NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of Urbana, Champaign County, Illinois, as follows:

Section 1.

Urbana City Code Chapter 3, "Alcoholic Liquors," Article I, "In General," Section 3-1, "Definitions," is hereby amended to read as follows:

Sec. 3-1. - Definitions.

Video gambling terminal. Video gambling terminal shall have the same meaning as "video gaming terminal," as set forth in the Video Gaming Act, 230 ILCS 40/1 et seq. as amended.

Section 2.

Urbana City Code Chapter 3, "Alcoholic Liquors," Article III, "Retail License," Section 3-41, "Classification," is hereby amended by adding new subsections (p) and (q) thereto to read as follows:

(p) Class G-1 licenses (video gambling, excluding gaming halls) shall permit the licensee to operate video gambling terminals upon the premises, subject to the following conditions:

(1) A Class G-1 licensee must also possess valid liquor licenses issued by the city and the State of Illinois which are limited to the drawing, pouring, mixing, or otherwise serving of alcoholic liquor on the premises where video gambling terminals are to be operated. Notwithstanding the foregoing, in the event the applicant does not already possess another form of liquor license other than a Class G-2 license at the time the applicant applies for a Class G-1 license, the applicant may apply simultaneously for a Class G-1 license and such other class of liquor license as is appropriate.

(2) Prior to displaying any video gambling terminal to be played or operated by the public, each Class G-1 licensee shall obtain from the city a video gambling permit for each terminal which the licensee intends to display for play or operation. Applications for permits shall be made in the same manner as provided for licenses under section 3-40. Class G-1 licensees shall pay such permit fee per video gambling terminal as set forth in section 14-7. Each permit shall be in the form of a gummed sticker, which shall be serially numbered and securely affixed in plain view to the terminal for which it is issued. No person shall display any video gambling terminal or allow any member of the public to play or operate any such video gambling terminal in violation of this section. Video gambling terminal permit stickers are not transferable to any other video gambling terminal or person.

(3) Any person who displays a video gambling terminal for play or operation by the public shall have, as a prerequisite to receiving any video gambling permit from the city, a valid license issued by the Illinois Gaming Board for each such video gambling terminal. The cancellation, suspension, or revocation of any such license by the Illinois Gaming Board shall result in the automatic cancellation, suspension, or revocation of the city's video gambling permit without refund of any portion of the permit fee. An applicant for a video gambling permit shall submit to the finance director a copy of the license issued by the Illinois Gaming Board for each video gambling terminal to be played or operated on the licensed premises.

(4) Any liquor license issued by the city to any liquor licensee pursuant to this Chapter 3, including but not limited to any licensed fraternal establishment or licensed veterans establishment (as defined in the Video Gaming Act, 230 ILCS 40/5), that displays a video gambling terminal for play or operation within its premises in violation of this subsection (p) shall be immediately revoked.

(5) No more than five (5) video gambling terminals may be located on any Class G-1 licensee's premises.

(6) Every Class G-1 licensee shall comply with the provisions of the Video Gaming Act, 230 ILCS 40/1 et seq., as amended, and all rules, regulations, and restrictions imposed by the Illinois Gaming Board, as amended.

(7) The operation of video gambling terminals shall not be permitted during the hours alcoholic liquor sales are prohibited, as provided in section 3-3 of this Chapter 3.

(8) Video gambling shall be located in a clearly demarcated area that is restricted to persons over 21 years of age.

(9) The finance director shall provide each Class G-1 licensee with signs in English and in Spanish describing the symptoms of a problem gambler and containing contact information for Gamblers Anonymous. Each licensee shall post such signs in conspicuous locations clearly visible to the public at the location of the video gambling terminal(s) and inside each public restroom on the licensed premises. Each such sign shall provide, in substance, the following:

ARE YOU A PROBLEM GAMBLER? The American Psychiatric Association describes the symptoms of a problem gambler as someone who:

1. is preoccupied with gambling (e.g. preoccupied with reliving past gambling experiences, handicapping or planning the next venture, or thinking of ways to get money with which to gamble)

2. needs to gamble with increasing amounts of money in order to achieve the desired excitement

3. has repeated unsuccessful efforts to control, cut back, or stop gambling
4. is restless or irritable when attempting to cut down or stop gambling
5. gambles as a way of escaping from problems or of relieving a dysphoric mood (e.g. feelings of helplessness, guilt, anxiety, depression)
6. after losing money gambling, often returns another day to get even ("chasing" one's losses)
7. lies to family members, therapist, or others to conceal the extent of involvement with gambling
8. has committed illegal acts such as forgery, fraud, theft, or embezzlement to finance gambling
9. has jeopardized or lost a significant relationship, job, or educational or career opportunity because of gambling
10. relies on others to provide money to relieve a desperate financial situation caused by gambling

If this describes YOU, please call the Gamblers Anonymous Hotline at 1-800-GAMBLER.

(10) Any video gambling terminal permit issued by the city pursuant to chapter 3.7 shall remain in full force and effect until the licensee's other class of liquor license is scheduled to expire. Prior to or upon the expiration of the licensee's other class of liquor license, the licensee shall apply for and receive a Class G-1 license which, henceforth shall be governed by this subsection (p) and which shall run concurrently with the licensee's other class of liquor license. Nothing herein shall be deemed or construed as releasing the licensee from the obligation to maintain the licensee's one or more video gambling terminal permits.

(q) Class G-2 licenses (video gambling - gaming hall) shall permit the licensee of a gaming hall, as hereinafter defined, to draw, pour, mix, or otherwise serve alcoholic liquor for consumption on the gaming hall premises where video gambling terminals are or will be displayed for play or operation subject to the following conditions:

(1) Gaming hall shall mean an establishment whose primary purpose is to operate video gambling terminals where the drawing, pouring, mixing, or otherwise serving of alcoholic liquor on the licensed premises is subsidiary to the operation of the video gambling terminal or terminals. In the event that any establishment derives 60% or more of its estimated gross revenue from the display, play and/or operation of video gambling terminals, such establishment

shall be deemed a gaming hall and shall be required to obtain a Class G-2 license pursuant to this subsection. Notwithstanding the immediate foregoing, the following may also be considered in determining whether an establishment constitutes a gaming hall:

- A. a seating area for video gaming terminals being greater than the seating area where food and/or beverage, including alcoholic beverages, are served;
- B. the absence of a full-service kitchen;
- C. an overall size of 1,500 square feet or less; and/or
- D. such other conditions which readily suggest or indicate that the establishment is intended to be operated or is being operated as an establishment whose primary purpose is the display of gambling terminals for play or operation by the public.

For purposes of this subsection q, fraternal establishments and veterans establishments (as defined in the Video Gaming Act, 230 ILCS 40/5) shall be exempt.

(2) A Class G-2 licensee need not have or apply for any other form of liquor license in order to apply for a Class G-2 license.

(3) Conditions (2) through and including (9) of subsection (p) of this section 3-41 pertaining to Class G-1 licenses shall be conditions for obtaining and maintaining a Class G-2 license except that any reference to Class G-1 license in the aforesaid subsection shall include the Class G-2 license for purpose of this subsection (q).
