

RESOLUTION NO. 9091-R25

A RESOLUTION AMENDING RESOLUTION NO. 8990-R41
"A RESOLUTION PROPOSING TERMS AND CONDITIONS IN CONNECTION WITH
THE SITING OF A SOLID WASTE DISPOSAL FACILITY IN THE CITY"

WHEREAS, the City of Urbana has previously adopted in a timely manner, a general Regional Pollution Control Facility Siting and Licensing Ordinance; and

WHEREAS, even prior to the adoption of the said Regional Pollution Control Facility Siting and Licensing Ordinance, this Council tried to anticipate the possible impact on the City of the siting of a regional pollution control facility by passing Resolution No. 8990-R41 which was intended to timely announce the then expectations of the City of Urbana as to conditions necessary to protect the health, safety and welfare of the City of Urbana; and

WHEREAS, in the time that has elapsed since the passage of the aforesaid Resolution, additional information and perspective has been gained; and

WHEREAS, the Urbana City Council wishes to facilitate in whatever way that is legal and practicable the siting of intergovernmental pollution control facilities and finds it appropriate that costs of siting a Material Transfer Facility may be straightforwardly determined so that the Intergovernmental Solid Waste Disposal Association (ISWDA) may make application for whatever site it deems to be in the best interests of the ISWDA.
