

RESOLUTION NO. 8485-R1

A RESOLUTION  
REGARDING SOLID WASTE DISPOSAL AND PLANNING

WHEREAS, the existing sanitary landfill operated by the Champaign-Urbana Solid Waste Disposal System will reach capacity on May 30, 1985; and

WHEREAS, there are no feasible proposals which would provide local solid waste disposal services on May 30, 1985.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF URBANA, ILLINOIS, as follows:

Section 1. That the City of Urbana desires to provide a disposal site for solid waste generated from within the corporate limits of Urbana, including the University of Illinois, pursuant to the 1954 City-University agreement, as amended.

Section 2. That the City of Urbana will begin immediately to prepare engineering plans and specifications to obtain a development permit to operate a sanitary landfill on existing unused landfill acreage consisting of ten (10) acres.

Section 3. That the City of Urbana will begin the preparation of a comprehensive long-range solid waste management plan on October 1, 1984, to address the implementation of alternate disposal technologies for solid waste generated from within the corporate limits of Urbana exclusively, including the University of Illinois, unless prior to that time the Champaign-Urbana Solid Waste Task Force has committed to developing a similar yet regional long-range solid waste management plan.

PASSED by the City Council this 2nd day of July, 1984.
