*Deann Johnson*  
CHAMPAIGN COUNTY CLERK

ORDINANCE NO. 2019-06-034

**AN ORDINANCE APPROVING THE FISCAL YEAR 2019-2020 ANNUAL BUDGET**

**WHEREAS**, the City of Urbana ("City") is a home rule unit of local government pursuant to Article VII, Section 6, of the Illinois Constitution of 1970, and may exercise any power and perform any function pertaining to its governmental business and affairs, and the passage of this Ordinance constitutes an exercise of the City's home rule powers and functions as granted by the Illinois Constitution of 1970; and

**WHEREAS**, the Finance Director acting as Budget Director pursuant to Urbana City Code Sections 2-129 and 2-130(s) has compiled a proposed annual budget ordinance for the fiscal year beginning July 1, 2019 and ending June 30, 2020, in accordance with 65 ILCS 5/8-2-9.1 through and including 65 ILCS 5/8-2-9.9 and Urbana City Code Chapter 2, Article VI, Division 2; and

**WHEREAS**, the Mayor has made the proposed annual budget ordinance conveniently available for public inspection by publication in pamphlet form and by posting it on the City's website at least 14 days prior to a public hearing on such ordinance; and

**WHEREAS**, the City Council held a public hearing on the proposed annual budget ordinance at 7:00 p.m., June 10, 2019 after due and proper notice of the availability for inspection of such ordinance and notice of such public hearing having been given by publication in *The News-Gazette*, a newspaper having general circulation within the City of Urbana, which date was at least 14 days prior to the time of the public hearing; and

**WHEREAS**, the City Council and the Mayor, being the corporate authorities, find that it is in the best interests of the City to approve the proposed annual budget ordinance as heretofore further changed, modified, and amended.

**NOW, THEREFORE, BE IT ORDAINED** by the City Council of the City of Urbana, Illinois, as follows:

**Section 1.**

The City of Urbana Fiscal Year 2019-2020 Annual Budget, a true and correct copy of which is attached hereto and made a part hereof as if set forth herein, be and the same is hereby passed, approved, and adopted as the annual budget ordinance of and for the City of Urbana for the fiscal year beginning

July 1, 2019 and ending June 30, 2020, including changes listed on the Exhibit attached hereto and incorporated herein by reference.

**Section 2.**

The Finance Director acting as the Budget Director is hereby authorized to amend the Fiscal Year 2019-2020 Annual Budget to increase expenditures by the amount of encumbrances outstanding as of June 30, 2019.

**Section 3.**

The City Clerk is directed to publish this Ordinance in pamphlet form by authority of the corporate authorities, and this Ordinance shall be in full force and effect from and after its passage and publication in accordance with Section 1-2-4 of the Illinois Municipal Code (65 ILCS 5/1-2-4).

This Ordinance is hereby passed by the affirmative vote, the “ayes” and “nays” being called, of a majority of the corporate authorities (5 of 8 votes) of the City of Urbana, Illinois, at a duly noticed and convened meeting of the said corporate authorities.

**PASSED BY THE CORPORATE AUTHORITIES** this 17<sup>th</sup> day of June, 2019.

AYES: Brown, Hazen, Hursey, Jakobsson, Miller, Roberts, Wu, Marlin

NAYS:

ABSTENTIONS:

Charles A. Smyth, City Clerk

**APPROVED BY THE MAYOR** this 18<sup>th</sup> day of June, 2019.

Diane Wolfe Marlin, Mayor

## CERTIFICATE OF PUBLICATION IN PAMPHLET FORM

I, Charles A. Smyth, certify that I am the duly elected and acting Municipal Clerk of the City of Urbana, Champaign County, Illinois. I certify that on the 17<sup>th</sup> day of June, 2019, the City Council of the City of Urbana passed and approved Ordinance No. 2019-06-034, entitled:

### **AN ORDINANCE APPROVING THE FISCAL YEAR 2019-2020 ANNUAL BUDGET**

which provided by its terms that it should be published in pamphlet form.

The pamphlet form of Ordinance No. 2019-06-034 was prepared, and a copy of such Ordinance was posted in the Urbana City Building commencing on the 19<sup>th</sup> day of June, 2019, and continuing for at least ten (10) days thereafter. Copies of such Ordinance were also available for public inspection upon request at the Office of the City Clerk.

Dated at Urbana, Illinois, this 19<sup>th</sup> day of June, 2019.

Charles A. Smyth, City Clerk

**TO:** Urbana City Council and Community  
**FROM:** Diane Wolfe Marlin, Mayor  
**DATE:** May 16, 2019  
**SUBJECT:** FOUNDATION FOR THE FUTURE – FY2020 PROPOSED BUDGET

---

The City's proposed budget for the fiscal year beginning July 1, 2019 and ending June 30, 2020 reflects our commitment to transparency and service. We are facing our financial challenges head-on and making real, measurable progress on achieving a balanced and fiscally sustainable budget.

Two years ago, the City embarked on a path to eliminate an estimated \$2.5 million structural deficit in the General Fund, restore adequate funding for Police and Fire pensions, and rebuild emergency reserves. Years of inadequate investment in infrastructure and facility maintenance remain a serious concern that must be addressed in the near future. As part of the plan to tackle these issues, the FY2020 budget includes a number of spending reductions and modest revenue increases, with little in the way of new spending.

City employees continue to provide excellent core services despite financial constraints. We have developed this budget by identifying services, prioritizing them in terms of impact on the community, and making strategic decisions regarding allocation of resources. We coupled this with disciplined implementation of long-term plans for economic development and growth of our population and tax base.

This budget represents another step forward in building a strong Foundation for the Future.

## ECONOMIC AND FINANCIAL OUTLOOK

Education, healthcare, and government are the three largest employment sectors in our area. Our local economy is anchored by the presence of the University of Illinois at Urbana-Champaign, with over 14,000 employees and a payroll of \$1.4 billion in FY2017. The University brings 47,000 students from every state and more than 100 countries to the area. Student and visitor spending add more than \$200 million to the local economy. Thousands of people travel to Urbana each day to work, boosting our daytime population by an estimated net of 6,500.

The Healthcare sector employs 9,600 people in the metro area. Carle Foundation Hospital in Urbana employs over 4,100 people and brings 2,900 daily visitors to Urbana.

The University of Illinois “Flash Index,” which measures economic activity in Illinois, indicates that the State economy is growing at a modest rate. The index increased from 104.7 in April 2018 to 105.6 in April 2019. Property values in the City of Urbana grew by about 2.1% for the 2018 tax levy, when increases related to the change in hospital tax exemptions are not included. The assessed value used in setting the tax rate increased by 4.59%, with those parcels included. The tax rate for City services will decrease by about one-half cent to \$1.3499. The unemployment rate in the Champaign-Urbana area was 4.8% as of March 2019, up slightly from the 4.2% figure for one year prior.

Our top priority is public safety, on our streets, in our neighborhoods, and in public schools. We are committed to maintaining adequate staffing levels for the police and fire departments and to working closely with neighborhood and community organizations to reduce gun violence and maintain safe and vibrant neighborhoods. The Urbana Police Department recently adopted use of body worn cameras as part of ongoing efforts to protect both officers and community members. The Urbana Fire Department recently was awarded an ISO Class 1 designation, which is a measure of a community’s fire suppression ability. This is an achievement reached by only 0.7% of fire departments nationally.

We recognize that the condition of our streets and other infrastructure falls short of where it needs to be. Like other cities in Illinois, we cannot adequately address the backlog of construction and maintenance needs without support from the State and Federal government and consideration of other funding mechanisms. We support current efforts in the Illinois General Assembly to pass a long-overdue capital bill.

Major infrastructure improvement projects for FY2020 include design or construction for Lincoln Avenue from Green Street to University Avenue, Springfield Avenue from Gregory Street to Coler Avenue, the intersection and segments of Vine and Washington Streets, Green Street from Lincoln Avenue to Race Street, University Avenue from Wright Street to Maple Avenue, and campus streetlight replacement. This is in addition to ongoing repair and maintenance for neighborhood streets, sidewalks, and other critical infrastructure.

The City of Urbana is striving for diverse and inclusive economic development and long-term growth in our tax base. We actively promote our community to local and national businesses and developers. We are developing a framework to increase participation through a Minority, Women, Disabled Business Enterprise program and inclusion of minority hiring goals in all development agreements.

This past fiscal year saw significant investment in both commercial and residential development. In total, there were 70 commercial building permits issued, resulting in 128,000 square feet added, and an estimated \$35 million in construction costs.

The Urbana Enterprise Zone, TIF Districts, and “Think Urbana” program continue to incentivize private commercial and residential development. Some of the recent projects include a new \$3 million Peterbilt JX Truck facility on north Cunningham Avenue, a new Culvers at a long-vacant site, and Roanoke Concrete plant on north Lincoln Avenue, as well as expansions of Plastic Container Corporation and A&R Mechanical, and the ASPCA National Call Center in Sunnycrest Center.

Similarly, the City's TIF (Tax Increment Financing) Districts supported over 30 new and expanded businesses in Downtown Urbana in the past 12 months. In that time frame, the City's Redevelopment Incentive Program helped leverage significant renovations, allowing 25 O'clock Brewery, World Harvest, C-U Adventures in Time and Space, and Sitara to open and expand in our Downtown.

The "Think Urbana" Program incentivizes the construction of single family, duplex and townhome residences. Over the past three years, Urbana's share of single family construction in Champaign County has more than doubled, from 9% to 19%.

Five major multifamily residential and mixed-use projects were approved or have begun construction in the past two years. These developments will add millions to our tax rolls, activate vacant or under-utilized infill sites, and support growth of our population. The projects include a 42-unit townhome development at **200 S Vine Street**. This will be the first new residential construction in downtown Urbana in over 13 years.

Other developments include the **Gather** project, a mixed-use development at the southeast corner of Lincoln and University Avenues, comprised of 218 residential units, 31 extended stay hotel rooms, and accessory retail space. Gather is in the design phase and construction is expected to begin in the upcoming year. Further west at **1007 - 1011 W University Avenue** will be a 76-unit, mixed use development with commercial activity on the ground floor and residential above. A 406-unit project in north Urbana, **Union Gardens**, is in the permitting stage. Finally, **The Retreat**, a 126-unit townhome development at the northwest corner of Lincoln and University Avenues is nearing completion.

Complementing this residential and commercial growth along the University Avenue corridor will be an \$8.1 million, state-funded improvement of University Avenue itself, from Wright Street to Maple Avenue, that incorporates many new pedestrian and bicycle safety features, including pavement, lighting, crosswalks, and an eight-foot wide multiuse path running the entire length of the project. This will greatly enhance connectivity and protect hundreds of people living and working in this area.

We believe that communities must provide housing for all ages, abilities, and income levels. The City promotes housing equity by partnering with a number of organizations and developers. In the past two years, five new affordable homes were built in Urbana in partnership with Habitat for Humanity. This year, the Housing Authority of Champaign County will construct a 24-unit building to serve low-income seniors and persons with disabilities. Renovations are underway at Aspen Court on Lierman Avenue and a new development for affordable housing in east Urbana is in the planning stages. The City also utilizes grant funds to support qualified households with home repairs, HVAC improvements, and assistance with utility bills.

Over the past two years, the City has focused on more effective and efficient delivery of services. We have updated a number of administrative policies and procedures, including those related to travel, purchasing, cybersecurity, social media, City Council meeting processes, and cataloguing of records, ordinances and resolutions. We have implemented a new financial system for city finances and payroll as well as several other online services for code enforcement, rental registration, parking, police reporting, and public works asset management. We will add an online licensing option in the coming fiscal year.

Our long-term planning efforts focus on critical public infrastructure, transportation, redevelopment of key downtown sites, the downtown historic district, and continued support for Market at the Square. Currently underway are the long-overdue Stormwater Master Plan Update, City Facilities Study Master Plan, as well as a Citywide Pavement Assessment Study. We are collaborating on a feasibility study for extension of the Kickapoo Rail Trail through downtown Urbana. The City Council will soon consider designating part of our downtown as a National Register Historic District, an initiative that will help support renovation of downtown properties. We completed the “What’s in Your Square” community visioning process, which will serve as the basis for long-term planning for the 16-acre Lincoln Square site.

Overall, these planning efforts will provide information needed to make decisions regarding funding needs, repair and maintenance schedules, and ultimately to improve function, appearance, and quality of life in the City of Urbana.

## **ADDRESSING LONG-TERM FINANCIAL CHALLENGES**

The City will end FY2020 with an unassigned fund balance in the General Operating Fund of \$5.88 million or 17.4% of recurring expenditures. This is slightly higher than the 15% goal established in our financial policies, and it is prudent, given uncertainty about future property tax revenues and the ongoing need to address the structural deficit. This fund balance is our “rainy day fund,” the reserves we would use to deal with emergency events such as a natural disaster or a further reduction in state-shared revenues.

On a bright note, the City has very little debt, with only \$4.76 million in general obligation bonds outstanding as of June 30, 2019. If no new debt is incurred, the City will be free of general obligation debt by the end of FY2023. This gives us additional flexibility as we consider funding options to address our backlog of infrastructure needs.

### **Police and Fire Pension Funding**

In 2018, the Urbana City Council approved a revised pension funding policy as part of updates to the City’s Financial Policies. This new funding policy requires paying down 100% of the unfunded liability over 20 years, with a five-year transition to the full funding level. The first step along this path to full funding was made with approval of the 2018 property tax levy, which allocates additional revenues to the Police and Fire Pension Funds as part of the transition to full funding.

### Structural Deficit in the General Operating Fund

A structural deficit means that the City's recurring revenues are not growing fast enough to keep pace with recurring expenses. This problem will not correct itself over time; it will continue to grow unless a city takes active steps to address it. At the end of FY2020, we expect to be more than halfway toward our goal of eliminating the structural deficit and achieving financial sustainability. The proposed budget includes recurring expenditures in the General Fund that are equal to about 97.4% of recurring revenues, providing a buffer against revenue shortfalls. This is better than the policy of 98.5% of recurring revenues, which was also approved by the City Council in 2018. In order to transition to a sustainable budget, the Financial Forecast anticipated that recurring expenditures would need to be lower than the target for a period of several years.

### Investment in Infrastructure Maintenance

The City's investment in infrastructure maintenance is not enough to improve the condition of streets, sidewalks, streetlights, and other infrastructure systems to a state of good repair. We are working to better define the level of funding necessary to maintain our infrastructure systems. We will then address the gap through the budget process and develop a long-term funding plan. We also support efforts to pass and fund a long-overdue capital bill in the Illinois General Assembly. If this issue is not addressed, deferred maintenance will result in higher long-term costs. We anticipate that further discussion about long-term funding for both facilities and transportation improvements will occur within the next year, and that new General Fund revenues will be required to close the gap.

### Risk to the City's Finances as a Result of the State Budget Crisis

In recent years, the State of Illinois diverted local government revenues to state coffers and imposed new fees. This has resulted in a loss of nearly \$370,000 per year in recurring revenue to the City of Urbana. This followed a loss of

approximately one million dollars per year in recurring revenue when local hospitals were removed from the tax rolls in 2013. The State continues to face alarming fiscal challenges, including an estimated \$229 billion in unfunded pension obligations and more than \$6 billion in unpaid bills.

The City of Urbana cannot solve the State's budget crisis, but we must prepare for potential fallout by maintaining adequate reserves and budgeting recurring expenditures at less than the level of recurring revenue to provide the flexibility needed to respond to any future changes. In summary, I am proud that we are facing our financial challenges head-on and making real and measurable progress addressing them.

## **OVERVIEW OF THE FY2020 PROPOSED BUDGET**

This budget includes \$59.3 million in expenditures and \$47.6 million in revenue for all City funds. Expenditures exceed revenues primarily because of large, one-time expenditures in Capital Improvement Funds.

### *General Operating Fund*

Expenditures in the General Operating Fund will be \$35.8 million, with recurring revenues of \$34.7 million. Recurring expenditures are \$33.8 million, which is 97.4% of recurring revenues.

Unassigned fund balance will be about \$5.9 million. This is 17.4% of recurring expenditures, which is higher than the 15% required by the City's Financial Policies. This is important because this is the City's contingency fund for natural disasters and other unanticipated expenditures, as well as revenue losses that may result from the State's attempts to divert more funds from local government in order to address its own fiscal crisis.

State and Home Rule sales taxes are projected to exceed the FY2019 budget by nearly \$250,000. After a long period of weakness in retail sales, we are seeing growth in excess of 3%. Income tax is also expected to exceed the FY2019 budget by nearly \$100,000. Use tax, which includes taxes collected on internet sales, is expected to exceed budget by more than \$150,000. This is due, in part, to State implementation of sales tax collection on certain online retailers, and is distributed on a per capita basis. Expectations for growth for FY2020 are more modest, based on the increasing likelihood of a recession in 2020 or 2021. For additional detail on major revenues, please refer to the Revenue Analysis section of this document.

Growth in recurring General Fund expenditures for FY2020 is expected to be about 2.7%, while growth in recurring revenues is expected to be a little more than 2%. Because of this unsustainable situation, additional revenue increases and expenditure reductions will be required for FY2021. However, with recurring expenditures at 97.4% of recurring revenues, there is some time to give this careful consideration. While a measured and thoughtful approach has allowed us to reduce expenditures without directly affecting services to residents, further reductions are likely to impact services.

Staff will begin to consider options for service delivery alternatives over the summer, with a plan to identify a limited number of likely options for balancing the FY2021 budget by the end of calendar year 2019.

Most user fees will increase modestly to keep up with the City's cost of doing business. Other proposed revenue increases include increasing fees for late payment of parking fines if not paid within seven days. We propose no increase in the base fines. The late-payment revenues are expected to generate \$72,000 in new revenue annually. In addition, we propose an increase in the package liquor tax from 1% to 3%, an increase of 50-cents on a \$25 purchase. This is expected to generate \$220,000 annually.

At the time of preparation of this document, the County was preparing the final extension of the 2018 property tax levy. Staff expects the tax levy to be extended with a final rate of \$1.3499, which is about one-half cent less than the current City tax rate. Most General Fund property tax revenue will pass through to the Police and Fire Pension Funds. The Urbana Free Library also receives a substantial portion (about 42%) of City property tax revenue, which does not pass through the General Fund.

### General Fund Budget Reductions

A number of reductions in recurring expenditures are planned for FY2020. In addition, because many requests for additional funding were not approved, departments will be required, in some cases, to reallocate funds within their budgets to provide for necessary expenses. Reductions are listed as follows:

- First, a number of positions will be reduced or eliminated. Some of these positions will continue into FY2020 as part of the transition plan, but 5.25 full-time equivalent (FTE) positions will be fully eliminated by the end of FY2020. This will result in an annual savings of about \$370,000 in the General Fund, which will be offset with \$363,000 in one-time expenditures to facilitate the transition. A separate memo will provide additional detail and this will be scheduled for discussion as part of the budget review process.
- Following further review of the Vehicle and Equipment Replacement Fund (VERF), staff is recommending that we continue to purchase vehicles with City funds, rather than leasing, and plan to issue debt at appropriate times to avoid a deficit in this fund. This will eliminate the need for an annual transfer of \$119,000 to address the projected VERF deficit. That is in addition to a reduction of \$70,000 that was included in the FY2019 budget related to the plan to lease some vehicles. A separate memo will contain more detail and this will be a topic of discussion during budget review on June 3.
- Funding for The Urbana Free Library will be reduced by \$59,100 on an annual basis. This share of the originally planned \$500,000 in total reductions is

proportionate to the size of the Library's operating budget. The Library Board has determined the specifics of the reductions. The Library Director will make a presentation to the City Council on the Library's budget as part of the budget review process.

Staffing reductions described above include reducing staffing levels by 5.25 FTEs. In addition, 4.70 FTEs were eliminated in FY2018 and FY2019, for a total of 9.95 FTEs over three years. We have been able to do this without significantly affecting services to residents. However, additional staffing reductions will impact levels of service to residents.

#### *Additional Expenses in the General Fund*

While Department Heads submitted some requests for additional funding, those requests were very limited and few were approved. The majority of those included in this budget are one-time expenditures or items that will increase productivity or efficiency. Of those requests, the following were included:

- \$793,000 (one-time funding from the General Operating Fund) allocated to high priority capital improvement needs including the first phase of replacement of aging streetlights in the campus area, the final phases of the City Facility Study and Master Plan, and addressing critical facility repair needs. With this addition, General Fund support for capital improvements will total nearly \$1.6 million.
- \$500,000 (one-time) to supplement reserves in the Retained Risk Fund, which have been depleted in recent years. The Retained Risk Fund is used to pay for liability and worker compensation claims. This is a first step toward appropriately funding for those costs.
- \$200,000 (one-time) for legal fees related to ongoing litigation over hospital property tax exemptions. The case went to trial in January 2019. A decision is expected sometime this summer. If appealed, the litigation will extend into 2020.

- \$25,000 (one-time) for a compensation and classification study for non-union employees. As we reduce staffing, we want to be certain that remaining staff are appropriately compensated.
- Several small technology projects including network monitoring, central email archive, offsite backup, and a backup service for police body worn camera and squad car video data. The total for these projects is \$38,500, of which \$22,000 is a one-time expense.
- A limited-term, half-time Information Technology Analyst to assist with both transitioning applications away from outdated software, and supporting new software implementation projects. This position will be funded for FY2020 and FY2021 only, at an annual cost of about \$35,000.
- \$20,700 for additional training in the Police and Fire Departments, of which \$15,700 is a one-time expense.

### Employee Wages

Our staff is the City's most important asset. Both union and non-union employees will receive a 2% cost of living increase as well as scheduled longevity increases in FY2020. To help offset these recurring salary increases, annual employee bonus payments will be discontinued. These bonuses, which totaled approximately \$57,000, were paid from the Retained Risk Fund. Paying the bonus out of this fund was a vestige of when the bonus was considered a "safety" bonus.

### Other City Funds

Some modest revenue increases in other City funds are necessary to continue the current level of service. These include:

- The sewer tax rate will increase 2.9% to \$0.1540 per 100 gallons.
- The storm water utility fee will increase 2.9% to \$5.60 per month for an equivalent residential unit (ERU).

- Other licenses, permits, and fees will increase incrementally to keep pace with the City's cost of providing services.

### Capital Improvement Funds

Following are a number of major capital improvements projects that will be in design phase or construction phase in FY2020:

- Construction of Phase 5 of the MCORE project. This will improve Green Street from Busey Avenue to Race Street by creating a pedestrian, bicycle, and mass-transit friendly corridor from the heart of campus to Downtown Urbana. The total FY2020 cost is \$3.96 million.
- Other street work includes improvements to:
  - Lincoln Avenue from Green Street to University Avenue, and on Springfield Avenue from Gregory Street to west of Coler Avenue (\$1.99 million)
  - Race Street from Washington Street to California Street (\$535,000)
  - Fairlawn Avenue from Vine Street to Anderson Street (\$645,000)
  - Vine Street from Washington Street to California Street, and on Washington Street from Walnut Street to Urbana Avenue (\$485,000)
  - University Ave from Wright Street to Maple Street (\$8.1 million state-funded)
- The first phase of campus lighting improvements will replace mercury vapor street lights with LED street lights on Nevada Street from Lincoln Avenue to Matthews Street, and on Matthews Street from Nevada Street to Springfield Avenue. Additional work will follow, depending on availability of funds. A total of \$500,000 is budgeted in FY2020.
- The final phases of the City Facility Study and Master Plan will be completed in FY2020 for a cost of \$243,000.
- Aging parking meters will be replaced with new equipment at a cost of \$250,000. Because Mobile Meter (the City's online parking payment system) is currently used for nearly 75% of meter transactions, some parking spaces will

be designated for Mobile Meter parking only, reducing the cost of meter replacement.

- The City is budgeting \$210,000 as its share of Illinois Department of Transportation improvements to University Avenue between Wright Street and Maple Street.

A separate memorandum of the Capital Improvement Plan will be reviewed with the City Council on June 3. Summary information on the Plan is available in the Supplemental Information section of this document.

## **PUBLIC INPUT ON THIS BUDGET**

As your Mayor, I welcome public input on this proposed budget. A public hearing will be held in the City Council Chambers on Monday, June 10<sup>th</sup>, and public participation is welcomed at all City Council meetings. Individual questions or comments may also be directed to me via e-mail ([dwmarlin@urbanaininois.us](mailto:dwmarlin@urbanaininois.us)), U.S. mail (400 S Vine Street, Urbana, IL 61801), or by phone (217-384-2456).

Sincerely,

A handwritten signature in black ink that reads "Diane Wolfe Marlin". The signature is written in a cursive, flowing style.

Diane Wolfe Marlin  
Mayor of the City of Urbana

# STAFF MISSION AND PRINCIPLES

The staff of the City of Urbana recognizes its primary mission is to effectively deliver municipal services to its citizens.

Our staff is committed to:

1. Fulfilling essential public needs that citizens are generally unable to provide for themselves.
2. Protecting public health, safety and welfare for present and future generations.
3. Enhancing the quality of life in ways that are well planned and cost-effective.

We seek to accomplish our mission guided by the following principles:

## **Vision**

The City of Urbana is a strong and effective government. Our staff is committed to maintaining the City's leadership status by continuing to implement long range planning strategies and innovative programs that will positively influence and shape the future growth and development of the City and positively impact the lives of our citizens.

## **Responsibility**

Providing reliable, quality service to the public is an essential function of city staff. Therefore, it is the goal of all staff members to take a proactive and resourceful approach in the performance of their job and to take personal responsibility for the success of our City.

## **Mutual Understanding**

The City of Urbana is a culturally diverse community. As staff it is our goal to foster an environment that recognizes the value in differences and mutual responsibility – an environment of inclusion and unity, not exclusion. The City is committed to having a workforce that reflects the community in which we serve. Each staff member's behavior should reflect the City's commitment to mutual respect, acceptance and understanding of others.

## **Integrity**

In order to maintain effectiveness, staff recognizes the importance of maintaining a high degree of integrity. It is our goal to execute our responsibilities in an honest, polite, respectful, trustworthy and knowledgeable manner.

## **Creative Cooperation/Collaboration**

City staff recognizes that only through working together in collaboration and cooperation with our citizens, businesses, other governments and agencies can we achieve our mission. It is our goal to reach out to others to provide quality results for our community and environment.

## **Mutual Benefit/Safety**

It is the City's goal to identify solutions, which create a safe environment for the work place and our community as a whole. Each staff member must take personal responsibility for the safety of his or her self as well as others.

## **Progress**

It is an ongoing goal of city staff to continuously explore new and innovative ideas in an effort to better serve our community and its citizens.

# GENERAL INFORMATION

---

## PROGRAM BUDGETING

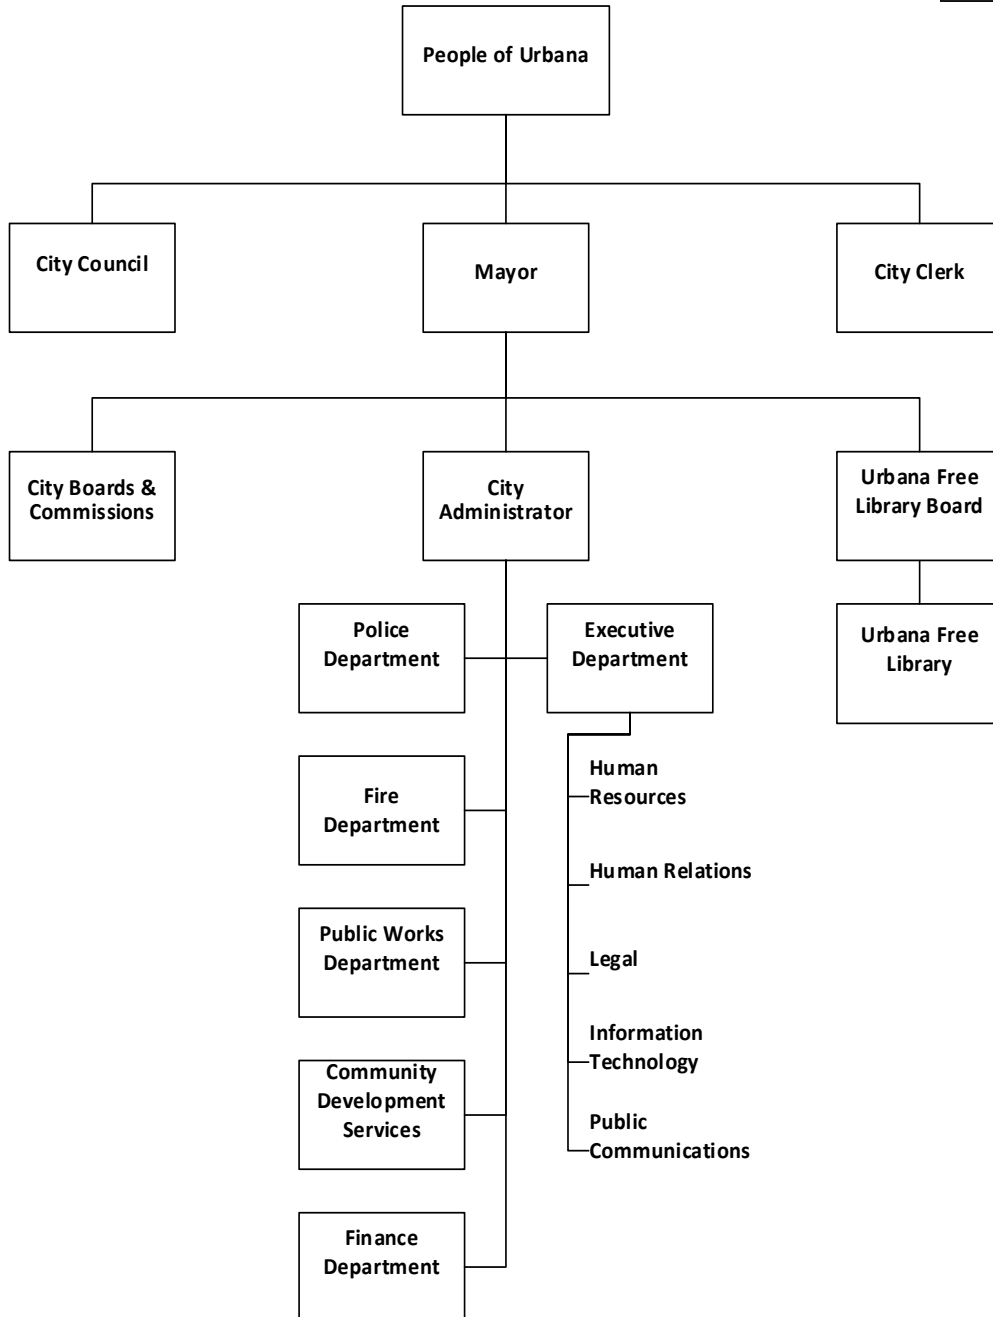

The City of Urbana budget organizes costs for general operations into departments, divisions and programs (cost centers). Following is a listing of these departments and programs:

- City Council
- City Clerk
- Executive Department
  - Administration
  - Legal
  - Human Relations
  - Human Resources
  - Information Technology (in a special fund)
  - Public Communications
- Finance Department
  - Administration
  - Administrative Services
  - Financial Services
  - Parking Enforcement
- Police Department
  - Administration
  - Patrol
  - Animal Control
  - Criminal Investigations
  - Support Services

- Fire Department
  - Operations
  - Administration
  - Prevention
- Public Works Department
  - Administration
  - Operations Division
    - \* Urban Forestry
    - \* Landscape Management
    - \* Landscape Recycling Center (in special fund)
    - \* Tool room
    - \* Snow and Ice Removal
    - \* Traffic Control
    - \* Street Lighting
    - \* Street Maintenance and Construction
    - \* Concrete Repair
    - \* Sewer Maintenance and Construction
    - \* Traffic Signals
    - \* Right of Way and Technical Support
    - \* Facilities Maintenance
    - \* Civic Center
    - \* Parking System Maintenance (M.V.P.S. Special Fund)
    - \* Parking Garage (M.V.P.S. Special Fund)
    - \* Equipment Services (in special fund)
  - Engineering Division
    - \* Planning and Mapping
    - \* Transportation Improvements
    - \* Sewer Improvements
  - Environmental Planning
  - U-Cycle (in special fund)

- Community Development Services Department
  - \* Administration
  - \* Economic Development
  - \* Planning and Zoning
  - \* Building Safety Division
    - \* New Construction
    - \* Housing
    - \* Multi-Family Inspection
    - \* Environmental Control
  - \* Community Development Block Grant and other H.U.D. housing development and rehabilitation programs (in various special funds)
  
- \* Urbana Free Library
  - \* Centralized Costs
  - \* Administration
  - \* Adult Division
  - \* Children's Division
  - \* Archives Division
  - \* Maintenance Division
  - \* Acquisitions Division
  - \* Circulation Division
  - \* Documents Project

# CITY OF URBANA ORGANIZATIONAL CHART

## **FINANCIAL AND ACCOUNTING INFORMATION**

The City of Urbana was chartered in 1855, and operates under a Mayor/Aldermanic form of government. The legislative authority of the City is vested in a seven-member council, each elected from their respective districts. The Mayor is elected at large. Major City services are police and fire rescue protection, public works, library, and general administration. Public parking facilities are provided as an enterprise activity. Urbana's population is estimated at 41,250 (2010 Census) and the city boundaries include an area of 11.9 square miles.

This document has been prepared on a program budgeting basis. Program budgeting provides that costs necessary to provide specific services will be accounted for in cost centers, or programs. The budget also includes detailed line item expenditures, which are used by the City staff in managing the budget on a daily basis.

Capital improvement funds included in this budget include costs and estimated revenues for the 1-year period July 1 to June 30. Because the construction season runs approximately from April to November, it is important to view these one year expenditures in conjunction with the City's Five year Capital Improvements Plan, for which additional detail is included in the Supplemental Information section of this budget document. Many projects that are approved and included in the city's fiscal year budget will not be completed until near the end of the construction season (fall). Therefore, unspent monies for these projects will be encumbered and carried over to the following year.

It is sometimes necessary to amend this budget during the year. All changes which increase the total authorized expenditure level in a department or transfer monies between personnel codes and other expenditure categories require City Council approval. In special funds, all changes above 10% and those which change the basic nature of the project require Council approval. Other changes are made administratively by the Finance Director with the approval of the City Administrator.

The City passes its annual tax levy ordinance on or before the last Tuesday in December. The first half of the tax bills are due and payable to the County the following June and the balance in September. Amounts are remitted to the City from the County Treasurer within a short period after collection.

There is currently no debt being retired from general property taxes. All outstanding debt is being retired from TIF 2 property tax increment and local motor fuel tax revenue.

Cash temporarily idle during the year is invested in bank certificates of deposit, U.S. Government securities, and public investment pools. Investments above insured limits are collateralized by the bank pledging U.S. Government securities to the City.

This budget is presented to the City Council and the public for review prior to its

adoption. Public hearings and study sessions are conducted to obtain citizen comments prior to adoption, which occurs before July 1.

The City of Urbana is a Home Rule unit under provisions of the Illinois Constitution; thus no statutory limit exists on the issuance of debt or the levying of property taxes.

The Comprehensive Annual Financial Report (CAFR) is published annually. It presents a historical financial picture of operations of the City for the immediately preceding fiscal year and a balance sheet of assets and liabilities as of the end of the preceding fiscal year. This information in this report is reviewed by external auditors to assure it is accurate and prepared with acceptable methods. A comparison of actual results to the budget or expected results is a part of this report.

The reports are prepared consistent with generally accepted accounting principles (GAAP). However, there are differences between the basis on which these statements are prepared and day-to-day financial operations of the City. The timing of recognition of revenues and expenditures differs between the two. The fund balances used in preparation of the annual budget are based on adjusted cash balances because this more accurately reflects resources available to be spent. For this reason, the fund balances used in preparing the budget may differ significantly from those included in the CAFR.

The City participates in three employee pension plans as follows:

- All employees, except sworn police and fire personnel, who meet certain minimum hourly standards, participate in the Illinois Municipal Retirement Fund (IMRF), a multiple employer retirement system that acts as a common investment and administrative agent for local government in Illinois.
- Sworn police personnel are covered by the Police Pension Plan, which is a defined benefit, single employer plan.
- Sworn fire personnel are covered by the Firemen's Pension Plan, which is a defined benefit, single employer plan.

All benefits and required contributions from both employees and the City are governed by State Statutes. Current funding levels are adequate and comparable to or better than other central Illinois cities of similar population.

In February of 2018, the City implemented a new financial management system. As part of that transition, the chart of accounts was updated and some funds were consolidated.

## PROPOSED FINANCIAL POLICIES

- I. **Purpose:** Financial policies establish goals and targets for the City's financial operations. Formal policies provide for a consistent approach to planning and budgeting, and support the City's long-term financial stability.
- II. **Long-term Planning:** Each year the City's Finance Department will prepare a five-year financial forecast for the City's General Operating Fund to assess the City's future fiscal condition. The purpose of the forecast is to give context to decisions that will be made in the budget process.
- III. **Balanced Budget:** The City considers the budget to be balanced if budgeted, recurring expenditures in the General Operating Fund do not exceed 98.5% of budgeted, recurring revenues. In other City funds, unless specific reserve targets have been established, expenditures will not exceed the total of budgeted revenues and unassigned fund balance at the beginning of the year.
- IV. **Reserves:** The city will maintain adequate reserves to establish a cushion of available cash during economic downturns, finance cash flow needs, provide stable tax rates, and provide for unanticipated needs or unexpected opportunities.
  - A. **General Fund:** The City will maintain reserves of at least 15% of recurring expenditures in the General Operating Fund. This is in addition to any reserve that is established for a specific purpose. The reserve will be depleted below 10% only in the event of a catastrophic need. If the reserve dips below 15%, the Finance Director will recommend a strategy to replenish the reserve over a period of no more than three to five years.

A reserve level of no less than 15% is appropriate given-

- the City's reliance on cyclical revenue sources (e.g., sales tax)
- the reliance of other funds (e.g., Retained Risk and Capital Improvements) on the General Fund as a source of revenue
- the current backlog of unmet capital needs, which could result in an immediate demand for funds due to infrastructure failures
- the potential for unavoidable cost increases imposed by the State of Illinois
- concerns about the potential impact of the State's fiscal situation, including potential reductions in State-shared revenues

**B. Vehicle & Equipment Replacement Fund (VERF):** The goal of the VERF is to provide funding to replace aged capital equipment with like equipment, when replacement is needed to maintain services to the community. A capital asset is defined as equipment with an initial purchase price of \$5,000 or more and a useful life of 5 years or more.

Annual charges will be made to various operating budgets at 70% of calculated straight-line depreciation for each capital asset accounted for in this fund. The City will use debt financing to cover purchases during periods when the fund balance would drop below 10% of the total value of assets included in the VERF. The replacement schedule will be updated at least biennially.

Other funds, including the Landscape Recycling Center Fund and the Equipment Services Fund, may retain reserves for equipment replacement separate from the Vehicle and Equipment Replacement Fund.

**C. Retained Risk:** Retained Risk Fund reserves will be maintained to provide funding in the event of large workers compensation and liability claims. The reserve amount will be established based on a periodic actuarial review. Annual transfers will be made from operating budgets to support risk management activities such as insurance premiums and routine claims, as well as to replenish the reserve, when necessary. Reserves will be replenished over time to minimize impact on the operating budget.

**V. Property Taxes:** The City's goal is to maintain a property tax rate equal to that of the City of Champaign, and to work with overlapping taxing districts to create an overall tax rate equal to the City of Champaign.

**A. Pension Funds:** The City will levy property taxes to provide funding for a 20-year closed period amortization of 100% of unfunded liability, including a five-year transition to the higher funding level, beginning with the 2018 property tax levy. Contributions will be calculated using the entry age normal (level percent of pay) method. Asset smoothing will be used over a five-year period to reduce the effects of market volatility. 8.12% of the pension funding requirement will be allocated from personal property replacement tax, also consistent with State law.

Prior to levying taxes in 2028, staff will recommend to the City Council an appropriate strategy to minimize volatility as the funds move closer to the goal of being fully funded.

**B. Library General Fund:** The City levies property taxes for the Library to support operations, which are funded from the Library's General Fund. The City Council approves the Library's budget, including estimated property tax revenues necessary to support the expenditure budget. When the City Council approves the property tax levy, it will include a levy sufficient to support the approved Library General Fund budget. (The City also allocates a portion of the Ameren franchise fee to the Library, based on the Library's proportionate benefit from free gas terms provided by Ameren prior to the franchise agreement approved in 2015. This allocation will continue in the same proportion.)

**C. Corporate Tax Levy:** Remaining funds that can be raised within the City's target tax rate will be allocated to the General Operating Fund to pay for public safety services.

**VI. Capital Improvements:** Capital improvements are defined as a project or activity costing more than \$10,000 resulting in construction, renovation, or acquisition of land, infrastructure, or buildings, with an expected life of at least 10 years.

**A. Capital Improvement Fund:** The Capital Improvement Fund is used to pay for capital improvements that do not have another source of funding, or for which other sources are insufficient. The City's goal is to increase funding for capital improvements each fiscal year by at least the amount of increase in the construction cost index for the prior calendar year. This funding is to be used only for the purpose of funding capital improvements.

As the budget allows, the City will consider additional one-time transfers to provide additional funding for infrastructure maintenance and improvements; or increasing the base level of the recurring transfer to provide a stable, ongoing source of funding.

**B. Stormwater and Sewer Improvement Funds:** These enterprise funds are established to provide ongoing funding for maintenance and improvements to the City's stormwater and sanitary sewer systems. Fees will be established to

provide funding consistent with long-term plans for operation and maintenance of these systems.

**C. State and Local Motor Fuel Tax Funds:** These funds are reserved for transportation improvements.

**VII. Debt:** The City may use long-term borrowing for capital projects that cannot be funded from current resources, when the improvements have a useful life of 25 years or more. Debt maturities will not exceed the useful life of the improvement. Combined debt service payments will not exceed 10% of recurring General Operating Fund revenues, regardless of the source of repayment. The City will generally use bank qualified bonds because of the lower cost of borrowing and reduced administrative burden.

The City may also use long-term borrowing to finance equipment purchases. Debt issued to finance equipment purchases will not have maturities exceeding ten years.

# CHANGES IN FUND BALANCE AND BUDGET SUMMARY

## FISCAL YEAR 2019-2020

	FY17 Actual	FY18 Actual	FY19 Budget	FY19 Estimate	FY20 Proposed
<b><u>CITY OPERATING FUNDS</u></b>					
100 - GENERAL FUND					
Beginning Fund Balance	11,284,509	4,670,556	6,842,884	6,842,884	7,046,775
Revenue	31,881,729	34,221,368	33,647,607	34,327,593	34,665,855
Expense	38,495,682	32,049,040	34,232,457	34,123,702	35,827,838
Ending Fund Balance	4,670,556	6,842,884	6,258,034	7,046,775	5,884,792
370 - RETAINED RISK FUND					
Beginning Fund Balance	2,788,171	2,460,781	2,286,756	2,286,756	1,663,429
Revenue	1,106,768	793,249	756,539	771,539	1,280,591
Expense	1,434,158	967,274	1,390,975	1,394,866	966,000

# REVENUE ANALYSIS

## INTRODUCTION

The total projected revenue for all City funds in FY20 is \$47.6 million (interfund transfers are not included), which is an increase of \$1.6 million or 3% from the FY19 estimated revenues of \$46 million.

	FY19 Estimate	FY20 Proposed	Variance	Variance Percentage
40 - TAXES	30,089,322	30,772,925	683,603	2%
41 - INTERGOV. REVENUES	2,960,838	4,599,062	1,638,224	55%
42 - LICENSES & PERMITS	1,176,110	1,131,932	(44,178)	(4%)
43 - FINE, FORF & PENALTY	557,319	646,000	88,681	16%
44 - CHARGES FOR SERVICE	9,682,688	9,801,761	119,073	1%
45 - INVESTMENT INCOME	445,408	424,953	(20,455)	(5%)
46 - MISC REVENUES	1,118,552	251,120	(867,432)	(78%)
<b>Grand Total</b>	<b>46,030,237</b>	<b>47,627,753</b>	<b>1,597,516</b>	<b>3%</b>

Figure 1 - FY20 Revenues by Category

Taxes account for 65% of total revenues, followed by charges for service with 21% and intergovernmental revenues with 10%. These three categories combined for 96% of total revenues.

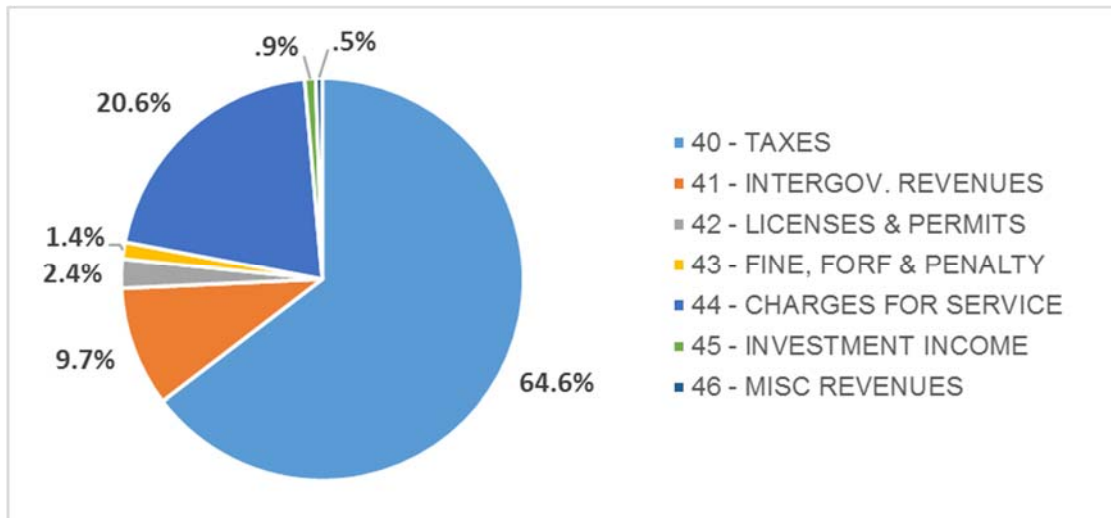

Figure 2 - Total FY20 Revenue Breakdown by Category

In FY20, \$32.2 million or 68% of total revenues are reported in the City's General Operating Fund, which provides for most basic City services, such as police and fire protection. General Fund revenues are projected to increase by \$0.34 million from the FY19 budget.

The largest source of General Operating Fund revenue is state and local sales tax, which is expected to bring about \$9.7 million in revenue. Sales tax comprises over 30% of General Fund revenue (interfund transfers are not included), which is a concern because sales tax is a relatively volatile source. Other significant revenue sources in the General Operating Fund are property taxes (\$4.4 million, including taxes levied for pensions), and state income tax (\$4.1 million).

	FY19 Estimate	FY20 Proposed	Variance	%

Figure 3 - FY20 Revenues by Fund

The proposed budget includes very modest revenue increases:

- There would be an increase in fees for late payment of parking fines in FY20. This is expected to generate \$72,000 in new revenue annually.
- The package liquor tax would increase from 1% to 3%, which is an increase of 50-cents on a \$25 purchase, and is expected to generate \$220,000 annually.

- Increases in service charges, license and permit fees, stormwater utility fee and sewer benefit tax will generate about \$80,000 in additional revenue for this coming fiscal year, based on the FY20 proposed fee schedule.

The following table lists all major revenues \$500,000 and greater. These revenues represent 87% of total revenues:

	FY19 Estimate	FY20 Proposed	Variance
<b>100 - GENERAL FUND</b>			
40305 - STATE SALES TAX	5,240,000	5,332,000	92,000

Figure 4 – Major Revenues Over \$500,000

# MAJOR REVENUE SOURCES

## PROPERTY TAX

At the time of preparation of this document, the 2018 property tax levy had not been extended and the overall rate for City residents is not known. The City's tax rate will be \$1.3499, about one-half cent less than the current \$1.3550 rate.

The amount of property tax is produced by multiplying the property tax rate times the equalized assessed value. There are generally two reasons that assessed value increases: (1) annexations and new development and (2) increases in the market value of current properties (1/3 of its market value). Assessed value will increase to \$583,475,063, and increase of 4.59%. About 2.5% of the increase is driven by the County Board of Review decision to add certain hospital properties back to the tax rolls. Absent that decision, the increase would have been about 2.1%.

Figure 5 – Equalized Assessed Value

Homeowners will pay less, on average, to the City compared to last year because the City's tax rate will decrease to \$1.3499. Growth in assessments is modest. Amounts paid by individual homeowners may be slightly higher or lower due to changes in values of their individual property. The 2018 tax levy was approved in December 2018 and will be paid by homeowners in June and September 2019.

Figure 6 – Property Tax Rates

The City is one of nine different government agencies to which an Urbana homeowner will pay property tax. Because final extensions for all taxing districts were not available at the time of publication, the chart below provides the allocation for the 2017 tax levy. The City was responsible for 13% of the total property tax. The School District was responsible for 55.8%, the Park District 11.5%, and the County 7.9%. Several smaller taxing districts (Forest Preserve, Public Health District, and Mass Transit District) are grouped together to make the chart easier to read. The largest share of the City’s property tax levy, 42.5%, goes to the Urbana Free Library.

Figure 7 – Property Tax Rates – Overlapping Governments – 2017 Tax Levy

The maximum property tax rate for all taxing districts, including the City, schools, the park district and others, was \$10.6876 per \$100 of assessed value for the 2017 tax levy. An owner occupied home valued at \$150,000 paid total taxes of \$4,703 for 2017, \$26 more than for 2016.

## SALES AND USE TAX

On June 21, 2018, the U.S. Supreme Court issued a decision in *South Dakota v. Wayfair, Inc.*, overturning the outdated physical presence standard. This long-anticipated decision cleared the way for state and local governments to enforce existing sales and use tax laws on remote sales. The State started collecting the use tax related to remote sales in October 2018. The City first saw the benefit of this change in January 2019.

A number of taxes are included in the sales and use tax category. They include the sales tax imposed under state law, and Urbana's home-rule sales tax on general merchandise, prepared food and beverage and package alcohol. The current sales tax rate on general retail sales in Urbana is 9.0%. Of this rate, the State's share is 5.0%, the City's share is 2.5%, the County's share is .5% (.25% statutory and .25% home-rule) and the School District share is 1.0%. The City's 2.5% is comprised of 1% statutory tax on most retail sales and an additional 1.5% local sales tax under Home Rule authority. Sales of food, drugs and medicine are exempt from all but the City's 1% statutory tax. Sales of licensed personal property such as automobiles are exempt from the City's 1.5% home-rule authority tax, the County's .25% home-rule imposed tax and the School District's 1% tax.

In addition, the City of Urbana imposes a locally collected 1.5% on the sales of food and beverages that are prepared for consumption on premises. The tax on the sale of alcohol that is prepared for consumption off-premises would increase from 1% to 3% in FY20.

All sales tax revenue is allocated to the General Operating Fund. Since sales tax is based on point of sale, a new retail store or a store closing can have a significant impact. The Home Rule sales tax rate increased from 1% to 1.25% in 2007, and then again to 1.5% in 2014. The State still imposes a 1.5% collection fee on Home Rules sales tax revenue. The fee was reduced from 2% to 1.5% in FY19.

Figure 8 – Sales Tax Revenues

\*\* Sales tax revenues are adjusted to cash basis in this chart to show a consistent trend, even though they were accounted for on an accrual basis prior to FY2015.

According to the Illinois Department of Revenue, sales tax revenue for April 2019 is continuing to show relatively strong growth. Home rule sales tax is up about 4.08% year-to-date and state sales tax is up about 3.22% year-to-date. This is largely due to receipts for the last 4 to 6 months. Prior to that growth was weak, as it has been for a number of years. Both Home Rule and State sales taxes has shown relatively strong growth since the second half of FY19. However, there is still a good probability of weakening in the economy within FY20. For that reason, growth for FY20 is projected at 1.75%.

## **STATE INCOME TAX**

The State of Illinois imposes an income tax on individuals and corporations. A portion of these taxes is returned to local governments based on population. All income tax revenue is allocated to the General Operating Fund. It has been extremely difficult to project income tax accurately due to extreme volatility (especially due to changes in federal tax laws and tax amnesty programs) over the past 10 years.

The Local Government Distributive Fund (LGDF) distributions decreased by 10 percent in FY18 (while at the same time accelerating receipts by 60 days) and then increased by 5 percent in FY19, which is still less than the allocation prior to FY18. As a result, the City received 14 payments in FY18 and 12 payments in FY19. State income tax revenue will increase from \$4 million to \$4.1 million in FY20.

## **UTILITY TAXES**

The City imposes a 5% tax on utility company charges for the sales of electricity, natural gas, water, and telecommunications. The tax on electricity is based on a kilowatt-hour "consumption" tax. Therefore, increases in electricity costs tend to encourage reduction of usage and a corresponding reduction of tax income to the City. The tax on natural gas and water remains at 5% of gross receipts and the tax on telecommunications is 6% of gross receipts.

All utility tax revenue is allocated to the General Operating Fund. Since utility tax is also based on point of sale, annexations and new development will affect this revenue. Over the past nine years, the amount received from individual components of the utility tax has been extremely volatile due to changes in telephone usage (increase in cell phones and other alternatives), price decreases in the telecommunications industry in general, price increases and decreases in natural gas and electricity, and weather conditions. This tax is expected to generate \$2.75 million in FY20.

In FY2011, the City imposed a new use tax on the purchases of natural gas. This tax is applied to large utility customers that purchase natural gas wholesale from out of state suppliers and are not subject to the utility tax. The natural gas use tax increased from 3.5 cents per therm to 5-cents per therm in April 2016. FY17 was the first full year of revenue from this increase, affecting about a dozen large utility customers. This tax is expected to generate \$417,000 in FY20.

## **SERVICE CHARGES AND FEES**

The City charges fees to users of certain services, where it is deemed in the best interest of the public that these users pay directly for this service. Since these fees are directly related to providing a specific service, City policy has been to increase these fees similar to the increase in cost of personnel that provide these services. However, some of these fees can be impacted by usage, as well. Examples of some of the most significant of these charges are:

- The University of Illinois reimburses the City for costs incurred to provide fire safety services to a portion of the campus. Revenues from this service charge are reported in the General Operating Fund, along with the expenses related to providing the service (in Fire Department budget). The amount of this charge for FY20 is estimated to be \$2.25 million.
- The City of Urbana charges users of the Landscape Recycling Center fees to drop off landscape waste, which is then converted into recycled mulch, compost and firewood, which is sold. The amount expected to be raised in FY20 is approximately \$0.77 million. Revenues from this service charge are reported in the Landscape Recycling Center Fund along with the expenses related to providing the service.
- The City rents parking spaces and utilizes parking meters to generate revenues that are used to maintain and construct parking facilities. Revenues from these parking services are allocated to the Parking Fund, where expenses of maintaining parking services are reported. The amount expected to be raised in FY20 is \$1.48 million. Approximately 80% of the amount is collected from spaces and meters in the University campus area.

## **COMMUNITY DEVELOPMENT BLOCK GRANT, HOUSING IMPROVEMENT AND OTHER FEDERAL AND STATE GRANTS**

The City of Urbana receives monies from the U.S. Department of Housing and Urban Development and the State of Illinois for programs to improve the quality of life and housing of low-income persons and for grants to sub recipients and other community agencies, in accordance with the City's Consolidated Plan. The majority of these monies are in the form of the Community Development Block Grant and HOME Investment Partnership Act. These revenues are allocated to the City's Community Development Grant Funds and restricted for uses under the plan and HUD program guidelines.

## **TAX INCREMENT FINANCING DISTRICT PROPERTY TAXES**

All incremental property taxes in the three tax increment financing districts of the City above the base level when the district was established are reported in the City's Tax Increment Special Funds. These revenues are restricted to pay for development improvements within the district boundaries in accordance with the redevelopment plan and State TIF laws. Increases in the future will be dependent upon new projects that will add to the assessed value and inflationary increases in property values.

## **STATE MOTOR FUEL TAX**

Approximately 1/12 of the 10 cents/gallon gasoline tax imposed by the State is returned to local governments based on population. Motor fuel tax revenues are allocated to the Motor Fuel Tax Fund and are restricted for certain street maintenance and improvements, per Illinois Department of Transportation (IDOT) regulations. Since motor fuel tax is based on gallons used, it will increase only if gasoline consumption increases in the state or if Urbana's population increases compared to the state population. The estimate for State Motor fuel tax for FY20 is \$1.05 million.

## **LOCAL MOTOR FUEL TAX**

In FY11, the City imposed a new tax of 2 cents per gallon of gasoline sold in the city limits. Revenues from this local motor fuel tax are used for street maintenance and road safety improvements. Urbana increased its rate to 4 cents, effective July 1, 2012; and to 5 cents effective August 1, 2015. Revenues and costs of this program are reported in the Local Motor Fuel Tax Fund. Revenues for FY20 are estimated to be \$891,000.

## **SEWER BENEFIT TAX**

The City imposes a tax on all property owners to pay for sanitary sewer maintenance and related improvements. This tax is collected as part of the bill a homeowner receives from the Sanitary District. It is based on the amount of water that is used and returned to the City's sanitary sewer system. The amount charged per 100 gallons of water used is determined annually by the City Council. Revenues from this tax are allocated to the City's Sanitary Sewer Improvement Fund. Currently, the average amount paid by a household of four people is \$72/year. This fee will increase by 2.9% in January 2020 to help cover the cost of sewer maintenance and improvements, raising an estimated \$1.48 million in FY20.

## **STORM WATER UTILITY FEE**

The City imposed a fee based on runoff generated from each property to fund the management and replacement of the aging storm sewer infrastructure. The fee went into effect July 1, 2013. In January 2020, the rate will increase from \$5.44 to \$5.60 per month per equivalent residential unit (ERU) raising an estimated \$1.6 million in FY20.

## **LOCAL FOOD & BEVERAGE TAX**

The City imposes a tax on the receipts of local food and beverage purchase. This tax remains the same at 1.5%. All local food and beverage tax revenue is allocated to the General Operating Fund. FY20 revenues are estimated to be \$1.2 million.

## **HOTEL/MOTEL TAX**

The City imposes a tax on the receipts of hotel and motel room rentals. This tax remains the same at 7%. All hotel tax revenue is allocated to the General Operating Fund. FY20 revenues are estimated to be \$0.96 million.

## **LICENSES AND PERMITS**

The City requires that persons involved in certain activities obtain an annual license and/or permit. Usually these licenses and permits involve an inspection of the activity in some manner and registration of persons responsible for the activity. Examples of some of the major license and permit revenues that are received by the City are liquor licenses and various building permits. All license/permit revenue is allocated to the General Operating Fund. City policy is to increase the amount charged for these permits and licenses annually similar to increases in expenses incurred by the City in administering these activities, which is approximate to labor costs.

## **RECYCLING TAXES**

The budget includes a recycling tax of \$3.25 monthly per residence to pay for the City's curbside recycling program and green initiatives. Revenues from these taxes are allocated to the U-Cycle Fund and this fund will require continued, regular increases to be financially sustainable.

## **FINES AND TICKETS**

The City receives revenue in the form of fines from certain violations of Ordinances and laws and from parking-ticket violations. Most fine revenue is allocated to the General Operating Fund to offset the costs of administering the violation and collection of the fine. There would be an increase in fees for late payment of parking fines. This is expected to generate \$72,000 in new revenue annually for the General Fund.

Some fine revenue (D.U.I. and drug seizure) is required by law to be accounted for separately and used for certain police equipment and costs.

## **INTEREST ON INVESTMENTS**

The City invests all monies that are not needed to pay expenses, in various interest earning securities. The length of maturity and type depends upon the amount available and when it is projected that these invested amounts will be needed. Because the City invests in securities that have relatively short maturities, the impact of fluctuations in interest rates has a significant impact. Interest earned is deposited to each of the City's funds based on average balances invested.

## DEBT SUMMARY

The City has a relatively small amount of debt outstanding, and all of that is non-taxable General Obligation debt. There are no specific plans to issue additional debt at this time.

### Outstanding Debt

The City has two outstanding general obligation bond issues.

- \$7.8 million in debt was issued in 2012 to finance improvements to the Boneyard Creek in downtown Urbana.
- \$2.6 million in debt was issued in 2014 to finance improvements to Windsor Road.

**Outstanding General Obligation Debt**

The City also has a small, interest free loan from the Illinois Office of the State Fire Marshal for the purchase of a fire truck in 2015. The total loan is \$350,000, payable in equal installments of \$17,500 over 20 years. The last payment will be made in 2036.

## Debt Limitations

As a home-rule municipality, the City has no legal debt limit. However, the City's draft financial policies specify a limit on debt service payments of 10% of recurring General Operating Fund revenues, which is currently \$3.5 million. Current debt service payments are well below this limit, as shown in the following chart.

**General Obligation Debt Service Payments**

## PROPERTY TAX SUMMARY Tax Year 2016 - 2018

	2016 PROPERTY TAX LEVY		2017 PROPERTY TAX LEVY		2018 PROPERTY TAX LEVY	
	Actual Tax Rate	Extended Levy	Actual Tax Rate	Extended Levy	Actual Tax Rate	Extended Levy
Corporate Purposes	<u>0.4238</u>	<u>2,313,840</u>	<u>0.3895</u>	<u>2,172,960</u>	<u>0.3569</u>	<u>2,082,423</u>
Pension Funds						
Police Pension	0.2031	1,108,874	0.2223	1,240,177	0.2537	1,480,276
Fire Pension	0.1587	866,461	0.1678	936,130	0.1785	1,041,503
Subtotal Pension Funds	<u>0.3648</u>	<u>1,975,335</u>	<u>0.3901</u>	<u>2,176,307</u>	<u>0.4322</u>	<u>2,521,779</u>
Total General Fund Property Tax	<u>0.7886</u>	<u>4,289,175</u>	<u>0.7796</u>	<u>4,349,268</u>	<u>0.7891</u>	<u>4,604,202</u>
Urbana Public Library	<u>0.5694</u>	<u>3,108,779</u>	<u>0.5754</u>	<u>3,210,067</u>	<u>0.5608</u>	<u>3,272,128</u>
<b>Grand Total</b>	<b><u>1.3550</u></b>	<b><u>7,397,954</u></b>	<b><u>1.3550</u></b>	<b><u>7,559,335</u></b>	<b><u>1.3499</u></b>	<b><u>7,876,330</u></b>
Total Urbana EAV		545,974,455		557,884,512		583,475,063
% change in EAV		4.46%		2.18%		4.59% *

\* About 2.5% of the 4.59% increase in EAV for the 2018 tax levy is related to return of certain hospital parcels to the tax rolls.

The land use map on the following page illustrates that about 30% of the land area in the City of Urbana is wholly or partially tax exempt.

# Land Use Map of Urbana

1 inch equals 1 mile

# GLOSSARY

**ACCRUAL** - The recognition of revenue when earned or expenses when incurred regardless of when cash is received or disbursed.

**ACTUAL** - The actual figures in the budget document are year-end actual totals for fiscal years preceding the current year.

**ADOPTED BUDGET** - The final budget approved by the City Council prior to the beginning of each fiscal year.

**AFSCME** - American Federation of State, County, and Municipal Employees. The union which represents the bargaining unit consisting of certain non-managerial Public Works employees and most clerical positions in several city departments.

**A.R.M.S.** - Area-wide Records Management System.

**ASSESSED VALUATION** - Basis for determining property tax. Assessed valuation determines the value of real (land & buildings) property. Real property is appraised at 100% of the fair market value and the assessed value may not exceed 1/3 of the appraised value.

**BALANCED BUDGET** - The proposed budget expenditures do not exceed available resources and are in compliance with all Council policy guidelines.

**BOND** - A written promise to pay a specified sum of money, called principal, at a specified maturity date along with periodic interest paid at a specified percentage of the outstanding principal. They are usually used for long-term debt.

**GENERAL OBLIGATION BONDS** - Pledged government bond issues backed by a municipality's full faith and credit.

**REVENUE BONDS** - Bonds whose principal and interest are payable exclusively from the earnings of a public enterprise or project.

**BUDGET** - The financial plan for a specified period of time for the operation of a program or organization, or for the completion of a given project.

**BUDGET ADOPTION ORDINANCE** - Ordinance budgeting funds for a specific fiscal year, which establishes legal authority to expend resources.

**BUDGET AMENDMENT** - After adoption, the annual budget may be revised through a budget amendment, which requires City Council approval.

**BUDGET MESSAGE** - Included in the opening section of the budget, the Mayor's Letter of Transmittal provides the City Council with a general summary of important budget issues.

**BUDGET YEAR** - A term used in the budget formulation process to refer to the fiscal year for which the budget is being considered.

**BUDGETARY CONTROL** - The control or management of a governmental unit or enterprise in accordance with an approved budget for the purpose of keeping expenditures within the limitations of the budget.

**CAFR** - Comprehensive Annual Financial Report.

**CAPITAL** - Purchase price (per item) is \$5,000 or more, and the expected useful life of the items is five years or more.

**CAPITAL IMPROVEMENTS (CIP)** - A nonrecurring project with a cost of \$10,000 or more and a useful life of ten years or more including, but not limited to, construction of, and major alterations, remodeling or repair of physical facilities, buildings, structures, streets and highways, storm and sanitary sewers, fixed equipment, and landscaping.

**CAPITAL IMPROVEMENT PLAN** - The plan for the development of capital improvements within the City's jurisdiction. The plan includes a capital improvement budget for the current fiscal year and proposal for a capital improvement budget for five (5) fiscal years subsequent to the current fiscal year.

**CASH BASIS** – Revenues and expenditures are recognized as they are received and paid out. The budget is presented primarily on a cash basis, with limited exceptions.

**CATV** - Community Access Television.

**CIP** – Capital Improvement Plan.

**COMMODITIES** - Items which, after use, are consumed or show a material change in, or an appreciable impairment, of their physical condition, and which are generally of limited value and characterized by rapid depreciation. (Also referred to as SUPPLIES.)

**COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG)** - An entitlement grant from the U. S. Department of Housing and Urban Development (HUD) to assist the low and moderate income persons of the City in targeted neighborhoods.

**CONTRACTUAL SERVICES** - Services provided another individual, (not on City payroll) agency, or private firm. (Also referred to as SERVICES.)

**C-U** - Champaign-Urbana. (Also known as U-C, or Urbana-Champaign.)

**CURRENT YEAR** - A term used in the budget formulation process to refer to the fiscal year immediately preceding the budget year under consideration.

**DEBT SERVICE** - Includes principal and interest payments and handling charges on general obligation bonds, revenue bonds, special assessment bonds and notes.

**DEPARTMENT** - A major organizational unit of the City which has been assigned overall management responsibility for an operation or a group of related operations within a functional area.

**DIVISION** - An organizational level within a department.

**EMS** - Emergency Medical Services.

**ENCUMBRANCES** - These are obligations in the form of purchase orders or contracts which are chargeable to an appropriation and for which a part of the appropriation is reserved. The use of encumbrances is designed to prevent overspending and permits officials to be certain of how much money is available for new commitments.

**ERU** – Equivalent Residential Units, also referred to as Equivalent Runoff Unit, is the average amount of impervious surface area on a single-family residential property in the City of Urbana.

**ESTIMATE** - Revenue and expenditure estimates for the current fiscal year which are developed as part of the budget preparation process.

**EXPENDITURE** - The payments made by the City represent an expenditure of City resources. All payments to vendors, personnel and any other government agencies are considered expenditures.

**EXPENSE CODE** - A set of numbers which, in accordance with an overall system for classifying accounts, indicates the fund, activity and category to which a good or service is expended.

**FINANCIAL POLICIES** - General and specific guidelines adopted by the Council on an annual basis that govern budget preparation and administration.

**FISCAL YEAR** - The time period designated by the City identifying the beginning and ending period for recording financial transactions. The City of Urbana's fiscal year is July 1 to June 30.

**FOP** - Fraternal Order of Police. The union that represents the bargaining unit which consists of commissioned police officers.

**FULL-TIME EQUIVALENT (FTE) POSITIONS** - One person's work year (1.0 FTE) totals 2,080 hours. FTE's are therefore the number of positions based on total number of hours worked, rather than number of individuals working those hours. For certain positions in the Fire Department assigned to a 24 hours on 48 hours off schedule, an FTE is equivalent to 2,912 hours.

**FUND** - A fund is the basic accounting unit: it is a self-balancing accounting entity with revenues and expenditures which are segregated for the purpose of carrying out specific programs in accordance with City policies and certain applicable State and Federal laws.

**FUND BALANCE** - The excess of current assets over current liabilities, it represents the cumulative effect of revenues and other financing sources over expenditures and other financing uses. Fund balances are presented in the budget on a cash basis.

**GIS** - An organized collection of computer hardware, software and geographic data designed to capture, store, update, manipulate, analyze and display all forms of geographically referenced information.

**GFOA** - Government Finance Officers Association.

**GOAL** - A long-range desirable development attained by time-phased objectives designed to implement a strategy.

**GRANT** - A giving of funds for a specific purpose.

**HOME-RULE MUNICIPALITY** - A home rule unit may exercise any power and perform any function pertaining to its government and affairs including but not limited to the power to regulate for the protection of the public health, safety, morals and welfare; to license; to tax; and to incur debt, unless preempted by the State of Illinois. The City of Urbana is a home-rule municipality.

**IAFF** - International Association of Firefighters. The union representing the bargaining unit consisting of commissioned firefighters.

**IDOT** – Illinois Department of Transportation.

**IMRF** - Illinois Municipal Retirement Fund Retirement system established for municipal employees in the State of Illinois.

**INTER-FUND TRANSFER** - Transfers made from one fund to another to reimburse or pay for specific services rendered or to more generally support the activities of another fund.

**INTERGOVERNMENTAL REVENUE** - Revenue received from another government for general or specific purposes.

**LINE-ITEM BUDGET** - A budget that lists detailed expenditure categories separately along with the budgeted amounts for each expenditure category. The City maintains line-item detail for financial reporting and control purposes and it is also included in this document.

**NARCOTICS FORFEITURES** - Revenue seized and forfeited in police narcotics raids.

**LONG-TERM DEBT** - Debt with a maturity of more than one year after the date of issuance.

**METCAD** - Metropolitan Computer Aided Dispatch. An intergovernmental agency established to provide dispatching services for several area governments.

**NPDES** - National Pollutant Discharge Elimination System.

**OPERATING BUDGET** - The budget for funds that include recurring revenue sources used to finance on-going operating expenditures which permit basic government services, e.g., the General Operating, and Motor Vehicle Parking System Funds.

**PERSONNEL SERVICES** - Salaries and wages paid for services performed by employees of the City, and fringe benefit costs associated with these services.

**PROJECT** - A project is a unique set of operations designed to accomplish a specific goal, which has defined beginning and end.

**PROJECT LEDGER** - The Project Ledger program can create different projects to track project revenues and expenses in more detail than required by the general ledger without adding many project related accounts to the general ledger. A project usually contains project strings that link to a few general ledger account(s).

**PROJECT STRINGS** - The Project Accounting functionality creates a separate ledger for tracking project related costs and revenues using project account strings. Project account strings are to be used in place or in addition to GL accounts during transaction entry if the transaction applies to a project. Project account strings track the various details of all stages of a project. The project field in the project string is a field totally separate from the general ledger project segment.

**PROPERTY TAX LEVY** - A tax based on the assessed value of a property. Tax liability falls on the owner of record as of the beginning of the levy year.

**PURCHASE ORDER** - A buyer-generated document that authorizes a purchase transaction. When accepted by the seller, it becomes a contract binding on both parties. A purchase order sets forth the descriptions, quantities, prices, discounts, payment terms, date of performance or shipment, other associated terms and conditions, and identifies a specific seller. Also called order.

**REQUISITION** - Written order or a formal demand by the user(s) of a good or service (which is not made available without a specific request) to the department head, finance director, and/or city administrator. It generally includes the brand and model name or number, description, quantity, and the required delivery date. Also called purchase requisition.

**REVENUE** - Funds that the City receives as income. It includes such items as tax payments, fees from specific services, receipts from other governments, fines, forfeitures, grants, shared revenues, and interest income.

**SERVICES** - Services provided another individual, (not on City payroll) agency, or private firm. (Also referred to as CONTRACTUAL SERVICES)

**SPECIAL REVENUE FUNDS** - Funds used to account for the proceeds from specific revenue sources (other than trusts or major capital projects) that are legally restricted to expenditure for specific purposes.

**SUPPLIES** - Items which, after use, are consumed or show a material change in, or an appreciable impairment, of their physical condition, and which are generally of limited value and characterized by rapid depreciation. (Also referred to as COMMODITIES)

**TAX INCREMENT FINANCING (TIF)** - A tax incentive designed to attract business investment by the dedication of property and sales tax revenue from the redevelopment of an area (Tax Increment Financing District, or TIFD) to finance development-related costs in that district.

**TAX INCREMENT FINANCING DISTRICT (TIFD)** - A redevelopment area in which tax increment financing is used.

**U-C** - Urbana-Champaign. (Also known as C-U, or Champaign-Urbana.)

**UC2B** - Urbana-Champaign Big Broadband Consortium - An intergovernmental consortium of the University of Illinois and the cities of Urbana and Champaign dedicated to building and operating an open-access fiber-optic broadband network throughout the Champaign-Urbana area.

**UCSD** - Urbana-Champaign Sanitary District.

**UPTV** - Urbana Public Television
