Dear Mr. Eckerty:

I have a letter back from Robert W. Larkin, Bond Department with the following statement "If we increase the penalty of this bond, we would prefer to make the increase effective as of a current date and in any case, not earlier than January 5, 1970, which was the date of the resolution I am forwarding". They do not want to date back, and also brought to my attention that the accounts were audited as of April 30th, 1969. I do not find my forms in file, so am sure they were sent to you for giving to Auditor to fill out for the period ending April 30, 1969.

His suggestion was that the City Council adopt a like resolution that the increase in the amount of the bond be effective as of a specific date and no earlier than January 5, 1970.

I am to be gone this next week, and if you can do this as of your last City Council meeting and insert in the meeting's minutes, as well as, obtain the certification of the audit; I would like for it with the new resolution to be sent on to

Mr. Robert W. Larkin, Bond Department  
Employers Commercial Union Insurance Co.  
30 E. Adams, Chicago, Illinois 60603  
and note in Re: Bond No. FB 2011870, Chaney Finfreck

If you can't follow through I should be back the following week, and hope we can finish up.

Sincerely yours,
