

RESOLUTION

The Mayor is hereby authorized to negotiate a contract with interested property owners along the route of Colorado extended for the purpose of acquiring key rights-of-ways and to secure at least two lanes of paving as far as necessary to provide physical as well as legal access to developing properties. The City Council desires to operate within current policies concerning extent of City participation and the currently approved budget and annual appropriation ordinance. However, the Mayor is encouraged to find imaginative ways of cooperation utilizing the City's powers under Article 7 of the constitution of 1970 if necessary and bonds or general funds may be used as necessary to repay the City's share of such a project. The Council pledges support for efforts leading to an economical and speedy solution.
