon contract, warranty, negligence, strict liability or otherwise, under any of the provisions, terms and conditions of this Agreement. In the event that any failure of the City to pay the Lump-Sum Reimbursement Amounts or any Annual Reimbursement Amounts which become due and payable in accordance with the provisions hereof is due to insufficient Incremental Property Taxes being available to the City, any such failure shall not be deemed to be a Default or a Breach on the part of the City.

Section 7.4. Costs, Expenses and Fees. Upon the occurrence of a Default or an Breach which requires either party to undertake any action to enforce any provision of this Agreement, the Defaulting Party shall pay upon demand all of the Non-Defaulting Party’s charges, costs and expenses, including the reasonable fees of attorneys, agents and others, as may be paid or incurred by such Non-Defaulting Party in enforcing any of the Defaulting Party’s obligations under this Agreement or in any litigation, negotiation or transaction in connection with this Agreement in which the Defaulting Party causes the Non-Defaulting Party, without the Non-Defaulting Party’s fault, to become involved or concerned.

ARTICLE VIII
RELEASE, DEFENSE AND INDEMNIFICATION OF CITY

Section 8.1. Declaration of Invalidity. Notwithstanding anything herein to the contrary, the City, its Corporate Authorities, officials, agents, employees and independent contractors shall not be liable to the Developer for damages of any kind or nature whatsoever or otherwise in the event that all or any part of the TIF Act, or any of the TIF Ordinances or other ordinances of the City adopted in connection with either the TIF Act, this Agreement or the Redevelopment Plan, shall be declared invalid or unconstitutional in whole or in part by the final (as to which all rights of appeal have expired or have been exhausted) judgment of any court of competent jurisdiction, and by reason thereof either the City is prevented from performing any of the covenants and agreements herein or the Developer is prevented from enjoying the rights and privileges hereof; provided that nothing in this Section 8.1 shall limit otherwise permissible claims by the Developer against the Fund or actions by the Developer seeking specific performance of this Agreement or other relevant contracts, if any, in the event of a Breach of this Agreement by the City.

Section 8.2. Damage or Injury to Developer and Others. The City and its Corporate Authorities, officials, agents, employees and independent contractors shall not be liable for any damage or injury to the persons or property of the Developer or any of its officers, agents, independent contractors or employees or of any other person who may be about the Property or the Project due to any act of negligence of any person, except as such may be caused by the intentional misconduct, gross negligence, or acts or omissions of the City, its Corporate Authorities, officials, agents, employees, or independent contractors that are contrary to the provisions of this Agreement.

Section 8.3. No Personal Liability. All covenants, stipulations, promises, agreements and obligations of the City contained herein shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the City and not of any of its Corporate Authorities, officials, agents, employees or independent contractors in their individual capacities. No member of the Corporate Authorities, officials, agents, employees or independent contractors of the City shall be personally liable to the Developer (i) in the event of a Default or Breach by any party under this Agreement, or (ii) for the payment of the Lump-Sum Reimbursement Amounts or any Annual Reimbursement Amounts which may become due and payable under the terms of this Agreement.

Section 8.4. City Not Liable for Developer Obligations. Notwithstanding anything herein to the contrary, the City shall not be liable to the Developer for damages of any kind or nature whatsoever arising in any way from this Agreement, from any other obligation or agreement made in connection therewith or from any Default or Breach under this Agreement; provided that nothing in this Section 8.5 shall limit otherwise permissible claims by the Developer against the Fund or actions by the Developer seeking specific performance of this Agreement or other relevant contracts in the event of a Breach of this Agreement by the City.

Section 8.5. Notification of Claims. Not later than thirty (30) days after the Developer becomes aware, by written or other overt communication, of any pending or threatened litigation, claim or assessment, the Developer will, if a claim in respect thereof is to be made against the Developer which affects any of the Developer's rights or obligations under this Agreement, notify the City of such pending or threatened litigation, claim or assessment, but any omission so to notify the City will not relieve the Developer from any liability which it may have to the City under this Agreement.

ARTICLE IX
MISCELLANEOUS PROVISIONS

Section 9.1 Entire Agreement and Amendments. This Agreement (together with Exhibit A attached hereto) is the entire agreement between the City and the Developer relating to the subject matter hereof. This Agreement supersedes all prior and contemporaneous negotiations, understandings and agreements, written or oral, and may not be modified or amended except by a written instrument executed by both of the parties.

Section 9.2. Third Parties. Nothing in this Agreement, whether expressed or implied, is intended to confer any rights or remedies under or by reason of this Agreement on any other persons other than the City and the Developer and their respective successors and assigns, nor is anything in this Agreement intended to relieve or discharge any obligation or liability of any third persons to either the City or the Developer, nor shall any provision give any third parties any rights of subrogation or action over or against either the City or the Developer. This Agreement is not intended to and does not create any third party beneficiary rights whatsoever.

Section 9.3. Counterparts. Any number of counterparts of this Agreement may be executed and delivered and each shall be considered an original and together they shall constitute one agreement.

Section 9.4. Special and Limited Obligation. This Agreement shall constitute a special and limited obligation of the City according to the terms hereof. This Agreement shall never constitute a general obligation of the City to which its credit, resources or general taxing power are pledged. The City pledges to the payment of its obligations under Section 4.1 hereof only such amount of the Incremental Property Taxes as is set forth in Section 4.1 hereof, if, as and when received, and not otherwise.

Section 9.5. Time and Force Majeure. Time is of the essence of this Agreement; provided, however, neither the Developer nor the City shall be deemed in Default with respect to any performance obligations under this Agreement on their respective parts to be performed if any such failure to timely perform is due in whole or in part to the following (which also constitute "unavoidable delays"): any strike, lock-out or other labor disturbance (whether legal or illegal, with respect to which the Developer, the City and others shall have no obligations hereunder to settle other than in their sole discretion and business judgment), civil disorder, inability to procure materials, weather conditions, wet soil conditions, failure or interruption of power, restrictive governmental laws and regulations, condemnation, riots, insurrections, acts of terrorism, war, fuel shortages, accidents, casualties, acts of God or third parties, or any other cause beyond the reasonable control of the Developer or the City.

Section 9.6. Waiver. Either party to this Agreement may elect to waive any right or remedy it may enjoy hereunder, provided that no such waiver shall be deemed to exist unless such waiver is in writing. No such waiver shall obligate the waiver of any other right or remedy hereunder, or shall be deemed to constitute a waiver of other rights and remedies provided pursuant to this Agreement.

Section 9.7. Cooperation and Further Assurances. The City and the Developer covenant and agree that each will do, execute, acknowledge and deliver or cause to be done, executed and
