

RESOLUTION

WHEREAS, the City of Urbana has adopted and is enforcing the Urbana Subdivision Regulation; and

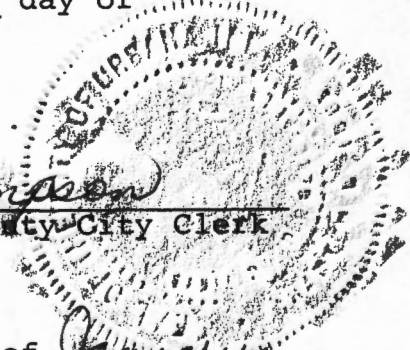

WHEREAS, the City Engineer is responsible for having all plats, construction plans and specifications for proposed subdivisions examined and reviewed for compliance with City Standards prior to being approved by this Council of the City of Urbana.

NOW, THEREFORE, BE IT RESOLVED BY THE URBANA CITY COUNCIL that the City Engineer, or his authorized agent, shall review all subdivision proposals and other proposed new developments (including but not limited to water supply systems and sanitary sewage systems) to assure that all such proposals are consistent with the need to minimize flood damage; all public utilities and facilities, such as sewer, gas, electrical, and water systems are located, elevated and constructed to minimize or eliminate flood damage; and adequate drainage is provided so as to reduce exposure to flood hazard.

BE IT FURTHER RESOLVED that this Council of the City of Urbana, Illinois, hereby appoints and authorizes the City Engineer with the overall responsibility, authority and means to implement all commitments made herein.

PASSED by the City Council this 6th day of Jan, 1975.
