WHEREAS, the City Council of the City of Urbana, Illinois desires that any changes in the traffic pattern have only minimal effects on the residential sections of the Crystal Lake West Neighborhood;

THEREFORE, BE IT RESOLVED by the City Council of the City of Urbana, Illinois, that should Park Street be vacated;

1. All trucks, loaded or unloaded, which weigh over five tons when fully loaded, shall be prohibited from all streets in the Crystal Lake West Neighborhood, except for University, Orchard, that part of Church between Orchard and Coler, that part of Coler between Church and University, and that part of Park west of Coler, provided that trucks providing normal services to R-1 residential areas, such as garbage trucks, moving vans and delivery trucks, may traverse streets in this area to provide services to residences.

2. It is the intention of the City Council to create a special fund to be known as the "Crystal Lake West Neighborhood Traffic Improvement Fund", such fund to be established in the amount of \$100,000, to be used to minimize the effects of the vacation of Park Street between Orchard and Coler.

3. All stop signs now located in the Crystal Lake West Neighborhood shall remain in place, except on recommendation of the Traffic Engineer and majority vote of the City Council.
