The speaker may send the remainder of their remarks via email to the public body.

(2) Written public comments.

- a. Any member of the public may submit their comments addressed to members of the public body in writing (including via e-mail). If a person wishes their written comments to be included in the record of public input for the meeting, the writing should so state. Comments must be received prior to closing of the meeting record. The meeting record will close at the time of adjournment unless otherwise stated in the public notice for the meeting.
- b. Specific instructions for verbal or written public comments shall be posted with the public notice for each meeting.

(3) Invited presentation.

- a. Members of the public invited by the presiding officer to address the public body on a specific topic and properly noticed on the agenda shall be limited to no more than ten (10) minutes unless otherwise shortened or extended by a majority vote of the public body members present.
- b. Members of the public body who wish to schedule a presentation to the public body by a member of the public must make a request to the presiding officer. The presiding officer must schedule the requested presentation with the city administrator for city council and committee of the whole items or staff liaison for board and commission items.
- c. If the invited speaker wishes to present material using screen sharing or a similar means, they shall email the material to the City Clerk before 3 pm on the day of the meeting.
