This agreement is made between Downtown Creations, LLC, an Illinois limited liability company ("Company"), and the City of Urbana, an Illinois municipal corporation ("City"), each a "party" and together the "parties," and is effective on the last date signed by a party hereto. The Company and the City agree as follows:

1. **Garage.** The City of Urbana municipal parking garage ("Licensed Property") is located at 111 West Main Street, Urbana, Illinois, and has a Permanent Index Number of 92-21-17-206-030.

2. **Grant of license.** The City hereby grants and the Company hereby accepts a nonexclusive, nontransferable, nonassignable, and revocable license to construct, maintain, operate, repair, and remove a site lighting facility ("Facility"), to be located on the Licensed Property as shown in Exhibit A, and in accordance with the installation standards contained in Exhibit B.

- A. The license gives the Company permission to use the Licensed Property for the limited purposes and term stated in this agreement. The license is not a warranty of title and does not convey any right, title, or interest in the Licensed Property.
- B. The license is subject to the rights of any public utility or other person or entity currently having rights, licenses, franchises, or easements in and about the Licensed Property.
- C. The Company shall fully and faithfully perform and comply with all terms, conditions, and covenants contained in this agreement. If the Company fails to perform or comply with any term, condition, or covenant herein, the City may revoke the license after giving the Company a period in which to cure such failure as set forth in this agreement.
- D. The Company shall not transfer or assign the license.
- E. The license is non-exclusive and at all times subordinate to the City's and the public's use of the Licensed Property for purposes normally associated with a public garage or the redevelopment of the 111 West Main Street site. Accordingly, if necessary to accommodate repair, maintenance, or construction of City utilities or improvements to the Licensed Property, the Company shall, at its sole cost, relocate or remove all or any portion of the Facility not more than ninety (90) days after the City's Public Works Director ("Director") directs such relocation or removal in writing.
- F. The Company shall use its best efforts to maintain contractors on any work project involving the Facility and to work toward its timely completion, barring inclement weather or other situations beyond the Company's control.

3. **Term; termination.** The initial term of this agreement is twenty (20) years from the effective date. Upon expiration of this initial term or any renewal term, this agreement automatically renews for a subsequent term of five (5) years, unless, no fewer than ninety (90) days prior to the scheduled expiration of the current term, either party provides written notice to the other party of the intent not to renew. The parties may terminate this agreement at any time by mutual written consent. Either party may terminate this agreement for cause by giving written notice to the other party at least forty-five (45) days prior to the proposed termination. Such party shall specify the reason or reasons for such termination in the written notice and shall specifically state that such termination will become effective on a date at least forty-five (45) days after the date thereof if the other party does not completely cure the reason or reasons for such notice of termination.

4. **Fee.** On the effective date of this agreement and on each anniversary thereafter, the Company shall pay to the City, in advance and without demand, an annual fee as compensation for the license granted under this agreement. Such fee will be in an amount equal to the City's then current non-franchise utility maintenance fee appearing in the City's Schedule of Fees, as amended from time to time, based on a 47-foot occupation of the Licensed Property. As of the effective date of this agreement, such fee is \$94. The Company shall pay the annual fee and all other charges required to be paid under this agreement by cash, valid check, or money order at City of Urbana Accounting, 400 S. Vine Street, Urbana, Illinois 61801.

5. **Installation.** The Company warrants that installation of the Facility will be done and completed in a good and competent manner, in accordance with all requirements of law, and at no expense to the City.

6. **Maintenance.** The Company shall maintain the Facility in good and safe condition and in a manner that complies with all applicable laws.

7. **Repair.** After doing any work, the Company at its sole cost and expense shall promptly repair and restore to the extent practicable any part of the Licensed Property or any other City-owned property disturbed by the Company, including without limitation all walls, ceilings, roofs, sidewalks, parkways, or pavements, to the condition in which they existed before the repair, or better, in accordance with the specifications of the City.

- A. If such property cannot be so repaired, replaced, or restored, the Company shall compensate the City for the cost or reasonable value of such improvements in an amount estimated by an independent architect, engineer, or contractor mutually agreed upon by the parties.
- B. The provisions in this Paragraph 7 will survive the termination of this agreement.

8. **Removal.**

- A. The City may remove and dispose of the Facility, or any portion thereof, upon occurrence of any of the following:
- (1) an emergency that presents imminent peril to person or property;
 - (2) the Company's non-compliance with any term, provision, or covenant in this agreement that is not cured within the time provided herein following notice of such non-compliance tendered to the Company;
 - (3) the Director or other responsible City official, in good faith, deems the procedure in Paragraph 7 impracticable under the circumstances present;
 - (4) termination of this agreement for any reason;
 - (5) the Company's abandonment of the Facility's in accordance with the provisions in Paragraph 9 of this agreement; or
 - (6) expiration of this agreement in the absence of any renewal thereof.
- B. The Company shall bear all costs and expenses incurred in the removal and disposal of the Facility and the restoration of the Licensed Property.
- C. If the Company fails in any way to make timely payment to the City for such costs and expenses, the Company shall pay, in addition to any amount so owed, the City's reasonable attorneys' fees and court costs incurred in the collection of such amount. This provision will survive the termination of this agreement.

9. **Lapse and termination.** The license herein granted is limited to the construction, maintenance, operation, repair, and removal of the Facility. Any additional use other than that specifically named herein, without the further express written consent of the City, is a violation of this agreement. Upon cessation of such use, as determined by the Director, this agreement immediately and automatically will lapse and terminate. If the Director believes the Company is no longer using the Facility or that it otherwise has been abandoned, he or she shall notify the Company in writing that the City is asserting its right to declare this agreement lapsed and terminated. Such notice will state that the Company has thirty (30) days to reassert its rights under this agreement and demonstrate that it has not in fact abandoned the license granted by this agreement. If the Company demonstrates within the thirty (30) day period that it has not abandoned the Facility, this agreement will remain in force and effect according to its terms. If the Company does not demonstrate within the thirty (30) day period that it has not abandoned the Facility, this agreement will be deemed lapsed, terminated, and no longer in effect.

10. **Indemnification.** The Company shall indemnify and defend the City, its officers, employees, and agents against all claims, liability, or damage, including without limitation reasonable attorney's fees and costs, arising from or in any way related to the Company's construction, maintenance, operation, repair, or removal of the Facility, except to the extent caused by the gross negligence or willful misconduct of the City, its officers, employees, or agents. This section will survive the termination of this agreement.

11. **Entire agreement; amendment.** This agreement, together with its attachments, constitutes the entire agreement between the parties, supersedes all other agreements or understandings between them pertaining to the matter of this agreement, and may not be amended except by a writing signed by both parties.

12. **Notices.** All notices required under this agreement must be in writing. Notices must be personally hand delivered or mailed by certified U.S. mail, return receipt requested, addressed to the respective party as shown below, or to any changed address either party may have fixed by notice. Notice will be deemed effective upon actual receipt of the notice, or, if certified mail delivery is not accomplished, notice will be deemed given on the date of the mailing. Either party may designate by written notice a different address to which notices must be sent.
